the cabinet council whenever the county council performs a 2802
function subject to those rules or agreements. 2803

(b) On application of a county council, the cabinet 2804
council may grant an exemption from any rules or interagency 2805
agreements of a state department participating on the council if 2806
an exemption is necessary for the council to implement an 2807
alternative program or approach for service delivery to families 2808
and children. The application shall describe the proposed 2809
program or approach and specify the rules or interagency 2810
agreements from which an exemption is necessary. The cabinet 2811
council shall approve or disapprove the application in 2812
accordance with standards and procedures it shall adopt. If an 2813
application is approved, the exemption is effective only while 2814
the program or approach is being implemented, including a 2815
reasonable period during which the program or approach is being 2816
evaluated for effectiveness. 2817

(5) (a) Each county council shall designate an 2818
administrative agent for the council from among the following 2819
public entities: the board of alcohol, drug addiction, and 2820

public entities, other than the board of county commissioners, 2831

may decline to serve as the council's administrative agent. 2832

A county council's administrative agent shall serve as the 2833
council's appointing authority for any employees of the council. 2834
The council shall file an annual budget with its administrative 2835
agent, with copies filed with the county auditor and with the 2836
board of county commissioners, unless the board is serving as 2837
the council's administrative agent. The council's administrative 2838
agent shall ensure that all expenditures are handled in 2839
accordance with policies, procedures, and activities prescribed 2840
by state departments in rules or interagency agreements that are 2841
applicable to the council's functions. 2842

The administrative agent of a county council shall send 2843
notice of a member's absence if a member listed in division (B) 2844
(1) of this section has been absent from either three 2845
consecutive meetings of the county council or a county council 2846
subcommittee, or from one-quarter of such meetings in a calendar 2847
year, whichever is less. The notice shall be sent to the board 2848
of county commissioners that establishes the county council and, 2849

(1)(k) of this section, to the director of youth services; and 2859
for the member listed in division (B)(1)(n) of this section, to 2860
that member's board of trustees. 2861

The administrative agent for a county council may do any 2862
of the following on behalf of the council: 2863

(i) Enter into agreements or administer contracts with 2864
public or private entities to fulfill specific council business. 2865
Such agreements and contracts are exempt from the competitive 2866
bidding requirements of section 307.86 of the Revised Code if 2867
they have been approved by the county council and they are for 2868
the purchase of family and child welfare or child protection 2869
services or other social or job and family services for families 2870
and children. The approval of the county council is not required 2871
to exempt agreements or contracts entered into under section 2872
5139.34, 5139.41, or 5139.43 of the Revised Code from the 2873
competitive bidding requirements of section 307.86 of the 2874
Revised Code. 2875

(ii) As determined by the council, provide financial 2876
stipends, reimbursements, or both, to family representatives for 2877
expenses related to council activity; 2878

(iii) Receive by gift, grant, devise, or bequest any 2879
moneys, lands, or other property for the purposes for which the 2880
council is established. The agent shall hold, apply, and dispose 2881
of the moneys, lands, or other property according to the terms 2882
of the gift, grant, devise, or bequest. Any interest or earnings 2883
shall be treated in the same manner and are subject to the same 2884
terms as the gift, grant, devise, or bequest from which it 2885
accrues. 2886

(b) (i) If the county council designates the board of 2887
county commissioners as its administrative agent, the board may, 2888
by resolution, delegate any of its powers and duties as 2889
administrative agent to an executive committee the board 2890
establishes from the membership of the county council. The board 2891

shall name to the executive committee at least the individuals 2892
described in divisions (B) (1) (b) to (h) of this section and may 2893
appoint the president of the board or another individual as the 2894
chair of the executive committee. The executive committee must 2895
include at least one family county council representative who 2896
does not have a family member employed by an agency represented 2897
on the council. 2898

(ii) The executive committee may, with the approval of the 2899
board, hire an executive director to assist the county council 2900
in administering its powers and duties. The executive director 2901
shall serve in the unclassified civil service at the pleasure of 2902
the executive committee. The executive director may, with the 2903
approval of the executive committee, hire other employees as 2904
necessary to properly conduct the county council's business. 2905

(iii) The board may require the executive committee to 2906
submit an annual budget to the board for approval and may amend 2907
or repeal the resolution that delegated to the executive 2908
committee its authority as the county council's administrative 2909
agent. 2910

(6) Two or more county councils may enter into an 2911
agreement to administer their county councils jointly by 2912
creating a regional family and children first council. A 2913
regional council possesses the same duties and authority 2914
possessed by a county council, except that the duties and 2915
authority apply regionally rather than to individual counties. 2916
Prior to entering into an agreement to create a regional 2917
council, the members of each county council to be part of the 2918
regional council shall meet to determine whether all or part of 2919
the members of each county council will serve as members of the 2920
regional council. 2921

(7) A board of county commissioners may approve a 2922
resolution by a majority vote of the board's members that 2923
requires the county council to submit a statement to the board 2924
each time the council proposes to enter into an agreement, adopt 2925
a plan, or make a decision, other than a decision pursuant to 2926
section 121.38 of the Revised Code, that requires the 2927
expenditure of funds for two or more families. The statement 2928
shall describe the proposed agreement, plan, or decision. 2929

Not later than fifteen days after the board receives the 2930
statement, it shall, by resolution approved by a majority of its 2931
members, approve or disapprove the agreement, plan, or decision. 2932
Failure of the board to pass a resolution during that time 2933
period shall be considered approval of the agreement, plan, or 2934
decision. 2935

An agreement, plan, or decision for which a statement is 2936
required to be submitted to the board shall be implemented only 2937
if it is approved by the board. 2938

(C) Each county shall develop a county service 2939
coordination mechanism. The county service coordination 2940
mechanism shall serve as the guiding document for coordination 2941
of services in the county. For children who also receive 2942
services under the help me grow program, the service 2943
coordination mechanism shall be consistent with rules adopted by 2944
the department of health under section 3701.61 of the Revised 2945
Code. All family service coordination plans shall be developed 2946
in accordance with the county service coordination mechanism. 2947
The mechanism shall be developed and approved with the 2948
participation of the county entities representing child welfare; 2949
developmental disabilities; alcohol, drug addiction, and mental 2950
health services; health; juvenile judges; education; the county 2951

family and children first council; and the county early 2952
intervention collaborative established pursuant to the federal 2953
early intervention program operated under the "Individuals with 2954
Disabilities Education Act of 2004." The county shall establish 2955
an implementation schedule for the mechanism. The cabinet 2956
council may monitor the implementation and administration of 2957
each county's service coordination mechanism. 2958

Each mechanism shall include all of the following: 2959

the child and family to the county council for service 2962
coordination in accordance with the mechanism; 2963

(2) A procedure ensuring that a family and all appropriate 2964
staff from involved agencies, including a representative from 2965
the appropriate school district, are notified of and invited to 2966
participate in all family service coordination plan meetings; 2967

(3) A procedure that permits a family to initiate a 2968
meeting to develop or review the family's service coordination 2969
plan and allows the family to invite a family advocate, mentor, 2970
or support person of the family's choice to participate in any 2971
such meeting; 2972

(4) A procedure for ensuring that a family service 2973
coordination plan meeting is conducted for each child who 2974
receives service coordination under the mechanism and for whom 2975
an emergency out-of-home placement has been made or for whom a 2976
nonemergency out-of-home placement is being considered. The 2977
meeting shall be conducted within ten days of an emergency out- 2978
of-home placement. The meeting shall be conducted before a 2979
nonemergency out-of-home placement. The family service 2980

coordination plan shall outline how the county council members 2981
will jointly pay for services, where applicable, and provide 2982
services in the least restrictive environment. 2983

(5) A procedure for monitoring the progress and tracking 2984
the outcomes of each service coordination plan requested in the 2985
county including monitoring and tracking children in out-of-home 2986
placements to assure continued progress, appropriateness of 2987
placement, and continuity of care after discharge from placement 2988
with appropriate arrangements for housing, treatment, and 2989
education; 2990

personal family information disclosed during service 2992
coordination meetings or contained in the comprehensive family 2993
service coordination plan; 2994

(7) A procedure for assessing the needs and strengths of 2995
any child or family that has been referred to the council for 2996
service coordination, including a child whose parent or 2997
custodian is voluntarily seeking services, and for ensuring that 2998
parents and custodians are afforded the opportunity to 2999
participate; 3000

(8) A procedure for development of a family service 3001
coordination plan described in division (D) of this section; 3002

(9) A local dispute resolution process to serve as the 3003
process that must be used first to resolve disputes among the 3004
agencies represented on the county council concerning the 3005
provision of services to children, including children who are 3006
abused, neglected, dependent, unruly, alleged unruly, or 3007
delinquent children and under the jurisdiction of the juvenile 3008
court and children whose parents or custodians are voluntarily 3009

seeking services. The local dispute resolution process shall 3010
comply with sections 121.38, 121.381, and 121.382 of the Revised 3011
Code. The local dispute resolution process shall be used to 3012
resolve disputes between a child's parents or custodians and the 3013
county council regarding service coordination. The county 3014
council shall inform the parents or custodians of their right to 3015
use the dispute resolution process. Parents or custodians shall 3016
use existing local agency grievance procedures to address 3017
disputes not involving service coordination. The dispute 3018
resolution process is in addition to and does not replace other 3019
rights or procedures that parents or custodians may have under 3020
other sections of the Revised Code. 3021

The cabinet council shall adopt rules in accordance with 3022
Chapter 119. of the Revised Code establishing an administrative 3023
review process to address problems that arise concerning the 3024
operation of a local dispute resolution process. 3025

Nothing in division (C) (4) of this section shall be 3026
interpreted as overriding or affecting decisions of a juvenile 3027
court regarding an out-of-home placement, long-term placement, 3028
or emergency out-of-home placement. 3029

(D) Each county shall develop a family service 3030
coordination plan that does all of the following: 3031

decisions. Identified assistance and services shall be provided 3046
in the least restrictive environment possible. 3047

division (C) (7) of this section and designation of the 3060

department head. "State agency" also includes the department of 3261
education and workforce, the state lottery commission, the Ohio 3262

official or entity is organized for the purposes of this 3267
section. 3268

(B) Not later than December 31, 2019, a state agency shall 3269

under the agency's general authority; 3286

(5) Whether removing the regulatory restriction would 3287
require a change to state or federal law, provided that removing 3288
a regulatory restriction adopted under a law granting the agency 3289
general authority shall be presumed not to require a change to 3290
state or federal law; 3291

(6) Any other information the joint committee on agency 3292
rule review considers necessary. 3293

(D) The state agency shall compute and state the total 3294
number of regulatory restrictions indicated in the base 3295
inventory, shall post the base inventory on its web site, and 3296
shall electronically transmit a copy of the inventory to the 3297

joint committee. The joint committee shall review the base 3298
inventory, then transmit it electronically to the speaker of the 3299

(2) An emergency rule; 3305

(3) A rule that state or federal law requires the state 3306
agency to adopt verbatim; 3307

(4) A regulatory restriction contained in materials or 3308
documents incorporated by reference into a rule pursuant to 3309

(F) Beginning on October 17, 2019, and ending on June 30, 3318
2023, a state agency may not adopt a new regulatory restriction 3319
unless it simultaneously removes two or more other existing 3320
regulatory restrictions. The state agency may not satisfy this 3321
section by merging two or more existing regulatory restrictions 3322
into a single surviving regulatory restriction. 3323

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis.

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code.

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. An appointing authority that appoints employees in the service of the state, with the approval of the director of administrative services and the director of budget and management, may establish payments to employees for uniforms, tools, equipment, and other requirements of the department and payments for the maintenance of them.

The director of administrative services may review collective bargaining agreements entered into under Chapter 4117. of the Revised Code that cover employees in the service of the state and determine whether certain benefits or payments

provided to the employees covered by those agreements should 3359
also be provided to employees in the service of the state who 3360
are exempt from collective bargaining coverage and are paid in 3361
accordance with section 124.152 of the Revised Code or are 3362
listed in division (B)(2) or (4) of section 124.14 of the 3363
Revised Code. On completing the review, the director of 3364
administrative services, with the approval of the director of 3365
budget and management, may provide to some or all of these 3366
employees any payment or benefit, except for salary, contained 3367
in such a collective bargaining agreement even if it is similar 3368
to a payment or benefit already provided by law to some or all 3369
of these employees. Any payment or benefit so provided shall not 3370
exceed the highest level for that payment or benefit specified 3371
in such a collective bargaining agreement. The director of 3372
administrative services shall not provide, and the director of 3373
budget and management shall not approve, any payment or benefit 3374
to such an employee under this division unless the payment or 3375
benefit is provided pursuant to a collective bargaining 3376
agreement to a state employee who is in a position with similar 3377
duties as, is supervised by, or is employed by the same 3378
appointing authority as, the employee to whom the benefit or 3379
payment is to be provided. 3380

As used in this division, "payment or benefit already 3381
provided by law" includes, but is not limited to, bereavement, 3382
personal, vacation, administrative, and sick leave, disability 3383
benefits, holiday pay, and pay supplements provided under the 3384
Revised Code, but does not include wages or salary. 3385

(E) New employees paid in accordance with schedule B of 3386
division (A) of this section or schedule E-1 of section 124.152 3387
of the Revised Code shall be employed at the minimum rate 3388
established for the range unless otherwise provided. Employees 3389

with qualifications that are beyond the minimum normally 3390
required for the position and that are determined by the 3391
director to be exceptional may be employed in, or may be 3392
transferred or promoted to, a position at an advanced step of 3393
the range. Further, in time of a serious labor market condition 3394
when it is relatively impossible to recruit employees at the 3395
minimum rate for a particular classification, the entrance rate 3396
may be set at an advanced step in the range by the director of 3397
administrative services. This rate may be limited to 3398
geographical regions of the state. Appointments made to an 3399
advanced step under the provision regarding exceptional 3400
qualifications shall not affect the step assignment of employees 3401
already serving. However, anytime the hiring rate of an entire 3402
classification is advanced to a higher step, all incumbents of 3403
that classification being paid at a step lower than that being 3404
used for hiring, shall be advanced beginning at the start of the 3405
first pay period thereafter to the new hiring rate, and any time 3406
accrued at the lower step will be used to calculate advancement 3407
to a succeeding step. If the hiring rate of a classification is 3408
increased for only a geographical region of the state, only 3409
incumbents who work in that geographical region shall be 3410
advanced to a higher step. When an employee in the unclassified 3411
service changes from one state position to another or is 3412
appointed to a position in the classified service, or if an 3413
employee in the classified service is appointed to a position in 3414
the unclassified service, the employee's salary or wage in the 3415
new position shall be determined in the same manner as if the 3416
employee were an employee in the classified service. When an 3417
employee in the unclassified service who is not eligible for 3418
step increases is appointed to a classification in the 3419
classified service under which step increases are provided, 3420
future step increases shall be based on the date on which the 3421

employee last received a pay increase. If the employee has not 3422
received an increase during the previous year, the date of the 3423
appointment to the classified service shall be used to determine 3424
the employee's annual step advancement eligibility date. In 3425
reassigning any employee to a classification resulting in a pay 3426
range increase or to a new pay range as a result of a promotion, 3427
an increase pay range adjustment, or other classification change 3428
resulting in a pay range increase, the director shall assign 3429
such employee to the step in the new pay range that will provide 3430
an increase of approximately four per cent if the new pay range 3431
can accommodate the increase. When an employee is being assigned 3432
to a classification or new pay range as the result of a class 3433
plan change, if the employee has completed a probationary 3434
period, the employee shall be placed in a step no lower than 3435
step two of the new pay range. If the employee has not completed 3436
a probationary period, the employee may be placed in step one of 3437
the new pay range. Such new salary or wage shall become 3438
effective on such date as the director determines. 3439

(F) If employment conditions and the urgency of the work 3440
require such action, the director of administrative services 3441
may, upon the application of a department head, authorize 3442
payment at any rate established within the range for the class 3443
of work, for work of a casual or intermittent nature or on a 3444
project basis. Payment at such rates shall not be made to the 3445
same individual for more than three calendar months in any one 3446
calendar year. Any such action shall be subject to the approval 3447
of the director of budget and management as to the availability 3448
of funds. This section and sections 124.14 and 124.152 of the 3449
Revised Code do not repeal any authority of any department or 3450
public official to contract with or fix the compensation of 3451
professional persons who may be employed temporarily for work of 3452

a casual nature or for work on a project basis. 3453

(G) (1) Except as provided in divisions (G) (2) and (3) of 3454
this section, each state employee paid in accordance with 3455
schedule B of this section or schedule E-1 of section 124.152 of 3456
the Revised Code shall be eligible for advancement to succeeding 3457
steps in the range for the employee's class or grade according 3458
to the schedule established in this division. Beginning on the 3459
first day of the pay period within which the employee completes 3460
the prescribed probationary period in the employee's 3461
classification with the state, each employee shall receive an 3462
automatic salary adjustment equivalent to the next higher step 3463
within the pay range for the employee's class or grade. 3464

Except as provided in divisions (G) (2) and (3) of this 3465
section, each employee paid in accordance with schedule E-1 of 3466
section 124.152 of the Revised Code shall be eligible to advance 3467
to the next higher step until the employee reaches the top step 3468
in the range for the employee's class or grade, if the employee 3469
has maintained satisfactory performance in accordance with 3470
criteria established by the employee's appointing authority. 3471
Those step advancements shall not occur more frequently than 3472
once in any twelve-month period. 3473

When an employee is promoted, the step entry date shall be 3474
set to account for a probationary period. When an employee is 3475
reassigned to a higher pay range, the step entry date shall be 3476
set to allow an employee who is not at the highest step of the 3477
range to receive a step advancement one year from the 3478
reassignment date. Step advancement shall not be affected by 3479
demotion. A promoted employee shall advance to the next higher 3480
step of the pay range on the first day of the pay period in 3481
which the required probationary period is completed. Step 3482

advancement shall become effective at the beginning of the pay 3483
period within which the employee attains the necessary length of 3484
service. Time spent on authorized leave of absence shall be 3485
counted for this purpose. 3486

If determined to be in the best interest of the state 3487
service, the director of administrative services may, either 3488
statewide or in selected agencies, adjust the dates on which 3489
annual step advancements are received by employees paid in 3490
accordance with schedule E-1 of section 124.152 of the Revised 3491
Code. 3492

(2) (a) There shall be a moratorium on annual step 3493
advancements under division (G) (1) of this section beginning 3494
June 21, 2009, through June 20, 2011. Step advancements shall 3495
resume with the pay period beginning June 21, 2011. Upon the 3496
resumption of step advancements, there shall be no retroactive 3497
step advancements for the period the moratorium was in effect. 3498
The moratorium shall not affect an employee's performance 3499
evaluation schedule. 3500

An employee who begins a probationary period before June 3501
21, 2009, shall advance to the next step in the employee's pay 3502
range at the end of probation, and then become subject to the 3503
moratorium. An employee who is hired, promoted, or reassigned to 3504
a higher pay range between June 21, 2009, through June 20, 2011, 3505
shall not advance to the next step in the employee's pay range 3506
until the next anniversary of the employee's date of hire, 3507
promotion, or reassignment that occurs on or after June 21, 3508
2011. 3509

section shall apply to the employees of the secretary of state, 3511
the auditor of state, the treasurer of state, and the attorney 3512

general, who are subject to this section unless the secretary of 3513
state, the auditor of state, the treasurer of state, or the 3514
attorney general decides to exempt the office's employees from 3515
the moratorium and so notifies the director of administrative 3516
services in writing on or before July 1, 2009. 3517

(3) Employees in intermittent positions shall be employed 3518
at the minimum rate established for the pay range for their 3519
classification and are not eligible for step advancements. 3520

(H) Employees in appointive managerial or professional 3521
positions paid in accordance with schedule C of this section or 3522
schedule E-2 of section 124.152 of the Revised Code may be 3523
appointed at any rate within the appropriate pay range. This 3524
rate of pay may be adjusted higher or lower within the 3525
respective pay range at any time the appointing authority so 3526
desires as long as the adjustment is based on the employee's 3527
ability to successfully administer those duties assigned to the 3528
employee. Salary adjustments shall not be made more frequently 3529
than once in any six-month period under this provision to 3530
incumbents holding the same position and classification. 3531

(I) When an employee is assigned to duty outside this 3532
state, the employee may be compensated, upon request of the 3533
department head and with the approval of the director of 3534
administrative services, at a rate not to exceed fifty per cent 3535
in excess of the employee's current base rate for the period of 3536
time spent on that duty. 3537

(J) Unless compensation for members of a board or 3538
commission is otherwise specifically provided by law, the 3539

method of payment for members of boards and commissions pursuant 3541
to the pay schedules listed in section 124.152 of the Revised 3542

Code. 3543

(K) Regular full-time employees in positions assigned to 3544
classes within the instruction and education administration 3545
series under the job classification plans of the director of 3546
administrative services, except certificated employees on the 3547
instructional staff of the state school for the blind or the 3548
state school for the deaf, whose positions are scheduled to work 3549
on the basis of an academic year rather than a full calendar 3550
year, shall be paid according to the pay range assigned by the 3551
applicable job classification plan, but only during those pay 3552
periods included in the academic year of the school where the 3553
employee is located. 3554

(1) Part-time or substitute teachers or those whose period 3555
of employment is other than the full academic year shall be 3556
compensated for the actual time worked at the rate established 3557
by this section. 3558

(2) Employees governed by this division are exempt from 3559
sections 124.13 and 124.19 of the Revised Code. 3560

(3) Length of service for the purpose of determining 3561
eligibility for step advancements as provided by division (G) of 3562
this section and for the purpose of determining eligibility for 3563
longevity pay supplements as provided by division (E) of section 3564
124.181 of the Revised Code shall be computed on the basis of 3565
one full year of service for the completion of each academic 3566
year. 3567

(L) The superintendent of the state school for the deaf 3568
and the superintendent of the state school for the blind shall, 3569
subject to the approval of the ~~superintendent of public~~ 3570
~~instruction~~director of education and workforce, carry out both 3571

of the following: 3572

(1) Annually, between the first day of April and the last 3573
day of June, establish for the ensuing fiscal year a schedule of 3574
hourly rates for the compensation of each certificated employee 3575
on the instructional staff of that superintendent's respective 3576
school constructed as follows: 3577

(a) Determine for each level of training, experience, and 3578
other professional qualification for which an hourly rate is set 3579
forth in the current schedule, the per cent that rate is of the 3580
rate set forth in such schedule for a teacher with a bachelor's 3581
degree and no experience. If there is more than one such rate 3582
for such a teacher, the lowest rate shall be used to make the 3583
computation. 3584

(b) Determine which six city, local, and exempted village 3585
school districts with territory in Franklin county have in 3586
effect on, or have adopted by, the first day of April for the 3587
school year that begins on the ensuing first day of July, 3588
teacher salary schedules with the highest minimum salaries for a 3589
teacher with a bachelor's degree and no experience; 3590

(c) Divide the sum of such six highest minimum salaries by 3591
ten thousand five hundred sixty; 3592

(d) Multiply each per cent determined in division (L) (1) 3593
(a) of this section by the quotient obtained in division (L) (1) 3594
(c) of this section; 3595

(e) One hundred five per cent of each product thus 3596
obtained shall be the hourly rate for the corresponding level of 3597
training, experience, or other professional qualification in the 3598
schedule for the ensuing fiscal year. 3599

(2) Annually, assign each certificated employee on the 3600

instructional staff of the superintendent's respective school to 3601
an hourly rate on the schedule that is commensurate with the 3602
employee's training, experience, and other professional 3603
qualifications. 3604

If an employee is employed on the basis of an academic 3605
year, the employee's annual salary shall be calculated by 3606
multiplying the employee's assigned hourly rate times one 3607
thousand seven hundred sixty. If an employee is not employed on 3608
the basis of an academic year, the employee's annual salary 3609
shall be calculated in accordance with the following formula: 3610

(a) Multiply the number of days the employee is required 3611
to work pursuant to the employee's contract by eight; 3612

(b) Multiply the product of division (L) (2) (a) of this 3613
section by the employee's assigned hourly rate. 3614

Each employee shall be paid an annual salary in biweekly 3615
installments. The amount of each installment shall be calculated 3616
by dividing the employee's annual salary by the number of 3617
biweekly installments to be paid during the year. 3618

Sections 124.13 and 124.19 of the Revised Code do not 3619
apply to an employee who is paid under this division. 3620

As used in this division, "academic year" means the number 3621
of days in each school year that the schools are required to be 3622
open for instruction with pupils in attendance. Upon completing 3623
an academic year, an employee paid under this division shall be 3624
deemed to have completed one year of service. An employee paid 3625
under this division is eligible to receive a pay supplement 3626
under division (L) (1), (2), or (3) of section 124.181 of the 3627
Revised Code for which the employee qualifies, but is not 3628
eligible to receive a pay supplement under division (L) (4) or 3629

(5) of that section. An employee paid under this division is 3630
eligible to receive a pay supplement under division (L) (6) of 3631
section 124.181 of the Revised Code for which the employee 3632
qualifies, except that the supplement is not limited to a 3633
maximum of five per cent of the employee's regular base salary 3634
in a calendar year. 3635

(M) Division (A) of this section does not apply to "exempt 3636
employees," as defined in section 124.152 of the Revised Code, 3637
who are paid under that section. 3638

Notwithstanding any other provisions of this chapter, when 3639
an employee transfers between bargaining units or transfers out 3640
of or into a bargaining unit, the director of administrative 3641
services shall establish the employee's compensation and adjust 3642
the maximum leave accrual schedule as the director deems 3643
equitable. 3644

during which the payroll is accumulated, as determined by the 3648
director of administrative services. 3649

(2) "Active pay status" means the conditions under which 3650
an employee is eligible to receive pay, and includes, but is not 3651
limited to, vacation leave, sick leave, personal leave, 3652
bereavement leave, and administrative leave. 3653

(3) "No pay status" means the conditions under which an 3654
employee is ineligible to receive pay and includes, but is not 3655

Revised Code, plus any supplement provided under section 124.181 3667
of the Revised Code, plus any supplements enacted into law which 3668
are added to schedule B or C of section 124.15 of the Revised 3669
Code or to schedule E-1 or schedule E-2 of section 124.152 of 3670
the Revised Code. 3671

(7) "Part-time permanent employee" means an employee whose 3672
regular hours of duty total less than eighty hours in a pay 3673
period in a state agency and whose appointment is not for a 3674
limited period of time. 3675

(B) Each full-time permanent and part-time permanent 3676
employee whose salary or wage is paid directly by warrant of the 3677
director of budget and management shall be credited with sick 3678
leave of three and one-tenth hours for each completed eighty 3679
hours of service, excluding overtime hours worked. Sick leave is 3680
not available for use until it appears on the employee's earning 3681
statement and the compensation described in the earning 3682
statement is available to the employee. 3683

(C) Any sick leave credit provided pursuant to division 3684
(B) of this section, remaining as of the last day of the pay 3685
period preceding the first paycheck the employee receives in 3686
December, shall be converted pursuant to section 124.383 of the 3687

Revised Code. 3688

(D) Employees may use sick leave, provided a credit 3689
balance is available, upon approval of the responsible 3690
administrative officer of the employing unit, for absence due to 3691
personal illness, pregnancy, injury, exposure to contagious 3692
disease that could be communicated to other employees, and 3693
illness, injury, or death in the employee's immediate family. 3694
When sick leave is used, it shall be deducted from the 3695
employee's credit on the basis of absence from previously 3696
scheduled work in such increments of an hour and at such a 3697
compensation rate as the director of administrative services 3698
determines. The appointing authority of each employing unit may 3699
require an employee to furnish a satisfactory, signed statement 3700
to justify the use of sick leave. 3701

If, after having utilized the credit provided by this 3702
section, an employee utilizes sick leave that was accumulated 3703
prior to November 15, 1981, compensation for such sick leave 3704
used shall be at a rate as the director determines. 3705

(E) (1) The previously accumulated sick leave balance of an 3706
employee who has been separated from the public service, for 3707
which separation payments pursuant to section 124.384 of the 3708
Revised Code have not been made, shall be placed to the 3709
employee's credit upon the employee's reemployment in the public 3710
service, if the reemployment takes place within ten years of the 3711
date on which the employee was last terminated from public 3712
service. 3713

(2) The previously accumulated sick leave balance of an 3714
employee who has separated from a school district shall be 3715
placed to the employee's credit upon the employee's appointment 3716

(F) An employee who transfers from one public agency to 3726
another shall be credited with the unused balance of the 3727
employee's accumulated sick leave. 3728

(G) The director of administrative services shall 3729
establish procedures to uniformly administer this section. No 3730
sick leave may be granted to a state employee upon or after the 3731
employee's retirement or termination of employment. 3732

(H) As used in this division, "active payroll" means 3733

eligible to receive pay for an approved leave of absence, 3735
including, but not limited to, occupational injury leave, 3736
disability leave, or workers' compensation. 3737

(1) Employees who are in active payroll status on June 18, 3738
2011, shall receive a one-time credit of additional sick leave 3739
in the pay period that begins on July 1, 2011. Full-time 3740
employees shall receive the lesser of either a one-time credit 3741
of thirty-two hours of additional sick leave or a one-time 3742
credit of additional sick leave equivalent to half the hours of 3743
personal leave the employee lost during the moratorium 3744
established under either division (A) of section 124.386 of the 3745
Revised Code or pursuant to a rule of the director of 3746

administrative services. Part-time employees shall receive a 3747
one-time credit of sixteen hours of additional sick leave. 3748

(2) Employees who are not in active payroll status due to 3749
military leave or an absence taken in accordance with the 3750
federal "Family and Medical Leave Act" are eligible to receive 3751
the one-time additional sick leave credit. 3752

(3) The one-time additional sick leave credit does not 3753
apply to employees of the supreme court, general assembly, 3754
legislative service commission, secretary of state, auditor of 3755
state, treasurer of state, or attorney general unless the 3756
supreme court, general assembly, legislative service commission, 3757
secretary of state, auditor of state, treasurer of state, or 3758
attorney general participated in the moratorium under division 3759
(H) or (I) of section 124.386 of the Revised Code and notifies 3760
in writing the director of administrative services on or before 3761
June 1, 2011, of the decision to participate in the one-time 3762
additional sick leave credit. Written notice under this division 3763

commission, as the case may be. 3766

Sec. 124.384. (A) Except as otherwise provided in this 3767
section, employees whose salaries or wages are paid by warrant 3768
of the director of budget and management and who have 3769
accumulated sick leave under section 124.38 or 124.382 of the 3770
Revised Code shall be paid for a percentage of their accumulated 3771
balances, upon separation for any reason, including death but 3772
excluding retirement, at their last base rate of pay at the rate 3773
of one hour of pay for every two hours of accumulated balances. 3774
An employee who retires in accordance with any retirement plan 3775
offered by the state shall be paid upon retirement for each hour 3776

of the employee's accumulated sick leave balance at a rate of 3777
fifty-five per cent of the employee's last base rate of pay. 3778

An employee serving in a temporary work level who elects 3779
to convert unused sick leave to cash shall do so at the base 3780
rate of pay of the employee's normal classification. If an 3781
employee dies, the employee's unused sick leave shall be paid in 3782
accordance with section 2113.04 of the Revised Code or to the 3783
employee's estate. 3784

In order to be eligible for the payment authorized by this 3785
section, an employee shall have at least one year of state 3786
service and shall request all or a portion of that payment no 3787
later than three years after separation from state service. No 3788
person is eligible to receive all or a portion of the payment 3789
authorized by this section at any time later than three years 3790

by a state agency in which the employees' salaries or wages are 3793
paid directly by warrant of the director of budget and 3794
management shall receive payment under this section only for 3795
sick leave accumulated while employed by state agencies in which 3796
the employees' salaries or wages are paid directly by warrant of 3797
the director of budget and management. Additionally, a person 3798
initially employed on or after July 5, 1987, but before October 3799
1, 2017, by the state department of education and workforce as 3800
an unclassified employee shall receive payment under this 3801
section for sick leave placed to the employee's credit under 3802
division (E) (2) of section 124.382 of the Revised Code. 3803

(C) For employees paid in accordance with section 124.152 3804
of the Revised Code and those employees listed in divisions (B) 3805
(2) and (4) of section 124.14 of the Revised Code, the director 3806

section. 3813

(A) A state agency may, without competitive selection, 3814
make any purchase of supplies or services that cost less than 3815
fifty thousand dollars after complying with divisions (A) to (E) 3816

purchase directly or may make the purchase from or through the 3818
department of administrative services, whichever the agency 3819
determines. The agency shall adopt written procedures consistent 3820
with the department's purchasing procedures and shall use those 3821
procedures when making purchases under this division. 3822

Section 127.16 of the Revised Code does not apply to 3823
purchases made under this division. 3824

(B) A state agency shall make purchases of supplies and 3825
services that cost fifty thousand dollars or more through the 3826
department of administrative services and the process provided 3827
in section 125.035 of the Revised Code, unless the department 3828
grants a waiver under division (D) or (E) of that section and a 3829
release and permit under division (G) of that section. 3830

(C) An agency that has been granted a release and permit 3831
under division (G) of section 125.035 of the Revised Code to 3832
make a purchase may make the purchase without competitive 3833
selection if after making the purchase the cumulative purchase 3834
threshold as computed under division (E) of section 127.16 of 3835

the Revised Code would: 3836

(1) Be exceeded and the controlling board approves the 3837
purchase; 3838

(2) Not be exceeded and the department of administrative 3839
services approves the purchase. 3840

(D) If the department of education and workforce or the 3841
Ohio education computer network determines that it can purchase 3842
software services or supplies for specified school districts at 3843
a price less than the price for which the districts could 3844
purchase the same software services or supplies for themselves, 3845
the department or network shall certify that fact to the 3846
department of administrative services and, acting as an agent 3847
for the specified school districts, shall make that purchase 3848
without following the provisions in divisions (A) to (D) of this 3849
section. 3850

(E) When the purchase cost of personal protective 3851
equipment is less than fifty thousand dollars, a state agency 3852
shall comply with divisions (A) to (E) of section 125.035 of the 3853
Revised Code. If the purchase is not subject to the requirements 3854
of an applicable first or second requisite procurement program, 3855
the agency shall apply the same preferences in section 125.09 of 3856
the Revised Code when making the purchase. As used in this 3857
division, "personal protective equipment" means equipment worn 3858
to minimize exposure to hazards that cause workplace injuries 3859
and illnesses. 3860

supplies, it shall notify the director of administrative 3867
services. On forms provided by the director, the state agency 3868
shall furnish to the director a list of its excess and surplus 3869
supplies, including the location of the supplies and whether the 3870
supplies are currently in the agency's control. 3871

(C) Upon receipt of notification and at no cost to the 3872
state agency, the director of administrative services shall make 3873
arrangements for their disposition and shall take immediate 3874
control of a state agency's excess and surplus supplies, except 3875
for the following excess and surplus supplies: 3876

supplies. 3897

(E) The director may do any of the following: 3898

(1) Dispose of declared surplus or excess supplies in the 3899
director's control by sale, lease, donation, or transfer. If the 3900

consumption data for the preceding twelve months, and estimates 4137
of the amounts by which energy consumption and resultant 4138
operational and maintenance costs, as defined by the commission, 4139
would be reduced. 4140

If the board finds after receiving the report that the 4141
amount of money the district would spend on such installations, 4142
modifications, or remodeling is not likely to exceed the amount 4143
of money it would save in energy and resultant operational and 4144
maintenance costs over the ensuing fifteen years, the board may 4145
submit to the commission a copy of its findings and a request 4146
for approval to incur indebtedness to finance the making or 4147
modification of installations or the remodeling of buildings for 4148
the purpose of significantly reducing energy consumption. 4149

The facilities construction commission, in consultation 4150

No district board of education of a school district that 4157
is in a state of fiscal emergency pursuant to division (B) of 4158
section 3316.03 of the Revised Code shall submit a request 4159

school districts. The report shall include cost estimates 4175
detailing the return on investment over the life of the 4176
alternative fuel vehicles and environmental impact of 4177
alternative fuel vehicles. The report also shall include 4178
estimates of all costs associated with alternative fuel 4179
transportation, including facility modifications and vehicle 4180
purchase costs or conversion costs. 4181

If the board finds after receiving the report that the 4182
amount of money the district would spend on purchasing 4183
alternative fuel vehicles or vehicle conversion is not likely to 4184
exceed the amount of money it would save in fuel and resultant 4185

operational and maintenance costs over the ensuing five years, 4186
the board may submit to the commission a copy of its findings 4187
and a request for approval to incur indebtedness to finance the 4188

The facilities construction commission, in consultation 4191
with the auditor of state, may deny a request under division (G) 4192
(2) of this section by the board of education of any school 4193

school district. 4197

No district board of education of a school district that 4198
is in a state of fiscal emergency pursuant to division (B) of 4199

alternative fuel vehicles has been approved by the district's 4202
financial planning and supervision commission established under 4203
section 3316.05 of the Revised Code. 4204

No board of education of a school district for which an 4205
academic distress commission has been established under section 4206
3302.10 of the Revised Code shall submit a request without first 4207
receiving approval to incur indebtedness from the district's 4208
academic distress commission established under that section, for 4209
so long as such commission continues to be required for the 4210
district. 4211

(3) The facilities construction commission shall approve 4212
the board's request provided that the following conditions are 4213
satisfied: 4214

(a) The commission determines that the board's findings 4215
are reasonable. 4216

(b) The request for approval is complete. 4217

(c) If the request was submitted under division (G) (1) of 4218
this section, the installations, modifications, or remodeling 4219
are consistent with any project to construct or acquire 4220
classroom facilities, or to reconstruct or make additions to 4221
existing classroom facilities under sections 3318.01 to 3318.20 4222
or sections 3318.40 to 3318.45 of the Revised Code. 4223

Upon receipt of the commission's approval, the district 4224

(4) (a) So long as any securities issued under division (G) 4233
(1) of this section remain outstanding, the board of education 4234
shall monitor the energy consumption and resultant operational 4235
and maintenance costs of buildings in which installations or 4236
modifications have been made or remodeling has been done 4237
pursuant to that division. Except as provided in division (G) (4) 4238

(b) of this section, the board shall maintain and annually 4239
update a report in a form and manner prescribed by the 4240
facilities construction commission documenting the reductions in 4241
energy consumption and resultant operational and maintenance 4242
cost savings attributable to such installations, modifications, 4243
or remodeling. The resultant operational and maintenance cost 4244

savings shall be certified by the school district treasurer. The 4245
report shall be submitted annually to the commission. 4246

(b) If the facilities construction commission verifies 4247
that the certified annual reports submitted to the commission by 4248
a board of education under division (G) (4) (a) of this section 4249
fulfill the guarantee required under division (B) of section 4250
3313.372 of the Revised Code for three consecutive years, the 4251
board of education shall no longer be subject to the annual 4252
reporting requirements of division (G) (4) (a) of this section. 4253

of this section remain outstanding, the board of education shall 4255
monitor the purchase of new alternative fuel vehicles or vehicle 4256
conversions pursuant to that division. The board shall maintain 4257
and annually update a report in a form and manner prescribed by 4258
the facilities construction commission documenting the purchase 4259

Sec. 319.301. (A) The reductions required by division (D) 4573
of this section do not apply to any of the following: 4574

(1) Taxes levied at whatever rate is required to produce a 4575
specified amount of tax money, including a tax levied under 4576
section 5705.199 or 5748.09 of the Revised Code, or an amount to 4577
pay debt charges; 4578

(2) Taxes levied within the one per cent limitation 4579
imposed by Section 2 of Article XII, Ohio Constitution; 4580

(3) Taxes provided for by the charter of a municipal 4581
corporation. 4582

(B) As used in this section: 4583

(1) "Real property" includes real property owned by a 4584
railroad. 4585

(2) "Carryover property" means all real property on the 4586
current year's tax list except: 4587

(a) Land and improvements that were not taxed by the 4588
district in both the preceding year and the current year; 4589

(b) Land and improvements that were not in the same class 4590
in both the preceding year and the current year. 4591

(3) "Effective tax rate" means with respect to each class 4592
of property: 4593

(a) The sum of the total taxes that would have been 4594

charged and payable for current expenses against real property 4595
in that class if each of the district's taxes were reduced for 4596
the current year under division (D) (1) of this section without 4597
regard to the application of division (E) (3) of this section 4598
divided by 4599

(b) The taxable value of all real property in that class. 4600

(4) "Taxes charged and payable" means the taxes charged 4601
and payable prior to any reduction required by section 319.302 4602
of the Revised Code. 4603

(C) The tax commissioner shall make the determinations 4604
required by this section each year, without regard to whether a 4605
taxing district has territory in a county to which section 4606
5715.24 of the Revised Code applies for that year. Separate 4607
determinations shall be made for each of the two classes 4608
established pursuant to section 5713.041 of the Revised Code. 4609

(D) With respect to each tax authorized to be levied by 4610
each taxing district, the tax commissioner, annually, shall do 4611
both of the following: 4612

(1) Determine by what percentage, if any, the sums levied 4613
by such tax against the carryover property in each class would 4614
have to be reduced for the tax to levy the same number of 4615
dollars against such property in that class in the current year 4616
as were charged against such property by such tax in the 4617
preceding year subsequent to the reduction made under this 4618
section but before the reduction made under section 319.302 of 4619
the Revised Code. In the case of a tax levied for the first time 4620
that is not a renewal of an existing tax, the commissioner shall 4621
determine by what percentage the sums that would otherwise be 4622
levied by such tax against carryover property in each class 4623

would have to be reduced to equal the amount that would have
been levied if the full rate thereof had been imposed against
the total taxable value of such property in the preceding tax
year. A tax or portion of a tax that is designated a replacement
levy under section 5705.192 of the Revised Code is not a renewal
of an existing tax for purposes of this division.

(2) Certify each percentage determined in division (D) (1)
of this section, as adjusted under division (E) of this section,
and the class of property to which that percentage applies to
the auditor of each county in which the district has territory.
The auditor, after complying with section 319.30 of the Revised
Code, shall reduce the sum to be levied by such tax against each
parcel of real property in the district by the percentage so
certified for its class. Certification shall be made by the
first day of September except in the case of a tax levied for
the first time, in which case certification shall be made within
fifteen days of the date the county auditor submits the
information necessary to make the required determination.

(E) (1) As used in division (E) (2) of this section, "pre-
1982 joint vocational taxes" means, with respect to a class of
property, the difference between the following amounts:

(a) The taxes charged and payable in tax year 1981 against
the property in that class for the current expenses of the joint
vocational school district of which the school district is a
part after making all reductions under this section;

(b) Two-tenths of one per cent of the taxable value of all
real property in that class.

If the amount in division (E) (1) (b) of this section
exceeds the amount in division (E) (1) (a) of this section, the

pre-1982 joint vocational taxes shall be zero. 4653

As used in divisions (E) (2) and (3) of this section, 4654
"taxes charged and payable" has the same meaning as in division 4655
(B) (4) of this section and excludes any tax charged and payable 4656
in 1985 or thereafter under sections 5705.194 to 5705.197 or 4657
section 5705.199, 5705.213, 5705.219, or 5748.09 of the Revised 4658
Code. 4659

(2) If in the case of a school district other than a joint 4660
vocational or cooperative education school district any 4661
percentage required to be used in division (D) (2) of this 4662
section for either class of property could cause the total taxes 4663
charged and payable for current expenses to be less than two per 4664
cent of the taxable value of all real property in that class 4665
that is subject to taxation by the district, the commissioner 4666
shall determine what percentages would cause the district's 4667
total taxes charged and payable for current expenses against 4668
that class, after all reductions that would otherwise be made 4669
under this section, to equal, when combined with the pre-1982 4670
joint vocational taxes against that class, the lesser of the 4671
following: 4672

(a) The sum of the rates at which those taxes are 4673
authorized to be levied; 4674

(b) Two per cent of the taxable value of the property in 4675
that class. The auditor shall use such percentages in making the 4676
reduction required by this section for that class. 4677

(3) If in the case of a joint vocational school district 4678
any percentage required to be used in division (D) (2) of this 4679
section for either class of property could cause the total taxes 4680
charged and payable for current expenses for that class to be 4681

less than two-tenths of one per cent of the taxable value of 4682
that class, the commissioner shall determine what percentages 4683
would cause the district's total taxes charged and payable for 4684
current expenses for that class, after all reductions that would 4685
otherwise be made under this section, to equal that amount. The 4686
auditor shall use such percentages in making the reductions 4687
required by this section for that class. 4688

(F) No reduction shall be made under this section in the 4689
rate at which any tax is levied. 4690

(G) The commissioner may order a county auditor to furnish 4691
any information the commissioner needs to make the 4692
determinations required under division (D) or (E) of this 4693
section, and the auditor shall supply the information in the 4694
form and by the date specified in the order. If the auditor 4695
fails to comply with an order issued under this division, except 4696
for good cause as determined by the commissioner, the 4697
commissioner shall withhold from such county or taxing district 4698
therein fifty per cent of state revenues to local governments 4699
pursuant to section 5747.50 of the Revised Code or shall direct 4700
the department of education and workforce to withhold therefrom 4701
fifty per cent of state revenues to school districts pursuant to 4702
Chapter 3317. of the Revised Code. The commissioner shall 4703
withhold the distribution of such revenues until the county 4704
auditor has complied with this division, and the department 4705
shall withhold the distribution of such revenues until the 4706
commissioner has notified the department that the county auditor 4707
has complied with this division. 4708

(H) If the commissioner is unable to certify a tax 4709
reduction factor for either class of property in a taxing 4710
district located in more than one county by the last day of 4711

November because information required under division (G) of this 4712
section is unavailable, the commissioner may compute and certify 4713
an estimated tax reduction factor for that district for that 4714
class. The estimated factor shall be based upon an estimate of 4715
the unavailable information. Upon receipt of the actual 4716
information for a taxing district that received an estimated tax 4717
reduction factor, the commissioner shall compute the actual tax 4718
reduction factor and use that factor to compute the taxes that 4719
should have been charged and payable against each parcel of 4720
property for the year for which the estimated reduction factor 4721
was used. The amount by which the estimated factor resulted in 4722
an overpayment or underpayment in taxes on any parcel shall be 4723
added to or subtracted from the amount due on that parcel in the 4724
ensuing tax year. 4725

A percentage or a tax reduction factor determined or 4726
computed by the commissioner under this section shall be used 4727
solely for the purpose of reducing the sums to be levied by the 4728
tax to which it applies for the year for which it was determined 4729
or computed. It shall not be used in making any tax computations 4730
for any ensuing tax year. 4731

(I) In making the determinations under division (D) (1) of 4732
this section, the tax commissioner shall take account of changes 4733
in the taxable value of carryover property resulting from 4734
complaints filed under section 5715.19 of the Revised Code for 4735
determinations made for the tax year in which such changes are 4736
reported to the commissioner. Such changes shall be reported to 4737
the commissioner on the first abstract of real property filed 4738
with the commissioner under section 5715.23 of the Revised Code 4739
following the date on which the complaint is finally determined 4740
by the board of revision or by a court or other authority with 4741
jurisdiction on appeal. The tax commissioner shall account for 4742

such changes in making the determinations only for the tax year 4743
in which the change in valuation is reported. Such a valuation 4744
change shall not be used to recompute the percentages determined 4745
under division (D) (1) of this section for any prior tax year. 4746

Sec. 901.71. (A) There is hereby created the advisory 4747

appointments made by the director, one shall be for a term 4770

director shall hold office from the date of the member's 4785
appointment until the end of the term for which the member was 4786
appointed. Vacancies shall be filled in the same manner as the 4787
original appointment. Any member appointed to fill a vacancy 4788
occurring prior to the expiration of the term for which the 4789
member's predecessor was appointed shall hold office for the 4790
remainder of the unexpired term. Any member shall continue in 4791
office subsequent to the expiration date of the member's term 4792
until the member's successor takes office or until a period of 4793
ninety days has elapsed, whichever occurs first. 4794

Members may be removed from the committee only for 4795
misfeasance, malfeasance, or nonfeasance. A vacancy on the 4796
committee shall not impair the right of the other members to 4797
exercise all of the functions of the committee. A simple 4798
majority constitutes a quorum for the conduct of business of the 4799
committee. On request, each member shall be reimbursed for the 4800
actual and necessary expenses incurred in the discharge of the 4801

member's duties as a committee member. 4802

allowed to each member of the committee under this section. The 4814
committee may request from the director, and the director shall 4815
provide, meeting space, assistance, services, and information to 4816
enable the committee to carry out its duties. 4817

(C) The committee shall meet at least once annually after 4818
the fifteenth day of October and before the first day of 4819
December. The committee may meet at other times as the 4820
chairperson or a majority of the committee members considers 4821
appropriate, provided the chairperson gives members written 4822
notice of any meeting at least seven days prior to the meeting. 4823

(D) The committee may propose rules and may advise and 4824
counsel the director on all matters relating to the 4825

court, including information gathered from the child, the 5398
child's guardian ad litem, and the public children services 5399
agency or private child placing agency. 5400

(2) A child who is placed in a planned permanent living 5401
arrangement pursuant to division (A) (5) (b) or (c) of this 5402

section shall be placed in an independent living setting or in a 5403

agency that has custody of the child with a notice that 5405
addresses the following: 5406

living arrangement is intended to be permanent in nature and 5408

contains a prayer requesting permanent custody, temporary 5427
custody, or the placement of the child in a planned permanent 5428
living arrangement as desired, the summons served on the parents 5429
of the child contains as is appropriate a full explanation that 5430
the granting of an order for permanent custody permanently 5431
divests them of their parental rights, a full explanation that 5432

an adjudication that the child is an abused, neglected, or 5433
dependent child may result in an order of temporary custody that 5434
will cause the removal of the child from their legal custody 5435
until the court terminates the order of temporary custody or 5436
permanently divests the parents of their parental rights, or a 5437
full explanation that the granting of an order for a planned 5438
permanent living arrangement will result in the removal of the 5439
child from their legal custody if any of the conditions listed 5440
in divisions (A) (5) (a) to (c) of this section are found to 5441
exist, and the summons served on the parents contains a full 5442
explanation of their right to be represented by counsel and to 5443
have counsel appointed pursuant to Chapter 120. of the Revised 5444
Code if they are indigent. 5445

If after making disposition as authorized by division (A) 5446
(2) of this section, a motion is filed that requests permanent 5447
custody of the child, the court may grant permanent custody of 5448
the child to the movant in accordance with section 2151.414 of 5449
the Revised Code. 5450

(D) If the court issues an order for protective 5451

or for a specified period of time; 5458

(2) Order a party, a parent of the child, or a physical 5459
custodian of the child to prevent any particular person from 5460
having contact with the child; 5461

(3) Issue an order restraining or otherwise controlling 5462
the conduct of any person which conduct would not be in the best 5463
interest of the child. 5464

(E) As part of its dispositional order, the court shall 5465
journalize a case plan for the child. The journalized case plan 5466
shall not be changed except as provided in section 2151.412 of 5467
the Revised Code. 5468

(F) (1) The court shall retain jurisdiction over any child 5469
for whom the court issues an order of disposition pursuant to 5470
division (A) of this section or pursuant to section 2151.414 or 5471
2151.415 of the Revised Code until the child attains the age of 5472
eighteen years if the child does not have a developmental 5473
disability or physical impairment, the child attains the age of 5474
twenty-one years if the child has a developmental disability or 5475
physical impairment, or the child is adopted and a final decree 5476
of adoption is issued, except that the court may retain 5477
jurisdiction over the child and continue any order of 5478
disposition under division (A) of this section or under section 5479
2151.414 or 2151.415 of the Revised Code for a specified period 5480
of time to enable the child to graduate from high school or 5481
vocational school. The court shall make an entry continuing its 5482
jurisdiction under this division in the journal. 5483

(2) Any public children services agency, any private child 5484
placing agency, the department of job and family services, or 5485
any party, other than any parent whose parental rights with 5486
respect to the child have been terminated pursuant to an order 5487
issued under division (A) (4) of this section, by filing a motion 5488
with the court, may at any time request the court to modify or 5489
terminate any order of disposition issued pursuant to division 5490
(A) of this section or section 2151.414 or 2151.415 of the 5491

Revised Code. The court shall hold a hearing upon the motion as 5492
if the hearing were the original dispositional hearing and shall 5493
give all parties to the action and the guardian ad litem notice 5494
of the hearing pursuant to the Juvenile Rules. If applicable, 5495
the court shall comply with section 2151.42 of the Revised Code. 5496

(G) Any temporary custody order issued pursuant to 5497
division (A) of this section shall terminate one year after the 5498
earlier of the date on which the complaint in the case was filed 5499
or the child was first placed into shelter care, except that, 5500
upon the filing of a motion pursuant to section 2151.415 of the 5501
Revised Code, the temporary custody order shall continue and not 5502
terminate until the court issues a dispositional order under 5503
that section. In resolving the motion, the court shall not order 5504
an existing temporary custody order to continue beyond two years 5505
after the date on which the complaint was filed or the child was 5506
first placed into shelter care, whichever date is earlier, 5507
regardless of whether any extensions have been previously 5508
ordered pursuant to division (D) of section 2151.415 of the 5509
Revised Code. 5510

(H) (1) No later than one year after the earlier of the 5511
date the complaint in the case was filed or the child was first 5512
placed in shelter care, a party may ask the court to extend an 5513
order for protective supervision for six months or to terminate 5514
the order. A party requesting extension or termination of the 5515
order shall file a written request for the extension or 5516
termination with the court and give notice of the proposed 5517
extension or termination in writing before the end of the day 5518
after the day of filing it to all parties and the child's 5519
guardian ad litem. If a public children services agency or 5520
private child placing agency requests termination of the order, 5521
the agency shall file a written status report setting out the 5522

facts supporting termination of the order at the time it files 5523
the request with the court. If no party requests extension or 5524
termination of the order, the court shall notify the parties 5525
that the court will extend the order for six months or terminate 5526
it and that it may do so without a hearing unless one of the 5527
parties requests a hearing. All parties and the guardian ad 5528
litem shall have seven days from the date a notice is sent 5529
pursuant to this division to object to and request a hearing on 5530
the proposed extension or termination. 5531

(a) If it receives a timely request for a hearing, the 5532
court shall schedule a hearing to be held no later than thirty 5533
days after the request is received by the court. The court shall 5534
give notice of the date, time, and location of the hearing to 5535
all parties and the guardian ad litem. At the hearing, the court 5536
shall determine whether extension or termination of the order is 5537
in the child's best interest. If termination is in the child's 5538
best interest, the court shall terminate the order. If extension 5539
is in the child's best interest, the court shall extend the 5540
order for six months. 5541

(b) If it does not receive a timely request for a hearing, 5542
the court may extend the order for six months or terminate it 5543
without a hearing and shall journalize the order of extension or 5544
termination not later than fourteen days after receiving the 5545
request for extension or termination or after the date the court 5546
notifies the parties that it will extend or terminate the order. 5547
If the court does not extend or terminate the order, it shall 5548
schedule a hearing to be held no later than thirty days after 5549
the expiration of the applicable fourteen-day time period and 5550
give notice of the date, time, and location of the hearing to 5551
all parties and the child's guardian ad litem. At the hearing, 5552
the court shall determine whether extension or termination of 5553

the order is in the child's best interest. If termination is in 5554
the child's best interest, the court shall terminate the order. 5555
If extension is in the child's best interest, the court shall 5556
issue an order extending the order for protective supervision 5557
six months. 5558

(2) If the court grants an extension of the order for 5559
protective supervision pursuant to division (H) (1) of this 5560
section, a party may, prior to termination of the extension, 5561
file with the court a request for an additional extension of six 5562
months or for termination of the order. The court and the 5563
parties shall comply with division (H) (1) of this section with 5564
respect to extending or terminating the order. 5565

(3) If a court grants an extension pursuant to division 5566
(H) (2) of this section, the court shall terminate the order for 5567
protective supervision at the end of the extension. 5568

(I) The court shall not issue a dispositional order 5569
pursuant to division (A) of this section that removes a child 5570
from the child's home unless the court complies with section 5571
2151.419 of the Revised Code and includes in the dispositional 5572
order the findings of fact required by that section. 5573

(J) If a motion or application for an order described in 5574
division (A) (6) of this section is made, the court shall not 5575
issue the order unless, prior to the issuance of the order, it 5576
provides to the person all of the following: 5577

(1) Notice and a copy of the motion or application; 5578

(2) The grounds for the motion or application; 5579

(3) An opportunity to present evidence and witnesses at a 5580
hearing regarding the motion or application; 5581

(4) An opportunity to be represented by counsel at the 5582
hearing. 5583

(K) The jurisdiction of the court shall terminate one year 5584
after the date of the award or, if the court takes any further 5585
action in the matter subsequent to the award, the date of the 5586
latest further action subsequent to the award, if the court 5587
awards legal custody of a child to either of the following: 5588

(1) A legal custodian who, at the time of the award of 5589
legal custody, resides in a county of this state other than the 5590
county in which the court is located; 5591

(2) A legal custodian who resides in the county in which 5592
the court is located at the time of the award of legal custody, 5593
but moves to a different county of this state prior to one year 5594
after the date of the award or, if the court takes any further 5595
action in the matter subsequent to the award, one year after the 5596
date of the latest further action subsequent to the award. 5597

The court in the county in which the legal custodian 5598
resides then shall have jurisdiction in the matter. 5599

Sec. 2151.357. (A) If the court orders the records of a 5600
person sealed pursuant to section 2151.356 of the Revised Code, 5601
the person who is subject of the order properly may, and the 5602
court shall, reply that no record exists with respect to the 5603
person upon any inquiry in the matter, and the court, except as 5604
provided in division (D) of this section, shall do all of the 5605
following: 5606

(1) Order that the proceedings in a case described in 5607
divisions (B) and (C) of section 2151.356 of the Revised Code be 5608

from DNA specimens pursuant to section 109.573 of the Revised 5617
Code, be delivered to the court; 5618

(4) Order each public office or agency, upon the 5619
delivering of records to the court under division (A) (3) of this 5620
section, to expunge remaining records of the case that are the 5621
subject of the sealing order that are maintained by that public 5622
office or agency, except fingerprints, DNA specimens, and DNA 5623
records described under division (A) (3) of this section; 5624

(5) Send notice of the order to seal to any public office 5625
or agency that the court has reason to believe may have a record 5626
of the sealed record including, but not limited to, the bureau 5627
of criminal identification and investigation; 5628

(6) Seal all of the records delivered to the court under 5629
division (A) (3) of this section, in a separate file in which 5630
only sealed records are maintained. 5631

(B) Except as provided in division (D) of this section, an 5632
order to seal under section 2151.356 of the Revised Code applies 5633
to every public office or agency that has a record relating to 5634
the case, regardless of whether it receives notice of the 5635
hearing on the sealing of the record or a copy of the order. 5636
Except as provided in division (D) of this section, upon the 5637
written request of a person whose record has been sealed and the 5638
presentation of a copy of the order and compliance with division 5639

(A) (3) of this section, a public office or agency shall expunge 5640
its record relating to the case, except a record of the 5641
adjudication or arrest or taking into custody that is maintained 5642
for compiling statistical data and that does not contain any 5643
reference to the person who is the subject of the order. 5644

(C) The court that maintains sealed records pursuant to 5645
this section may maintain a manual or computerized index of the 5646
sealed records and shall make the index available only for the 5647
purposes set forth in division (E) of this section. 5648

(1) Each entry regarding a sealed record in the index of 5649

excluded under sections 3301.121 and 3313.662 of the Revised Code is permitted to maintain records regarding an adjudication that the individual is a delinquent child that was used as the basis for the individual's permanent exclusion, regardless of a court order to seal the record. An order issued under section 2151.356 of the Revised Code to seal the record of an adjudication that an individual is a delinquent child does not revoke the adjudication order of the ~~superintendent of public instruction~~ director of education and workforce to permanently exclude the individual who is the subject of the sealing order. An order to seal the record of an adjudication that an individual is a delinquent child may be presented to a district superintendent as evidence to support the contention that the superintendent should recommend that the permanent exclusion of the individual who is the subject of the sealing order be revoked. Except as otherwise authorized by this division and sections 3301.121 and 3313.662 of the Revised Code, any school employee in possession of or having access to the sealed adjudication records of an individual that were the basis of a permanent exclusion of the individual is subject to division (F) of this section.

application; 5700

child, for a future criminal conviction or guilty plea, is a 5762
repeat violent offender, as defined in section 2929.01 of the 5763
Revised Code. 5764

Sec. 2151.362. (A) (1) In the manner prescribed by division 5765
(C) (1) or (2) of section 3313.64 of the Revised Code, as 5766
applicable, the court, at the time of making any order that 5767
removes a child from the child's own home or that vests legal or 5768
permanent custody of the child in a person other than the 5769
child's parent or a government agency, shall determine the 5770
school district that is to bear the cost of educating the child. 5771
The court shall make the determination a part of the order that 5772
provides for the child's placement or commitment. That school 5773
district shall bear the cost of educating the child unless and 5774
until the department of education and workforce determines that 5775
a different district shall be responsible for bearing that cost 5776
pursuant to division (A) (2) of this section. The court's order 5777
shall state that the determination of which school district is 5778
responsible to bear the cost of educating the child is subject 5779
to re-determination by the department pursuant to that division. 5780

(2) If, while the child is in the custody of a person 5781
other than the child's parent or a government agency, the 5782
department of education and workforce determines that the place 5783
of residence of the child's parent has changed since the court 5784
issued its initial order, the department may name a different 5785
school district to bear the cost of educating the child. The 5786
department shall make this new determination, and any future 5787

determinations, based on evidence received from the school 5788
district currently responsible to bear the cost of educating the 5789
child. If the department finds that the evidence demonstrates to 5790
its satisfaction that the residence of the child's parent has 5791
changed since the court issued its initial order under division 5792
(A) (1) of this section, or since the department last made a 5793
determination under division (A) (2) of this section, the 5794
department shall name the district in which the child's parent 5795
currently resides or, if the parent's residence is not known, 5796
the district in which the parent's last known residence is 5797
located. If the department cannot determine any Ohio district in 5798
which the parent currently resides or has resided, the school 5799
district designated in the initial court order under division 5800
(A) (1) of this section, or in the most recent determination made 5801
by the department under division (A) (2) of this section, shall 5802

the facility operates; 5811

service center to educate the child; 5817

(4) Contract with the school district in which the 5818
facility is located for that school district to educate the 5819
child; 5820

(5) If the child is enrolled in an internet- or computer- 5821

Revised Code, and provided that the facility possesses the 5823
necessary hardware, software, and internet connectivity, permit 5824
continued instruction of the child by the internet- or computer- 5825
based community school. 5826

If the facility coordinates the education of the child 5827
pursuant to division (B)(1), (2), (3), or (4) of this section, 5828
child's school district as determined by the court or the 5829
department, in the same manner as prescribed in division (A) of 5830
this section, shall pay the cost of educating the child based on 5831
the per capita cost of the educational facility within the 5832
detention home or juvenile facility. 5833

If the facility coordinates the education of the child 5834
pursuant to division (B)(5) of this section, payment for the 5835
cost of educating the child shall be made only as provided in 5836
section 3317.022 of the Revised Code. 5837

(C) Whenever a child is placed by the court in a private 5838
institution, school, or residential treatment center or any 5839
other private facility, the state shall pay to the court a 5840
subsidy to help defray the expense of educating the child in an 5841
amount equal to the product of the daily per capita educational 5842
cost of the private facility, as determined pursuant to this 5843
section, and the number of days the child resides at the private 5844
facility, provided that the subsidy shall not exceed twenty-five 5845
hundred dollars per year per child. The daily per capita 5846
educational cost of a private facility shall be determined by 5847

dividing the actual program cost of the private facility or 5848
twenty-five hundred dollars, whichever is less, by three hundred 5849
sixty-five days or by three hundred sixty-six days for years 5850
that include February twenty-ninth. The state shall pay seventy- 5851
five per cent of the total subsidy for each year quarterly to 5852
the court. The state may adjust the remaining twenty-five per 5853
cent of the total subsidy to be paid to the court for each year 5854
to an amount that is less than twenty-five per cent of the total 5855
subsidy for that year based upon the availability of funds 5856
appropriated to the department of education and workforce for 5857
the purpose of subsidizing courts that place a child in a 5858
private institution, school, or residential treatment center or 5859
any other private facility and shall pay that adjusted amount to 5860
the court at the end of the year. 5861

Code. 7887

(1) The offender's age; 7893

(2) The offender's prior criminal or delinquency record 7894

(3) The age of the victim of the sexually oriented offense 7897

dispositional order imposed for the prior offense or act and, if 7910

(10) Any additional behavioral characteristics that 7929

contribute to the offender's conduct. 7930

(L) As used in this section, "specified geographical 7931
notification area" means the geographic area or areas within 7932
which the attorney general, by rule adopted under section 7933
2950.13 of the Revised Code, requires the notice described in 7934
division (B) of this section to be given to the persons 7935

Sec. 2953.32. (A) (1) Except as provided in section 2953.61 7937
of the Revised Code or as otherwise provided in division ~~(A) (1)~~ 7938
~~(d)~~ (A) (1) (c) of this section, an eligible offender may apply to 7939
the sentencing court if convicted in this state, or to a court 7940
of common pleas if convicted in another state or in a federal 7941
court, for the sealing of the record of the case that pertains 7942
to the conviction, except for convictions listed under section 7943
2953.36 of the Revised Code. Application may be made at one of 7944
the following times: 7945

(a) At the expiration of three years after the offender's 7946
final discharge if convicted of a felony of the third degree, so 7947
long as none of the offenses is a violation of section 2921.43 7948
of the Revised Code; 7949

(b) At the expiration of one year after the offender's 7950
final discharge if convicted of a felony of the fourth or fifth 7951
degree or a misdemeanor, so long as none of the offenses is a 7952
violation of section 2921.43 of the Revised Code; 7953

(c) At the expiration of seven years after the offender's 7954
final discharge if the record includes a conviction of 7955
soliciting improper compensation in violation of section 2921.43 7956
of the Revised Code. 7957

(2) Any person who has been arrested for any misdemeanor 7958

offense and who has effected a bail forfeiture for the offense 7959
charged may apply to the court in which the misdemeanor criminal 7960
case was pending when bail was forfeited for the sealing of the 7961
record of the case that pertains to the charge. Except as 7962
provided in section 2953.61 of the Revised Code, the application 7963
may be filed at any time after the expiration of one year from 7964
the date on which the bail forfeiture was entered upon the 7965
minutes of the court or the journal, whichever entry occurs 7966
first. 7967

(B) Upon the filing of an application under this section, 7968
the court shall set a date for a hearing and shall notify the 7969
prosecutor for the case of the hearing on the application. The 7970
prosecutor may object to the granting of the application by 7971
filing an objection with the court prior to the date set for the 7972
hearing. The prosecutor shall specify in the objection the 7973
reasons for believing a denial of the application is justified. 7974
The court shall direct its regular probation officer, a state 7975
probation officer, or the department of probation of the county 7976
in which the applicant resides to make inquiries and written 7977
reports as the court requires concerning the applicant. The 7978
probation officer or county department of probation that the 7979
court directs to make inquiries concerning the applicant shall 7980
determine whether or not the applicant was fingerprinted at the 7981
time of arrest or under section 109.60 of the Revised Code. If 7982
the applicant was so fingerprinted, the probation officer or 7983
county department of probation shall include with the written 7984
report a record of the applicant's fingerprints. If the 7985
applicant was convicted of or pleaded guilty to a violation of 7986
division (A) (2) or (B) of section 2919.21 of the Revised Code, 7987
the probation officer or county department of probation that the 7988
court directed to make inquiries concerning the applicant shall 7989

contact the child support enforcement agency enforcing the 7990
applicant's obligations under the child support order to inquire 7991
about the offender's compliance with the child support order. 7992

(C) (1) The court shall do each of the following: 7993

(a) Determine whether the applicant is an eligible 7994
offender or whether the forfeiture of bail was agreed to by the 7995
applicant and the prosecutor in the case. If the applicant 7996
applies as an eligible offender pursuant to division (A) (1) of 7997
this section and has two or three convictions that result from 7998
the same indictment, information, or complaint, from the same 7999
plea of guilty, or from the same official proceeding, and result 8000
from related criminal acts that were committed within a three- 8001
month period but do not result from the same act or from 8002
offenses committed at the same time, in making its determination 8003
under this division, the court initially shall determine whether 8004
it is not in the public interest for the two or three 8005
convictions to be counted as one conviction. If the court 8006
determines that it is not in the public interest for the two or 8007
three convictions to be counted as one conviction, the court 8008
shall determine that the applicant is not an eligible offender; 8009
if the court does not make that determination, the court shall 8010
determine that the offender is an eligible offender. 8011

(b) Determine whether criminal proceedings are pending 8012
against the applicant; 8013

(c) If the applicant is an eligible offender who applies 8014
pursuant to division (A) (1) of this section, determine whether 8015
the applicant has been rehabilitated to the satisfaction of the 8016
court; 8017

(d) If the prosecutor has filed an objection in accordance 8018

with division (B) of this section, consider the reasons against 8019
granting the application specified by the prosecutor in the 8020
objection; 8021

(e) Weigh the interests of the applicant in having the 8022
records pertaining to the applicant's conviction or bail 8023
forfeiture sealed against the legitimate needs, if any, of the 8024
government to maintain those records; 8025

(f) If the applicant is an eligible offender of the type 8026
described in division (A) (3) of section 2953.36 of the Revised 8027
Code, determine whether the offender has been rehabilitated to a 8028
satisfactory degree. In making the determination, the court may 8029
consider all of the following: 8030

(i) The age of the offender; 8031

(ii) The facts and circumstances of the offense; 8032

(iii) The cessation or continuation of criminal behavior; 8033

(iv) The education and employment of the offender; 8034

(v) Any other circumstances that may relate to the 8035
offender's rehabilitation. 8036

(2) If the court determines, after complying with division 8037
(C) (1) of this section, that the applicant is an eligible 8038
offender or the subject of a bail forfeiture, that no criminal 8039
proceeding is pending against the applicant, that the interests 8040
of the applicant in having the records pertaining to the 8041
applicant's conviction or bail forfeiture sealed are not 8042
outweighed by any legitimate governmental needs to maintain 8043
those records, and that the rehabilitation of an applicant who 8044
is an eligible offender applying pursuant to division (A) (1) of 8045
this section has been attained to the satisfaction of the court, 8046

the court, except as provided in division (C) (4), (G), (H), or 8047
(I) of this section, shall order all official records of the 8048
case that pertain to the conviction or bail forfeiture sealed 8049
and, except as provided in division (F) of this section, all 8050
index references to the case that pertain to the conviction or 8051
bail forfeiture deleted and, in the case of bail forfeitures, 8052
shall dismiss the charges in the case. The proceedings in the 8053
case that pertain to the conviction or bail forfeiture shall be 8054
considered not to have occurred and the conviction or bail 8055
forfeiture of the person who is the subject of the proceedings 8056
shall be sealed, except that upon conviction of a subsequent 8057
offense, the sealed record of prior conviction or bail 8058
forfeiture may be considered by the court in determining the 8059
sentence or other appropriate disposition, including the relief 8060
provided for in sections 2953.31 to 2953.33 of the Revised Code. 8061

(3) An applicant may request the sealing of the records of 8062
more than one case in a single application under this section. 8063
Upon the filing of an application under this section, the 8064
applicant, unless indigent, shall pay a fee of fifty dollars, 8065
regardless of the number of records the application requests to 8066
have sealed. The court shall pay thirty dollars of the fee into 8067
the state treasury, with fifteen dollars of that amount credited 8068
to the attorney general reimbursement fund created by section 8069
109.11 of the Revised Code. It shall pay twenty dollars of the 8070
fee into the county general revenue fund if the sealed 8071
conviction or bail forfeiture was pursuant to a state statute, 8072
or into the general revenue fund of the municipal corporation 8073
involved if the sealed conviction or bail forfeiture was 8074
pursuant to a municipal ordinance. 8075

(4) If the court orders the official records pertaining to 8076
the case sealed, the court shall do one of the following: 8077

(a) If the applicant was fingerprinted at the time of 8078
arrest or under section 109.60 of the Revised Code and the 8079
record of the applicant's fingerprints was provided to the court 8080
under division (B) of this section, forward a copy of the 8081
sealing order and the record of the applicant's fingerprints to 8082
the bureau of criminal identification and investigation. 8083

(b) If the applicant was not fingerprinted at the time of 8084
arrest or under section 109.60 of the Revised Code, or the 8085
record of the applicant's fingerprints was not provided to the 8086
court under division (B) of this section, but fingerprinting was 8087
required for the offense, order the applicant to appear before a 8088
sheriff to have the applicant's fingerprints taken according to 8089
the fingerprint system of identification on the forms furnished 8090
by the superintendent of the bureau of criminal identification 8091
and investigation. The sheriff shall forward the applicant's 8092
fingerprints to the court. The court shall forward the 8093
applicant's fingerprints and a copy of the sealing order to the 8094
bureau of criminal identification and investigation. 8095

Failure of the court to order fingerprints at the time of 8096
sealing does not constitute a reversible error. 8097

(D) Inspection of the sealed records included in the order 8098
may be made only by the following persons or for the following 8099
purposes: 8100

(1) By a law enforcement officer or prosecutor, or the 8101
assistants of either, to determine whether the nature and 8102
character of the offense with which a person is to be charged 8103
would be affected by virtue of the person's previously having 8104
been convicted of a crime; 8105

(2) By the parole or probation officer of the person who 8106

is the subject of the records, for the exclusive use of the 8107
officer in supervising the person while on parole or under a 8108
community control sanction or a post-release control sanction, 8109
and in making inquiries and written reports as requested by the 8110
court or adult parole authority; 8111

(3) Upon application by the person who is the subject of 8112
the records, by the persons named in the application; 8113

(4) By a law enforcement officer who was involved in the 8114
case, for use in the officer's defense of a civil action arising 8115
out of the officer's involvement in that case; 8116

(5) By a prosecuting attorney or the prosecuting 8117
attorney's assistants, to determine a defendant's eligibility to 8118
enter a pre-trial diversion program established pursuant to 8119
section 2935.36 of the Revised Code; 8120

(6) By any law enforcement agency or any authorized 8121
employee of a law enforcement agency or by the department of 8122
rehabilitation and correction or department of youth services as 8123
part of a background investigation of a person who applies for 8124
employment with the agency or with the department; 8125

(7) By any law enforcement agency or any authorized 8126
employee of a law enforcement agency, for the purposes set forth 8127
in, and in the manner provided in, section 2953.321 of the 8128
Revised Code; 8129

(8) By the bureau of criminal identification and 8130
investigation or any authorized employee of the bureau for the 8131
purpose of providing information to a board or person pursuant 8132
to division (F) or (G) of section 109.57 of the Revised Code; 8133

(9) By the bureau of criminal identification and 8134
investigation or any authorized employee of the bureau for the 8135

purpose of performing a criminal history records check on a 8136
person to whom a certificate as prescribed in section 109.77 of 8137
the Revised Code is to be awarded; 8138

(10) By the bureau of criminal identification and 8139
investigation or any authorized employee of the bureau for the 8140
purpose of conducting a criminal records check of an individual 8141
pursuant to division (B) of section 109.572 of the Revised Code 8142
that was requested pursuant to any of the sections identified in 8143
division (B) (1) of that section; 8144

(11) By the bureau of criminal identification and 8145
investigation, an authorized employee of the bureau, a sheriff, 8146
or an authorized employee of a sheriff in connection with a 8147
criminal records check described in section 311.41 of the 8148
Revised Code; 8149

(12) By the attorney general or an authorized employee of 8150
the attorney general or a court for purposes of determining a 8151
person's classification pursuant to Chapter 2950. of the Revised 8152
Code; 8153

(13) By a court, the registrar of motor vehicles, a 8154
prosecuting attorney or the prosecuting attorney's assistants, 8155
or a law enforcement officer for the purpose of assessing points 8156
against a person under section 4510.036 of the Revised Code or 8157
for taking action with regard to points assessed. 8158

When the nature and character of the offense with which a 8159
person is to be charged would be affected by the information, it 8160
may be used for the purpose of charging the person with an 8161
offense. 8162

(E) In any criminal proceeding, proof of any otherwise 8163
admissible prior conviction may be introduced and proved, 8164

notwithstanding the fact that for any such prior conviction an 8165
order of sealing previously was issued pursuant to sections 8166
2953.31 to 2953.36 of the Revised Code. 8167

(F) The person or governmental agency, office, or 8168
department that maintains sealed records pertaining to 8169
convictions or bail forfeitures that have been sealed pursuant 8170
to this section may maintain a manual or computerized index to 8171
the sealed records. The index shall contain only the name of, 8172
and alphanumeric identifiers that relate to, the persons who are 8173
the subject of the sealed records, the word "sealed," and the 8174
name of the person, agency, office, or department that has 8175
custody of the sealed records, and shall not contain the name of 8176
the crime committed. The index shall be made available by the 8177
person who has custody of the sealed records only for the 8178
purposes set forth in divisions (C), (D), and (E) of this 8179
section. 8180

(G) Notwithstanding any provision of this section or 8181
section 2953.33 of the Revised Code that requires otherwise, a 8182
board of education of a city, local, exempted village, or joint 8183
vocational school district that maintains records of an 8184
individual who has been permanently excluded under sections 8185
3301.121 and 3313.662 of the Revised Code is permitted to 8186
maintain records regarding a conviction that was used as the 8187
basis for the individual's permanent exclusion, regardless of a 8188
court order to seal the record. An order issued under this 8189
section to seal the record of a conviction does not revoke the 8190
adjudication order of the ~~superintendent of public instruction~~ 8191
director of education and workforce to permanently exclude the 8192
individual who is the subject of the sealing order. An order 8193
issued under this section to seal the record of a conviction of 8194
an individual may be presented to a district superintendent as 8195

evidence to support the contention that the superintendent 8196
should recommend that the permanent exclusion of the individual 8197
who is the subject of the sealing order be revoked. Except as 8198
otherwise authorized by this division and sections 3301.121 and 8199
3313.662 of the Revised Code, any school employee in possession 8200
of or having access to the sealed conviction records of an 8201
individual that were the basis of a permanent exclusion of the 8202
individual is subject to section 2953.35 of the Revised Code. 8203

(H) Notwithstanding any provision of this section or 8204
section 2953.33 of the Revised Code that requires otherwise, if 8205
the auditor of state or a prosecutor maintains records, reports, 8206
or audits of an individual who has been forever disqualified 8207
from holding public office, employment, or position of trust in 8208
this state under sections 2921.41 and 2921.43 of the Revised 8209
Code, or has otherwise been convicted of an offense based upon 8210
the records, reports, or audits of the auditor of state, the 8211
auditor of state or prosecutor is permitted to maintain those 8212
records to the extent they were used as the basis for the 8213
individual's disqualification or conviction, and shall not be 8214
compelled by court order to seal those records. 8215

(I) For purposes of sections 2953.31 to 2953.36 of the 8216
Revised Code, DNA records collected in the DNA database and 8217
fingerprints filed for record by the superintendent of the 8218
bureau of criminal identification and investigation shall not be 8219
sealed unless the superintendent receives a certified copy of a 8220
final court order establishing that the offender's conviction 8221
has been overturned. For purposes of this section, a court order 8222
is not "final" if time remains for an appeal or application for 8223
discretionary review with respect to the order. 8224

(J) The sealing of a record under this section does not 8225

affect the assessment of points under section 4510.036 of the Revised Code and does not erase points assessed against a person as a result of the sealed record.

Sec. 3301.01. (A) There is hereby created the state board of education consisting of nineteen members with eleven elected members, one each to be elected in accordance with section 3301.03 of the Revised Code from each of the districts established in accordance with division (B) of this section, and with eight members to be appointed by the governor with the advice and consent of the senate.

In addition to the nineteen elected or appointed members, the chairperson of the committee of the senate that primarily deals with education and the chairperson of the committee of the house of representatives that primarily deals with education shall be nonvoting ex officio members of the board.

(B) (1) The territory of each state board of education district for each elected voting member of the board shall consist of the territory of three contiguous senate districts as established in the most recent apportionment for members of the general assembly, but the territory of no senate district shall be part of the territory of more than one state board of education district. Each state board of education district shall be as compact as practicable. The districts shall include, when practicable, some districts that primarily consist of territory in rural areas and some districts that primarily consist of territory in urban areas.

(2) If, after the apportionment for members of the general assembly is made in any year, the general assembly does not during that year enact legislation establishing state board of education districts in accordance with division (B) (1) of this

section, the governor shall designate the boundaries of the 8256
districts in accordance with division (B) (1) of this section no 8257
later than the thirty-first day of January of the year next 8258
succeeding such apportionment. Upon making such designation, the 8259
governor shall give written notice of the boundaries of the 8260
districts to each member of the state board of education, 8261
including the nonvoting ex officio members; the superintendent 8262
of public instruction; the director of education and workforce; 8263
the president of the senate; the speaker of the house of 8264
representatives; and the board of elections of each county in 8265
each new district. On the first day of February in any year in 8266
which the governor designates the boundaries of state board of 8267
education districts under this section, the state board of 8268
education districts as they existed prior to that date shall 8269
cease to exist and the new districts shall be created. 8270

Sec. 3301.07. ~~The state board~~ director of education and 8271
workforce shall exercise under the acts of the general assembly 8272
general supervision of the system of public education in the 8273
state. In addition to the powers otherwise imposed on the ~~state~~ 8274
~~board~~ director under the provisions of law, the ~~board~~ director 8275
shall have the powers described in this section. 8276

(A) ~~The state board~~ director shall exercise policy 8277
forming, planning, and evaluative functions for the public 8278
schools of the state except as otherwise provided by law. 8279

(B) (1) ~~The state board~~ director shall exercise leadership 8280
in the improvement of public education in this state, and 8281
administer the educational policies of this state relating to 8282
public schools, and relating to instruction and instructional 8283
material, building and equipment, transportation of pupils, 8284
administrative responsibilities of school officials and 8285

personnel, and finance and organization of school districts, 8286
educational service centers, and territory. Consultative and 8287
advisory services in such matters shall be provided by the ~~board~~ 8288
department of education and workforce to school districts and 8289
educational service centers of this state. 8290

(2) The ~~state board~~ director also shall develop a standard 8291
of financial reporting which shall be used by each school 8292
district board of education and each governing board of an 8293
educational service center, each governing authority of a 8294
community school established under Chapter 3314., each governing 8295
body of a STEM school established under Chapter ~~3328.~~ 3326., and 8296
each board of trustees of a college-preparatory boarding school 8297
established under Chapter 3328. of the Revised Code to make its 8298
financial information and annual budgets for each school 8299
building under its control available to the public in a format 8300
understandable by the average citizen. The format shall show, 8301
both at the district and at the school building level, revenue 8302
by source; expenditures for salaries, wages, and benefits of 8303
employees, showing such amounts separately for classroom 8304
teachers, other employees required to hold licenses issued 8305
pursuant to sections 3319.22 to 3319.31 of the Revised Code, and 8306
all other employees; expenditures other than for personnel, by 8307
category, including utilities, textbooks and other educational 8308
materials, equipment, permanent improvements, pupil 8309
transportation, extracurricular athletics, and other 8310
extracurricular activities; and per pupil expenditures. The 8311
format shall also include information on total revenue and 8312
expenditures, per pupil revenue, and expenditures for both 8313
classroom and nonclassroom purposes, as defined by the standards 8314
adopted under section 3302.20 of the Revised Code in the 8315
aggregate and for each subgroup of students, as defined by 8316

section 3317.40 of the Revised Code, that receives services 8317
provided for by state or federal funding. 8318

(3) Each school district board, governing authority, 8319
governing body, or board of trustees, or its respective 8320
designee, shall annually report, to the ~~department of education,~~ 8321
all financial information required by the standards for 8322
financial reporting, as prescribed by division (B)(2) of this 8323
section and adopted by the ~~state board~~ director. The department 8324
shall make all reports submitted pursuant to this division 8325
available in such a way that allows for comparison between 8326
financial information included in these reports and financial 8327
information included in reports produced prior to July 1, 2013. 8328
The department shall post these reports in a prominent location 8329
on its web site and shall notify each school when reports are 8330
made available. 8331

(C) The ~~state board~~ director shall administer and 8332
supervise the allocation and distribution of all state and 8333
federal funds for public school education under the provisions 8334
of law, and may prescribe such systems of accounting as are 8335
necessary and proper to this function. It may require county 8336
auditors and treasurers, boards of education, educational 8337

section 3313.608 of the Revised Code, in any skill in which the 9240
student failed to demonstrate at least a score at the proficient 9241
level on the assessment. 9242

(2) Following any administration of the assessments 9243
prescribed by division (D) of section 3301.0710 of the Revised 9244

three-year average graduation rate of not more than seventy-five 9246

higher grade level. However, a district board may choose not to 9275
promote to the next grade level any student who does not take an 9276
assessment administered under this section or make up an 9277

on assessments to ensure that different versions of the same 9585
assessment are of comparable difficulty. 9586

Field test questions and anchor questions shall not be 9587

considered in computing scores for individual students. Field 9588

student's score shall be a public record. The department shall 9606
determine which questions will be needed for reuse on a future 9607
assessment and those questions shall not be public records and 9608
shall be redacted from the assessment prior to its release as a 9609
public record. However, for each redacted question, the 9610
department shall inform each city, local, and exempted village 9611
school district of the statewide academic standard adopted ~~by~~ 9612
~~the state board~~ under section 3301.079 of the Revised Code and 9613
the corresponding benchmark to which the question relates. The 9614
preceding sentence does not apply to field test questions that 9615
are redacted under division (O) (3) of this section. 9616

(c) The administrations of each assessment in the 2011- 9617

(B) (2) of section 3301.0712 of the Revised Code and the 9627
corresponding preferred answers that are used to compute a 9628
student's score shall become a public record as follows: 9629

(i) Forty per cent of the questions and preferred answers 9630
on the assessments on the thirty-first day of July following the 9631
administration of the assessment; 9632

(ii) Twenty per cent of the questions and preferred 9633
answers on the assessment on the thirty-first day of July one 9634
year after the administration of the assessment; 9635

(iii) The remaining forty per cent of the questions and 9636
preferred answers on the assessment on the thirty-first day of 9637
July two years after the administration of the assessment. 9638

The entire content of an assessment shall become a public 9639

after July 31, 2017. 9648

(7) Division (O) (7) of this section applies to the 9649
assessments prescribed by division (A) of section 3301.0710 and 9650
division (B) (2) of section 3301.0712 of the Revised Code. 9651

Beginning with the assessments administered in the spring 9652
of the 2017-2018 school year, not less than forty per cent of 9653
the questions on each assessment that are used to compute a 9654
student's score shall be a public record. The department shall 9655
determine which questions will be needed for reuse on a future 9656
assessment and those questions shall not be public records and 9657
shall be redacted from the assessment prior to its release as a 9658
public record. However, for each redacted question, the 9659
department shall inform each city, local, and exempted village 9660
school district of the corresponding statewide academic standard 9661
~~adopted by the state board~~ under section 3301.079 of the Revised 9662

and implementation of Algebra I as the primary assessment of 9760
high school mathematics. If the department does not receive a 9761
waiver under this division, the end-of-course examinations for 9762
students described in division (B) (2) (b) of this section also 9763
shall include an end-of-course examination in the area of 9764
geometry. However, the geometry end-of-course examination shall 9765

not be required for graduation. 9766

~~(3) (a) Not later than July 1, 2013, each school district board of education shall adopt interim end of course examinations that comply with the requirements of divisions (B) (3) (b) (i) and (ii) of this section to assess mastery of American history and American government standards adopted under division (A) (1) (b) of section 3301.079 of the Revised Code and the topics required under division (M) of section 3313.603 of the Revised Code. district has not made a good faith effort to report data as 10493
required by this section. If any audit conducted by an outside 10494
entity under division (L) (2) (d) (i) or (5) of this section 10495

report data as required by this section, the district shall 10497
reimburse the department for the full cost of the audit. The 10498
department may withhold state funds due to the district for this 10499

conducted by a referee appointed by the department. Based on the 10506
information provided in the hearing, the referee shall recommend 10507
whether the department should issue a revised report card for 10508
the district. If the referee affirms the department's contention 10509
that the district did not make a good faith effort to report 10510
data as required by this section, the district shall bear the 10511
full cost of conducting the hearing and of issuing any revised 10512
report card. 10513

(7) If the department determines that any inaccurate data 10514
reported under this section caused a school district to receive 10515
excess state funds in any fiscal year, the district shall 10516
reimburse the department an amount equal to the excess funds, in 10517
accordance with a payment schedule determined by the department. 10518

(9) In all cases of a disagreement between the department 10524
and a school district regarding the appropriateness of an action 10525

taken under division (L) (2) of this section, the burden of proof 10526
shall be on the district to demonstrate that it made a good 10527
faith effort to report data as required by this section. 10528

(10) The ~~state board~~ director of education and workforce 10529

~~chancellor of the Ohio board of regents~~ The department of 13208

department ~~of education~~, on behalf of the chancellor, will 13211
receive and maintain copies of data records containing student 13212
information reported to the chancellor for the purpose of 13213
combining those records with the data reported to the education 13214
management information system, established under section 13215
3301.0714 of the Revised Code, to establish an education data 13216
repository that may be used to conduct longitudinal research and 13217
evaluation. The memorandum of understanding shall specify the 13218
following: 13219

assigned to that student. In the case of a student to whom a 13233
data verification code has been assigned, the independent 13234
contractor shall add the code to the student's data record and 13235
remove from the data record any information that would enable 13236
the data verification code to be matched to personally 13237
identifiable student data. In the case of a student to whom a 13238
data verification code has not been assigned, the independent 13239
contractor shall assign a data verification code to the student, 13240
add the data verification code to the student's data record, and 13241
remove from the data record any information that would enable 13242
the data verification code to be matched to personally 13243
identifiable student data. After making the modifications 13244
described in this division, the independent contractor shall 13245
transmit the data to the department and the chancellor. 13246

(C) That the ~~superintendent~~ department and the chancellor 13247
jointly shall develop procedures for the maintenance of the data 13248
in the repository and shall designate the types of research that 13249
may be conducted using that data. Permitted uses of the data 13250
shall include, but are not limited to, the following: 13251

3333.123, 3333.16, 3333.161, 3333.374, 3333.72, and 3333.82 of 13262
the Revised Code. 13263

(D) That the ~~superintendent~~ department and the chancellor, 13264
from time to time, jointly may enter into written agreements 13265
with entities for the use of data in the repository to conduct 13266
research and analysis designed to evaluate the effectiveness of 13267
programs or services, to measure progress against specific 13268
strategic planning goals, or for any other purpose permitted by 13269
law that the ~~superintendent~~ department and chancellor consider 13270
necessary for the performance of their duties under the Revised 13271
Code. The agreements may permit the disclosure of personally 13272
identifiable student information to the entity named in the 13273
agreement, provided that disclosure complies with the "Family 13274
Educational Rights and Privacy Act of 1974," 88 Stat. 571, 20 13275
U.S.C. 1232g, as amended, and regulations promulgated under that 13276
act prescribing requirements for such agreements. ~~The~~ 13277
~~superintendent shall notify the state board of each agreement~~ 13278
~~entered into under this division.~~ 13279

(F) That the data in the repository shall be managed in a 13285
manner that complies with the "Family Educational Rights and 13286
Privacy Act of 1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended; 13287

designated for a purpose consistent with this section; 13294

(H) That the department annually shall report to ~~the state~~ 13295
~~board~~ and the chancellor all requests for access to or use of 13296
the data in the repository and all costs related to the initial 13297
establishment and ongoing maintenance of the repository. 13298

students, if at least eighty-five per cent of the tested 13504
students attain a score of proficient or higher on the 13505
assessment. 13506

The ~~state board~~ department shall adopt rules, under 13507
Chapter 119. of the Revised Code, to establish proficiency 13508

~~later than July 1, 2007, the~~ The department of education and 13521
workforce shall implement a value-added progress dimension for 13522
school districts and buildings and shall incorporate the value- 13523
added progress dimension into the report cards and performance 13524
ratings issued for districts and buildings under section 3302.03 13525
of the Revised Code. 13526

The ~~state board of education department~~ shall adopt rules, 13527
pursuant to Chapter 119. of the Revised Code, for the 13528
implementation of the value-added progress dimension. The rules 13529
adopted under this division shall specify both of the following: 13530

(1) A scale for describing the levels of academic progress 13531

department determines that it is feasible, ~~the state board it~~ 13547
may update the rules adopted under division (A) of this section 13548
to implement the use of gain index and effect size. If rules are 13549
adopted under division (A) of this section that use the gain 13550

index and effect size, any prior method used to calculate letter 13551
grades or performance ratings under section 3302.03 of the 13552
Revised Code shall no longer apply. Rather, the ~~state board~~ 13553
department shall update its rules to determine how letter grades 13554
or performance ratings for each level of performance are 13555
calculated under section 3302.03 of the Revised Code using gain 13556
index and effect size. 13557

(C) The department shall use a system designed for 13558

Ohio business community for at least one year in the operation 13562
of a pilot program in cooperation with school districts to 13563
collect and report student achievement data via electronic means 13564

academic performance of individual students, grade levels, 13566
school buildings, and the districts as a whole. 13567

(D) The department shall not pay more than two dollars per 13568
student for data analysis and reporting to implement the value- 13569
added progress dimension in the same manner and with the same 13570
services as under the pilot program described by division (B) of 13571
this section. However, nothing in this section shall preclude 13572
the department or any school district from entering into a 13573
contract for the provision of more services at a higher fee per 13574
student. Any data analysis conducted under this section by an 13575

section. The ~~state board's~~ department's rules shall establish 13599
performance criteria for each letter grade or performance rating 13600
and prescribe a method by which the department assigns each 13601
letter grade or performance rating. For a school building to 13602
which any of the performance measures do not apply, due to grade 13603
levels served by the building, the department shall designate 13604

meets each of the applicable performance indicators established 13629
by the ~~state board~~ department under section 3302.02 of the 13630
Revised Code and the percentage of applicable performance 13631
indicators that have been achieved. In adopting benchmarks for 13632

establish a method to assign an overall grade of "A," "B," "C," 14000
"D," or "F" using the grades assigned for each component. The 14001
method the ~~state board~~ department adopts for assigning an 14002
overall grade shall give equal weight to the components in 14003
divisions (C)(3)(b) and (c) of this section. 14004

determined using a method prescribed by the department. The 14072
method shall determine progress made based on the reduction in 14073
the total percentage of students scoring below grade level, or 14074
below proficient, compared from year to year on the reading 14075
segments of the diagnostic assessments administered under 14076
section 3301.0715 of the Revised Code, including the 14077

the denominator of the four-year adjusted graduation rate 14098
cohort. Demonstration of post-secondary readiness shall include 14099
a student doing any of the following: 14100

shall use the performance measures prescribed under division (D) 14322
(1) of this section to calculate performance ratings for 14323
components. The method may report data under division (D) (2) of 14324
this section with corresponding components, but shall not use 14325
the data to calculate performance ratings for that component. 14326
The performance measures and reported data shall be grouped 14327
together into components as follows: 14328

(a) Gap closing. In addition to other criteria determined 14329
appropriate by the department, performance ratings for the gap 14330
closing component shall reflect whether each of the following 14331
performance measures are met or not met: 14332

(i) The gifted performance indicator as described in 14333
division (D) (1) (a) of this section; 14334

(ii) The chronic absenteeism indicator as described in	14335
division (D) (1) (b) of this section;	14336
(iii) For English learners, an English language	14337
proficiency improvement indicator established by the department;	14338
(iv) The subgroup graduation targets;	14339
(v) The subgroup achievement targets in both mathematics	14340
and English language arts;	14341
(vi) The subgroup progress targets in both mathematics and	14342
English language arts.	14343
Achievement and progress targets under division (D) (3) (a)	14344
of this section shall be calculated individually, and districts	14345
and buildings shall receive a status of met or not met on each	14346
measure. The department shall not require a subgroup of a	14347
district or building to meet both the achievement and progress	14348
targets at the same time to receive a status of met.	14349
The department shall not include any subgroup data in this	14350
measure that includes data from fewer than fifteen students. Any	14351
penalty for failing to meet the required assessment	14352
participation rate must be partially in proportion to how close	14353
the district or building was to meeting the rate requirement.	14354
(b) Achievement, which shall include the performance	14355
measure in division (D) (1) (c) of this section and the reported	14356
data in division (D) (2) (a) of this section. Performance ratings	14357
for the achievement component shall be awarded as a percentage	14358
of the maximum performance index score described in division (D)	14359
(1) (c) of this section.	14360
(c) Progress, which shall include the performance measure	14361
in division (D) (1) (d) of this section and the reported data in	14362

divisions (D) (2) (b) and (c) of this section; 14363

(d) Graduation, which shall include the performance 14364
measures in divisions (D) (1) (e) and (f) of this section and the 14365
reported data in divisions (D) (2) (d) and (j) of this section. 14366
The four-year adjusted cohort graduation rate shall be assigned 14367
a weight of sixty per cent and the five-year adjusted cohort 14368
graduation rate shall be assigned a weight of forty per cent; 14369

(e) Early literacy, which shall include the performance 14370
measures in divisions (D) (1) (g), (h), and (i) of this section 14371
and the reported data in divisions (D) (2) (e) and (k) of this 14372
section. 14373

If the measure prescribed under division (D) (1) (h) of this 14374
section is included in a report card, performance ratings for 14375
the early literacy component shall give a weight of forty per 14376
cent to the measure prescribed under division (D) (1) (g) of this 14377
section, a weight of thirty-five per cent to the measure 14378
prescribed under division (D) (1) (i) of this section, and a 14379
weight of twenty-five per cent to the measure prescribed under 14380
division (D) (1) (h) of this section. 14381

If the measure prescribed under division (D) (1) (h) of this 14382
section is not included in a report card of a district or 14383
building, performance ratings for the early literacy component 14384
shall give a weight of sixty per cent to the measure prescribed 14385
under division (D) (1) (g) of this section and a weight of forty 14386
per cent to the measure prescribed under division (D) (1) (i) of 14387
this section. 14388

(f) College, career, workforce, and military readiness, 14389
which shall include the performance measure in division (D) (1) 14390
(j) of this section and the reported data in division (D) (2) (f) 14391

of this section. 14392

For the 2021-2022, 2022-2023, and 2023-2024 school years, 14393
the department only shall report the data for, and not assign a 14394
performance rating to, the college, career, workforce, and 14395
military readiness component. The reported data shall include 14396
the percentage of students who demonstrate post-secondary 14397
readiness using any of the options described in division (D)(1) 14398
(j) of this section. 14399

The department shall analyze the data included in the 14400
performance measure prescribed in division (D)(1)(j) of this 14401
section for the 2021-2022, 2022-2023, and 2023-2024 school 14402
years. Using that data, the department shall develop and propose 14403
rules for a method to assign a performance rating to the 14404
college, career, workforce, and military readiness component 14405
based on that measure. The method to assign a performance rating 14406
shall not include a tiered structure or per student bonuses. The 14407
rules shall specify that a district or building shall not 14408
receive lower than a performance rating of three stars for the 14409
component if the district's or building's performance on the 14410
component meets or exceeds a level of improvement set by the 14411
department. Notwithstanding division (D)(4)(b) of this section, 14412
more than half of the total districts and buildings may earn a 14413
performance rating of three stars on this component to account 14414
for the districts and buildings that earned a performance rating 14415
of three stars because they met or exceeded the level of 14416
improvement set by the department. 14417

The department shall submit the rules to the joint 14418
committee on agency rule review. The committee shall conduct at 14419
least one public hearing on the proposed rules and approve or 14420
disapprove the rules. If the committee approves the rules, the 14421

~~state board department~~ shall adopt the rules in accordance with 14422
Chapter 119. of the Revised Code. If the rules are adopted, the 14423
department shall assign a performance rating to the college, 14424
career, workforce, and military readiness component under the 14425
rules beginning with the 2024-2025 school year, and for each 14426
school year thereafter. If the committee disapproves the rules, 14427
the component shall be included in the report card only as 14428
reported data for the 2024-2025 school year, and each school 14429
year thereafter. 14430

(g) (i) Except as provided for in division (D) (3) (g) (ii) of 14431
this section, beginning with the 2022-2023 school year, under 14432
the ~~state board's~~ method prescribed under rules adopted in 14433
division (D) (4) of this section, the department shall use the 14434
performance ratings assigned for the components prescribed in 14435
divisions (D) (3) (a) to (e) of this section to determine and 14436
assign an overall performance rating of "one star," "one and 14437
one-half stars," "two stars," "two and one-half stars," "three 14438
stars," "three and one-half stars," "four stars," "four and one- 14439
half stars," or "five stars" for a district or building. The 14440
method shall give equal weight to the components in divisions 14441
(D) (3) (b) and (c) of this section. The method shall give equal 14442
weight to the components in divisions (D) (3) (a), (d), and (e) of 14443
this section. The individual weights of each of the components 14444
prescribed in divisions (D) (3) (a), (d), and (e) of this section 14445
shall be equal to one-half of the weight given to the component 14446
prescribed in division (D) (3) (b) of this section. 14447

(ii) If the joint committee on agency rule review approves 14448
the department's rules regarding the college, career, workforce, 14449
and military readiness component as described in division (D) (3) 14450
(f) of this section, for the 2024-2025 school year, and each 14451
school year thereafter, the ~~state board's department's~~ method 14452

shall use the components in divisions (D) (3) (a), (b), (c), (d), (e), and (f) of this section to calculate the overall performance rating. The method shall give equal weight to the components in divisions (D) (3) (b) and (c) of this section. The method shall give equal weight to the components prescribed in divisions (D) (3) (a), (d), (e), and (f) of this section. The individual weights of each of the components prescribed in divisions (D) (3) (a), (d), (e), and (f) of this section shall be equal to one-half the weight given to the component prescribed in division (D) (3) (b) of this section.

If the joint committee on agency rule review disapproves the department's rules regarding the college, career, workforce, and military readiness component as described in division (D) (3) (f) of this section, division (D) (3) (g) (ii) of this section does not apply.

(4) (a) The ~~state board~~ department shall adopt rules in accordance with Chapter 119. of the Revised Code to establish the performance criteria, benchmarks, and rating system necessary to implement divisions (D) and (F) of this section, including the method for the department to assign performance ratings under division (D) (3) of this section.

(b) In establishing the performance criteria, benchmarks, and rating system, the ~~state board~~ department shall consult with stakeholder groups and advocates that represent parents, community members, students, business leaders, and educators from different school typology regions. The ~~state board~~ department shall use data from prior school years and simulations to ensure that there is meaningful differentiation among districts and buildings across all performance ratings and that, except as permitted in division (D) (3) (f) of this section,

more than half of all districts or buildings do not earn the 14483
same performance rating in any component or overall performance 14484
rating. 14485

(c) The ~~state board~~department shall adopt the rules 14486
prescribed by division (D)(4) of this section not later than 14487
March 31, 2022. However, the department shall notify districts 14488
and buildings of the changes to the report card prescribed in 14489
law not later than one week after the effective date of this 14490
amendment September 30, 2021. 14491

(d) Prior to adopting or updating rules under division (D) 14492
(4) of this section, the ~~president~~director of the state board
education and workforce and the department shall conduct a 14493
public presentation before the standing committees of the house 14494
of representatives and the senate that consider primary and 14495
secondary education legislation describing the format for the 14496
report card and the performance criteria, benchmarks, and rating 14497
system, including the method to assign performance ratings under 14498
division (D)(3) of this section. 14499
14500

(E) ~~On or after July 1, 2015, the state board~~The 14501
department may develop a measure of student academic progress 14502
for high school students using only data from assessments in 14503
English language arts and mathematics. If the ~~state board~~
department develops this measure, each school district and 14504
applicable school building shall be assigned a separate letter 14505
grade for it not sooner than the 2017-2018 school year. The 14506
district's or building's grade for that measure shall not be 14507
included in determining the district's or building's overall 14508
letter grade. 14509

(B) A district board may request the ~~state board~~ 15658
~~department~~ to make a preliminary review of an innovation plan 15659

innovation. 15670

Sec. 3302.063. (A) Except as provided in division (B) of 15671

waived to implement the plan. The waiver shall apply only to the 15678
school or schools participating in the innovation plan and shall 15679
not apply to the district as a whole, unless each of the 15680
district's schools is a participating school. The waiver shall 15681
cease to apply to a school if the school's designation as an 15682
innovation school is revoked or the innovation school zone in 15683
which the school participates has its designation revoked under 15684
section 3302.065 of the Revised Code, or if the school is 15685
removed from an innovation school zone under that section or 15686
section 3302.064 of the Revised Code. 15687

to determine if the mayor shall continue to appoint the district 16429
board of education. Not later than ninety days before the 16430

election of county officers, provided that in any such election 16445
in which only part of the electors of a precinct are qualified 16446
to vote, the board of elections may assign voters in such part 16447
to an adjoining precinct. Such an assignment may be made to an 16448
adjoining precinct in another county with the consent and 16449
approval of the board of elections of such other county. Notice 16450
of the election shall be published in a newspaper of general 16451
circulation in the district once a week for two consecutive 16452
weeks, or as provided in section 7.16 of the Revised Code, prior 16453
to the election. If the board of elections operates and 16454
maintains a web site, the board of elections shall post notice 16455
of the election on its web site for thirty days prior to the 16456
election. The notice shall state the question on which the 16457
election is being held. The ballot shall be in the form 16458
prescribed by the secretary of state. Costs of submitting the 16459
question to the electors shall be charged to the district in 16460
accordance with section 3501.17 of the Revised Code. 16461

(2) If a majority of the electors voting on the question 16462

question, the mayor shall appoint a new board of education on 16464
the immediately following first day of July from a slate of 16465
candidates nominated by the nominating panel in the same manner 16466
as the initial board was appointed pursuant to divisions (E) and 16467
(F) of this section. Three of the members of the new board shall 16468

be appointed to four-year terms and two of the members shall be 16469
appointed to two-year terms, each term beginning on the first 16470
day of July. Thereafter, the mayor shall appoint members to 16471
four-year terms in the same manner prescribed in divisions (E) 16472

required to nominate a slate of candidates, the panel shall 16474
nominate at least twice the number of candidates as members to 16475
be appointed to the board at that time, including two candidates 16476
who reside outside of the municipal corporation served by the 16477
mayor, if that municipal corporation does not contain all of the 16478
district's territory. Nothing in this division shall preclude 16479
the nominating panel from nominating as a candidate a person who 16480
was a member of the board prior to the referendum election or 16481
shall preclude the mayor from appointing such a person to the 16482
new board. 16483

(3) If a majority of the electors voting on the question 16484
proposed in division (G)(1) of this section disapprove the 16485
question, a new board of education shall be elected at the next 16486
regular election occurring in November of an odd-numbered year. 16487
The board shall have the same number of members as the board in 16488
place prior to the board appointed under this section. At such 16489
election, one-half of the total number of members rounded up to 16490
the next whole number shall be elected for terms of four years 16491
and the remaining members shall be elected for terms of two 16492

manner and for the same terms as provided in the Revised Code 16494
for members of boards of education. All members of the board of 16495
education appointed under this section shall continue to serve 16496
after the end of the terms to which they were appointed until 16497

population of the school. 16555

(d) Reopen the school as a conversion community school 16556
under Chapter 3314. of the Revised Code. 16557

grades kindergarten through twelve, as required by section 16560
3311.29 of the Revised Code, the board shall enter into a 16561
contract with another school district pursuant to section 16562

schools of that other district to the extent necessary to comply 16564
with the requirement of section 3311.29 of the Revised Code. 16565

under this section and a petition with respect to that same 16577
school has been filed and verified under divisions (B) and (C) 16578
of section 3302.042 of the Revised Code, the provisions of that 16579
section and the petition filed and verified under it shall 16580
prevail over the provisions of this section and the school shall 16581
be restructured under that section. However, if division (D) (1), 16582
(2), or (3) of section 3302.042 of the Revised Code also applies 16583
to the school, the school shall be subject to restructuring 16584
under this section and not section 3302.042 of the Revised Code. 16585

If the provisions of this section conflict in any way with 16586
the requirements of federal law, federal law shall prevail over 16587
the provisions of this section. 16588

(D) If a school is restructured under this section, 16589
section 3302.042 or 3302.10 of the Revised Code, or federal law, 16590

license in a subject area and grade level determined appropriate 16767
by the board of education of that district. 16768

(2) The mentoring component of the Ohio teacher residency 16769

and at least some grade level determined appropriate by the 16783
district board. 16784

(B) (1) Notwithstanding anything to the contrary in the 16785

Revised Code. 16808

(3) An individual employed pursuant to this division is 16809
subject to Chapter 3307. of the Revised Code. 16810

If the ~~department~~state board receives notification of the 16811
arrest or conviction of an individual employed under division 16812
(B) of this section, the ~~department~~state board shall promptly 16813
notify the employing district and may take any action authorized 16814
under sections 3319.31 and 3319.311 of the Revised Code that it 16815
considers appropriate. No district shall employ any individual 16816
under division (B) of this section if the district learns that 16817

(c) The student's parent or guardian resides in this 18525

state. 18526

(7) The student is not a child described in division (B) 18527
(6) of this section, but has resided in the same household as a 18528
child described in that division for at least forty-five 18529
consecutive days within the last calendar year. 18530

(C) A student who receives an educational choice 18531
scholarship under this section remains eligible for that 18532
scholarship and may continue to receive a scholarship in 18533
subsequent school years until the student completes grade 18534
twelve, so long as the student satisfies the conditions 18535
specified in divisions (D) (2) and (3) of section 3310.03 of the 18536
Revised Code. 18537

(D) The department of education and workforce may request 18538
any individual applying for a scholarship under this section on 18539
behalf of a qualifying student to provide appropriate 18540
documentation, as defined by the department, that the student 18541
meets the eligibility qualifications prescribed under this 18542
section. In the case of a student who qualifies under division 18543
(B) (6) of this section, such documentation shall be provided by 18544
the student's parent, guardian, or caretaker. 18545

Sec. 3310.036. If a student is eligible for an educational 18546
choice scholarship under section 3310.03 of the Revised Code for 18547
a school year as of the first day of February prior to that 18548
school year, that student's eligibility for a scholarship for 18549
that school year shall not change solely because, after the 18550
first day of February, the department of education and workforce 18551
changes the internal retrieval number of the school building in 18552
which the student is enrolled or would otherwise be assigned. 18553

Sec. 3310.07. (A) Any parent, or any student who is at 18554

least eighteen years of age, who is seeking a scholarship under 18555
the educational choice scholarship pilot program shall notify 18556
the department of education and workforce of the student's and 18557
parent's names and address, the chartered nonpublic school in 18558
which the student has been accepted for enrollment, and the 18559
tuition charged by the school. 18560

(B) Not later than February 1, 2022, the department shall 18561
establish a system under which any parent, or any student who is 18562
at least eighteen years of age, may provide the department with 18563
a student's address and, not later than ten days after receiving 18564
the address, the department shall notify the parent, or student, 18565
using regular mail or electronic mail whether the student is 18566
eligible for an educational choice scholarship under section 18567
3310.03 of the Revised Code. The student's resident district 18568
shall not be permitted to object to a student's eligibility for 18569
an educational choice scholarship under that section if the 18570
department's system determines the student is eligible. 18571

For the purposes of division (B) of this section, not 18572
later than the first day of January of each year, each school 18573
district that has a school building described in division (A) (1) 18574
or (C) of section 3310.03 of the Revised Code shall submit to 18575
the department, in the manner prescribed by the department, the 18576
attendance zone for students assigned to that building. 18577

Sec. 3310.11. (A) Only for the purpose of administering 18578
the educational choice scholarship pilot program, the department 18579
of education and workforce may request from any of the following 18580
entities the data verification code assigned under division (D) 18581
(2) of section 3301.0714 of the Revised Code to any student who 18582
is seeking a scholarship under the program: 18583

(1) The student's resident district; 18584

(2) If applicable, the community school in which that student is enrolled;

(3) The independent contractor engaged to create and maintain student data verification codes.

(B) Upon a request by the department under division (A) of this section for the data verification code of a student seeking a scholarship or a request by the student's parent for that code, the school district or community school shall submit that code to the department or parent in the manner specified by the department. If the student has not been assigned a code, because the student will be entering kindergarten during the school year for which the scholarship is sought, the district shall assign a code to that student and submit the code to the department or parent by a date specified by the department. If the district does not assign a code to the student by the specified date, the department shall assign a code to that student.

The department annually shall submit to each school district the name and data verification code of each student residing in the district who is entering kindergarten, who has been awarded a scholarship under the program, and for whom the department has assigned a code under this division.

(C) For the purpose of administering the applicable assessments prescribed under sections 3301.0710 and 3301.0712 of the Revised Code, as required by section 3310.14 of the Revised Code, the department shall provide to each chartered nonpublic school that enrolls a scholarship student the data verification code for that student.

(D) The department and each chartered nonpublic school that receives a data verification code under this section shall

not release that code to any person except as provided by law. 18614

Any document relative to this program that the department 18615
holds in its files that contains both a student's name or other 18616
personally identifiable information and the student's data 18617
verification code shall not be a public record under section 18618
149.43 of the Revised Code. 18619

Sec. 3310.13. (A) No chartered nonpublic school shall 18620
charge any student whose family income is at or below two 18621
hundred per cent of the federal poverty guidelines, as defined 18622
in section 5101.46 of the Revised Code, a tuition fee that is 18623
greater than the total amount paid for that student under 18624
section 3317.022 of the Revised Code. 18625

(B) A chartered nonpublic school may charge any other 18626
student who is paid a scholarship under that section up to the 18627
difference between the amount of the scholarship and the regular 18628
tuition charge of the school. Each chartered nonpublic school 18629
may permit such an eligible student's family to provide 18630
volunteer services in lieu of cash payment to pay all or part of 18631
the amount of the school's tuition not covered by the 18632
scholarship paid under section 3317.022 of the Revised Code. 18633

(C) Each chartered nonpublic school that charges a 18634
scholarship student an additional amount as authorized under 18635
division (B) of this section shall annually report to the 18636
department of education and workforce in the manner prescribed 18637
by the department the following: 18638

(1) The number of students charged; 18639

(2) The average of the amounts charged to such students. 18640

Sec. 3310.14. (A) Except as provided in division (B) of 18641
this section, each chartered nonpublic school that is not 18642

subject to division (K) (1) of section 3301.0711 of the Revised Code and enrolls students awarded scholarships under sections 3310.01 to 3310.17 of the Revised Code annually shall administer the assessments prescribed by section 3301.0710, 3301.0712, or 3313.619 of the Revised Code, as applicable, to each scholarship student enrolled in the school in accordance with section 3301.0711 of the Revised Code. Each chartered nonpublic school that is subject to this section shall report to the department of education and workforce the results of each assessment administered to each scholarship student under this section.

Nothing in this section requires a chartered nonpublic school to administer any achievement assessment, except for an Ohio graduation test prescribed by division (B) (1) of section 3301.0710 or the college and work ready assessment system prescribed by division (B) of section 3301.0712 of the Revised Code to any student enrolled in the school who is not a scholarship student.

(B) A chartered nonpublic school that meets the conditions specified in division (K) (2) of section 3301.0711 of the Revised Code shall not be required to administer the elementary assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

Sec. 3310.15. (A) The department of education and workforce annually shall compile the scores attained by scholarship students to whom an assessment is administered under section 3310.14 of the Revised Code. The scores shall be aggregated as follows:

(1) By state, which shall include all students awarded a scholarship under the educational choice scholarship pilot program and who were required to take an assessment under

section 3310.14 of the Revised Code; 18673

(2) By school district, which shall include all 18674
scholarship students who were required to take an assessment 18675
under section 3310.14 of the Revised Code and for whom the 18676
district is the student's resident district; 18677

(3) By chartered nonpublic school, which shall include all 18678
scholarship students enrolled in that school who were required 18679
to take an assessment under section 3310.14 of the Revised Code. 18680

(B) The department shall disaggregate the student 18681
performance data described in division (A) of this section 18682
according to the following categories: 18683

(1) Grade level; 18684

(2) Race and ethnicity; 18685

(3) Gender; 18686

(4) Students who have participated in the scholarship 18687
program for three or more years; 18688

(5) Students who have participated in the scholarship 18689
program for more than one year and less than three years; 18690

(6) Students who have participated in the scholarship 18691
program for one year or less; 18692

(7) Economically disadvantaged students. 18693

(C) The department shall post the student performance data 18694
required under divisions (A) and (B) of this section on its web 18695
site and, by the first day of February each year, shall 18696
distribute that data to the parent of each eligible student. In 18697
reporting student performance data under this division, the 18698
department shall not include any data that is statistically 18699

unreliable or that could result in the identification of 18700
individual students. For this purpose, the department shall not 18701
report performance data for any group that contains less than 18702
ten students. 18703

(D) The department shall provide the parent of each 18704
scholarship student with information comparing the student's 18705
performance on the assessments administered under section 18706
3310.14 of the Revised Code with the average performance of 18707
similar students enrolled in the building operated by the 18708
student's resident district that the scholarship student would 18709
otherwise attend. In calculating the performance of similar 18710
students, the department shall consider age, grade, race and 18711
ethnicity, gender, and socioeconomic status. 18712

Sec. 3310.16. (A) For the 2020-2021 school year and each 18713
school year thereafter, the department of education and 18714
workforce shall accept, process, and award scholarships each 18715
year for the educational choice scholarship pilot program under 18716
sections 3310.03 and 3310.032 of the Revised Code, as follows: 18717

(1) The application period shall open on the first day of 18718
February prior to the first day of July of the school year for 18719
which a scholarship is sought. Not later than forty-five days 18720
after an applicant submits to the department of education and 18721
workforce a completed application, the department ~~of education~~ 18722
shall determine whether that applicant is eligible for a 18723
scholarship and notify the applicant whether or not the 18724
applicant is eligible. The department ~~of education~~ shall award a 18725
scholarship to each student with an approved application. 18726
However, for any application submitted after the beginning of 18727
the school year, the department ~~of education~~ shall prorate the 18728
amount of the awarded scholarship based on how much of the 18729

school year remains. 18730

(2) In each school year, the department ~~of education~~ shall 18731
accept applications for conditional approval of a scholarship 18732
sought for that year or the next school year. Not later than 18733
five days after receiving an application under this division, 18734
the department ~~of education~~ shall grant conditional approval to 18735
an applicant who is eligible for a scholarship and notify the 18736
applicant whether or not conditional approval is granted. 18737

(B) If the department determines an application submitted 18738
under this section contains an error or deficiency, the 18739
department shall notify the applicant who submitted that 18740
application not later than fourteen days after the application 18741
is submitted. 18742

(C) The departments of education and workforce, job and 18743
family services, and taxation shall enter into a data sharing 18744
agreement so that, in administering this section, the department 18745
of education and workforce shall be able to determine, based on 18746
the address provided in a student's application, whether that 18747
student is eligible for an educational choice scholarship under 18748
section 3310.03 of the Revised Code and whether the student 18749
meets the residency requirements for an educational choice 18750
scholarship under section 3310.032 of the Revised Code. 18751

(D) No city, local, or exempted village school district 18752
shall have access to an application submitted under this 18753
section. 18754

Sec. 3310.17. (A) The ~~state board~~ department of education_ 18755
and workforce shall adopt rules in accordance with Chapter 119. 18756
of the Revised Code prescribing procedures for the 18757
administration of the educational choice scholarship pilot 18758

program. 18759

(B) ~~The state board and the department of education~~ shall 18760
not require chartered nonpublic schools to comply with any 18761
education laws or rules or other requirements that are not 18762
specified in sections 3310.01 to 3310.17 of the Revised Code or 18763
in rules necessary for the administration of the program, 18764
adopted under division (A) of this section, and that otherwise 18765
would not apply to a chartered nonpublic school. 18766

Sec. 3310.41. (A) As used in this section: 18767

(1) "Alternative public provider" means either of the 18768
following providers that agrees to enroll a child in the 18769
provider's special education program to implement the child's 18770
individualized education program and to which the child's parent 18771
owes fees for the services provided to the child: 18772

which the child is entitled to attend school; 18774

(b) A public entity other than a school district. 18775

(2) "Entitled to attend school" means entitled to attend 18776
school in a school district under section 3313.64 or 3313.65 of 18777
the Revised Code. 18778

(3) "Formula ADM" has the same meaning as in section 18779
3317.02 of the Revised Code. 18780

(4) "Preschool child with a disability" and 18781
"individualized education program" have the same meanings as in 18782
section 3323.01 of the Revised Code. 18783

(5) "Parent" has the same meaning as in section 3313.64 of 18784
the Revised Code, except that "parent" does not mean a parent 18785
whose custodial rights have been terminated. "Parent" also 18786

includes the custodian of a qualified special education child, 18787
when a court has granted temporary, legal, or permanent custody 18788
of the child to an individual other than either of the natural 18789
or adoptive parents of the child or to a government agency. 18790

(6) "Qualified special education child" is a child for 18791
whom all of the following conditions apply: 18792

(a) The school district in which the child is entitled to 18793
attend school has identified the child as autistic. A child who 18794
has been identified as having a "pervasive developmental 18795
disorder - not otherwise specified (PPD-NOS)" shall be 18796
considered to be an autistic child for purposes of this section. 18797

(b) The school district in which the child is entitled to 18798
attend school has developed an individualized education program 18799
under Chapter 3323. of the Revised Code for the child. 18800

(c) The child either: 18801

(i) Was enrolled in the school district in which the child 18802

(7) "Registered private provider" means a nonpublic school 18810

department of education and workforce to participate in the 18812
program established under this section. 18813

(8) "Special education program" means a school or facility 18814

that provides special education and related services to children 18815
with disabilities. 18816

(B) There is hereby established the autism scholarship 18817
program. Under the program, the department ~~of education~~ shall 18818
pay a scholarship under section 3317.022 of the Revised Code to 18819
the parent of each qualified special education child upon 18820
application of that parent pursuant to procedures and deadlines 18821
established by rule of the ~~state board of education~~ department. 18822
Each scholarship shall be used only to pay tuition for the child 18823
on whose behalf the scholarship is awarded to attend a special 18824
education program that implements the child's individualized 18825
education program and that is operated by an alternative public 18826
provider or by a registered private provider, and to pay for 18827
other services agreed to by the provider and the parent of a 18828
qualified special education child that are not included in the 18829
individualized education program but are associated with 18830
educating the child. Upon agreement with the parent of a 18831
qualified special education child, the alternative public 18832
provider or the registered private provider may modify the 18833
services provided to the child. The purpose of the scholarship 18834
is to permit the parent of a qualified special education child 18835
the choice to send the child to a special education program, 18836
instead of the one operated by or for the school district in 18837
which the child is entitled to attend school, to receive the 18838
services prescribed in the child's individualized education 18839
program once the individualized education program is finalized 18840
and any other services agreed to by the provider and the parent 18841
of a qualified special education child. The services provided 18842
under the scholarship shall include an educational component or 18843
services designed to assist the child to benefit from the 18844
child's education. 18845

A scholarship under this section shall not be awarded to 18846
the parent of a child while the child's individualized education 18847
program is being developed by the school district in which the 18848
child is entitled to attend school, or while any administrative 18849
or judicial mediation or proceedings with respect to the content 18850
of the child's individualized education program are pending. A 18851
scholarship under this section shall not be used for a child to 18852
attend a public special education program that operates under a 18853
contract, compact, or other bilateral agreement between the 18854
school district in which the child is entitled to attend school 18855
and another school district or other public provider, or for a 18856
child to attend a community school established under Chapter 18857
3314. of the Revised Code. However, nothing in this section or 18858
in any rule adopted by the ~~state board~~ department shall prohibit 18859
a parent whose child attends a public special education program 18860
under a contract, compact, or other bilateral agreement, or a 18861
parent whose child attends a community school, from applying for 18862
and accepting a scholarship under this section so that the 18863
parent may withdraw the child from that program or community 18864
school and use the scholarship for the child to attend a special 18865
education program for which the parent is required to pay for 18866
services for the child. 18867

Except for development of the child's individualized 18868
education program, the school district in which a qualified 18869
special education child is entitled to attend school and the 18870
child's school district of residence, as defined in section 18871
3323.01 of the Revised Code, if different, are not obligated to 18872
provide the child with a free appropriate public education under 18873
Chapter 3323. of the Revised Code for as long as the child 18874
continues to attend the special education program operated by 18875
either an alternative public provider or a registered private 18876

provider for which a scholarship is awarded under the autism 18877
scholarship program. If at any time, the eligible applicant for 18878
the child decides no longer to accept scholarship payments and 18879
enrolls the child in the special education program of the school 18880
district in which the child is entitled to attend school, that 18881
district shall provide the child with a free appropriate public 18882
education under Chapter 3323. of the Revised Code. 18883

A child attending a special education program with a 18884
scholarship under this section shall continue to be entitled to 18885
transportation to and from that program in the manner prescribed 18886
by law. 18887

(C) As prescribed in division (A) (2) (h) of section 3317.03 18888
of the Revised Code, a child who is not a preschool child with a 18889
disability for whom a scholarship is awarded under this section 18890
shall be counted in the formula ADM of the district in which the 18891
child is entitled to attend school and not in the formula ADM of 18892
any other school district. 18893

(D) A scholarship shall not be paid under section 3317.022 18894
of the Revised Code to a parent for payment of tuition owed to a 18895
nonpublic entity unless that entity is a registered private 18896
provider. The department shall approve entities that meet the 18897
standards established by rule of the ~~state board~~ department for 18898
the program established under this section. 18899

(E) The ~~state board~~ department shall adopt rules under 18900
Chapter 119. of the Revised Code prescribing procedures 18901
necessary to implement this section, including, but not limited 18902
to, procedures and deadlines for parents to apply for 18903
scholarships, standards for registered private providers, and 18904
procedures for approval of entities as registered private 18905
providers. 18906

The rules also shall specify that intervention services 18907
under the autism scholarship program may be provided by a 18908
qualified, credentialed provider, including, but not limited to, 18909
all of the following: 18910

(1) A behavior analyst certified by a nationally 18911
recognized organization that certifies behavior analysts; 18912

(2) A psychologist licensed to practice in this state 18913
under Chapter 4732. of the Revised Code; 18914

under the licensee's supervision, as an extension of the 18919
licensee's legal and ethical authority as specified under 18920
Chapter 4732. of the Revised Code who is ascribed as "psychology 18921
trainee," "psychology assistant," "psychology intern," a 18922

41 of the Administrative Code, a "certified Ohio behavior 18924
analyst" under Chapter 4783. of the Revised Code, or other 18925
appropriate term that clearly implies their supervised or 18926
training status; 18927

(5) Unlicensed persons holding a doctoral degree in 18928
psychology or special education from a program approved by the- 18929
~~state board~~ department; 18930

(6) Any other qualified individual as determined by the- 18931
~~state board~~ department. 18932

(F) The department shall provide reasonable notice to all 18933
parents of children receiving a scholarship under the autism 18934
scholarship program, alternative public providers, and 18935

registered private providers of any amendment to a rule 18936
governing, or change in the administration of, the autism 18937
scholarship program. 18938

Sec. 3310.411. Any registered private provider approved to 18939
participate in the autism scholarship program and any of its 18940
employees shall be subject to a criminal records check as 18941
specified in sections 109.57 and 109.572 of the Revised Code. 18942
The registered private provider shall submit the results of any 18943
records checks to the department of education and workforce. The 18944

applicant fingerprint database, established under section 18947
109.5721 of the Revised Code, in the same manner as any teacher 18948
licensed under sections 3319.22 to 3319.31 of the Revised Code. 18949

Sec. 3310.42. (A) Only for the purpose of administering 18950
the autism scholarship program, the department of education and 18951
workforce may request from any of the following entities the 18952
data verification code assigned under division (D)(2) of section 18953
3301.0714 of the Revised Code to any child who is seeking a 18954

validity and sufficiency of signatures on the petition. The 19773
election shall be conducted and canvassed and the results shall 19774
be certified in the same manner as in regular elections for the 19775
election of members of a board of education. 19776

president's designee. 20304

Sec. 3311.74. (A) The board of education of a municipal 20305
school district, in consultation with the department of 20306
education and workforce, shall set goals for the district's 20307
educational, financial, and management progress and establish 20308
accountability standards with which to measure the district's 20309
progress. 20310

(B) (1) The chief executive officer of a municipal school 20311
district shall develop, implement, and regularly update a plan 20312
to measure student academic performance at each school within 20313
the district. The plan developed by the chief executive officer 20314
shall include a component that requires the parents or guardians 20315
of students who attend the district's schools to attend, prior 20316
to the fifteenth day of December each year, at least one parent- 20317
teacher conference or similar event held by the school the 20318
student attends to provide an opportunity for the parents and 20319
guardians to meet the student's teachers, discuss expectations 20320
for the student, discuss the student's performance, and foster 20321
communication between home and school. 20322

(2) Where measurements demonstrate that students in 20323
particular schools are not achieving, or are not improving their 20324

achievement levels at an acceptable rate, the plan shall contain 20325
provisions requiring the chief executive officer, with the 20326
concurrence of the board, to take corrective action within those 20327
schools, including, but not limited to, reallocation of academic 20328
and financial resources, reassignment of staff, redesign of 20329
academic programs, adjusting the length of the school year or 20330
school day, and deploying additional assistance to students. 20331

(3) Prior to taking corrective action pursuant to the 20332
plan, the chief executive officer shall first identify which 20333
schools are in need of corrective action, what corrective action 20334
is warranted at each school, and when the corrective action 20335
should be implemented. Collectively, these items shall be known 20336
as the "corrective plan." The corrective plan is not intended to 20337
be used as a cost savings measure; rather, it is intended to 20338
improve student performance at targeted schools. 20339

Immediately after developing the corrective plan, the 20340
chief executive officer and the presiding officer of each labor 20341
organization whose members will be affected by the corrective 20342
plan shall each appoint up to four individuals to form one or 20343
more corrective action teams. The corrective action teams, 20344
within the timelines set by the chief executive officer for 20345
implementation of the corrective plan, shall collaborate with 20346
the chief executive officer and, where there are overlapping or 20347
mutual concerns, with other corrective action teams to make 20348
recommendations to the chief executive officer on implementation 20349
of the corrective plan. 20350

If the chief executive officer disagrees with all or part 20351
of the recommendations of a corrective action team, or if a 20352
corrective action team fails to make timely recommendations on 20353
the implementation of all or part of the corrective plan, the 20354

chief executive officer may implement the corrective plan in the 20355
manner in which the chief executive officer determines to be in 20356
the best interest of the students, consistent with the timelines 20357
originally established. 20358

The chief executive officer and any corrective action team 20359
are not bound by the applicable provisions of collective 20360
bargaining agreements in developing recommendations for and 20361
implementing the corrective plan. 20362

(4) Notwithstanding anything to the contrary in Chapter 20363
4117. of the Revised Code, the content and implementation of the 20364
corrective plan prevail over any conflicting provision of a 20365
collective bargaining agreement entered into on or after ~~the~~ 20366
~~effective date of this amendment~~ October 1, 2012. 20367

(C) Annually the chief executive officer shall issue a 20368

acceptable level or rate. The report shall also contain 20373
descriptions of efforts undertaken to improve the overall 20374
quality or efficiency of operation of the district, shall list 20375
the source of all district revenues, and shall contain a 20376
description of all district expenditures during the preceding 20377
fiscal year. 20378

(D) The chief executive officer shall implement a public 20379
awareness campaign to keep the parents and guardians of the 20380
district's students informed of the changes being implemented 20381
within the district. The campaign may include such methods as 20382
community forums, letters, and brochures. It shall include 20383
annual distribution to all parents and guardians of an 20384

information card specifying the names and business addresses and 20385
telephone numbers of the ombudspersons appointed under section 20386
3311.72 of the Revised Code and other employees of the district 20387
board of education who may serve as information resources for 20388
parents and guardians. 20389

section 3316.04 of the Revised Code, or applicable parts 21233
thereof, as the plan required under this division. The board of 21234

payment as provided in division (E) (3) of this section. The 21252
controlling board shall approve or disapprove the plan and the 21253
proposed loan presented to it by the ~~superintendent~~director. In 21254
the case of a district not under a fiscal emergency pursuant to 21255
division (B) of section 3316.03 of the Revised Code, the 21256
controlling board may require a board of education to implement 21257

date of approval of such loan may not apply for another loan 21279
with such a repayment date until the outstanding loan has been 21280
repaid. 21281

(3) If a board of education has submitted and received 21282
controlling board approval of a plan and proposed loan in 21283
accordance with this section, the ~~superintendent of public~~ 21284
~~instruction~~ director of education and workforce shall report to 21285
the controlling board the actual amounts loaned to the board of 21286
education. Such board of education shall request the 21287

shall contain a statement to that effect. 21300

(4) Pursuant to the terms of such a loan, a board of 21301
education may issue its notes in anticipation of the collection 21302
of its voted levies for current expenses or its receipt of such 21303
state funds or both. Such notes shall be issued in accordance 21304
with division (E) of section 133.10 of the Revised Code and 21305
constitute Chapter 133. securities to the extent such division 21306
and the otherwise applicable provisions of Chapter 133. of the 21307
Revised Code are not inconsistent with this section, provided 21308
that in any event sections 133.24 and 5705.21 and divisions (A), 21309
(B), (C), and (E) (2) of section 133.10 of the Revised Code do 21310
not apply to such notes. 21311

(5) Notwithstanding section 133.36 or 3313.17, any other 21312
section of the Revised Code, or any other provision of law, a 21313
board of education that has received a loan under this section 21314
may not declare bankruptcy, so long as any portion of such loan 21315
remains unpaid. 21316

(F) Under this section and section 3313.4810, "board of 21317
education" or "district board" includes the financial planning 21318
and supervision commission of a school district under a fiscal 21319
emergency pursuant to Chapter 3316. of the Revised Code where 21320
such commission chooses to exercise the powers and duties 21321
otherwise required of the district board of education under this 21322
section and section 3313.4810 of the Revised Code. 21323

Sec. 3313.484. No loan shall be approved under sections 21324
3313.483 to 3313.4810 of the Revised Code after March 1, 1998. 21325

By the last day of June each year, the department of
education and workforce shall calculate and pay a subsidy to
every school district that during the current fiscal year paid
and was obligated to pay interest on a loan under sections
3313.483 to 3313.4810 of the Revised Code in excess of two per
cent simple interest. The amount of the subsidy shall equal the
difference between the amount of interest the district paid and
was obligated to pay during the year and the interest that the
district would have been obligated to pay if the interest rate
on the loan had been two per cent per year.

Sec. 3313.487. (A) Upon receipt of a copy of a request for
a determination under section 3313.483 of the Revised Code or
upon the issuance of written notification under division (B) of
section 3313.489 of the Revised Code, the ~~superintendent of~~
~~public instruction~~ department of education and workforce shall
analyze the district's financial condition and ascertain what
elements of the district's educational program exceed or fail to
meet the minimum standards of the ~~state board~~ director of
education and workforce and requirements set forth in the
Revised Code, and what, if any, additional revenues or revenue
sources may be available to the district that are not included
in its official certificate or amended certificate of estimated
resources. The ~~superintendent~~ director shall make a written
report of the ~~superintendent's~~ director's findings to the school
district's board of education, and the auditor of state, ~~and the~~
~~state board of education~~. The report shall include any
recommendations, including reductions in programs which exceed
minimum standards of the ~~state board of education~~ director or
requirements set forth in the Revised Code, that, if followed,
would enable the district to reduce its expenses while operating
an educational program that is responsive to the educational

needs of the school district in accordance with its adopted 21357
school calendar. The ~~superintendent-director~~ may determine that 21358
a responsive educational program requires the inclusion of 21359
elements exceeding the minimum standards of the ~~state board of~~
~~education-director~~ or requirements of the Revised Code. If, upon 21360
completion of the analysis and findings as provided in this 21361
division, the ~~superintendent-director~~ determines that the 21363
district will be financially unable to operate its educational 21364
program in accordance with its adopted school calendar and pay 21365
all obligated expenses, the ~~superintendent-director~~ shall notify 21366
the auditor of state in writing. Upon receipt of such 21367
notification, the auditor of state shall issue findings pursuant 21368
to section 3313.483 of the Revised Code. 21369

(B) Upon the receipt of the ~~superintendent of public~~ 21370
~~instruction's director of education and workforce's~~ report under 21371
division (A) of this section or a certification from the auditor 21372
of state under section 3313.483 of the Revised Code, the ~~state~~
~~board of education-director~~ may, at any time during the next 21374
ninety days, issue an order making the school district subject 21375
to section 3313.488 of the Revised Code if it finds the school 21376
district is not able to operate an educational program from 21377
existing revenue sources during the current and the ensuing 21378
school year. Such order shall take immediate effect, and such 21379
section shall apply to the school district. ~~Prior to the~~ 21380
~~issuance of any order under this division, the state board of~~ 21381
~~education may request from the superintendent of public~~ 21382
~~instruction a recommendation regarding the matter of the~~ 21383
~~issuance of an order making a school district subject to section~~ 21384
~~3313.488 of the Revised Code.~~ A board of education may appeal 21385
the order on questions of fact to the court of common pleas of 21386
Franklin county. 21387

(C) Notwithstanding division (B) of this section, the ~~state board of education director~~ shall issue an order making a school district subject to section 3313.488 of the Revised Code if the district fails to enter into a loan agreement with a commercial lending institution within forty-five days of the deficit certification pursuant to section 3313.483 of the Revised Code. If the ~~state board director~~ issues an order under this division, the ~~superintendent of public instruction director~~ shall apply for a loan from a commercial lending institution pursuant to section 3313.483 of the Revised Code on behalf of the district. The ~~superintendent director~~ shall have full authority to act on behalf of the board of education of a school district with respect to the making of loan agreements, and any loan agreement made by the ~~superintendent director~~ shall be fully binding on the school district.

(D) This section does not apply to a school district declared to be under a fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code.

(A) Within fifteen days after the date the ~~state board director of education and workforce~~ issues an order under section 3313.487 of the Revised Code making a school district subject to this section, the district's board of education shall prepare a fiscal statement of expenses and expenditures for the remainder of the current fiscal year. The fiscal statement shall be submitted to the ~~superintendent of public instruction department of education and workforce~~ and shall set forth all revenues to be received by the district during the remainder of the fiscal year and their sources, the expenses to be incurred by the district during the remainder of the fiscal year, the outstanding and unpaid expenses at the time the fiscal statement is prepared and the date or dates by which

such expenses must be paid, and such other information as the 21419
~~superintendent-director~~ requires to enable the ~~superintendent-~~ 21420
department of education and workforce to ensure that during the 21421
remainder of the fiscal year, the district will not incur any 21422
expenses that will further impair its ability to operate an 21423
instructional program that meets or exceeds the minimum 21424
standards of the ~~state board of education~~director and 21425
requirements of the Revised Code during the current and ensuing 21426
fiscal years with the revenue available to it from existing 21427
revenue sources. The fiscal statement shall be presented in such 21428
detail and form as the ~~superintendent-department~~ prescribes. 21429
Beginning the tenth day after the fiscal statement is submitted 21430
and for the remainder of the fiscal year, the board shall not 21431
make any expenditure of money, make any employment, purchase, or 21432
rental contract, give any order involving the expenditure of 21433
money, or increase any wage or salary schedule unless the 21434
~~superintendent of public instruction~~director has approved the 21435
fiscal statement in writing and the expenditure, contract, 21436
order, or schedule has been approved in writing by the 21437
~~superintendent-director~~ as being in conformity with the fiscal 21438
statement. 21439

Any contract or expenditure made, order given, or schedule 21440
adopted or put into effect without the written approval of the 21441
~~superintendent of public instruction~~director is void, and no 21442
warrant shall be issued in payment of any amount due thereon. 21443

(B) A board of education subject to division (A) of this 21444
section shall prepare a fiscal statement of expenses and 21445
expenditures for the ensuing fiscal year. The fiscal statement 21446
shall be submitted to the ~~superintendent of public instruction-~~ 21447
director and shall set forth all revenues to be received by the 21448
district during such year and their source, the expenses to be 21449

incurred by the district during such year, the outstanding and 21450
unpaid expenses on the first day of such fiscal year, the date 21451
or dates by which such expenses must be paid, and such other 21452
information as the ~~superintendent~~ department requires to enable 21453
the ~~superintendent~~ department to ensure that during such year, 21454
the district will not incur any expenses that will further 21455
impair its ability to operate an instructional program that 21456
meets or exceeds the minimum standards of the ~~state board of~~ 21457
~~education~~ director and requirements of the Revised Code during 21458
such year with the revenue available to it from existing revenue 21459
sources. The fiscal statement shall be presented at the time and 21460
in such detail and form as the ~~superintendent~~ department 21461
prescribes. During the fiscal year following the year in which a 21462
board of education first becomes subject to division (A) of this 21463
section it shall not make any expenditure of money, make any 21464
employment, purchase, or rental contract, give any order 21465
involving the expenditure of money, or increase any wage or 21466
salary schedule unless the ~~superintendent of public instruction~~ 21467
director has approved the fiscal statement submitted under this 21468
division in writing and has approved the expenditure, contract, 21469
order, or schedule in writing as being in conformity with the 21470
fiscal statement. 21471

Any contract or expenditure made, order given, or schedule 21472
adopted or put into effect without the written approval of the 21473
~~superintendent of public instruction~~ director is void, and no 21474
warrant shall be issued in payment of any amount due thereon. 21475

(C) The ~~state board of education~~ department shall examine 21476
any fiscal statement presented to and approved by ~~the~~ 21477
~~superintendent of public instruction~~ it under division (B) of 21478
this section and shall determine whether the data set forth in 21479
the fiscal statement are factual and based upon assumptions that 21480

in its judgment are reasonable expectations consistent with 21481
acceptable governmental budget and accounting practices. If the 21482
~~state board department~~ so determines and finds that the revenues 21483
and expenditures in the fiscal statement are in balance for the 21484
fiscal year and the fiscal statement will enable the district to 21485
operate during such year without interrupting its school 21486
calendar, it shall certify its determination and finding to the 21487
district at least thirty days prior to the beginning of the 21488
fiscal year, and the district shall thereupon cease to be 21489
subject to this section. If the ~~state board department~~ does not 21490
make such a determination and finding, the board of education 21491
and school district are subject to this division and division 21492
(B) of this section in the ensuing fiscal year and each fiscal 21493
year thereafter until the ~~state board department~~ makes a 21494
determination, finding, and certification under this division. 21495

(D) Any officer, employee, or other person who knowingly 21496
expends or authorizes the expenditure of any public funds or 21497
knowingly authorizes or executes any contract, order, or 21498

knowingly expends or authorizes the expenditure of any public 21500
funds on any such void contract, order, or schedule is jointly 21501
and severally liable in person and upon any official bond that 21502
the officer, employee, or other person has given to such school 21503

written request of the ~~superintendent of public instruction~~ 21506
~~department~~ shall enforce this liability by civil action brought 21507
in any court of appropriate jurisdiction in the name of and on 21508
behalf of the school district. 21509

(E) This section does not apply to a school district 21510
declared to be under a fiscal emergency pursuant to division (B) 21511

of section 3316.03 of the Revised Code. 21512

Sec. 3313.489. (A) The ~~superintendent of public~~ 21513
~~instruction~~ director of education and workforce shall examine 21514
each five-year projection of revenues and expenditures submitted 21515
under section 5705.391 of the Revised Code and shall determine 21516
whether the information contained therein, together with any 21517
other relevant information, indicates that the district may be 21518
financially unable to operate its instructional program on all 21519
days set forth in its adopted school calendars and pay all 21520
obligated expenses during the current fiscal year. If a board of 21521
education has not adopted a school calendar for the school year 21522
beginning on the first day of July of the current fiscal year at 21523
the time an examination is required under this division, the 21524
~~superintendent~~ director shall examine the five-year projection 21525
and determine whether the district may be financially unable to 21526
pay all obligated expenses and operate its instructional program 21527
for the number of days on which instruction was held in the 21528
preceding fiscal year. 21529

(B) If the ~~superintendent of public instruction~~ director 21530
of education and workforce determines pursuant to division (A) 21531
of this section that a school district may be financially unable 21532
to operate its instructional program on all days required by 21533
such division and pay all obligated expenses during the current 21534
fiscal year, the ~~superintendent~~ director shall provide written 21535
notification of such determination to the president of the 21536
district's board of education and the auditor of state. 21537

(C) This section does not apply to a school district 21538
declared to be under a fiscal emergency pursuant to division (B) 21539
of section 3316.03 of the Revised Code. 21540

Sec. 3313.4810. Any school district receiving a loan under 21541

to section 3313.488 of the Revised Code for the duration of the 21546
fiscal year in which the district receives the loan and during 21547
the ensuing two fiscal years. The controlling board may not 21548
relieve a school district to which this section applies from any 21549
requirements imposed under section 3313.483 of the Revised Code 21550

~~instruction~~ director of education and workforce for expenditure 21552
reduction and may not modify any other requirements imposed 21553
under such section upon such a district as a condition for 21554
receiving the loan unless expressly authorized to do so by law. 21555
The ~~superintendent of public instruction~~ director shall, among 21556
any recommendations the ~~superintendent~~ director makes for 21557

(B) The board of education of any school district may 21572

establish and operate an adult high school continuation program. 21573
Two or more boards of education may jointly establish and 21574
operate such a program. The resolution establishing an adult 21575
high school continuation program may specify the contribution 21576
and expenditure of funds, the use of buildings, equipment, and 21577
other school facilities, and such other matters as the board 21578
wishes to include. In the case of a jointly operated program, 21579
the resolutions establishing such program shall also designate 21580
one of the participating boards to be responsible for receiving 21581
and disbursing funds, and administering the program for the 21582
benefit of all participating boards of education. 21583

(C) A board of education that operates an adult high 21584
school continuation program alone or jointly with another board 21585
may, by resolution, authorize the district's superintendent to 21586

The study and instruction of financial literacy required 22360

academic content standards for financial literacy and 22362

3301.079 of the Revised Code. In developing the curriculum for 22364
the study and instruction of financial literacy, schools may use 22365
available public-private partnerships and resources and 22366
materials that exist in business, industry, and through the 22367
centers for economics education at institutions of higher 22368
education. 22369

Ohioans must be prepared to apply increased knowledge and 22370
skills in the workplace and to adapt their knowledge and skills 22371
quickly to meet the rapidly changing conditions of the twenty- 22372
first century. National studies indicate that all high school 22373
graduates need the same academic foundation, regardless of the 22374
opportunities they pursue after graduation. The goal of Ohio's 22375
system of elementary and secondary education is to prepare all 22376
students for and seamlessly connect all students to success in 22377
life beyond high school graduation, regardless of whether the 22378
next step is entering the workforce, beginning an 22379
apprenticeship, engaging in post-secondary training, serving in 22380
the military, or pursuing a college degree. 22381

The requirements for graduation prescribed in division (C) 22382
of this section are the standard expectation for all students 22383
entering ninth grade for the first time at a public or chartered 22384
nonpublic high school on or after July 1, 2010. A student may 22385
satisfy this expectation through a variety of methods, 22386
including, but not limited to, integrated, applied, career- 22387
technical, and traditional coursework. 22388

Stronger coordination between high schools and 22389
institutions of higher education is necessary to prepare 22390
students for more challenging academic endeavors and to lessen 22391
the need for academic remediation in college, thereby reducing 22392
the costs of higher education for Ohio's students, families, and 22393
the state. The ~~state board~~ department and the chancellor of 22394
higher education shall develop policies to ensure that only in 22395
rare instances will students who complete the requirements for 22396
graduation prescribed in division (C) of this section require 22397
academic remediation after high school. 22398

School districts, community schools, and chartered 22399
nonpublic schools shall integrate technology into learning 22400
experiences across the curriculum in order to maximize 22401
efficiency, enhance learning, and prepare students for success 22402
in the technology-driven twenty-first century. Districts and 22403
schools shall use distance and web-based course delivery as a 22404
method of providing or augmenting all instruction required under 22405
this division, including laboratory experience in science. 22406
Districts and schools shall utilize technology access and 22407
electronic learning opportunities provided by the broadcast 22408
educational media commission, chancellor, the Ohio learning 22409
network, education technology centers, public television 22410
stations, and other public and private providers. 22411

(D) Except as provided in division (E) of this section, a 22412
student who enters ninth grade on or after July 1, 2010, and 22413
before July 1, 2016, may qualify for graduation from a public or 22414
chartered nonpublic high school even though the student has not 22415
completed the requirements for graduation prescribed in division 22416
(C) of this section if all of the following conditions are 22417
satisfied: 22418

(1) During the student's third year of attending high school, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section. Annually, each district or school shall notify the department of the number of students who choose to qualify for graduation under division (D) of this section and the number of students who complete the student's success plan and graduate from high school.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5) (a) Except as provided in division (D) (5) (b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section. 22449
22450
22451

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2014, a student shall be required to complete successfully, at the minimum, the curriculum prescribed in division (B) of this section, except as follows: 22452
22453
22454
22455

(i) Mathematics, four units, one unit which shall be one of the following: 22456
22457

(I) Probability and statistics; 22458

(II) Computer science; 22459

(III) Applied mathematics or quantitative reasoning; 22460

(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014. 22461
22462
22463

(ii) Elective units, five units; 22464

(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information. 22465
22466
22467
22468

(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following: 22469
22470
22471
22472
22473
22474
22475

- (1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate; 22476
22477
- (2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section; 22478
22479
22480
22481
22482
22483
- (3) That no exception comparable to that provided in division (D) of this section is available. 22484
22485
- If a school district or chartered nonpublic school requires a foreign language as an additional graduation requirement under division (E) of this section, a student may apply one unit of instruction in computer coding to satisfy one unit of foreign language. If a student applies more than one computer coding course to satisfy the foreign language requirement, the courses shall be sequential and progressively more difficult. 22486
22487
22488
22489
22490
22491
22492
22493
- (F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the requirements for graduation prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions: 22494
22495
22496
22497
22498
22499
22500
22501
22502
22503
- (1) The program serves only students not younger than 22504

sixteen years of age and not older than twenty-one years of age. 22505

(2) The program enrolls students who, at the time of their 22506
initial enrollment, either, or both, are at least one grade 22507
level behind their cohort age groups or experience crises that 22508
significantly interfere with their academic progress such that 22509
they are prevented from continuing their traditional programs. 22510

(3) The program requires students to attain at least the 22511
applicable score designated for each of the assessments 22512
prescribed under division (B) (1) of section 3301.0710 of the 22513
Revised Code or, to the extent prescribed by rule of the ~~state-~~ 22514
~~board-department~~ under division (D) (5) of section 3301.0712 of 22515
the Revised Code, division (B) (2) of that section. 22516

(4) The program develops a student success plan for the 22517
student in the manner described in division (C) (1) of section 22518
3313.6020 of the Revised Code that specifies the student's 22519
matriculating to a two-year degree program, acquiring a business 22520
and industry-recognized credential, or entering an 22521
apprenticeship. 22522

(5) The program provides counseling and support for the 22523
student related to the plan developed under division (F) (4) of 22524
this section during the remainder of the student's high school 22525
experience. 22526

(6) The program requires the student and the student's 22527
parent, guardian, or custodian to sign and file, in accordance 22528
with procedural requirements stipulated by the program, a 22529
written statement asserting the parent's, guardian's, or 22530
custodian's consent to the student's graduating without 22531
completing the requirements for graduation prescribed in 22532
division (C) of this section and acknowledging that one 22533

consequence of not completing those requirements is 22534
ineligibility to enroll in most state universities in Ohio 22535
without further coursework. 22536

(7) Prior to receiving the waiver, the program has 22537
submitted to the department an instructional plan that 22538
demonstrates how the academic content standards adopted by the 22539
~~state board department~~ under section 3301.079 of the Revised 22540
Code will be taught and assessed. 22541

(8) Prior to receiving the waiver, the program has 22542
submitted to the department a policy on career advising that 22543
satisfies the requirements of section 3313.6020 of the Revised 22544
Code, with an emphasis on how every student will receive career 22545
advising. 22546

(9) Prior to receiving the waiver, the program has 22547
submitted to the department a written agreement outlining the 22548
future cooperation between the program and any combination of 22549
local job training, postsecondary education, nonprofit, and 22550
health and social service organizations to provide services for 22551
students in the program and their families. 22552

Divisions (F) (8) and (9) of this section apply only to 22553
waivers granted on or after July 1, 2015. 22554

If the department does not act either to grant the waiver 22555
or to reject the program application for the waiver within sixty 22556
days as required under this section, the waiver shall be 22557
considered to be granted. 22558

(G) Every high school may permit students below the ninth 22559
grade to take advanced work. If a high school so permits, it 22560
shall award high school credit for successful completion of the 22561
advanced work and shall count such advanced work toward the 22562

graduation requirements of division (B) or (C) of this section 22563
if the advanced work was both: 22564

(1) Taught by a person who possesses a license or 22565
certificate issued under section 3301.071, 3319.22, or 3319.222 22566
of the Revised Code that is valid for teaching high school; 22567

(2) Designated by the board of education of the city, 22568
local, or exempted village school district, the board of the 22569
cooperative education school district, or the governing 22570
authority of the chartered nonpublic school as meeting the high 22571
school curriculum requirements. 22572

Each high school shall record on the student's high school 22573
transcript all high school credit awarded under division (G) of 22574
this section. In addition, if the student completed a seventh- 22575
or eighth-grade fine arts course described in division (K) of 22576
this section and the course qualified for high school credit 22577
under that division, the high school shall record that course on 22578
the student's high school transcript. 22579

(H) The department shall make its individual academic 22580
career plan available through its Ohio career information system 22581
web site for districts and schools to use as a tool for 22582
communicating with and providing guidance to students and 22583
families in selecting high school courses. 22584

(I) A school district or chartered nonpublic school may 22585
integrate academic content in a subject area for which the ~~state~~ 22586
~~board~~ department has adopted standards under section 3301.079 of 22587
the Revised Code into a course in a different subject area, 22588
including a career-technical education course, in accordance 22589
with guidance for integrated coursework developed by the 22590
department. Upon successful completion of an integrated course, 22591

a student may receive credit for both subject areas that were 22592
integrated into the course. Units earned for subject area 22593
content delivered through integrated academic and career- 22594
technical instruction are eligible to meet the graduation 22595
requirements of division (B) or (C) of this section. 22596

For purposes of meeting graduation requirements, if an 22597
end-of-course examination has been prescribed under section 22598
3301.0712 of the Revised Code for the subject area delivered 22599
through integrated instruction, the school district or school 22600
may administer the related subject area examinations upon the 22601
student's completion of the integrated course. 22602

Nothing in division (I) of this section shall be construed 22603
to excuse any school district, chartered nonpublic school, or 22604
student from any requirement in the Revised Code related to 22605
curriculum, assessments, or the awarding of a high school 22606
diploma. 22607

(J) (1) ~~The state board department,~~ in consultation with 22608
the chancellor, shall adopt a statewide plan implementing 22609
methods for students to earn units of high school credit based 22610
on a demonstration of subject area competency, instead of or in 22611
combination with completing hours of classroom instruction. ~~The~~ 22612
~~state board shall adopt the plan not later than March 31, 2009,~~ 22613
~~and commence phasing in the plan during the 2009-2010 school~~ 22614
~~year.~~ The plan shall include a standard method for recording 22615
demonstrated proficiency on high school transcripts. Each school 22616
district and community school shall comply with the ~~state~~ 22617
~~board's department's~~ plan adopted under this division and award 22618
units of high school credit in accordance with the plan. The 22619
~~state board department~~ may adopt existing methods for earning 22620
high school credit based on a demonstration of subject area 22621

competency as necessary prior to the 2009-2010 school year. 22622

(2) ~~Not later than December 31, 2015, the state board~~ The 22623
department shall update the statewide plan adopted pursuant to 22624
division (J)(1) of this section to also include methods for 22625
students enrolled in seventh and eighth grade to meet curriculum 22626
requirements based on a demonstration of subject area 22627
competency, instead of or in combination with completing hours 22628
of classroom instruction. Beginning with the 2017-2018 school 22629
year, each school district and community school also shall 22630
comply with the updated plan adopted pursuant to this division 22631
and permit students enrolled in seventh and eighth grade to meet 22632
curriculum requirements based on subject area competency in 22633
accordance with the plan. 22634

(3) ~~Not later than December 31, 2017, the~~ The department 22635
shall develop a framework for school districts and community 22636
schools to use in granting units of high school credit to 22637
students who demonstrate subject area competency through work- 22638
based learning experiences, internships, or cooperative 22639
education. Beginning with the 2018-2019 school year, each 22640
district and community school shall comply with the framework. 22641
Each district and community school also shall review any policy 22642
it has adopted regarding the demonstration of subject area 22643
competency to identify ways to incorporate work-based learning 22644
experiences, internships, and cooperative education into the 22645
policy in order to increase student engagement and opportunities 22646
to earn units of high school credit. 22647

(K) This division does not apply to students who qualify 22648
for graduation from high school under division (D) or (F) of 22649
this section, or to students pursuing a career-technical 22650
instructional track as determined by the school district board 22651

of education or the chartered nonpublic school's governing 22652
authority. Nevertheless, the general assembly encourages such 22653
students to consider enrolling in a fine arts course as an 22654
elective. 22655

Beginning with students who enter ninth grade for the 22656
first time on or after July 1, 2010, each student enrolled in a 22657
public or chartered nonpublic high school shall complete two 22658
semesters or the equivalent of fine arts to graduate from high 22659
school. The coursework may be completed in any of grades seven 22660
to twelve. Each student who completes a fine arts course in 22661
grade seven or eight may elect to count that course toward the 22662
five units of electives required for graduation under division 22663
(C) (8) of this section, if the course satisfied the requirements 22664
of division (G) of this section. In that case, the high school 22665
shall award the student high school credit for the course and 22666
count the course toward the five units required under division 22667
(C) (8) of this section. If the course in grade seven or eight 22668
did not satisfy the requirements of division (G) of this 22669
section, the high school shall not award the student high school 22670
credit for the course but shall count the course toward the two 22671
semesters or the equivalent of fine arts required by this 22672
division. 22673

(L) Notwithstanding anything to the contrary in this 22674
section, the board of education of each school district and the 22675
governing authority of each chartered nonpublic school may adopt 22676
a policy to excuse from the high school physical education 22677
requirement each student who, during high school, has 22678
participated in interscholastic athletics, marching band, show 22679
choir, or cheerleading for at least two full seasons or in the 22680
junior reserve officer training corps for at least two full 22681
school years. If the board or authority adopts such a policy, 22682

the board or authority shall not require the student to complete 22683
any physical education course as a condition to graduate. 22684
However, the student shall be required to complete one-half 22685
unit, consisting of at least sixty hours of instruction, in 22686
another course of study. In the case of a student who has 22687
participated in the junior reserve officer training corps for at 22688
least two full school years, credit received for that 22689
participation may be used to satisfy the requirement to complete 22690
one-half unit in another course of study. 22691

(M) It is important that high school students learn and 22692
understand United States history and the governments of both the 22693
United States and the state of Ohio. Therefore, beginning with 22694
students who enter ninth grade for the first time on or after 22695
July 1, 2012, the study of American history and American 22696
government required by divisions (B) (6) and (C) (6) of this 22697
section shall include the study of all of the following 22698
documents: 22699

(1) The Declaration of Independence; 22700

(2) The Northwest Ordinance; 22701

(3) The Constitution of the United States with emphasis on 22702
the Bill of Rights; 22703

(4) The Ohio Constitution. 22704

The study of each of the documents prescribed in divisions 22705
(M) (1) to (4) of this section shall include study of that 22706
document in its original context. 22707

The study of American history and government required by 22708
divisions (B) (6) and (C) (6) of this section shall include the 22709
historical evidence of the role of documents such as the 22710
Federalist Papers and the Anti-Federalist Papers to firmly 22711

establish the historical background leading to the establishment 22712
of the provisions of the Constitution and Bill of Rights. 22713

(N) A student may apply one unit of instruction in 22714
computer science to satisfy one unit of mathematics or one unit 22715
of science under division (C) of this section as the student 22716
chooses, regardless of the field of certification of the teacher 22717
who teaches the course, so long as that teacher meets the 22718
licensure requirements prescribed by section 3319.236 of the 22719
Revised Code and, prior to teaching the course, completes a 22720
professional development program determined to be appropriate by 22721
the district board. 22722

If a student applies more than one computer science course 22723
to satisfy curriculum requirements under that division, the 22724
courses shall be sequential and progressively more difficult or 22725
cover different subject areas within computer science. 22726

Sec. 3313.605. (A) As used in this section: 22727

(1) "Civic responsibility" means the patriotic and ethical 22728
duties of all citizens to take an active role in society and to 22729
consider the interests and concerns of other individuals in the 22730
community. 22731

(2) "Volunteerism" means nonprofit activity in the United 22732
States, the benefits and limitations of nonprofit activities, 22733
and the presence and function of nonprofit civic and charitable 22734
organizations in the United States. 22735

(3) "Community service" means a service performed through 22736
educational institutions, government agencies, nonprofit 22737
organizations, social service agencies, and philanthropies and 22738
generally designed to provide direct experience with people or 22739
project planning, with the goal of improving the quality of life 22740

for the community. Such activities may include but are not 22741
limited to tutoring, literacy training, neighborhood 22742
improvement, encouraging interracial and multicultural 22743
understanding, promoting ideals of patriotism, increasing 22744
environmental safety, assisting the elderly or disabled, and 22745
providing mental health care, housing, drug abuse prevention 22746
programs, and other philanthropic programs, particularly for 22747
disadvantaged or low-income persons. 22748

(B) The board of education of each city, local, exempted 22749
village, and joint vocational school district, the governing 22750
authority of each community school established under Chapter 22751
3314. of the Revised Code, and the governing body of each STEM 22752
school established under Chapter 3326. of the Revised Code may 22753
include community service education in its educational program. 22754
A governing board of an educational service center, upon the 22755
request of a local school district board of education, may 22756
provide a community service education program for the local 22757
district pursuant to this section. If a board, governing 22758
authority, or governing body includes community service 22759
education in its education program, the board, governing 22760
authority, or governing body shall do both of the following: 22761

(1) Establish a community service advisory committee. The 22762
committee shall provide recommendations to the board, governing 22763
authority, or governing body regarding a community service plan 22764
for students and shall oversee and assist in the implementation 22765
of the plan adopted by the board, governing authority, or 22766
governing body under division (B) (2) of this section. Each 22767
board, governing authority, or governing body shall determine 22768
the membership and organization of its advisory committee and 22769
may designate an existing committee established for another 22770
purpose to serve as the community service advisory committee; 22771

however, each such committee shall include two or more students 22772
and shall include or consult with at least one person employed 22773
in the field of volunteer management who devotes at least fifty 22774
per cent of employment hours to coordinating volunteerism among 22775
community organizations. The committee members may include 22776
representatives of parents, teachers, administrators, other 22777
educational institutions, business, government, nonprofit 22778
organizations, veterans organizations, social service agencies, 22779
religious organizations, and philanthropies. 22780

(2) Develop and implement a community service plan. To 22781
assist in establishing its plan, the board, governing authority, 22782
or governing body shall consult with and may contract with one 22783
or more local or regional organizations with experience in 22784
volunteer program development and management. Each community 22785
service plan adopted under this division shall be based upon the 22786
recommendations of the advisory committee and shall provide for 22787
all of the following: 22788

(a) Education of students in the value of community 22789
service and its contributions to the history of this state and 22790
this nation; 22791

(b) Identification of opportunities for students to 22792
provide community service; 22793

(c) Encouragement of students to provide community 22794
service; 22795

(d) Integration of community service opportunities into 22796
the curriculum; 22797

(e) A community service instructional program for 22798
teachers, including strategies for the teaching of community 22799
service education, for the discovery of community service 22800

opportunities, and for the motivation of students to become 22801
involved in community service. 22802

Plans shall be reviewed periodically by the advisory 22803
committee and, if necessary, revised by the board, governing 22804
authority, or governing body at least once every five years. 22805

Plans shall provide for students to perform services under 22806
the plan that will not supplant the hiring of, result in the 22807
displacement of, or impair any existing employment contract of 22808
any particular employee of any private or governmental entity 22809
for which the services are performed. The plan shall provide for 22810
any entity utilizing a student to perform community service 22811
under the plan to verify to the board that the student does not 22812
supplant the hiring of, displace, or impair the employment 22813
contract of any particular employee of the entity. 22814

Upon adoption, a board, governing authority, or governing 22815
body shall submit a copy of its plan to the department of 22816
education and workforce. Each city and exempted village board of 22817
education and each governing board of a service center shall 22818
include a copy of its plan in any course of study adopted under 22819
section 3313.60 of the Revised Code that is required to be 22820
submitted for approval to the ~~state board~~ department for review. 22821
A joint vocational school district board of education shall 22822
submit a copy of its plan to the ~~state board~~ department for 22823
review when required to do so by the ~~state board~~ department. A 22824
local board shall forward its plan to the educational service 22825
center governing board for inclusion in the governing board's 22826
course of study. The department periodically shall review all 22827
plans and publish those plans that could serve as models for 22828
other school districts, educational service centers, community 22829
schools, or STEM schools. 22830

(C) Under this section, a board, governing authority, or governing body may only grant high school credit for a community service education course if approximately half of the course is devoted to classroom study of such matters as civic responsibility, the history of volunteerism, and community service training and approximately half of the course is devoted to community service.

Each board, governing authority, or governing body shall determine which specific activities will serve to fulfill the required hours of community service.

(D) The ~~superintendent of public instruction department of education and workforce~~ shall develop guidelines for the development and implementation of a rubric to evaluate and rate community service education projects for use by districts, governing authorities, and governing boards that adopt a community service education plan.

(E) The ~~state superintendent department~~ shall adopt rules for granting a student special certification, special recognition on a diploma, or special notification in the student's record upon the student's successful completion of an approved community service project.

The district board, governing authority, or governing body shall use a rubric developed in accordance with division (D) of this section to determine whether a community service project warrants recognition on a student's diploma under this division.

Sec. 3313.608. (A) (1) Beginning with students who enter third grade in the school year that starts July 1, 2009, and until June 30, 2013, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from

taking the assessment described in this section, for any student 22860
who does not attain at least the equivalent level of achievement 22861
designated under division (A) (3) of section 3301.0710 of the 22862
Revised Code on the assessment prescribed under that section to 22863
measure skill in English language arts expected at the end of 22864
third grade, each school district, in accordance with the policy 22865
adopted under section 3313.609 of the Revised Code, shall do one 22866
of the following: 22867

(a) Promote the student to fourth grade if the student's 22868
principal and reading teacher agree that other evaluations of 22869
the student's skill in reading demonstrate that the student is 22870
academically prepared to be promoted to fourth grade; 22871

(b) Promote the student to fourth grade but provide the 22872
student with intensive intervention services in fourth grade; 22873

(c) Retain the student in third grade. 22874

(2) Beginning with students who enter third grade in the 22875
2013-2014 school year, unless the student is excused under 22876
division (C) of section 3301.0711 of the Revised Code from 22877
taking the assessment described in this section, no school 22878
district shall promote to fourth grade any student who does not 22879
attain at least the equivalent level of achievement designated 22880
under division (A) (3) of section 3301.0710 of the Revised Code 22881
on the assessment prescribed under that section to measure skill 22882
in English language arts expected at the end of third grade, 22883
unless one of the following applies: 22884

(a) The student is an English learner who has been 22885
enrolled in United States schools for less than three full 22886
school years and has had less than three years of instruction in 22887
an English as a second language program. 22888

(b) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code and the student's individualized education program exempts the student from retention under this division.

(c) The student demonstrates an acceptable level of performance on an alternative standardized reading assessment as determined by the department of education and workforce.

(d) All of the following apply:

(i) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code.

(ii) The student has taken the third grade English language arts achievement assessment prescribed under section 3301.0710 of the Revised Code.

(iii) The student's individualized education program or plan under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, shows that the student has received intensive remediation in reading for two school years but still demonstrates a deficiency in reading.

(iv) The student previously was retained in any of grades kindergarten to three.

(e) (i) The student received intensive remediation for reading for two school years but still demonstrates a deficiency in reading and was previously retained in any of grades kindergarten to three.

(ii) A student who is promoted under division (A) (2) (e) (i) of this section shall continue to receive intensive reading instruction in grade four. The instruction shall include an

altered instructional day that includes specialized diagnostic 22917
information and specific research-based reading strategies for 22918
the student that have been successful in improving reading among 22919
low-performing readers. 22920

(B) (1) Beginning in the 2012-2013 school year, to assist 22921
students in meeting the third grade guarantee established by 22922
this section, each school district board of education shall 22923
adopt policies and procedures with which it annually shall 22924
assess the reading skills of each student, except those students 22925
with significant cognitive disabilities or other disabilities as 22926
authorized by the department on a case-by-case basis, enrolled 22927
in kindergarten to third grade and shall identify students who 22928
are reading below their grade level. The reading skills 22929

one of the following conditions is satisfied: 23983

section 3313.611 of the Revised Code that the person qualifies 23991
as having successfully completed the curriculum required by the 23992

(B) This division specifies the assessment requirements 23994
that must be fulfilled as a condition toward granting high 23995

grade proficiency test prior to September 15, 2008. However, any 24009

diploma. For this purpose, the ninth grade proficiency test in 24014
citizenship substitutes for the Ohio graduation test in social 24015

(b) A person who began ninth grade for the first time 24033
prior to July 1, 2014, shall be eligible to receive a diploma if 24034
the person meets the requirement prescribed by section 3313.618 24035

person meets the requirement prescribed by rule of the ~~state-~~ 24042
~~board-~~department of education and workforce as prescribed under 24043
division (B) (3) (d) of this section. 24044

3313.618 or 3313.619 of the Revised Code and the requirement to 24050
attain at least the applicable scores designated under division 24051
(B) (1) of section 3301.0710 of the Revised Code on the 24052
assessments required by that division. The rules shall ensure 24053
that the combined requirements require a demonstration of 24054
mastery that is equivalent or greater to the expectations of the 24055
assessments prescribed by division (B) (1) of section 3301.0710 24056
of the Revised Code. The rules shall include the following: 24057

(i) The date by which a person who began ninth grade for 24058
the first time prior to July 1, 2014, may be eligible for a high 24059
school diploma under division (B) (3) (c) of this section; 24060

prescribed by division (B) (1) of section 3301.0710 of the 24062

the Ohio graduation tests. Each such person must meet the 24070
requirement prescribed by section 3313.618 or 3313.619 of the 24071
Revised Code. 24072

(C) This division specifies the curriculum requirement 24073
that shall be completed as a condition toward granting high 24074
school diplomas under sections 3313.61, 3313.611, 3313.612, and 24075
3325.08 of the Revised Code. 24076

(1) A person who is under twenty-two years of age when the 24077

person fulfills the curriculum requirement for a diploma shall 24078
complete the curriculum required by the school district or 24079

A district board may also adopt a policy specifying extenuating circumstances under which a student may continue to attend school under division (F)(10) of this section for an additional period of time in order to successfully complete the high school curriculum for the individualized education program developed for the student by the high school pursuant to section 3323.08 of the Revised Code.

(11) As used in this division, "grandparent" means a parent of a parent of a child. A child under the age of twenty-two years who is in the custody of the child's parent, resides with a grandparent, and does not require special education is entitled to attend the schools of the district in which the child's grandparent resides, provided that, prior to such attendance in any school year, the board of education of the school district in which the child's grandparent resides and the board of education of the school district in which the child's parent resides enter into a written agreement specifying that good cause exists for such attendance, describing the nature of this good cause, and consenting to such attendance.

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F)(11) of this section to complete any consent form required by the district, including any authorization required

by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F) (11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter

3323. of the Revised Code and notwithstanding Chapter 3327. of 25099
the Revised Code, the board of education of neither school 25100
district involved in the agreement is required to provide 25101
transportation for the student to and from the school where the 25102
student attends. 25103

A student attending a school of a district pursuant to 25104
this division shall be allowed to participate in all student 25105
activities, including interscholastic athletics, at the school 25106
where the student is attending on the same basis as any student 25107
who has always attended the schools of that district while of 25108
compulsory school age. 25109

(13) All school districts shall comply with the "McKinney- 25110
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 25111
the education of homeless children. Each city, local, and 25112
exempted village school district shall comply with the 25113
requirements of that act governing the provision of a free, 25114
appropriate public education, including public preschool, to 25115
each homeless child. 25116

When a child loses permanent housing and becomes a 25117
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 25118
child who is such a homeless person changes temporary living 25119
arrangements, the child's parent or guardian shall have the 25120
option of enrolling the child in either of the following: 25121

(a) The child's school of origin, as defined in 42 25122
U.S.C.A. 11432(g) (3) (C); 25123

(b) The school that is operated by the school district in 25124
which the shelter where the child currently resides is located 25125
and that serves the geographic area in which the shelter is 25126
located. 25127

(14) A child under the age of twenty-two years who resides 25128
with a person other than the child's parent is entitled to 25129
attend school in the school district in which that person 25130
resides if both of the following apply: 25131

(a) That person has been appointed, through a military 25132
power of attorney executed under section 574(a) of the "National 25133
Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 25134
(1993), 10 U.S.C. 1044b, or through a comparable document 25135
necessary to complete a family care plan, as the parent's agent 25136
for the care, custody, and control of the child while the parent 25137
is on active duty as a member of the national guard or a reserve 25138
unit of the armed forces of the United States or because the 25139
parent is a member of the armed forces of the United States and 25140
is on a duty assignment away from the parent's residence. 25141

(b) The military power of attorney or comparable document 25142
includes at least the authority to enroll the child in school. 25143

The entitlement to attend school in the district in which 25144
the parent's agent under the military power of attorney or 25145
comparable document resides applies until the end of the school 25146
year in which the military power of attorney or comparable 25147
document expires. 25148

(G) A board of education, after approving admission, may 25149
waive tuition for students who will temporarily reside in the 25150
district and who are either of the following: 25151

(1) Residents or domiciliaries of a foreign nation who 25152
request admission as foreign exchange students; 25153

(2) Residents or domiciliaries of the United States but 25154
not of Ohio who request admission as participants in an exchange 25155
program operated by a student exchange organization. 25156

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 25157
3323.04, 3327.04, and 3327.06 of the Revised Code, a child may 25158
attend school or participate in a special education program in a 25159
school district other than in the district where the child is 25160
entitled to attend school under division (B) of this section. 25161

(I) (1) Notwithstanding anything to the contrary in this 25162
section or section 3313.65 of the Revised Code, a child under 25163
twenty-two years of age may attend school in the school district 25164
in which the child, at the end of the first full week of October 25165
of the school year, was entitled to attend school as otherwise 25166
provided under this section or section 3313.65 of the Revised 25167
Code, if at that time the child was enrolled in the schools of 25168
the district but since that time the child or the child's parent 25169
has relocated to a new address located outside of that school 25170
district and within the same county as the child's or parent's 25171
address immediately prior to the relocation. The child may 25172
continue to attend school in the district, and at the school to 25173
which the child was assigned at the end of the first full week 25174
of October of the current school year, for the balance of the 25175
school year. Division (I) (1) of this section applies only if 25176
both of the following conditions are satisfied: 25177

(a) The board of education of the school district in which 25178
the child was entitled to attend school at the end of the first 25179
full week in October and of the district to which the child or 25180
child's parent has relocated each has adopted a policy to enroll 25181
children described in division (I) (1) of this section. 25182

(b) The child's parent provides written notification of 25183
the relocation outside of the school district to the 25184
superintendent of each of the two school districts. 25185

(2) At the beginning of the school year following the 25186

school year in which the child or the child's parent relocated 25187
outside of the school district as described in division (I) (1) 25188
of this section, the child is not entitled to attend school in 25189
the school district under that division. 25190

(3) Any person or entity owing tuition to the school 25191
district on behalf of the child at the end of the first full 25192
week in October, as provided in division (C) of this section, 25193
shall continue to owe such tuition to the district for the 25194
child's attendance under division (I) (1) of this section for the 25195
lesser of the balance of the school year or the balance of the 25196
time that the child attends school in the district under 25197
division (I) (1) of this section. 25198

(4) A pupil who may attend school in the district under 25199
division (I) (1) of this section shall be entitled to 25200
transportation services pursuant to an agreement between the 25201
district and the district in which the child or child's parent 25202
has relocated unless the districts have not entered into such 25203
agreement, in which case the child shall be entitled to 25204
transportation services in the same manner as a pupil attending 25205
school in the district under interdistrict open enrollment as 25206
described in division (E) of section 3313.981 of the Revised 25207
Code, regardless of whether the district has adopted an open 25208
enrollment policy as described in division (B) (1) (b) or (c) of 25209
section 3313.98 of the Revised Code. 25210

(J) This division does not apply to a child receiving 25211
special education. 25212

A school district required to pay tuition pursuant to 25213
division (C) (2) or (3) of this section or section 3313.65 of the 25214
Revised Code shall have an amount deducted under division (C) of 25215
section 3317.023 of the Revised Code equal to its own tuition 25216

rate for the same period of attendance. A school district 25217
entitled to receive tuition pursuant to division (C) (2) or (3) 25218
of this section or section 3313.65 of the Revised Code shall 25219
have an amount credited under division (C) of section 3317.023 25220
of the Revised Code equal to its own tuition rate for the same 25221
period of attendance. If the tuition rate credited to the 25222
district of attendance exceeds the rate deducted from the 25223
district required to pay tuition, the department of education_
and workforce shall pay the district of attendance the 25224
difference from amounts deducted from all districts' payments 25225
under division (C) of section 3317.023 of the Revised Code but 25226
not credited to other school districts under such division and 25227
from appropriations made for such purpose. The treasurer of each 25228
school district shall, by the fifteenth day of January and July, 25229
furnish the ~~superintendent of public instruction~~ director of
education and workforce a report of the names of each child who 25230
attended the district's schools under divisions (C) (2) and (3) 25231
of this section or section 3313.65 of the Revised Code during 25232
the preceding six calendar months, the duration of the 25233
attendance of those children, the school district responsible 25234
for tuition on behalf of the child, and any other information 25235
that the ~~superintendent~~ director requires. 25236

Upon receipt of the report the ~~superintendent~~ director, 25239
pursuant to division (C) of section 3317.023 of the Revised 25240
Code, shall deduct each district's tuition obligations under 25241
divisions (C) (2) and (3) of this section or section 3313.65 of 25242
the Revised Code and pay to the district of attendance that 25243
amount plus any amount required to be paid by the state. 25244

(K) In the event of a disagreement, the ~~superintendent of~~
public instruction director of education and workforce shall 25245
determine the school district in which the parent resides. 25246
25247

(L) Nothing in this section requires or authorizes, or 25248
shall be construed to require or authorize, the admission to a 25249
public school in this state of a pupil who has been permanently 25250
excluded from public school attendance by the ~~superintendent of~~ 25251
~~public instruction director~~ pursuant to sections 3301.121 and 25252
3313.662 of the Revised Code. 25253

(M) In accordance with division (B)(1) of this section, a 25254
child whose parent is a member of the national guard or a 25255
reserve unit of the armed forces of the United States and is 25256
called to active duty, or a child whose parent is a member of 25257
the armed forces of the United States and is ordered to a 25258
temporary duty assignment outside of the district, may continue 25259
to attend school in the district in which the child's parent 25260
lived before being called to active duty or ordered to a 25261
temporary duty assignment outside of the district, as long as 25262
the child's parent continues to be a resident of that district, 25263
and regardless of where the child lives as a result of the 25264
parent's active duty status or temporary duty assignment. 25265
However, the district is not responsible for providing 25266
transportation for the child if the child lives outside of the 25267
district as a result of the parent's active duty status or 25268
temporary duty assignment. 25269

Sec. 3313.642. (A) Except as provided in division (B) of 25270
this section and notwithstanding the provisions of sections 25271
3313.48 and 3313.64 of the Revised Code, the board of education 25272
of a city, exempted village, or local school district shall not 25273
be required to furnish, free of charge, to the pupils attending 25274
the public schools any materials used in a course of instruction 25275
with the exception of the necessary textbooks or electronic 25276
textbooks required to be furnished without charge pursuant to 25277
section 3329.06 of the Revised Code. The board may, however, 25278

make provision by appropriations transferred from the general 25279
fund of the district or otherwise for furnishing free of charge 25280
any materials used in a course of instruction to such pupils as 25281
it determines are in serious financial need of such materials. 25282

(B) No board of education of a school district shall 25283
charge a fee to a pupil who is eligible for a free lunch under 25284
the "National School Lunch Act," 60 Stat. 230 (1946), 42 U.S.C. 25285
1751, as amended, and the "Child Nutrition Act of 1966," 80 25286
Stat. 885, 42 U.S.C. 1771, as amended, for any materials needed 25287

instruction. The prohibition in this division against charging a 25289
fee does not apply to any fee charged for any of the following: 25290

(1) Any materials needed to enable a pupil to participate 25291
fully in extracurricular activities or in any pupil enrichment 25292
program that is not a course of instruction; 25293

(2) Any tools, equipment, and materials that are necessary 25294
for workforce-readiness training within a career-technical 25295
education program that, to the extent the tools, equipment, and 25296
materials are not consumed, may be retained by the student upon 25297
course completion. 25298

(C) Boards of education may adopt rules and regulations 25299
prescribing each of the following: 25300

(1) A schedule of fees for materials used in a course of 25301

(2) A schedule of charges which may be imposed upon pupils 25303
for the loss, damage, or destruction of school apparatus, 25304
equipment, musical instruments, library material, textbooks, or 25305
electronic textbooks required to be furnished without charge, 25306
and for damage to school buildings. 25307

Except as provided in division (D) of this section, boards
of education may enforce the payment of such fees and charges by
withholding the grades and credits of the pupils concerned.

(D) No board of education shall withhold the grades,
credits, official transcripts, diploma, IEPs, or 504 plans of a
pupil for nonpayment of fees for materials used in a course of
instruction imposed under division (C)(1) of this section, if a
complaint has been filed at any time in a juvenile court
alleging that the pupil is an abused, neglected, or dependent
child or if the pupil has been adjudicated an abused, neglected,
or dependent child.

A board shall require that the grades, credits, official
transcripts, IEPs, or 504 plan of a pupil described in this
division be transferred immediately upon the receipt of either
another district's or school's request for those records under
section 3313.672 of the Revised Code or a juvenile judge's order
under section 2151.272 of the Revised Code.

A board that is required to transfer records under
division (D) of this section may request a copy of any order
regarding the child's custody or placement issued pursuant to a
complaint filed under section 2151.27 of the Revised Code.
However, a board shall not withhold records required to be
transferred under that division pending receipt of a copy of the
order.

(E) Each board of education annually shall report to the
department of education and workforce the number of pupils for
whom the board sends transcripts under division (D) of this
section and the total amount of unpaid fees lost due to
compliance with that division.

reimbursement to the school district of the entire actual cost 25389
of educating or training such nonresident students or trainees 25390
and regardless of the ratio of nonresident students or trainees 25391
to resident students or trainees. 25392

schools of its district, free of any tuition obligation, any 25394

rules establishing criteria for the admission of persons to 25398
schools under this division. The rules may authorize 25399

(B) No board of education that is not receiving funds 25436

Upon receipt of such statement the board of education shall provide an opportunity for additional education to the graduate, regardless

of the graduate's age or place of residence, until such 25483
individual attains the competency level specified in the policy. 25484
No fee shall be charged to any person or government entity for 25485

district as determined under section 3317.03 of the Revised Code 25489
or included as a participant in any other program, if such 25490
inclusion would result in additional state funds to the school 25491
district. 25492

The ~~state board of education department~~ shall adopt rules 25493
for the adoption of a policy under this section and for the 25494
additional education program described under this section. 25495

Sec. 3313.6410. This section applies to any school that is 25496
operated by a school district and in which the enrolled students 25497
work primarily on assignments in nonclassroom-based learning 25498
opportunities provided via an internet- or other computer-based 25499
instructional method. 25500

(A) Any school to which this section applies shall 25501
withdraw from the school any student who, for two consecutive 25502
school years of enrollment in the school, has failed to 25503
participate in the spring administration of any assessment 25504
prescribed under section 3301.0710 or 3301.0712 of the Revised 25505
Code for the student's grade level and was not excused from the 25506
assessment pursuant to division (C)(1) or (3) of section 25507
3301.0711 of the Revised Code, regardless of whether a waiver 25508
was granted for the student under division (E) of section 25509
3317.03 of the Revised Code. The school shall report any such 25510
student's data verification code, as assigned pursuant to 25511
section 3301.0714 of the Revised Code, to the department of 25512

education and workforce to be added to the list maintained by 25513
the department under section 3314.26 of the Revised Code. 25514

(B) No school to which this section applies shall receive 25515
any state funds under Chapter 3317. of the Revised Code for any 25516
enrolled student whose data verification code appears on the 25517
list maintained by the department under section 3314.26 of the 25518
Revised Code. Notwithstanding any provision of the Revised Code 25519
to the contrary, the parent of any such student shall pay 25520
tuition to the school district that operates the school in an 25521
amount equal to the state funds the district otherwise would 25522
receive for that student, as determined by the department. A 25523
school to which this section applies may withdraw any student 25524
for whom the parent does not pay tuition as required by this 25525
division. 25526

(5) "Post-release control sanction" has the same meaning 25583
as in section 2967.01 of the Revised Code. 25584

(B) If the circumstances described in division (C) of this 25585
section apply, the determination of what school district must 25586
admit a child to its schools and what district, if any, is 25587
liable for tuition shall be made in accordance with this 25588
section, rather than section 3313.64 of the Revised Code. 25589

(C) A child who does not reside in the school district in 25590
which the child's parent resides and for whom a tuition 25591
obligation previously has not been established under division 25592
(C) (2) of section 3313.64 of the Revised Code shall be admitted 25593
to the schools of the district in which the child resides if at 25594
least one of the child's parents is in a residential or 25595

(D) Regardless of who has custody or care of the child, 25599

receives special education, if a district admits a child under 25601
division (C) of this section, tuition shall be paid to that 25602
district as follows: 25603

(1) If the child's parent is in a juvenile residential 25604

at the time the parent became subject to the jurisdiction of the 25606
juvenile court; 25607

(2) If the child's parent is in a correctional facility, 25608
by the district in which the child's parent resided at the time 25609

(3) If the child's parent is in a residential facility, by 25611
the district in which the parent resided at the time the parent 25612
was admitted to the residential facility, except that if the 25613
parent was transferred from another residential facility, 25614
tuition shall be paid by the district in which the parent 25615
resided at the time the parent was admitted to the facility from 25616
which the parent first was transferred; 25617

(4) In the event of a disagreement as to which school 25618
district is liable for tuition under division (C) (1), (2), or 25619
(3) of this section, the ~~superintendent of public instruction~~ 25620
director of education and workforce shall determine which 25621
district shall pay tuition. 25622

(E) If a child covered by division (D) of this section 25623

accordance with division (J) of section 3313.64 of the Revised Code. 25628
25629

Sec. 3313.66. (A) (1) Except as provided under division (B) 25630
(2) of this section, and subject to section 3313.668 of the 25631
Revised Code, the superintendent of schools of a city, exempted 25632
village, or local school district, or the principal of a public 25633
school may suspend a pupil from school for not more than ten 25634
school days. The board of education of a city, exempted village, 25635
or local school district may adopt a policy granting assistant 25636
principals and other administrators the authority to suspend a 25637
pupil from school for a period of time as specified in the 25638
policy of the board of education, not to exceed ten school days. 25639
If at the time an out-of-school suspension is imposed there are 25640
fewer than ten school days remaining in the school year in which 25641
the incident that gives rise to the suspension takes place, the 25642
superintendent shall not apply any remaining part of the period 25643
of the suspension to the following school year. The 25644
superintendent may instead require the pupil to participate in a 25645
community service program or another alternative consequence for 25646
a number of hours equal to the remaining part of the period of 25647
the suspension. The pupil shall be required to begin the pupil's 25648
community service or alternative consequence during the first 25649
full week day of summer break. Each school district, in its 25650
discretion, may develop an appropriate list of alternative 25651
consequences. In the event that a pupil fails to complete 25652
community service or the assigned alternative consequence, the 25653
school district may determine the next course of action, which 25654
shall not include requiring the pupil to serve the remaining 25655
time of the out-of-school suspension at the beginning of the 25656
following school year. 25657

No pupil shall be issued an out-of-school suspension 25658

unless prior to the suspension the superintendent or principal
does both of the following:

(a) Gives the pupil written notice of the intention to
suspend the pupil and the reasons for the intended suspension
and, if the proposed suspension is based on a violation listed
in division (A) of section 3313.662 of the Revised Code and if
the pupil is sixteen years of age or older, includes in the
notice a statement that the superintendent may seek to
permanently exclude the pupil if the pupil is convicted of or
adjudicated a delinquent child for that violation;

(b) Provides the pupil an opportunity to appear at an
informal hearing before the principal, assistant principal,
superintendent, or superintendent's designee and challenge the
reason for the intended suspension or otherwise to explain the
pupil's actions.

(2) If a pupil is issued an in-school suspension, the
superintendent or principal shall ensure the pupil is serving
the suspension in a supervised learning environment.

(3) Each school district board shall adopt a policy
establishing parameters for completing and grading assignments
missed because of a pupil's suspension.

(a) The policy shall provide the pupil an opportunity to
do both of the following:

(i) Complete any classroom assignments missed because of
the suspension;

(ii) Receive at least partial credit for a completed
assignment.

(b) The policy may permit grade reductions on account of

the pupil's suspension. 25687

(c) The policy shall prohibit the receipt of a failing 25688
grade on a completed assignment solely on account of the pupil's 25689
suspension. 25690

(B) (1) Except as provided under division (B) (2), (3), or 25691
(4) of this section, and subject to section 3313.668 of the 25692
Revised Code, the superintendent of schools of a city, exempted 25693
village, or local school district may expel a pupil from school 25694
for a period not to exceed the greater of eighty school days or 25695
the number of school days remaining in the semester or term in 25696
which the incident that gives rise to the expulsion takes place, 25697
unless the expulsion is extended pursuant to division (F) of 25698
this section. If at the time an expulsion is imposed there are 25699
fewer than eighty school days remaining in the school year in 25700
which the incident that gives rise to the expulsion takes place, 25701
the superintendent may apply any remaining part or all of the 25702
period of the expulsion to the following school year. 25703

(2) (a) Unless a pupil is permanently excluded pursuant to 25704
section 3313.662 of the Revised Code, the superintendent of 25705
schools of a city, exempted village, or local school district 25706
shall expel a pupil from school for a period of one year for 25707
bringing a firearm to a school operated by the board of 25708
education of the district or onto any other property owned or 25709
controlled by the board, except that the superintendent may 25710
reduce this requirement on a case-by-case basis in accordance 25711
with the policy adopted by the board under section 3313.661 of 25712
the Revised Code. 25713

(b) The superintendent of schools of a city, exempted 25714
village, or local school district may expel a pupil from school 25715
for a period of one year for bringing a firearm to an 25716

interscholastic competition, an extracurricular event, or any 25717
other school program or activity that is not located in a school 25718
or on property that is owned or controlled by the district. The 25719
superintendent may reduce this disciplinary action on a case-by- 25720
case basis in accordance with the policy adopted by the board 25721
under section 3313.661 of the Revised Code. 25722

(c) Any expulsion pursuant to division (B)(2) of this 25723
section shall extend, as necessary, into the school year 25724
following the school year in which the incident that gives rise 25725
to the expulsion takes place. As used in this division, 25726
"firearm" has the same meaning as provided pursuant to the "Gun- 25727
Free Schools Act," 115 Stat. 1762, 20 U.S.C. 7151. 25728

(3) The board of education of a city, exempted village, or 25729
local school district may adopt a resolution authorizing the 25730
superintendent of schools to expel a pupil from school for a 25731
period not to exceed one year for bringing a knife capable of 25732
causing serious bodily injury to a school operated by the board, 25733
onto any other property owned or controlled by the board, or to 25734
an interscholastic competition, an extracurricular event, or any 25735
other program or activity sponsored by the school district or in 25736
which the district is a participant, or for possessing a firearm 25737
or knife capable of serious bodily injury, at a school, on any 25738
other property owned or controlled by the board, or at an 25739
interscholastic competition, an extracurricular event, or any 25740
other school program or activity, which firearm or knife was 25741
initially brought onto school board property by another person. 25742
The resolution may authorize the superintendent to extend such 25743
an expulsion, as necessary, into the school year following the 25744
school year in which the incident that gives rise to the 25745
expulsion takes place. 25746

(4) The board of education of a city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in division (A) (5) of section 2901.01 of the Revised Code or serious physical harm to property as defined in division (A) (6) of section 2901.01 of the Revised Code while the pupil is at school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(5) The board of education of any city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for making a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(6) No pupil shall be expelled under division (B) (1), (2), (3), (4), or (5) of this section unless, prior to the pupil's expulsion, the superintendent does both of the following:

(a) Gives the pupil and the pupil's parent, guardian, or

custodian written notice of the intention to expel the pupil; 25777

(b) Provides the pupil and the pupil's parent, guardian, 25778
custodian, or representative an opportunity to appear in person 25779
before the superintendent or the superintendent's designee to 25780
challenge the reasons for the intended expulsion or otherwise to 25781
explain the pupil's actions. 25782

The notice required in this division shall include the 25783
reasons for the intended expulsion, notification of the 25784
opportunity of the pupil and the pupil's parent, guardian, 25785
custodian, or representative to appear before the superintendent 25786
or the superintendent's designee to challenge the reasons for 25787
the intended expulsion or otherwise to explain the pupil's 25788
action, and notification of the time and place to appear. The 25789
time to appear shall not be earlier than three nor later than 25790
five school days after the notice is given, unless the 25791
superintendent grants an extension of time at the request of the 25792
pupil or the pupil's parent, guardian, custodian, or 25793
representative. If an extension is granted after giving the 25794
original notice, the superintendent shall notify the pupil and 25795
the pupil's parent, guardian, custodian, or representative of 25796
the new time and place to appear. If the proposed expulsion is 25797
based on a violation listed in division (A) of section 3313.662 25798
of the Revised Code and if the pupil is sixteen years of age or 25799
older, the notice shall include a statement that the 25800
superintendent may seek to permanently exclude the pupil if the 25801
pupil is convicted of or adjudicated a delinquent child for that 25802
violation. 25803

(7) A superintendent of schools of a city, exempted 25804
village, or local school district shall initiate expulsion 25805
proceedings pursuant to this section with respect to any pupil 25806

who has committed an act warranting expulsion under the 25807
district's policy regarding expulsion even if the pupil has 25808
withdrawn from school for any reason after the incident that 25809
gives rise to the hearing but prior to the hearing or decision 25810
to impose the expulsion. If, following the hearing, the pupil 25811
would have been expelled for a period of time had the pupil 25812
still been enrolled in the school, the expulsion shall be 25813
imposed for the same length of time as on a pupil who has not 25814
withdrawn from the school. 25815

(C) (1) Subject to division (C) (2) of this section, if a 25816
pupil's presence poses a continuing danger to persons or 25817
property or an ongoing threat of disrupting the academic process 25818
taking place either within a classroom or elsewhere on the 25819
school premises, the superintendent or a principal or assistant 25820
principal may remove a pupil from curricular activities or from 25821
the school premises, and a teacher may remove a pupil from 25822
curricular activities under the teacher's supervision, without 25823
the notice and hearing requirements of division (A) or (B) of 25824
this section. As soon as practicable after making such a 25825
removal, the teacher shall submit in writing to the principal 25826
the reasons for such removal. 25827

(2) A pupil in any of grades pre-kindergarten through 25828
three may be removed pursuant to division (C) (1) of this section 25829
only for the remainder of the school day and shall be permitted 25830
to return to curricular and extracurricular activities on the 25831
school day following the day in which the student was removed. 25832

(a) A school district or school that returns a student in 25833
any of grades pre-kindergarten through three to curricular and 25834
extracurricular activities on the next school day shall not be 25835
required to follow division (C) (3) of this section with regard 25836

to that student. 25837

(b) A school district shall not initiate a suspension or 25838
expulsion proceeding against a student in any of grades pre- 25839
kindergarten through three who was removed from a curricular or 25840
extracurricular activity under division (C) of this section 25841
unless the student has committed an act described in division 25842
(B) (1) (a) or (b) of section 3313.668 of the Revised Code. 25843

(3) If a pupil is removed under division (C) (1) or (2) of 25844
this section from a curricular activity or from the school 25845
premises, written notice of the hearing and of the reason for 25846
the removal shall be given to the pupil as soon as practicable 25847
prior to the hearing, which shall be held on the next school day 25848
after the initial removal is ordered. The hearing shall be held 25849
in accordance with division (A) of this section unless it is 25850
probable that the pupil may be subject to expulsion, in which 25851
case a hearing in accordance with division (B) of this section 25852
shall be held, except that the hearing shall be held on the next 25853
school day after the date of the initial removal. The individual 25854
who ordered, caused, or requested the removal to be made shall 25855
be present at the hearing. 25856

(4) If the superintendent or the principal reinstates a 25857
pupil in a curricular activity under the teacher's supervision 25858
prior to the hearing following a removal under this division, 25859
the teacher, upon request, shall be given in writing the reasons 25860
for such reinstatement. 25861

(D) The superintendent or principal, within one school day 25862
after the time of a pupil's expulsion or suspension, shall 25863
notify in writing the parent, guardian, or custodian of the 25864
pupil of the expulsion or suspension. In the case of an 25865
expulsion, the superintendent or principal, within one school 25866

day after the time of a pupil's expulsion, also shall notify in 25867
writing the treasurer of the board of education. Each notice 25868
shall include the reasons for the expulsion or suspension, 25869
notification of the right of the pupil or the pupil's parent, 25870
guardian, or custodian to appeal the expulsion or suspension to 25871
the board of education or to its designee, to be represented in 25872
all appeal proceedings, to be granted a hearing before the board 25873
or its designee in order to be heard against the suspension or 25874
expulsion, and to request that the hearing be held in executive 25875
session, notification that the expulsion may be subject to 25876
extension pursuant to division (F) of this section if the pupil 25877
is sixteen years of age or older, and notification that the 25878
superintendent may seek the pupil's permanent exclusion if the 25879
suspension or expulsion was based on a violation listed in 25880
division (A) of section 3313.662 of the Revised Code that was 25881
committed when the child was sixteen years of age or older and 25882
if the pupil is convicted of or adjudicated a delinquent child 25883
for that violation. 25884

In accordance with the policy adopted by the board of 25885
education under section 3313.661 of the Revised Code, the notice 25886
provided under this division shall specify the manner and date 25887
by which the pupil or the pupil's parent, guardian, or custodian 25888
shall notify the board of the pupil's, parent's, guardian's, or 25889
custodian's intent to appeal the expulsion or suspension to the 25890
board or its designee. 25891

Any superintendent expelling a pupil under this section 25892
for more than twenty school days or for any period of time if 25893
the expulsion will extend into the following semester or school 25894
year shall, in the notice required under this division, provide 25895
the pupil and the pupil's parent, guardian, or custodian with 25896
information about services or programs offered by public and 25897

private agencies that work toward improving those aspects of the 25898
pupil's attitudes and behavior that contributed to the incident 25899
that gave rise to the pupil's expulsion. The information shall 25900
include the names, addresses, and phone numbers of the 25901
appropriate public and private agencies. 25902

(E) A pupil or the pupil's parent, guardian, or custodian 25903
may appeal the pupil's expulsion by a superintendent or 25904
suspension by a superintendent, principal, assistant principal, 25905
or other administrator to the board of education or to its 25906
designee. If the pupil or the pupil's parent, guardian, or 25907
custodian intends to appeal the expulsion or suspension to the 25908
board or its designee, the pupil or the pupil's parent, 25909
guardian, or custodian shall notify the board in the manner and 25910
by the date specified in the notice provided under division (D) 25911
of this section. The pupil or the pupil's parent, guardian, or 25912
custodian may be represented in all appeal proceedings and shall 25913
be granted a hearing before the board or its designee in order 25914
to be heard against the suspension or expulsion. At the request 25915
of the pupil or of the pupil's parent, guardian, custodian, or 25916
attorney, the board or its designee may hold the hearing in 25917
executive session but shall act upon the suspension or expulsion 25918

full membership or by the action of its designee, may affirm the 25920
order of suspension or expulsion, reinstate the pupil, or 25921
otherwise reverse, vacate, or modify the order of suspension or 25922
expulsion. 25923

The board or its designee shall make a verbatim record of 25924
hearings held under this division. The decisions of the board or 25925
its designee may be appealed under Chapter 2506. of the Revised 25926

This section shall not be construed to require notice and hearing in accordance with division (A), (B), or (C) of this section in the case of normal disciplinary procedures in which a pupil is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

(F) (1) If a pupil is expelled pursuant to division (B) of this section for committing any violation listed in division (A) of section 3313.662 of the Revised Code and the pupil was sixteen years of age or older at the time of committing the violation, if a complaint, indictment, or information is filed alleging that the pupil is a delinquent child based upon the commission of the violation or the pupil is prosecuted as an adult for the commission of the violation, and if the resultant juvenile court or criminal proceeding is pending at the time that the expulsion terminates, the superintendent of schools that expelled the pupil may file a motion with the court in which the proceeding is pending requesting an order extending the expulsion for the lesser of an additional eighty days or the number of school days remaining in the school year. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent and to the pupil and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe that the pupil committed the alleged violation that is the basis of the expulsion and, upon determining that reasonable cause to believe the pupil committed the violation does exist, shall grant the requested extension.

(2) If a pupil has been convicted of or adjudicated a delinquent child for a violation listed in division (A) of

section 3313.662 of the Revised Code for an act that was 25959
committed when the child was sixteen years of age or older, if 25960
the pupil has been expelled pursuant to division (B) of this 25961
section for that violation, and if the board of education of the 25962
school district of the school from which the pupil was expelled 25963
has adopted a resolution seeking the pupil's permanent 25964
exclusion, the superintendent may file a motion with the court 25965
that convicted the pupil or adjudicated the pupil a delinquent 25966
child requesting an order to extend the expulsion until an 25967
adjudication order or other determination regarding permanent 25968
exclusion is issued by the ~~superintendent of public instruction~~ 25969
director of education and workforce pursuant to section 3301.121 25970
and division (D) of section 3313.662 of the Revised Code. Upon 25971
the filing of the motion, the court immediately shall schedule a 25972
hearing and give written notice of the time, date, and location 25973
of the hearing to the superintendent of the school district, the 25974
pupil, and the pupil's parent, guardian, or custodian. At the 25975
hearing, the court shall determine whether there is reasonable 25976
cause to believe the pupil's continued attendance in the public 25977
school system may endanger the health and safety of other pupils 25978
or school employees and, upon making that determination, shall 25979
grant the requested extension. 25980

(G) The failure of the superintendent or the board of 25981
education to provide the information regarding the possibility 25982
of permanent exclusion in the notice required by divisions (A), 25983
(B), and (D) of this section is not jurisdictional, and the 25984
failure shall not affect the validity of any suspension or 25985
expulsion procedure that is conducted in accordance with this 25986
section or the validity of a permanent exclusion procedure that 25987
is conducted in accordance with sections 3301.121 and 3313.662 25988
of the Revised Code. 25989

(H) With regard to suspensions and expulsions pursuant to 25990
divisions (A) and (B) of this section by the board of education 25991
of any city, exempted village, or local school district, this 25992
section shall apply to any student, whether or not the student 25993
is enrolled in the district, attending or otherwise 25994
participating in any curricular program provided in a school 25995
operated by the board or provided on any other property owned or 25996
controlled by the board. 25997

(I) Whenever a student is expelled under this section, the 25998
expulsion shall result in removal of the student from the 25999
student's regular school setting. However, during the period of 26000
the expulsion, the board of education of the school district 26001
that expelled the student or any board of education admitting 26002
the student during that expulsion period may provide educational 26003
services to the student in an alternative setting. 26004

(J) (1) Notwithstanding sections 3109.51 to 3109.80, 26005
3313.64, and 3313.65 of the Revised Code, any school district, 26006
after offering an opportunity for a hearing, may temporarily 26007
deny admittance to any pupil if one of the following applies: 26008

another district under division (A) of this section and the 26010
period of suspension, as established under that division, has 26011
not expired; 26012

(b) The pupil has been expelled from the schools of 26013
another district under division (B) of this section and the 26014
period of the expulsion, as established under that division or 26015

division, the pupil shall be admitted to school in accordance 26018

with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than upon expiration of the suspension or expulsion period, as applicable.

(2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if the pupil has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired. If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than the earlier of the following:

other students or school employees, the superintendent of any 26203
city, local, exempted village, or joint vocational school 26204
district in which the pupil desires to attend school may issue 26205
to the board of education of the school district a 26206
recommendation, including the reasons for the recommendation, 26207
that the permanent exclusion of a pupil be revoked and the pupil 26208
be allowed to return to the public schools of the state. 26209

If any violation which in whole or in part gave rise to 26210
the permanent exclusion of any pupil involved the pupil's 26211
bringing a firearm to a school operated by the board of 26212

or operated by such a board, no superintendent shall recommend 26214
under this division an effective date for the revocation of the 26215
pupil's permanent exclusion that is less than one year after the 26216
date on which the last such firearm incident occurred. However, 26217
on a case-by-case basis, a superintendent may recommend an 26218

joint vocational school district may adopt a resolution by a 26226
majority vote of its members requesting the ~~superintendent of~~ 26227
~~public instruction~~ director of education and workforce to revoke 26228
the permanent exclusion of the pupil. Upon adoption of the 26229

relevant information to the ~~superintendent of public~~ 26232
~~instruction~~ director. 26233

(c) Upon receipt of a resolution of a board of education 26234

(2) (a) A pupil who has been permanently excluded pursuant 26241
to this section and section 3301.121 of the Revised Code may 26242

or joint vocational school district in which the pupil desires 26244
to attend school to admit the pupil on a probationary basis for 26245
a period not to exceed ninety school days. Upon receiving the 26246
request, the superintendent may enter into discussions with the 26247
pupil and with the pupil's parent, guardian, or custodian or a 26248
person designated by the pupil's parent, guardian, or custodian 26249

pupil's probationary admission to the school. The plan may 26251
include a treatment program, a behavioral modification program, 26252
or any other program reasonably designed to meet the educational 26253
needs of the child and the disciplinary requirements of the 26254
school. 26255

If any violation which in whole or in part gave rise to 26256
the permanent exclusion of the pupil involved the pupil's 26257
bringing a firearm to a school operated by the board of 26258
education of any school district or onto any other property 26259
owned or operated by such a board, no plan developed under this 26260
division for the pupil shall include an effective date for the 26261
probationary admission of the pupil that is less than one year 26262
after the date on which the last such firearm incident occurred 26263
except that on a case-by-case basis, a plan may include an 26264
earlier effective date for such an admission for any of the 26265
reasons for which the superintendent of the district may reduce 26266
the one-year expulsion requirement in division (B) (2) of section 26267
3313.66 of the Revised Code. 26268

(b) If the superintendent of a school district, a pupil, 26269
and the pupil's parent, guardian, or custodian or a person 26270
designated by the pupil's parent, guardian, or custodian agree 26271
upon a probationary admission plan prepared pursuant to division 26272
(F) (2) (a) of this section, the superintendent of the school 26273
district shall issue to the board of education of the school 26274
district a recommendation that the pupil be allowed to attend 26275
school within the school district under probationary admission, 26276
the reasons for the recommendation, and a copy of the agreed 26277
upon probationary admission plan. Within fourteen days after the 26278
board of education receives the recommendation, reasons, and 26279
plan, the board may adopt the recommendation by a majority vote 26280
of its members. If the board adopts the recommendation, the 26281
pupil may attend school under probationary admission within that 26282
school district for a period not to exceed ninety days or any 26283
additional probationary period permitted under divisions (F) (2) 26284
(d) and (e) of this section in accordance with the probationary 26285
admission plan prepared pursuant to division (F) (2) (a) of this 26286

section. 26287

(c) If a pupil who is permitted to attend school under 26288
probationary admission pursuant to division (F)(2)(b) of this 26289
section fails to comply with the probationary admission plan 26290
prepared pursuant to division (F)(2)(a) of this section, the 26291
superintendent of the school district immediately may remove the 26292
pupil from the school and issue to the board of education of the 26293
school district a recommendation that the probationary admission 26294
be revoked. Within five days after the board of education 26295
receives the recommendation, the board may adopt the 26296
recommendation to revoke the pupil's probationary admission by a 26297
majority vote of its members. If a majority of the board does 26298
not adopt the recommendation to revoke the pupil's probationary 26299
admission, the pupil shall continue to attend school in 26300
compliance with the pupil's probationary admission plan. 26301

(d) If a pupil who is permitted to attend school under 26302
probationary admission pursuant to division (F)(2)(b) of this 26303
section complies with the probationary admission plan prepared 26304
pursuant to division (F)(2)(a) of this section, the pupil or the 26305
pupil's parent, guardian, or custodian, at any time before the 26306
expiration of the ninety-day probationary admission period, may 26307
request the superintendent of the school district to extend the 26308
terms and period of the pupil's probationary admission for a 26309
period not to exceed ninety days or to issue a recommendation 26310
pursuant to division (F)(1) of this section that the pupil's 26311
permanent exclusion be revoked and the pupil be allowed to 26312
return to the public schools of this state. 26313

(e) If a pupil is granted an extension of the pupil's 26314
probationary admission pursuant to division (F)(2)(d) of this 26315
section, the pupil or the pupil's parent, guardian, or 26316

custodian, in the manner described in that division, may 26317
request, and the superintendent and board, in the manner 26318
described in that division, may recommend and grant, subsequent 26319
probationary admission periods not to exceed ninety days each. 26320
If a pupil who is permitted to attend school under an extension 26321
of a probationary admission plan complies with the probationary 26322
admission plan prepared pursuant to the extension, the pupil or 26323
the pupil's parent, guardian, or custodian may request a 26324
revocation of the pupil's permanent exclusion in the manner 26325
described in division (F) (2) (d) of this section. 26326

(f) Any extension of a probationary admission requested by 26327
a pupil or a pupil's parent, guardian, or custodian pursuant to 26328
divisions (F) (2) (d) or (e) of this section shall be subject to 26329
the adoption and approval of a probationary admission plan in 26330
the manner described in divisions (F) (2) (a) and (b) of this 26331
section and may be terminated as provided in division (F) (2) (c) 26332
of this section. 26333

(g) If the pupil has complied with any probationary 26334
admission plan and the superintendent issues a recommendation 26335
that seeks revocation of the pupil's permanent exclusion 26336
pursuant to division (F) (1) of this section, the pupil's 26337
compliance with any probationary admission plan may be 26338
considered along with other relevant factors in any 26339
determination or adjudication conducted pursuant to division (F) 26340
(1) of this section. 26341

(G) (1) Except as provided in division (G) (2) of this 26342
section, any information regarding the permanent exclusion of a 26343
pupil shall be included in the pupil's official records and 26344
shall be included in any records sent to any school district 26345
that requests the pupil's records. 26346

(2) When a pupil who has been permanently excluded from public school attendance reaches the age of twenty-two or when the permanent exclusion of a pupil has been revoked, all school districts that maintain records regarding the pupil's permanent exclusion shall remove all references to the exclusion from the pupil's file and shall destroy them.

department of health notifies the school's principal or chief 26501

each chartered nonpublic school may require each student 26525
enrolled in kindergarten, third grade, fifth grade, and ninth 26526
grade to undergo a screening for body mass index and weight 26527
status category. 26528

(B) The board or governing authority may provide any 26529
screenings authorized by this section itself, contract with 26530
another entity for provision of the screenings, or request the 26531
parent or guardian of each student subject to the screening to 26532
obtain the screening from a provider selected by the parent or 26533
guardian and to submit the results to the board or governing 26534
authority. If the board or governing authority provides the 26535
screenings itself or contracts with another entity for provision 26536
of the screenings, the board or governing authority shall 26537
protect student privacy by ensuring that each student is 26538
screened alone and not in the presence of other students or 26539
staff. 26540

(C) Each school year, each board or governing authority 26541
electing to require the screening shall provide the parent or 26542
guardian of each student subject to the screening with 26543
information about the screening program. If the board or 26544
governing authority requests parents and guardians to obtain a 26545
screening from a provider of their choosing, the board or 26546
governing authority shall provide them with a list of providers 26547
and information about screening services available in the 26548

governing authority shall not require the student to be 26555
screened. 26556

(E) The board or governing authority shall notify the 26557
parent or guardian of each student screened under this section 26558

appropriately addressing the risks. For this purpose, the 26561
department of health, in consultation with the department of 26562

pamphlets, or other resources that may be distributed to parents 26564
and guardians under this division. 26565

(F) The board or governing authority shall maintain the 26566
confidentiality of each student's individual screening results 26567
at all times. No board or governing authority shall report a 26568
student's individual screening results to any person other than 26569
the student's parent or guardian. 26570

(G) In a manner prescribed by rule of the director of 26571
health, each board or governing authority electing to require 26572
the screening shall report aggregated body mass index and weight 26573
status category data collected under this section, and any other 26574
demographic data required by the director, to the department of 26575
health. In the case of a school district, data shall be 26576
aggregated for the district as a whole and not for individual 26577
schools within the district, unless the district operates only 26578
one school. In the case of a chartered nonpublic school, data 26579
shall be aggregated for the school as a whole. The department 26580
annually may publish the data reported under this division, 26581

aggregated by county. For each county in which a district, 26582
community school, STEM school, or chartered nonpublic school has 26583
elected not to require the screening for a school year for which 26584
data is published, the department shall note that the data for 26585
the county in which the district or school is located is 26586
incomplete. The department may share data reported under this 26587
division with other governmental entities for the purpose of 26588
monitoring population health, making reports, or public health 26589
promotional activities. 26590

protection of health of the pupils, teachers, and other school 26596
employees requires. 26597

Boards of education shall require and provide, in 26598
accordance with section 3313.67 of the Revised Code, such tests 26599
and examinations for tuberculosis of pupils in selected grades 26600

health. 26602

Boards may require annual tuberculin tests of any grades. 26603
All pupils with positive reactions to the test shall have chest 26604
x-rays and all positive reactions and x-ray findings shall be 26605
reported promptly to the county record bureau of tuberculosis 26606
cases provided for in section 339.74 of the Revised Code. Boards 26607
shall waive the required test where a pupil presents a written 26608
statement from the pupil's family physician certifying that such 26609
test has been given and that such pupil is free from 26610
tuberculosis in a communicable stage, or that such test is 26611

inadvisable for medical reasons, or from the pupil's parent or guardian objecting to such test because of religious convictions.

Whenever a pupil, teacher, or other school employee is found to be ill or suffering from tuberculosis in a communicable stage or other communicable disease, the school physician shall promptly send such pupil, teacher, or other school employee home, with a statement, in the case of a pupil, to the pupil's parents or guardian, briefly setting forth the discovered facts, and advising that the family physician be consulted. School physicians shall keep accurate card-index records of all examinations, and said records, that they may be uniform throughout the state, shall be according to the form prescribed by the ~~state board~~ department of education and workforce, and the reports shall be made according to the method of ~~said that~~ form. If the parent or guardian of any pupil or any teacher or other school employee, after notice from the board of education, furnishes within two weeks thereafter the written certificate of any reputable physician that the pupil, teacher, or other school employee has been examined, in such cases the service of the school physician shall be dispensed with, and such certificate shall be furnished by such parent or guardian, as required by the board of education. Such individual records shall not be open to the public and shall be solely for the use of the boards of education and boards of health officer. If any teacher or other school employee is found to have tuberculosis in a communicable stage or other communicable disease, the teacher's or employee's employment shall be discontinued or suspended upon such terms as to salary as the board deems just until the school physician has certified to a recovery from such disease. The methods of making the tuberculin tests and chest x-rays required

by this section shall be such as are approved by the director of health. 26643
26644

This section shall apply to all elementary and high schools for which the ~~state board~~ director of education and workforce sets minimum standards pursuant to section 3301.07 of the Revised Code. 26645

(2) If the school district that terminates an agreement 27830
for services under division (D) (1) of this section is also 27831

(2) When a district enters into a new agreement with a new educational service center, the department ~~of education~~ shall ensure that the state operating subsidy for services provided to

the district is paid to the new educational service center and 27866
that the educational service center with which the district 27867
previously had an agreement is no longer paid a state operating 27868
subsidy for providing services to that district. 27869

(H) Pursuant to division (B) of section 3317.023 of the 27870
Revised Code, the department annually shall deduct from each 27871

board of education, or the district superintendent acting on 27876
behalf of the district board, may agree to pay an amount in 27877
excess of six dollars and fifty cents per student in total 27878
student count. If a majority of the boards of education, or 27879
superintendents acting on behalf of the boards, of the districts 27880
that entered into an agreement under this section approve an 27881
amount in excess of six dollars and fifty cents per student in 27882
total student count, each district shall pay the excess amount 27883
to the service center. 27884

(I) (1) An educational service center may enter into a 27885
contract to purchase supplies, materials, equipment, and 27886
services, which may include those specified in division (B) of 27887

(2) Purchases made by a school district or political 27893
subdivision that has entered into an agreement with the service 27894
center as described in this division are exempt from competitive 27895

bidding required by law for the purchase of supplies, materials, 27896
equipment, or services. No political subdivision shall make any 27897
purchase under this division when the political subdivision has 27898
received bids for such purchase, unless the same terms, 27899
conditions, and specifications at a lower price can be made for 27900
such purchase under this division. 27901

(J) Any school district, community school, or STEM school 27902
that has entered into an agreement with an educational service 27903

Revised Code shall be in compliance with federal law and exempt 27905
from competitive bidding requirements for personnel-based 27906
services pursuant to the authority granted to the Ohio 27907
department of education and workforce under federal law, 27908
provided the service center has met the following conditions: 27909

school established under Chapter 3314. of the Revised Code and 27921
the governing board of an educational service center may enter 27922
into an agreement, through adoption of identical resolutions, 27923
under which the service center board will provide services to 27924

the community school. Services provided under the agreement and 27925
the amount and manner in which the community school will pay for 27926
such services shall be mutually agreed to by the school's 27927
governing authority and the service center board, and shall be 27928
specified in the service agreement. If specified in the 27929
agreement as the manner of payment, the department of education_ 27930
and workforce shall pay the service center the amount due to it 27931
under the agreement and shall deduct that amount from the 27932
payments made to the community school under Chapter 3314. of the 27933
Revised Code. Any agreement entered into under this section 27934
shall be valid only if a copy is filed with the department. 27935

Sec. 3313.845. The board of education of a city, exempted 27936
village, local, or joint vocational school district and the 27937

the agreement and the amount to be paid for such services shall 27941
be mutually agreed to by the district board of education and the 27942
service center governing board, and shall be specified in the 27943
agreement. Payment for services specified in the agreement shall 27944
be made pursuant to the terms of that agreement. If specified in 27945
the agreement as the manner of payment, the department of 27946
education and workforce shall pay the service center the amount 27947
due to it under the agreement and shall deduct that amount from 27948
the payments made to the city, exempted village, local, or joint 27949
vocational school district under Chapter 3317. of the Revised 27950
Code. Any agreement entered into pursuant to this section shall 27951
be valid only if a copy is filed with the department. 27952

The authority granted under this section to the boards of 27953

center for services specified in the contract. The board of the 27968
educational service center shall file a copy of each contract 27969
entered into under this section with the department of education 27970

students in career-technical education programs without 27993
financial assessment, charge, or tuition to such student except 27994

district, by contract with a school district, by contract with a 28023
school licensed by any state agency established by the Revised 28024
Code which school operates its courses offered for contracting 28025

exempted village school district adopts a resolution that 28038
specifies the district's intent not to provide career-technical 28039
education to students enrolled in grades seven and eight for a 28040
particular school year and submits that resolution to the 28041
department by the thirtieth day of September of that school 28042
year, the department shall waive the requirement for that 28043
district to provide career-technical education to students 28044
enrolled in grades seven and eight for that particular school 28045

For each school year thereafter, the school shall comply with all applicable provisions of this chapter.

(4) Notwithstanding divisions (B) (1) and (2) of this section, a sponsor rated "exemplary" on its most recent evaluation conducted under section 3314.016 of the Revised Code is permitted to open up to two new internet- or computer-based community schools that will primarily serve students enrolled in a dropout prevention and recovery program each year, not to exceed six new schools in a five-year period.

(C) Nothing in division (A) or (B) of this section prohibits an internet- or computer-based community school from increasing the number of grade levels it offers.

Sec. 3314.015. (A) The department of education and workforce shall be responsible for the oversight of any and all sponsors of the community schools established under this chapter and shall provide technical assistance to schools and sponsors in their compliance with applicable laws and the terms of the contracts entered into under section 3314.03 of the Revised Code and in the development and start-up activities of those schools. In carrying out its duties under this section, the department shall do all of the following:

(1) In providing technical assistance to proposing parties, governing authorities, and sponsors, conduct training

sessions and distribute informational materials; 29496

(2) Approve entities to be sponsors of community schools; 29497

(3) Monitor and evaluate, as required under section 29498
3314.016 of the Revised Code, the effectiveness of any and all 29499
sponsors in their oversight of the schools with which they have 29500
contracted; 29501

(4) By December thirty-first of each year, issue a report 29502
to the governor, the speaker of the house of representatives, 29503
the president of the senate, and the chairpersons of the house 29504
and senate committees principally responsible for education 29505
matters regarding the effectiveness of academic programs, 29506
operations, and legal compliance and of the financial condition 29507
of all community schools established under this chapter and on 29508
the performance of community school sponsors; 29509

(5) From time to time, make legislative recommendations to 29510
the general assembly designed to enhance the operation and 29511
performance of community schools. 29512

(B) (1) Except as provided in sections 3314.021 and 29513
3314.027 of the Revised Code, no entity shall enter into a 29514
preliminary agreement under division (C) (2) of section 3314.02 29515
of the Revised Code or renew an existing contract to sponsor a 29516
community school until it has received approval from the 29517
department of ~~education~~ to sponsor community schools under this 29518
chapter and has entered into a written agreement with the 29519
department regarding the manner in which the entity will conduct 29520
such sponsorship. 29521

On and after July 1, 2017, each entity that sponsors a 29522
community school in this state, except for an entity described 29523
in sections 3314.021 and 3314.027 of the Revised Code, shall 29524

attain approval from the department in order to continue 29525
sponsoring schools regardless of whether that entity intends to 29526
enter into a preliminary agreement or renew an existing 29527
contract. 29528

All new and renewed agreements between the department and 29529
a sponsor shall contain specific language addressing the 29530
parameters under which the department can intervene and 29531
potentially revoke sponsorship authority in the event that the 29532
sponsor is unwilling or unable to fulfill its obligations. 29533
Additionally, each agreement shall set forth any territorial 29534
restrictions and limits on the number of schools that entity may 29535
sponsor, provide for an annual evaluation process, and include a 29536
stipulation permitting the department to modify the agreement 29537
under the following circumstances: 29538

(a) Poor fiscal management; 29539

(b) Lack of academic progress. 29540

(2) The initial term of a sponsor's agreement with the 29541
department shall be for up to five years. 29542

(a) An agreement entered into with the department pursuant 29543
to this section may be renewed for a term of up to ten years 29544
using the following criteria: 29545

(i) The academic performance of students enrolled in each 29546
community school the entity sponsors, as determined by the 29547
department pursuant to division (B) (1) (a) of section 3314.016 of 29548
the Revised Code; 29549

(ii) The sponsor's adherence to quality practices, as 29550
determined by the department pursuant to division (B) (1) (b) of 29551
section 3314.016 of the Revised Code; 29552

(iii) The sponsor's compliance with all applicable laws and administrative rules. 29553
29554

(b) Each agreement between the department and a sponsor shall specify that entities with an overall rating of "exemplary" for at least two consecutive years shall not be subject to the limit on the number of community schools the entity may sponsor or any territorial restrictions on sponsorship, for so long as that entity continues to be rated "exemplary." 29555

(c) The ~~state board of education~~ department shall adopt in accordance with Chapter 119. of the Revised Code rules containing criteria, procedures, and deadlines for processing applications for approval of sponsors, for oversight of sponsors, for notifying a sponsor of noncompliance with applicable laws and administrative rules under division (F) of this section, for revocation of the approval of sponsors under division (C) of this section, and for entering into written agreements with sponsors. The rules shall require an entity to submit evidence of the entity's ability and willingness to comply with the provisions of division (D) of section 3314.03 of the Revised Code. The rules also shall require all entities approved as sponsors to demonstrate a record of financial responsibility and successful implementation of educational programs. If an entity seeking approval to sponsor community schools in this state sponsors or operates schools in another state, at least one of the schools sponsored or operated by the entity must be comparable to or better than the performance of Ohio schools in need of continuous improvement under section 3302.03 of the Revised Code, as determined by the department. 29562

Subject to section 3314.016 of the Revised Code, an entity 29582

that sponsors community schools may enter into preliminary 29583
agreements and sponsor up to one hundred schools, provided each 29584
school and the contract for sponsorship meets the requirements 29585
of this chapter. 29586

(3) The ~~state board of education~~ department shall 29587
determine, pursuant to criteria specified in rules adopted in 29588
accordance with Chapter 119. of the Revised Code, whether the 29589
mission proposed to be specified in the contract of a community 29590
school to be sponsored by a state university board of trustees 29591
or the board's designee under division (C)(1)(e) of section 29592
3314.02 of the Revised Code complies with the requirements of 29593
that division. Such determination of the ~~state board~~ department 29594
is final. 29595

(4) The ~~state board of education~~ department shall 29596
determine, pursuant to criteria specified in rules adopted in 29597
accordance with Chapter 119. of the Revised Code, if any tax- 29598
exempt entity under section 501(c)(3) of the Internal Revenue 29599
Code that is proposed to be a sponsor of a community school is 29600
an education-oriented entity for purpose of satisfying the 29601
condition prescribed in division (C)(1)(f)(iii) of section 29602
3314.02 of the Revised Code. Such determination of the ~~state~~ 29603
~~board~~ department is final. 29604

(C) If at any time the ~~state board of education~~ department 29605
finds that a sponsor is not in compliance or is no longer 29606
willing to comply with its contract with any community school or 29607
with the department's rules for sponsorship, the ~~state board or~~ 29608
~~designee~~ department shall conduct a hearing in accordance with 29609
Chapter 119. of the Revised Code on that matter. If after the 29610
hearing, the ~~state board or designee~~ department has confirmed 29611
the original finding, ~~the department of education~~ it may revoke 29612

the sponsor's approval to sponsor community schools. In that 29613
case, the department's office of Ohio school sponsorship, 29614
established under section 3314.029 of the Revised Code, may 29615
assume the sponsorship of any schools with which the sponsor has 29616
contracted until the earlier of the expiration of two school 29617
years or until a new sponsor as described in division (C) (1) of 29618
section 3314.02 of the Revised Code is secured by the school's 29619
governing authority. The office of Ohio school sponsorship may 29620
extend the term of the contract in the case of a school for 29621
which it has assumed sponsorship under this division as 29622
necessary to accommodate the term of the department's 29623
authorization to sponsor the school specified in this division. 29624
Community schools sponsored under this division shall not apply 29625
to the limit on directly authorized community schools under 29626
division (A) (3) of section 3314.029 of the Revised Code. 29627
However, nothing in this division shall preclude a community 29628
school affected by this division from applying for sponsorship 29629
under that section. 29630

(D) The decision of the department to disapprove an entity 29631
for sponsorship of a community school or to revoke approval for 29632
such sponsorship under division (C) of this section, may be 29633
appealed by the entity in accordance with section 119.12 of the 29634
Revised Code. 29635

(E) The department shall adopt procedures for use by a 29636
community school governing authority and sponsor when the school 29637
permanently closes and ceases operation, which shall include at 29638
least procedures for data reporting to the department, handling 29639
of student records, distribution of assets in accordance with 29640
section 3314.074 of the Revised Code, and other matters related 29641
to ceasing operation of the school. 29642

(F) (1) In lieu of revoking a sponsor's authority to 29643
sponsor community schools under division (C) of this section, if 29644
the department finds that a sponsor is not in compliance with 29645
applicable laws and administrative rules, the department shall 29646
declare in a written notice to the sponsor the specific laws or 29647
rules, or both, for which the sponsor is noncompliant. A sponsor 29648
notified under division (F) (1) of this section shall respond to 29649
the department not later than fourteen days after the 29650
notification with a proposed plan to remedy the conditions for 29651
which the sponsor was found to be noncompliant. The department 29652
shall approve or disapprove the plan not later than fourteen 29653
days after receiving it. If the plan is disapproved, the sponsor 29654
may submit a revised plan to the department not later than 29655
fourteen days after receiving notification of disapproval from 29656
the department or not later than sixty days after the date the 29657
sponsor received notification of noncompliance from the 29658
department, whichever is earlier. The department shall approve 29659
or disapprove the revised plan not later than fourteen days 29660
after receiving it or not later than sixty days after the date 29661
the sponsor received notification of noncompliance from the 29662
department, whichever is earlier. A sponsor may continue to make 29663
revisions by the deadlines prescribed in division (F) (1) of this 29664
section to any revised plan that is disapproved by the 29665
department until the sixtieth day after the date the sponsor 29666
received notification of noncompliance from the department. 29667

If a plan or a revised plan is approved, the sponsor shall 29668
implement it not later than sixty days after the date the 29669
sponsor received notification of noncompliance from the 29670
department or not later than thirty days after the plan is 29671
approved, whichever is later. If a sponsor does not respond to 29672
the department or implement an approved compliance plan by the 29673

deadlines prescribed by division (F) (1) of this section, or if a sponsor does not receive approval of a compliance plan on or before the sixtieth day after the date the sponsor received notification of noncompliance from the department, the department shall declare in written notice to the sponsor that the sponsor is in probationary status, and may limit the sponsor's ability to sponsor additional schools.

(2) A sponsor that has been placed on probationary status under division (F) (1) of this section may apply to the department for its probationary status to be lifted. The application for a sponsor's probationary status to be lifted shall include evidence, occurring after the initial notification of noncompliance, of the sponsor's compliance with applicable laws and administrative rules. Not later than fourteen days after receiving an application from the sponsor, the department shall decide whether or not to remove the sponsor's probationary status.

(G) In carrying out its duties under this chapter, the department shall not impose requirements on community schools or their sponsors that are not permitted by law or duly adopted rules.

(H) This section applies to entities that sponsor conversion community schools and new start-up schools.

(I) Nothing in divisions (C) to (F) of this section prohibits the department from taking any action permitted or required under the written agreement between the department and a sponsoring entity without a hearing on the matter, in the event that the sponsor is unwilling or unable to fulfill its obligations.

Sec. 3314.016. This section applies to any entity that 29703
sponsors a community school, regardless of whether section 29704
3314.021 or 3314.027 of the Revised Code exempts the entity from 29705
the requirement to be approved for sponsorship under divisions 29706
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 29707
office of Ohio school sponsorship established under section 29708
3314.029 of the Revised Code shall be rated under division (B) 29709
of this section, but divisions (A) and (C) of this section do 29710
not apply to the office. 29711

(A) An entity that sponsors a community school shall be 29712
permitted to enter into contracts under section 3314.03 of the 29713
Revised Code to sponsor additional community schools only if the 29714
entity meets all of the following criteria: 29715

(1) The entity is in compliance with all provisions of 29716
this chapter requiring sponsors of community schools to report 29717
data or information to the department of education and 29718
workforce. 29719

(2) The entity is not rated as "ineffective" under 29720
division (B) (6) of this section. 29721

(3) Except as set forth in sections 3314.021 and 3314.027 29722
of the Revised Code, the entity has received approval from and 29723
entered into an agreement with the department ~~of education~~ 29724
pursuant to section 3314.015 of the Revised Code. 29725

(B) (1) The department shall develop and implement an 29726
evaluation system that annually rates and assigns an overall 29727
rating to each entity that sponsors a community school. The 29728
department, not later than the first day of February of each 29729
year, shall post on the department's web site the framework for 29730
the evaluation system, including technical documentation that 29731

the department intends to use to rate sponsors for the next 29732
school year. The department shall solicit public comment on the 29733
evaluation system for thirty consecutive days. Not later than 29734
the first day of April of each year, the department shall 29735
compile and post on the department's web site all public 29736
comments that were received during the public comment period. 29737
The evaluation system shall be posted on the department's web 29738
site by the fifteenth day of July of each school year. Any 29739
changes to the evaluation system after that date shall take 29740
effect the following year. The evaluation system shall be based 29741
on the following components: 29742

(a) Academic performance of students enrolled in community 29743
schools sponsored by the same entity. The academic performance 29744
component shall be derived from the performance measures 29745
prescribed for the state report cards under section 3302.03 or 29746
3314.017 of the Revised Code, and shall be based on the 29747
performance of the schools for the school year for which the 29748
evaluation is conducted. In addition to the academic performance 29749
for a specific school year, the academic performance component 29750
shall also include year-to-year changes in the overall sponsor 29751
portfolio. For a community school for which no graded 29752
performance measures are applicable or available, the department 29753
shall use nonreport card performance measures specified in the 29754
contract between the community school and the sponsor under 29755
division (A) (4) of section 3314.03 of the Revised Code. 29756

(b) Adherence by a sponsor to the quality practices 29757
prescribed by the department under division (B) (3) of this 29758
section. For a sponsor that was rated "effective" or "exemplary" 29759
on its most recent rating, the department may evaluate that 29760
sponsor's adherence to quality practices once over a period of 29761
three years. If the department elects to evaluate a sponsor once 29762

over a period of three years, the most recent rating for a sponsor's adherence to quality practices shall be used when determining an annual overall rating conducted under this section.

(c) Compliance with all applicable laws and administrative rules by an entity that sponsors a community school.

Under the evaluation system prescribed under division (B) (1) of this section, the department shall not assign an overall rating of "ineffective" or lower to an entity that sponsors a community school solely because that entity received no points on one of the components prescribed under that division.

(2) In calculating an academic performance component, the department shall exclude all community schools that have been in operation for not more than two full school years and all community schools described in division (A) (4) (b) of section 3314.35 of the Revised Code. However, the academic performance of the community schools described in division (A) (4) (b) of section 3314.35 of the Revised Code shall be reported, but shall not be used as a factor when determining a sponsoring entity's rating under this section.

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization.

(4) (a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under

division (B) (3) of this section. Peer reviewers shall be limited 29792
to individuals employed by sponsors rated "effective" or 29793
"exemplary" on the most recent ratings conducted under this 29794
section. 29795

(b) The department shall require individuals participating 29796
in peer review under division (B) (4) (a) of this section to 29797
complete training approved or established by the department. 29798

(c) The department may enter into an agreement with 29799
another entity to provide training to individuals conducting 29800
peer review of sponsors. Prior to entering into an agreement 29801
with an entity, the department shall review and approve of the 29802
entity's training program. 29803

(5) The ~~state board~~ director of education and workforce 29804
shall adopt rules in accordance with Chapter 119. of the Revised 29805
Code prescribing standards for measuring compliance with 29806
applicable laws and rules under division (B) (1) (c) of this 29807
section. 29808

(6) The department annually shall rate all entities that 29809
sponsor community schools as either "exemplary," "effective," 29810
"ineffective," or "poor," based on the components prescribed by 29811
division (B) of this section, where each component is weighted 29812
equally. A separate rating shall be given by the department for 29813
each component of the evaluation system. 29814

The department shall publish the ratings between the first 29815
day of October and the fifteenth day of November. 29816

Prior to the publication of the final ratings, the 29817
department shall designate and provide notice of a period of at 29818
least ten business days during which each sponsor may review the 29819
information used by the department to determine the sponsor's 29820

rating on the components prescribed by division (B) (1) of this 29821
section. If the sponsor believes there is an error in the 29822
department's evaluation, the sponsor may request adjustments to 29823
the rating of any of those components based on documentation 29824
previously submitted as part of an evaluation. The sponsor shall 29825
provide to the department any necessary evidence or information 29826
to support the requested adjustments. The department shall 29827
review the evidence and information, determine whether an 29828
adjustment is valid, and promptly notify the sponsor of its 29829
determination and reasons. If any adjustments to the data could 29830
result in a change to the rating on the applicable component or 29831
to the overall rating, the department shall recalculate the 29832
ratings prior to publication. 29833

The department shall provide training on an annual basis 29834
regarding the evaluation system prescribed under this section. 29835
The training shall, at a minimum, describe methodology, 29836
timelines, and data required for the evaluation system. The 29837
first training session shall occur not later than March 2, 2016. 29838
Beginning in 2018, the training shall be made available to each 29839
entity that sponsors a community school by the fifteenth day of 29840
July of each year and shall include guidance on any changes made 29841
to the evaluation system. 29842

(7) (a) Entities with an overall rating of "exemplary" for 29843
the two most recent years in which the entity was evaluated may 29844
take advantage of the following incentives: 29845

(i) Renewal of the written agreement with the department, 29846
not to exceed ten years, provided that the entity consents to 29847
continued evaluation of adherence to quality practices as 29848
described in division (B) (1) (b) of this section; 29849

(ii) The ability to extend the term of the contract 29850

between the sponsoring entity and the community school beyond 29851
the term described in the written agreement with the department; 29852

(iii) An exemption from the preliminary agreement and 29853
contract adoption and execution deadline requirements prescribed 29854
in division (D) of section 3314.02 of the Revised Code; 29855

(iv) An exemption from the automatic contract expiration 29856
requirement, should a new community school fail to open by the 29857
thirtieth day of September of the calendar year in which the 29858
community school contract is executed; 29859

(v) No limit on the number of community schools the entity 29860
may sponsor; 29861

(vi) No territorial restrictions on sponsorship. 29862

An entity may continue to sponsor any community schools 29863
with which it entered into agreements under division (B) (7) (a) 29864
(v) or (vi) of this section while rated "exemplary," 29865
notwithstanding the fact that the entity later receives a lower 29866
overall rating. 29867

(b) Entities with an overall rating of "exemplary" or 29868
"effective" for the three most recent years in which the entity 29869
was evaluated shall be evaluated by the department once every 29870
three years. 29871

(c) (i) Entities that receive an overall rating of 29872
"ineffective" shall be prohibited from sponsoring any new or 29873
additional community schools during the time in which the 29874
sponsor is rated as "ineffective" and shall be subject to a 29875
quality improvement plan based on correcting the deficiencies 29876
that led to the "ineffective" rating, with timelines and 29877
benchmarks that have been established by the department. 29878

(ii) Entities that receive an overall rating of "ineffective" on their three most recent ratings shall have all sponsorship authority revoked. Within thirty days after receiving its third rating of "ineffective," the entity may appeal the revocation of its sponsorship authority to the ~~superintendent of public instruction~~ director, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the ~~state board of education~~ director shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(d) Entities that receive an overall rating of "poor" shall have all sponsorship authority revoked. Within thirty days after receiving a rating of "poor," the entity may appeal the revocation of its sponsorship authority to the ~~superintendent of public instruction~~ director, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the ~~state board of education~~ director shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(8) For the 2014-2015 school year and each school year thereafter, student academic performance prescribed under division (B)(1)(a) of this section shall include student academic performance data from community schools that primarily

serve students enrolled in a dropout prevention and recovery program. 29910
29911

(C) If the governing authority of a community school 29912
enters into a contract with a sponsor prior to the date on which 29913
the sponsor is prohibited from sponsoring additional schools 29914
under division (A) of this section and the school has not opened 29915
for operation as of that date, that contract shall be void and 29916
the school shall not open until the governing authority secures 29917
a new sponsor by entering into a contract with the new sponsor 29918
under section 3314.03 of the Revised Code. However, the 29919
department's office of Ohio school sponsorship, established 29920
under section 3314.029 of the Revised Code, may assume the 29921
sponsorship of the school until the earlier of the expiration of 29922
two school years or until a new sponsor is secured by the 29923
school's governing authority. A community school sponsored by 29924
the department under this division shall not be included when 29925
calculating the maximum number of directly authorized community 29926
schools permitted under division (A) (3) of section 3314.029 of 29927
the Revised Code. 29928

(D) When an entity's authority to sponsor schools is 29929
revoked pursuant to division (B) (7) (c) or (d) of this section, 29930
the office of Ohio school sponsorship shall assume sponsorship 29931
of any schools with which the original sponsor has contracted 29932
for the remainder of that school year. The office may continue 29933
sponsoring those schools until the earlier of: 29934

(1) The expiration of two school years from the time that 29935
sponsorship is revoked; 29936

(2) When a new sponsor is secured by the governing 29937

primary location. 31616

be given to students attending the school the previous year and 31722
to students who reside in the district in which the school is 31723
located. Preference may be given to siblings of students 31724

to promote the public health, safety, and welfare by 31736
establishing procedures under which the governing authorities of 31737
community schools established under this chapter will be held 31738
accountable for their compliance with the terms of the contracts 31739
they enter into with their school's sponsors and the law 31740
relating to the school's operation. Suspension of the operation 31741
of a school imposed under this section is intended to encourage 31742
the governing authority's compliance with the terms of the 31743
school's contract and the law and is not intended to be an 31744
alteration of the terms of that contract. 31745

(A) If a sponsor of a community school established under 31746
this chapter suspends the operation of that school pursuant to 31747
procedures set forth in this section, the governing authority 31748
shall not operate that school while the suspension is in effect. 31749
Any such suspension shall remain in effect until the sponsor 31750
notifies the governing authority that it is no longer in effect. 31751
The contract of a school of which operation is suspended under 31752
this section also may be subject to termination or nonrenewal 31753
under section 3314.07 of the Revised Code. 31754

(B) If at any time conditions at the school do not comply 31755
with a health and safety standard established by law for school 31756
buildings, the sponsor shall immediately suspend the operation 31757
of the school pursuant to procedures set forth in division (D) 31758
of this section. If the sponsor fails to take action to suspend 31759
the operation of a school to which this division applies, the 31760
department of education and workforce may take such action. 31761

(C) (1) For any of the reasons prescribed in ~~division_~~ 31762
divisions (B) (1) (a) to (d) of section 3314.07 of the Revised 31763
Code, the sponsor of a community school established under this 31764
chapter may suspend the operation of the school only if it first 31765
issues to the governing authority notice of the sponsor's intent 31766
to suspend the operation of the contract. Such notice shall 31767
explain the reasons for the sponsor's intent to suspend 31768
operation of the contract and shall provide the school's 31769
governing authority with five business days to submit to the 31770
sponsor a proposal to remedy the conditions cited as reasons for 31771
the suspension. 31772

(2) The sponsor shall promptly review any proposed remedy 31773
timely submitted by the governing authority and either approve 31774
or disapprove the remedy. If the sponsor disapproves the remedy 31775
proposed by the governing authority, if the governing authority 31776
fails to submit a proposed remedy in the manner prescribed by 31777
the sponsor, or if the governing authority fails to implement 31778
the remedy as approved by the sponsor, the sponsor may suspend 31779
operation of the school pursuant to procedures set forth in 31780
division (D) of this section. 31781

(D) (1) If division (B) of this section applies or if the 31782
sponsor of a community school established under this chapter 31783
decides to suspend the operation of a school as permitted in 31784
division (C) (2) of this section, the sponsor shall promptly send 31785
written notice to the governing authority stating that the 31786
operation of the school is immediately suspended, and explaining 31787
the specific reasons for the suspension. The notice shall state 31788
that the governing authority has five business days to submit a 31789
proposed remedy to the conditions cited as reasons for the 31790
suspension or face potential contract termination. 31791

(2) Upon receipt of the notice of suspension prescribed 31792
under division (D) (1) of this section, the governing authority 31793
shall immediately notify the employees of the school and the 31794
parents of the students enrolled in the school of the suspension 31795
and the reasons therefore, and shall cease all school operations 31796
on the next business day. 31797

(E) (1) Beginning with the 2013-2014 school year, if the 31798
sponsor of a community school suspends the operation of that 31799
school pursuant to procedures set forth in this section, the 31800
school's contract with the sponsor under section 3314.03 of the 31801
Revised Code shall become void, if the governing authority of 31802
the school fails to provide a proposal to remedy the conditions 31803
cited by the sponsor as reasons for the suspension, to the 31804
satisfaction of the sponsor, by the thirtieth day of September 31805
of the school year immediately following the school year in 31806
which the operation of school was suspended. 31807

(2) If, prior to ~~the effective date of this amendment~~ 31808
September 29, 2013, the sponsor of a community school has 31809
suspended the operation of the school, the contract with the 31810
sponsor under section 3314.03 of the Revised Code shall become 31811
void if the governing authority of the school fails to provide 31812
by September 30, 2014, a proposal to remedy the conditions cited 31813
by the sponsor as reasons for the suspension, to the 31814
satisfaction of the sponsor. 31815

the school, and private creditors who are owed compensation, and 31823
then any remaining funds shall be paid to the department of 31824
education and workforce for redistribution to the school 31825
districts in which the students who were enrolled in the school 31826
at the time it ceased operation were entitled to attend school 31827
under section 3313.64 or 3313.65 of the Revised Code. The amount 31828
distributed to each school district shall be proportional to the 31829
district's share of the total enrollment in the community 31830
school. For any community school that closes after fiscal year 31831
2021, any remaining funds shall be paid to the department ~~of~~ 31832
~~education~~ and deposited into the state general revenue fund. 31833

(B) If a community school closes and ceases to operate as 31834
a community school and the school has received computer hardware 31835

former eTech Ohio commission, such hardware or software shall be 31837
turned over to the department ~~of education~~, which shall 31838
redistribute the hardware and software, to the extent such 31839
redistribution is possible, to school districts in conformance 31840
with the provisions of the programs as they were operated and 31841
administered by the former eTech Ohio commission. 31842

(C) If the assets of the school are insufficient to pay 31843
all persons or entities to whom compensation is owed, the 31844
prioritization of the distribution of the assets to individual 31845
persons or entities within each class of payees may be 31846
determined by decree of a court in accordance with this section 31847
and Chapter 1702. of the Revised Code. 31848

For purposes of this division:

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later of the date on which the school both has received documentation of the student's enrollment from a parent and the student has commenced participation in learning opportunities as defined in the contract with the sponsor, or thirty days prior to the date on which the student is entered into the education management information system established under section 3301.0714 of the Revised Code. For purposes of applying this division and divisions (H) (3) and (4) of this section to a community school student, "learning opportunities" shall be defined in the contract, which shall describe both classroom-based and non-

classroom-based learning opportunities and shall be in 32029
compliance with criteria and documentation requirements for 32030
student participation which shall be established by the 32031
department. Any student's instruction time in non-classroom- 32032
based learning opportunities shall be certified by an employee 32033
of the community school. A student's enrollment shall be 32034
considered to cease on the date on which any of the following 32035
occur: 32036

(a) The community school receives documentation from a 32037
parent terminating enrollment of the student. 32038

(b) The community school is provided documentation of a 32039
student's enrollment in another public or private school. 32040

(c) The community school ceases to offer learning 32041
opportunities to the student pursuant to the terms of the 32042
contract with the sponsor or the operation of any provision of 32043
this chapter. 32044

Except as otherwise specified in this paragraph, beginning 32045
in the 2011-2012 school year, any student who completed the 32046
prior school year in an internet- or computer-based community 32047
school shall be considered to be enrolled in the same school in 32048
the subsequent school year until the student's enrollment has 32049
ceased as specified in division (H)(2) of this section. The 32050
department shall continue paying amounts for the student under 32051
section 3317.022 of the Revised Code without interruption at the 32052
start of the subsequent school year. However, if the student 32053
without a legitimate excuse fails to participate in the first 32054
seventy-two consecutive hours of learning opportunities offered 32055
to the student in that subsequent school year, the student shall 32056
be considered not to have re-enrolled in the school for that 32057
school year and the department shall recalculate the payments to 32058

the school for that school year to account for the fact that the 32059
student is not enrolled. 32060

(3) The department shall determine each community school 32061
student's percentage of full-time equivalency based on the 32062
percentage of learning opportunities offered by the community 32063
school to that student, reported either as number of hours or 32064
number of days, is of the total learning opportunities offered 32065
by the community school to a student who attends for the 32066
school's entire school year. However, no internet- or computer- 32067
based community school shall be credited for any time a student 32068
spends participating in learning opportunities beyond ten hours 32069
within any period of twenty-four consecutive hours. Whether it 32070
reports hours or days of learning opportunities, each community 32071
school shall offer not less than nine hundred twenty hours of 32072
learning opportunities during the school year. 32073

(4) With respect to the calculation of full-time 32074
equivalency under division (H) (3) of this section, the 32075
department shall waive the number of hours or days of learning 32076
opportunities not offered to a student because the community 32077
school was closed during the school year due to disease 32078
epidemic, hazardous weather conditions, law enforcement 32079
emergencies, inoperability of school buses or other equipment 32080
necessary to the school's operation, damage to a school 32081
building, or other temporary circumstances due to utility 32082
failure rendering the school building unfit for school use, so 32083
long as the school was actually open for instruction with 32084
students in attendance during that school year for not less than 32085
the minimum number of hours required by this chapter. The 32086
department shall treat the school as if it were open for 32087
instruction with students in attendance during the hours or days 32088
waived under this division. 32089

(I) The department of education and workforce shall reduce 32090
the amounts paid under section 3317.022 of the Revised Code to 32091
reflect payments made to colleges under section 3365.07 of the 32092
Revised Code. 32093

(J) (1) No student shall be considered enrolled in any 32094
internet- or computer-based community school or, if applicable 32095
to the student, in any community school that is required to 32096
provide the student with a computer pursuant to division (C) of 32097
section 3314.22 of the Revised Code, unless both of the 32098
following conditions are satisfied: 32099

(a) The student possesses or has been provided with all 32100
required hardware and software materials and all such materials 32101
are operational so that the student is capable of fully 32102
participating in the learning opportunities specified in the 32103
contract between the school and the school's sponsor as required 32104
by division (A) (23) of section 3314.03 of the Revised Code; 32105

(b) The school is in compliance with division (A) of 32106
section 3314.22 of the Revised Code, relative to such student. 32107

(2) In accordance with policies adopted by the 32108
~~superintendent of public instruction~~ department of education and 32109
workforce, in consultation with the auditor of state, the 32110
department shall reduce the amounts otherwise payable under 32111
section 3317.022 of the Revised Code to any community school 32112
that includes in its program the provision of computer hardware 32113
and software materials to any student, if such hardware and 32114
software materials have not been delivered, installed, and 32115
activated for each such student in a timely manner or other 32116
educational materials or services have not been provided 32117
according to the contract between the individual community 32118
school and its sponsor. 32119

The ~~superintendent of public instruction~~ director and the auditor of state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

The ~~superintendent~~ director, auditor of state, and the governor shall jointly make recommendations to the general assembly for legislative changes that may be required to assure fiscal and academic accountability for such schools.

(K) (1) If the department determines that a review of a community school's enrollment is necessary, such review shall be completed and written notice of the findings shall be provided to the governing authority of the community school and its sponsor within ninety days of the end of the community school's fiscal year, unless extended for a period not to exceed thirty additional days for one of the following reasons:

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the ~~state board of education or its designee~~ director.

(b) The ~~board or its designee~~ director shall conduct an

informal hearing on the matter within thirty days of receipt of 32149
such an appeal and shall issue a decision within fifteen days of 32150
the conclusion of the hearing. 32151

~~(c) If the board has enlisted a designee to conduct the 32152
hearing, the designee shall certify its decision to the board. 32153
The board may accept the decision of the designee or may reject 32154
the decision of the designee and issue its own decision on the 32155
matter. 32156~~

~~(d) Any decision made by the ~~board~~ director under this 32157
division is final. 32158~~

(3) If it is decided that the community school owes moneys 32159
to the state, the department shall deduct such amount from the 32160
school's future payments in accordance with guidelines issued by 32161
the ~~superintendent of public instruction~~ director. 32162

(L) The department shall not pay to a community school 32163
under section 3317.022 of the Revised Code any amount for any of 32164
the following: 32165

(1) Any student who has graduated from the twelfth grade 32166
of a public or nonpublic high school; 32167

(2) Any student who is not a resident of the state; 32168

(3) Any student who was enrolled in the community school 32169
during the previous school year when assessments were 32170
administered under section 3301.0711 of the Revised Code but did 32171
not take one or more of the assessments required by that section 32172
and was not excused pursuant to division (C) (1) or (3) of that 32173
section, unless the ~~superintendent of public instruction~~ 32174
director grants the student a waiver from the requirement to 32175
take the assessment and a parent is not paying tuition for the 32176
student pursuant to section 3314.26 of the Revised Code. The 32177

~~superintendent~~ director may grant a waiver only for good cause 32178
in accordance with rules adopted by the ~~state board of education~~ 32179
department. 32180

(4) Any student who has attained the age of twenty-two 32181
years, except for veterans of the armed services whose 32182
attendance was interrupted before completing the recognized 32183
twelve-year course of the public schools by reason of induction 32184
or enlistment in the armed forces and who apply for enrollment 32185
in a community school not later than four years after 32186
termination of war or their honorable discharge. If, however, 32187
any such veteran elects to enroll in special courses organized 32188
for veterans for whom tuition is paid under federal law, or 32189
otherwise, the department shall not pay to a community school 32190
under section 3317.022 of the Revised Code any amount for that 32191
veteran. 32192

Sec. 3314.081. To the extent permitted by federal law, the 32193
department of education and workforce shall include community 32194
schools established under this chapter in its annual allocation 32195
of federal moneys under Title I of the "Elementary and Secondary 32196
Education Act of 1965," 20 U.S.C. 6301, et seq. 32197

Sec. 3314.083. If the department of education and 32198
workforce pays a joint vocational school district under division 32199
(C) (3) of section 3317.16 of the Revised Code for excess costs 32200
of providing special education and related services to a student 32201
with a disability who is enrolled in a community school, as 32202
calculated under division (C) (1) of that section, the department 32203
shall deduct the amount of that payment from the amount 32204
calculated for payment to the community school under section 32205
3317.022 of the Revised Code. 32206

Sec. 3314.087. (A) As used in this section: 32207

(1) "Career-technical program" means career-technical programs or classes described in division (A) (1), (2), (3), (4), or (5) of section 3317.014 of the Revised Code in which a student is enrolled.

(2) "Category one through five career-technical education ADM," and "FTE basis" have the same meanings as in section 3317.02 of the Revised Code.

(3) "Resident school district" means the city, exempted village, or local school district in which a student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(B) Notwithstanding anything to the contrary in this chapter or Chapter 3317. of the Revised Code, a student enrolled in a community school may simultaneously enroll in the career-technical program operated by the career-technical planning district to which the student's resident district belongs. On an FTE basis, the student's resident school district shall count the student in the category one through five career-technical education ADM for the proportion of the time the student is enrolled in a career-technical program of the career-technical planning district to which the student's resident district belongs and, accordingly, the department of education and workforce shall calculate funds under Chapter 3317. of the Revised Code for the resident district attributable to the student for the proportion of time the student attends the career-technical program. The community school shall count the student in its enrollment report under section 3314.08 of the Revised Code and shall report to the department the proportion of time that the student attends classes at the community school. The department shall pay the community school the amount

computed for the student under section 3317.022 of the Revised Code in proportion to the fraction of the time on an FTE basis that the student attends classes at the community school. "Full-time equivalency" for a community school student, as defined in division (H) of section 3314.08 of the Revised Code, does not apply to the student.

Sec. 3314.091. (A) A school district is not required to provide transportation for any native student enrolled in a community school if the district board of education has entered into an agreement with the community school's governing authority that designates the community school as responsible for providing or arranging for the transportation of the district's native students to and from the community school. For any such agreement to be effective, it must be certified by the superintendent of public instruction director of education and workforce as having met all of the following requirements:

(1) It is submitted to the department of education and workforce by a deadline which shall be established by the department.

(2) In accordance with divisions (C) (1) and (2) of this section, it specifies qualifications, such as residing a minimum distance from the school, for students to have their transportation provided or arranged.

(3) The transportation provided by the community school is subject to all provisions of the Revised Code and all rules adopted under the Revised Code pertaining to pupil transportation.

(4) The sponsor of the community school also has signed the agreement.

(B) (1) For the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school, if the community school during the previous school year transported the students enrolled in the school or arranged for the students' transportation, even if that arrangement consisted of having parents transport their children to and from the school, but did not enter into an agreement to transport or arrange for transportation for those students under division (A) of this section, and if the governing authority of the community school by July 15, 2007, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school.

(2) Except as provided in division (B) (4) of this section, for any school year subsequent to the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school if the governing authority of the community school, by the first day of August, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school. If the governing authority of the community school has previously accepted responsibility for providing or arranging for the transportation of a district's native students to and from the community school, under division (B) (1) or (2) of this section, and has since relinquished that responsibility under division (B) (3) of this section, the governing authority shall not accept that responsibility again unless the district

board consents to the governing authority's acceptance of that responsibility. 32298
32299

(3) A governing authority's acceptance of responsibility 32300
under division (B) (1) or (2) of this section shall cover an 32301
entire school year, and shall remain in effect for subsequent 32302
school years unless the governing authority submits written 32303
notification to the district board that the governing authority 32304
is relinquishing the responsibility. However, a governing 32305
authority shall not relinquish responsibility for transportation 32306
before the end of a school year, and shall submit the notice 32307
relinquishing responsibility by the thirty-first day of January, 32308
in order to allow the school district reasonable time to prepare 32309
transportation for its native students enrolled in the school. 32310

(4) (a) For any school year that begins on or after July 1, 32311
2014, a school district is not required to provide 32312
transportation for any native student enrolled in a community 32313
school scheduled to open for operation in the current school 32314
year, if the governing authority of the community school, by the 32315
fifteenth day of April of the previous school year, submits 32316
written notification to the district board of education stating 32317
that the governing authority is accepting responsibility for 32318
providing or arranging for the transportation of the district's 32319
native students to and from the community school. 32320

(b) The governing authority of a community school that 32321
accepts responsibility for transporting its students under 32322
division (B) (4) (a) of this section shall comply with divisions 32323
(B) (2) and (3) of this section to renew or relinquish that 32324
authority for subsequent school years. 32325

(C) (1) A community school governing authority that enters 32326
into an agreement under division (A) of this section, or that 32327

accepts responsibility under division (B) of this section, shall 32328
provide or arrange transportation free of any charge for each of 32329
its enrolled students who is required to be transported under 32330
section 3327.01 of the Revised Code. The governing authority 32331
shall report to the department of education and workforce the 32332
number of students transported or for whom transportation is 32333
arranged under this section in accordance with rules adopted by 32334
~~the state board of education~~ department. 32335

(2) The governing authority may provide or arrange 32336
transportation for any other enrolled student who is not 32337
eligible for transportation in accordance with division (C) (1) 32338
of this section and may charge a fee for such service up to the 32339
actual cost of the service. 32340

(3) Notwithstanding anything to the contrary in division 32341
(C) (1) or (2) of this section, a community school governing 32342
authority shall provide or arrange transportation free of any 32343
charge for any disabled student enrolled in the school for whom 32344
the student's individualized education program developed under 32345
Chapter 3323. of the Revised Code specifies transportation. 32346

(D) A community school shall use payments received under 32347
division (H) of section 3317.0212 of the Revised Code solely to 32348
pay the costs of providing or arranging for the transportation 32349
of students who are eligible as specified in section 3327.01 of 32350
the Revised Code and division (C) (1) of this section, which may 32351
include payments to a parent, guardian, or other person in 32352
charge of a child in lieu of transportation. 32353

(E) Except when arranged through payment to a parent, 32354
guardian, or person in charge of a child, transportation 32355
provided or arranged for by a community school pursuant to an 32356
agreement under this section is subject to all provisions of the 32357

Revised Code, and all rules adopted under the Revised Code, 32358
pertaining to the construction, design, equipment, and operation 32359
of school buses and other vehicles transporting students to and 32360
from school. The drivers and mechanics of the vehicles are 32361
subject to all provisions of the Revised Code, and all rules 32362
adopted under the Revised Code, pertaining to drivers and 32363
mechanics of such vehicles. The community school also shall 32364
comply with sections 3313.201, 3327.09, and 3327.10 of the 32365
Revised Code, division (B) of section 3327.16 of the Revised 32366
Code and, subject to division (C) (1) of this section, sections 32367
3327.01 and 3327.02 of the Revised Code, as if it were a school 32368
district. 32369

Sec. 3314.10. (A) (1) The governing authority of any 32370
community school established under this chapter may employ 32371
teachers and nonteaching employees necessary to carry out its 32372
mission and fulfill its contract. 32373

(2) Except as provided under division (A) (3) of this 32374
section, employees hired under this section may organize and 32375
collectively bargain pursuant to Chapter 4117. of the Revised 32376
Code. Notwithstanding division (D) (1) of section 4117.06 of the 32377
Revised Code, a unit containing teaching and nonteaching 32378
employees employed under this section shall be considered an 32379
appropriate unit. Except as provided in divisions (B) (2) (b) and 32380
(c) of section 3307.01 of the Revised Code and in section 32381
3309.013 of the Revised Code, employment under this section is 32382
subject to either Chapter 3307. or 3309. of the Revised Code. 32383

(3) If a school is created by converting all or part of an 32384
existing public school rather than by establishment of a new 32385
start-up school, at the time of conversion, the employees of the 32386
community school shall remain part of any collective bargaining 32387

unit in which they were included immediately prior to the 32388
conversion and shall remain subject to any collective bargaining 32389
agreement for that unit in effect on the first day of July of 32390
the year in which the community school initially begins 32391
operation and shall be subject to any subsequent collective 32392
bargaining agreement for that unit, unless a petition is 32393
certified as sufficient under division (A) (6) of this section 32394
with regard to those employees. Any new employees of the 32395
community school shall also be included in the unit to which 32396
they would have been assigned had not the conversion taken place 32397
and shall be subject to the collective bargaining agreement for 32398
that unit unless a petition is certified as sufficient under 32399
division (A) (6) of this section with regard to those employees. 32400

Notwithstanding division (B) of section 4117.01 of the 32401
Revised Code, the board of education of a school district and 32402
not the governing authority of a community school shall be 32403
regarded, for purposes of Chapter 4117. of the Revised Code, as 32404
the "public employer" of the employees of a conversion community 32405
school subject to a collective bargaining agreement pursuant to 32406
division (A) (3) of this section unless a petition is certified 32407
under division (A) (6) of this section with regard to those 32408
employees. Only on and after the effective date of a petition 32409
certified as sufficient under division (A) (6) of this section 32410
shall division (A) (2) of this section apply to those employees 32411
of that community school and only on and after the effective 32412
date of that petition shall Chapter 4117. of the Revised Code 32413
apply to the governing authority of that community school with 32414
regard to those employees. 32415

(4) Notwithstanding sections 4117.03 to 4117.18 of the 32416
Revised Code and Section 4 of Amended Substitute Senate Bill No. 32417
133 of the 115th general assembly, the employees of a conversion 32418

community school who are subject to a collective bargaining 32419
agreement pursuant to division (A) (3) of this section shall 32420
cease to be subject to that agreement and all subsequent 32421
agreements pursuant to that division and shall cease to be part 32422
of the collective bargaining unit that is subject to that and 32423
all subsequent agreements, if a majority of the employees of 32424
that community school who are subject to that collective 32425
bargaining agreement sign and submit to the state employment 32426
relations board a petition requesting all of the following: 32427

(a) That all the employees of the community school who are 32428
subject to that agreement be removed from the bargaining unit 32429
that is subject to that agreement and be designated by the state 32430
employment relations board as a new and separate bargaining unit 32431
for purposes of Chapter 4117. of the Revised Code; 32432

(b) That the employee organization certified as the 32433
exclusive representative of the employees of the bargaining unit 32434
from which the employees are to be removed be certified as the 32435
exclusive representative of the new and separate bargaining unit 32436
for purposes of Chapter 4117. of the Revised Code; 32437

(c) That the governing authority of the community school 32438
be regarded as the "public employer" of these employees for 32439
purposes of Chapter 4117. of the Revised Code. 32440

(5) Notwithstanding sections 4117.03 to 4117.18 of the 32441
Revised Code and Section 4 of Amended Substitute Senate Bill No. 32442
133 of the 115th general assembly, the employees of a conversion 32443
community school who are subject to a collective bargaining 32444
agreement pursuant to division (A) (3) of this section shall 32445
cease to be subject to that agreement and all subsequent 32446
agreements pursuant to that division, shall cease to be part of 32447
the collective bargaining unit that is subject to that and all 32448

subsequent agreements, and shall cease to be represented by any
exclusive representative of that collective bargaining unit, if
a majority of the employees of the community school who are
subject to that collective bargaining agreement sign and submit
to the state employment relations board a petition requesting
all of the following:

(a) That all the employees of the community school who are
subject to that agreement be removed from the bargaining unit
that is subject to that agreement;

(b) That any employee organization certified as the
exclusive representative of the employees of that bargaining
unit be decertified as the exclusive representative of the
employees of the community school who are subject to that
agreement;

(c) That the governing authority of the community school
be regarded as the "public employer" of these employees for
purposes of Chapter 4117. of the Revised Code.

(6) Upon receipt of a petition under division (A) (4) or
(5) of this section, the state employment relations board shall
check the sufficiency of the signatures on the petition. If the
signatures are found sufficient, the board shall certify the
sufficiency of the petition and so notify the parties involved,
including the board of education, the governing authority of the
community school, and any exclusive representative of the
bargaining unit. The changes requested in a certified petition
shall take effect on the first day of the month immediately
following the date on which the sufficiency of the petition is
certified under division (A) (6) of this section.

(B) (1) The board of education of each city, local, and

exempted village school district sponsoring a community school 32478
and the governing board of each educational service center in 32479
which a community school is located shall adopt a policy that 32480
provides a leave of absence of at least three years to each 32481
teacher or nonteaching employee of the district or service 32482
center who is employed by a conversion or new start-up community 32483
school sponsored by the district or located in the district or 32484
center for the period during which the teacher or employee is 32485
continuously employed by the community school. The policy shall 32486
also provide that any teacher or nonteaching employee may return 32487
to employment by the district or service center if the teacher 32488
or employee leaves or is discharged from employment with the 32489
community school for any reason, unless, in the case of a 32490

by the date prescribed in the contract entered into under 32963

Sec. 3314.21. (A) As used in this section: 33005

construed by the supreme court of this state. 33010

(3) "Teacher of record" means a teacher who is responsible 33011
for the overall academic development and achievement of a 33012
student and not merely the student's instruction in any single 33013
subject. 33014

(B) (1) It is the intent of the general assembly that 33015
teachers employed by internet- or computer-based community 33016
schools conduct visits with their students in person throughout 33017
the school year. 33018

(2) Each internet- or computer-based community school 33019
shall retain an affiliation with at least one full-time teacher 33020
of record licensed in accordance with division (A) (10) of 33021
section 3314.03 of the Revised Code. 33022

(1) A requirement that the school use a filtering device 33033
or install filtering software that protects against internet 33034
access to materials that are obscene or harmful to juveniles on 33035
each computer provided to students for instructional use. The 33036
school shall provide such device or software at no cost to any 33037
student who works primarily from the student's residence on a 33038
computer obtained from a source other than the school. 33039

(2) A plan for fulfilling the intent of the general 33040
assembly specified in division (B)(1) of this section. The plan 33041
shall indicate the number of times teachers will visit each 33042
student throughout the school year and the manner in which those 33043
visits will be conducted. 33044

(3) That the school will set up a central base of 33045

(D)(1) Annually, each internet- or computer-based 33049
community school shall prepare and submit to the department of 33050

(c) The number of student-teacher meetings conducted in 33056

Sec. 3314.22. (A) (1) Each child enrolled in an internet- 33063
or computer-based community school is entitled to a computer 33064
supplied by the school; however, the parent of any child 33065
enrolled in the school may waive this entitlement in the manner 33066
specified in division (A)(3) of this section. In no case shall 33067
an internet- or computer-based community school provide a 33068
stipend or other substitute to an enrolled child or the child's 33069
parent in lieu of supplying a computer to the child. The 33070
prohibition contained in the preceding sentence is intended to 33071
clarify the meaning of this division as it existed prior to 33072
September 29, 2005, and is not intended to change that meaning 33073
in any way. 33074

(2) Notwithstanding division (A)(1) of this section, if 33075
more than one child living in a single residence is enrolled in 33076
an internet- or computer-based community school, at the option 33077
of the parent of those children, the school may supply less than 33078
one computer per child, as long as at least one computer is 33079
supplied to the residence. An internet- or computer-based 33080
community school may supply no computer at all only if the 33081
parent has waived the entitlement prescribed in division (A)(1) 33082
of this section in the manner specified in division (A)(3) of 33083
this section. The parent may amend the decision to accept less 33084
than one computer per child anytime during the school year, and, 33085
in such case, within thirty days after the parent notifies the 33086
school of such amendment, the school shall provide any 33087

additional computers requested by the parent up to the number 33088
necessary to comply with division (A) (1) of this section. 33089

(3) The parent of any child enrolled in an internet- or 33090
computer-based community school may waive the entitlement to one 33091
computer per child, and have no computer at all supplied by the 33092
school, if the school and parent set forth that waiver in 33093
writing with both parties attesting that there is a computer 33094
available to the child in the child's residence with sufficient 33095
hardware, software, programming, and connectivity so that the 33096
child may fully participate in all of the learning opportunities 33097
offered to the child by the school. The parent may amend the 33098
decision to waive the entitlement at any time during the school 33099
year and, in such case, within thirty days after the parent 33100
notifies the school of that decision, the school shall provide 33101
any additional computers requested by the parent up to the 33102
number necessary to comply with division (A) (1) of this section, 33103
regardless of whether there is any change in the conditions 33104
attested to in the waiver. 33105

(4) A copy of a waiver executed under division (A) (3) of 33106
this section shall be retained by the internet- or computer- 33107
based community school and the parent who attested to the 33108
conditions prescribed in that division. The school shall submit 33109
a copy of the waiver to the department of education and 33110
workforce immediately upon execution of the waiver. 33111

(5) The school shall notify the ~~department of education,~~ 33112
in the manner specified by the department, of any parent's 33113
decision under division (A) (2) of this section to accept less 33114
than one computer per child or the parent's amendment to that 33115
decision, and of any parent's decision to amend the waiver 33116
executed under division (A) (3) of this section. 33117

(B) Each internet- or computer-based community school 33118
shall provide to each parent who is considering enrolling the 33119
parent's child in the school and to the parent of each child 33120
already enrolled in the school a written notice of the 33121
provisions prescribed in division (A) of this section. 33122

(C) If a community school that is not an internet- or 33123
computer-based community school provides any of its enrolled 33124
students with nonclassroom-based learning opportunities provided 33125
via an internet- or other computer-based instructional method 33126
and requires such students to participate in any of those 33127
learning opportunities from their residences, the school shall 33128
be subject to this section and division (C) (1) of section 33129
3314.21 of the Revised Code relative to each such student in the 33130
same manner as an internet- or computer-based community school, 33131
unless both of the following conditions apply to the student: 33132

(1) The nonclassroom-based learning opportunities in which 33133
the student is required to participate from the student's 33134
residence are supplemental in nature or do not constitute a 33135
significant portion of the total classroom-based and 33136
nonclassroom-based learning opportunities provided to the 33137
student by the school; 33138

(2) The student's residence is equipped with a computer 33139
available for the student's use. 33140

Sec. 3314.232. ~~The superintendent of public instruction-~~ 33141
department of education and workforce shall establish by rule 33142
adopted in accordance with Chapter 119. of the Revised Code 33143
standards for learning management software to be used by 33144
internet- and computer-based community schools. 33145

Sec. 3314.24. (A) On or after July 1, 2004, no internet- 33146

or computer-based community school shall enter into a contract 33147
with a nonpublic school to use or rent any facility space at the 33148
nonpublic school for the provision of instructional services to 33149
students enrolled in the internet- or computer-based community 33150
school. 33151

(B) If an internet- or computer-based community school has 33152
a contract with a nonpublic school as described in division (A) 33153
of this section, the department of education and workforce shall 33154
not make any payments under section 3317.022 of the Revised Code 33155
to the internet- or computer-based community school for any 33156
student who is enrolled in the internet- or computer-based 33157
community school and receives any instructional services from 33158
the internet- or computer-based community school at the 33159
nonpublic school. 33160

Sec. 3314.26. (A) Each internet- or computer-based 33161
community school shall withdraw from the school any student who, 33162
for two consecutive school years of enrollment in the school, 33163
has failed to participate in the spring administration of any 33164
assessment prescribed under section 3301.0710 or 3301.0712 of 33165
the Revised Code for the student's grade level and was not 33166
excused from the assessment pursuant to division (C) (1) or (3) 33167
of section 3301.0711 of the Revised Code, regardless of whether 33168
a waiver was granted for the student under division (L) (3) of 33169
section 3314.08 of the Revised Code. The school shall report any 33170
such student's data verification code, as assigned pursuant to 33171
section 3301.0714 of the Revised Code, to the department of 33172
education and workforce. The department shall maintain a list of 33173
all data verification codes reported under this division and 33174
section 3313.6410 of the Revised Code and provide that list to 33175
each internet- or computer-based community school and to each 33176
school to which section 3313.6410 of the Revised Code applies. 33177

(B) No internet- or computer-based community school shall 33178
receive any state funds under this chapter for any enrolled 33179
student whose data verification code appears on the list 33180
maintained by the department under division (A) of this section. 33181

Notwithstanding any provision of the Revised Code to the 33182
contrary, the parent of any such student shall pay tuition to 33183
the internet- or computer-based community school in an amount 33184
equal to the state funds the school otherwise would receive for 33185
that student, as determined by the department. An internet- or 33186
computer-based community school may withdraw any student for 33187
whom the parent does not pay tuition as required by this 33188
division. 33189

Sec. 3314.27. No student enrolled in an internet- or 33190
computer-based community school may participate in more than ten 33191
hours of learning opportunities in any period of twenty-four 33192
consecutive hours. Any time such a student participates in 33193
learning opportunities beyond the limit prescribed in this 33194
section shall not count toward the annual minimum number of 33195
hours required to be provided to that student as prescribed in 33196
division (A)(11)(a) of section 3314.03 of the Revised Code. If 33197
any internet- or computer-based community school requires its 33198
students to participate in learning opportunities on the basis 33199
of days rather than hours, one day shall consist of a minimum of 33200
five hours of such participation. 33201

Each internet- or computer-based community school shall 33202
keep an accurate record of each individual student's 33203
participation in learning opportunities each day. The record 33204
shall be kept in such a manner that the information contained 33205
within it easily can be submitted to the department of education 33206
and workforce, upon request by the department or the auditor of 33207

state. 33208

Sec. 3314.271. (A) Each internet- or computer-based 33209
community school shall offer a student orientation course and 33210
shall notify each student who enrolls in that school of that 33211
student's opportunity to participate in the student orientation 33212
course. 33213

(B) The department of education and workforce shall 33214
provide guidance to internet- or computer-based community 33215
schools for developing and delivering the orientation course. 33216

(C) Each internet- or computer-based community school may, 33217
at the time of a particular student's enrollment in that school, 33218
ask the student's parent or guardian to estimate the length of 33219
time the student will attend the school. Any information 33220
collected pursuant to this division shall be included in an 33221
aggregated format in the school's annual report required by 33222
division (A) (11) (g) of section 3314.03 of the Revised Code. 33223

(D) Each internet- or computer-based community school, on 33224
a periodic basis throughout each school year, shall communicate 33225
with each student's parent, guardian, or custodian regarding the 33226
performance and progress of that student. Each internet- or 33227
computer-based community school also shall provide opportunities 33228
for parent-teacher conferences, shall document the school's 33229
requests for such conferences, and may permit students to 33230
participate in the conferences. Parent-teacher conferences may 33231
be conducted through electronic means. 33232

Sec. 3314.28. (A) Each internet- or computer-based 33233
community school established under this chapter shall submit to 33234
the school's sponsor a plan for providing special education and 33235
related services to disabled students enrolled in the school in 33236

(1) If the school was established prior to ~~the effective date of this section~~ June 30, 2005, the plan shall be submitted to the sponsor on or before September 1, 2005, and on or before the first day of September in each year thereafter that the school is in operation. 33238
33239
33240
33241
33242

(2) If the school is established after ~~the effective date of this section~~ June 30, 2005, the plan shall be submitted to the sponsor prior to the school's receipt of its first payment under this chapter and on or before the first day of September in each year thereafter that the school is in operation. 33243
33244
33245
33246
33247

(B) Within thirty days after receiving the plan prescribed in division (A) of this section, the sponsor of each internet- or computer-based community school shall certify all of the following to the department of education and workforce: 33248
33249
33250

(4) The sponsor's assurance that it will take any necessary corrective action to ensure that the school's plan is properly and fully implemented. 33260
33261
33262

(C) The department shall develop guidelines for the content and format of the plan required under this section. 33263
33264

computer-based community school that meets all of the following 33266
conditions: 33267

(1) Serves all of grades kindergarten through twelve; 33268

(2) Has an enrollment of at least two thousand students; 33269

(3) Has a sponsor that was not rated ineffective or poor 33270
on its most recent evaluation under section 3314.016 of the 33271
Revised Code. 33272

(B) Beginning with the 2018-2019 school year, the 33273
governing authority of a community school to which this section 33274
applies may adopt a resolution to divide the school into two or 33275
three separate schools as follows: 33276

Following approval of the resolution by the sponsor, and by the 33286
fifteenth day of March prior to the school year in which it will 33287
take effect, the governing authority shall file the resolution 33288
with the department of education and workforce. The division of 33289
the schools shall be effective on the first day of July 33290
succeeding the date the resolution is filed with the department. 33291

(D) All of the following shall apply to each new school 33292

created as a result of the resolution authorized by this section 33293
and to the school that is divided as a result of the resolution: 33294

(1) Each school shall have the same governing authority. 33295

number to each other school resulting from the division. 33320

Notwithstanding division (B) of section 3314.012 of the Revised Code, the ratings a school receives on its report card for the first two full school years after the division under this section shall count toward closure of the school under section 3314.35 of the Revised Code and any other matter that is based on report card ratings or measures.

competency-based educational program, as defined in section 33612
3317.23 of the Revised Code, that complies with the standards 33613
adopted by the department of education and workforce under 33614
section 3317.231 of the Revised Code. The community school shall 33615
report that individual's enrollment on a full-time equivalency 33616

Revised Code. An individual enrolled under this division shall 33619
not be assigned to classes or settings with students who are 33620

shall certify the enrollment and attendance, on a full-time 33624
equivalency basis, of each individual reported by the school 33625
under that division. 33626

(2) For each individual enrolled in a community school 33627
under division (A) of this section, the department annually 33628
shall pay the community school up to \$5,000, as determined by 33629

Sec. 3314.50. No community school shall initiate 33638
operation, on or after the effective date of this amendment, 33639

unless the governing authority of the school has posted a bond 33640
in the amount of fifty thousand dollars with the auditor of 33641
state. The bond shall be used, in the event the school closes, 33642
to pay the auditor of state any moneys owed or that become owed 33643
by the school for the costs of audits conducted by the auditor 33644
of state or a public accountant under Chapter 117. of the 33645
Revised Code. 33646

The department of education and workforce shall notify the 33647
auditor of state of the proposed initiation of operations of any 33648
community school and shall provide the auditor of state with the 33649
certification of the sponsor of the community school of the 33650
compliance by the community school with all legal preconditions 33651
to the initiation of its operations, including compliance with 33652
this section. 33653

In lieu of the bond, the governing authority of the 33654
school, the school's sponsor, or an operator that has a contract 33655
with the school may deposit with the auditor of state cash in 33656
the amount of fifty thousand dollars as guarantee of payment 33657
under the provisions of this section. In lieu of a bond or a 33658
cash deposit, the school's sponsor or an operator that has a 33659
contract with the school may provide a written guarantee of 33660
payment, which shall obligate the school's sponsor or the 33661
operator that provides the written guarantee to pay the cost of 33662
audits of the school under this section up to the amount of 33663
fifty thousand dollars. Any such written guarantee shall be 33664
binding upon any successor entity that enters into a contract to 33665
sponsor or to operate the school, and any such entity, as a 33666
condition of its undertaking shall acknowledge and accept such 33667
obligation. 33668

In the event that a sponsor or operator has provided a 33669

written guarantee under this section, and, subsequent to the 33670
provision of the guarantee, the governing authority of the 33671
school posts a bond under this section, or the governing 33672
authority of the school, a sponsor, or an operator provides a 33673
cash deposit of fifty thousand dollars as required, the written 33674
guarantee shall cease to be of further effect. 33675

As soon as it is practicable to do so after the filing of 33676
a bond or the deposit of cash, the auditor of state shall 33677
deliver the bond or cash to the treasurer of state, who shall 33678
hold it in trust for the purposes prescribed in this section. 33679
The treasurer of state shall be responsible for the safekeeping 33680
of all bonds filed or cash deposited under this section. The 33681
auditor of state shall notify the ~~department of education~~ when 33682
the school's governing authority has filed the bond, deposited 33683
the cash guarantee, or submitted a written guarantee of payment. 33684

When the auditor of state conducts an audit of a community 33685
school that has closed and is subject to the requirements of 33686
this section, the auditor of state shall certify the amount of 33687
forfeiture to the treasurer of state, who shall assess the bond 33688
for the costs of the audit or shall pay money from the named 33689
insurer or from the school's cash deposit for the costs of the 33690
audit to reimburse the auditor of state or public accountant for 33691
costs incurred in conducting audits of the school. 33692

To the extent that the amount of the bond or the cash 33693
deposit is not needed to cover audit costs, the bond shall be of 33694
no further effect, and any cash balance shall be refunded by the 33695
treasurer of state to the entity which provided the bond. When 33696
the auditor of state conducts an audit of a community school 33697
that has closed and is subject to the requirements of this 33698
section, and, as to which, a written guarantee has been given 33699

under this section, the entity that provided the guarantee shall 33700
be solely and fully liable for any such audit costs, and shall 33701
promptly pay the costs of the audit up to fifty thousand 33702
dollars. 33703

No community school that is subject to the provisions of 33704
this section shall maintain or continue its operations absent 33705
the ongoing provision of a bond, a cash deposit, or a written 33706
guarantee as required by this section. 33707

Sec. 3314.51. (A) If the auditor of state or a public 33708
accountant, under section 117.41 of the Revised Code, declares a 33709
community school to be unauditabile, the auditor of state shall 33710
provide written notification of that declaration to the school, 33711
the school's sponsor, and the department of education and 33712
workforce. The auditor of state also shall post the notification 33713
on the auditor of state's web site. 33714

(B) If the community school's current fiscal officer held 33715
that position during the period for which the school is 33716
unauditabile, upon receipt of the notification under division (A) 33717
of this section, the governing authority of the school shall 33718
suspend the fiscal officer until the auditor of state or a 33719
public accountant has completed an audit of the school, except 33720
that if the school has an operator and the operator employs the 33721
fiscal officer, the operator shall suspend the fiscal officer 33722
for that period. Suspension of the fiscal officer may be with or 33723
without pay, as determined by the entity imposing the suspension 33724
based on the circumstances that prompted the auditor of state's 33725
declaration. The entity imposing the suspension shall appoint a 33726
person to assume the duties of the fiscal officer during the 33727
period of the suspension. If the appointee is not licensed as a 33728
treasurer under section 3301.074 of the Revised Code, the 33729

appointee shall be approved by the ~~superintendent of public~~ 33730
~~instruction director of education and workforce~~ before assuming 33731
the duties of the fiscal officer. The state board of education 33732
may take action under section 3319.31 of the Revised Code to 33733
suspend, revoke, or limit the license of a fiscal officer who 33734
has been suspended under this division. 33735

(C) Notwithstanding any provision to the contrary in this 33736
chapter or in any other provision of law, the sponsor of the 33737
community school shall not enter into contracts with any 33738
additional community schools under section 3314.03 of the 33739
Revised Code between ninety days after the date of the 33740
declaration under division (A) of this section and the date the 33741
auditor of state or a public accountant has completed a 33742
financial audit of the school. 33743

(D) Not later than forty-five days after receiving the 33744
notification under division (A) of this section, the sponsor of 33745
the community school shall provide a written response to the 33746
auditor of state. The sponsor shall provide a copy of the 33747
response to the community school. The response shall include the 33748
following: 33749

(1) An overview of the process the sponsor will use to 33750
review and understand the circumstances that led to the 33751
community school becoming unauditable; 33752

(2) A plan for providing the auditor of state with the 33753
documentation necessary to complete an audit of the community 33754
school and for ensuring that all financial documents are 33755
available in the future; 33756

(3) The actions the sponsor will take to ensure that the 33757
plan described in division (D) (2) of this section is 33758

implemented. 33759

(E) If the community school fails to make reasonable 33760
efforts and continuing progress to bring its accounts, records, 33761
files, or reports into an auditable condition within ninety days 33762
after being declared unauditale, the auditor of state, in 33763
addition to requesting legal action under sections 117.41 and 33764
117.42 of the Revised Code, shall notify the school's sponsor 33765
and the department of the school's failure. If the auditor of 33766
state or a public accountant subsequently is able to complete a 33767
financial audit of the school, the auditor of state shall notify 33768
the school's sponsor and the department that the audit has been 33769
completed. 33770

(F) Notwithstanding any provision to the contrary in this 33771
chapter or in any other provision of law, upon notification by 33772
the auditor of state under division (E) of this section that the 33773
community school has failed to make reasonable efforts and 33774
continuing progress to bring its accounts, records, files, or 33775
reports into an auditable condition, the department shall 33776
immediately cease all payments to the school under this chapter 33777
and any other provision of law. Upon subsequent notification 33778
from the auditor of state under that division that the auditor 33779
of state or a public accountant was able to complete a financial 33780
audit of the community school, the department shall release all 33781
funds withheld from the school under this section. 33782

Sec. 3315.18. (A) The board of education of each city, 33783
exempted village, local, and joint vocational school district 33784
shall establish a capital and maintenance fund. Each board 33785
annually shall deposit into that fund an amount derived from 33786
revenues received by the district that would otherwise have been 33787
deposited in the general fund that is equal to three per cent of 33788

the statewide average base cost per pupil for the preceding 33789
fiscal year, as defined in section 3317.02 of the Revised Code, 33790
or another percentage if established by the auditor of state 33791
under division (B) of this section, multiplied by the district's 33792
student population for the preceding fiscal year, except that 33793
money received from a permanent improvement levy authorized by 33794
section 5705.21 of the Revised Code may replace general revenue 33795
moneys in meeting the requirements of this section. Money in the 33796
fund shall be used solely for acquisition, replacement, 33797
enhancement, maintenance, or repair of permanent improvements, 33798
as that term is defined in section 5705.01 of the Revised Code. 33799
Any money in the fund that is not used in any fiscal year shall 33800
carry forward to the next fiscal year. 33801

(B) ~~The state superintendent of public instruction~~ 33802
director of education and workforce and the auditor of state 33803
jointly shall adopt rules in accordance with Chapter 119. of the 33804
Revised Code defining what constitutes expenditures permitted by 33805
division (A) of this section. The auditor of state may designate 33806
a percentage, other than three per cent, of the statewide 33807
average base cost per pupil multiplied by the district's student 33808
population that must be deposited into the fund. 33809

(C) Within its capital and maintenance fund, a school 33810
district board of education may establish a separate account 33811
solely for the purpose of depositing funds transferred from the 33812
district's reserve balance account established under former 33813
division (H) of section 5705.29 of the Revised Code. After April 33814
10, 2001, a board may deposit all or part of the funds formerly 33815
included in such reserve balance account in the separate account 33816
established under this section. Funds deposited in this separate 33817
account and interest on such funds shall be utilized solely for 33818
the purpose of providing the district's portion of the basic 33819

project costs of any project undertaken in accordance with 33820
Chapter 3318. of the Revised Code. 33821

(D) (1) Notwithstanding division (A) of this section, in 33822
any year a district is in fiscal emergency status as declared 33823
pursuant to section 3316.03 of the Revised Code, the district 33824
may deposit an amount less than required by division (A) of this 33825
section, or make no deposit, into the district capital and 33826
maintenance fund for that year. 33827

(2) Notwithstanding division (A) of this section, in any 33828
fiscal year that a school district is either in fiscal watch 33829
status, as declared pursuant to section 3316.03 of the Revised 33830
Code, or in fiscal caution status, as declared pursuant to 33831
section 3316.031 of the Revised Code, the district may apply to 33832
the ~~superintendent of public instruction~~ director of education 33833
and workforce for a waiver from the requirements of division (A) 33834
of this section, under which the district may be permitted to 33835
deposit an amount less than required by that division or 33836
permitted to make no deposit into the district capital and 33837
maintenance fund for that year. The ~~superintendent~~ director may 33838
grant a waiver under division (D) (2) of this section if the 33839
district demonstrates to the satisfaction of the ~~superintendent~~ 33840
director that compliance with division (A) of this section that 33841
year will create an undue financial hardship on the district. 33842

(3) Notwithstanding division (A) of this section, not more 33843
often than one fiscal year in every three consecutive fiscal 33844
years, any school district that does not satisfy the conditions 33845
for the exemption described in division (D) (1) of this section 33846
or the conditions to apply for the waiver described in division 33847
(D) (2) of this section may apply to the ~~superintendent of public~~ 33848
~~instruction~~ director for a waiver from the requirements of 33849

division (A) of this section, under which the district may be 33850
permitted to deposit an amount less than required by that 33851
division or permitted to make no deposit into the district 33852
capital and maintenance fund for that year. The ~~superintendent-~~ 33853
director may grant a waiver under division (D)(3) of this 33854
section if the district demonstrates to the satisfaction of the 33855
~~superintendent-~~director that compliance with division (A) of 33856
this section that year will necessitate the reduction or 33857
elimination of a program currently offered by the district that 33858
is critical to the academic success of students of the district 33859
and that no reasonable alternatives exist for spending 33860
reductions in other areas of operation within the district that 33861
negate the necessity of the reduction or elimination of that 33862
program. 33863

(E) Notwithstanding any provision to the contrary in 33864
Chapter 4117. of the Revised Code, the requirements of this 33865
section prevail over any conflicting provisions of agreements 33866
between employee organizations and public employers entered into 33867
after November 21, 1997. 33868

(F) As used in this section, "student population" means 33869
the average, daily, full-time equivalent number of students in 33870
kindergarten through twelfth grade receiving any educational 33871
services from the school district during the first full school 33872
week in October, excluding students enrolled in adult education 33873
classes, but including all of the following: 33874

(1) Adjacent or other district students enrolled in the 33875
district under an open enrollment policy pursuant to section 33876
3313.98 of the Revised Code; 33877

(2) Students receiving services in the district pursuant 33878
to a compact, cooperative education agreement, or a contract, 33879

but who are entitled to attend school in another district 33880
pursuant to section 3313.64 or 3313.65 of the Revised Code; 33881

(3) Students for whom tuition is payable pursuant to 33882
sections 3317.081 and 3323.141 of the Revised Code. 33883

The department of education and workforce shall determine 33884
a district's student population using data reported to it under 33885
section 3317.03 of the Revised Code for the applicable fiscal 33886
year. 33887

Sec. 3315.181. As used in this section, "securities" has 33888
the same meaning as in section 133.01 of the Revised Code. 33889

Notwithstanding division (A) of section 3315.18 of the 33890
Revised Code, the board of education of a city, exempted 33891
village, local, or joint vocational school district, in meeting 33892
the amount required by that division to be deposited in the 33893
district's capital and maintenance fund, may replace general 33894
fund revenues with proceeds received from a permanent 33895
improvement levy authorized by section 5705.21 of the Revised 33896
Code only to the extent the proceeds are available to be used 33897
for the acquisition, replacement, enhancement, maintenance, or 33898
repair of permanent improvements as defined in section 5705.01 33899
of the Revised Code. In addition, the board may replace general 33900
fund revenues with proceeds received from any of the following 33901
sources in meeting the amount required by that division to be 33902
deposited in the fund: 33903

(A) Proceeds received from any securities whose use is 33904
limited to the acquisition, replacement, enhancement, 33905
maintenance, or repair of permanent improvements; 33906

(B) Insurance proceeds received as a result of the damage 33907
to or theft or destruction of a permanent improvement to the 33908

extent a board of education places the proceeds in a separate 33909
fund for the acquisition, replacement, enhancement, maintenance, 33910
or repair of permanent improvements; 33911

(C) Proceeds received from the sale of a permanent 33912
improvement to the extent the proceeds are paid into a separate 33913
fund for the construction or acquisition of permanent 33914
improvements; 33915

(D) Proceeds received from a tax levy authorized by 33916
section 3318.06 of the Revised Code to the extent the proceeds 33917
are available to be used for the maintenance of capital 33918
facilities; 33919

(E) Proceeds of certificates of participation issued as 33920
part of a lease-purchase agreement entered into under section 33921
3313.375 of the Revised Code; 33922

(F) Proceeds of any school district income tax levied 33923
under Chapter 5748. of the Revised Code for permanent 33924
improvements, to the extent the proceeds are available for the 33925
acquisition, replacement, enhancement, maintenance, or repair of 33926
permanent improvements; 33927

(G) Any other revenue source identified by the auditor of 33928
state, in consultation with the department of education and 33929
workforce, in rules adopted by the auditor of state. 33930

Sec. 3315.33. There is hereby established a fund to be 33931
known as the Ohio scholarship fund for teacher trainees for the 33932
public purpose of relieving the existing teacher shortage in 33933
public schools, to be administered and expended as prescribed in 33934
sections 3315.33 to 3315.35 of the Revised Code. Appropriations 33935
by the general assembly for the purpose of scholarships for 33936
teacher trainees shall be paid into this fund. 33937

Each scholarship for a teacher trainee shall have a 33938
maximum value of five hundred dollars annually and shall be 33939
awarded as follows: 33940

(A) The ~~state board~~ department of education and workforce 33941
shall prescribe standards and requirements which shall be met by 33942
persons who are eligible for such scholarships. Scholarships 33943
shall be allocated among the counties of the state on an 33944
equitable basis by the ~~state board of education~~ department, 33945
provided that not less than three such scholarships shall be 33946
available annually to residents of each county of the state. If, 33947
on the first day of September in each year, the ~~state board of~~ 33948
~~education~~ department finds that the number of eligible persons 33949
recommended from any county is less than the number of 33950
scholarships allocated to that county, it may reallocate the 33951
remaining scholarships among the counties in which the number of 33952
eligible persons exceeds the number of scholarships allocated. 33953
Such reallocation as may affect a county in one year shall not 33954
prejudice in any way the allocation to it in succeeding years. 33955

(B) In accordance with the requirements of sections 33956
3315.33, 3315.34, and 3315.35 of the Revised Code, the 33957
educational service center superintendent in each educational 33958
service center as committee chairperson shall appoint a 33959
committee consisting of one high school principal, one 33960
elementary school principal, and one classroom teacher. This 33961
committee shall select and recommend, on the basis of merit, a 33962
number of high school graduates, not to exceed the number 33963
allocated to each county by the ~~state board of education~~ 33964
department, who are interested in teaching and whose work and 33965
qualifications are such as to indicate that they possess the 33966
qualities which should be possessed by a successful teacher. 33967
Such persons shall not have previously been enrolled in any 33968

college of education or have majored in education in any college 33969
or university. Such other college training shall be considered 33970
in determining such person's qualifications to become a 33971
successful teacher. 33972

(C) The scholarship fund for teacher trainees shall be 33973
disbursed to scholarship holders upon their application as 33974
approved by the ~~state board of education~~ department upon 33975
vouchers for that purpose. Such scholarships shall be paid in 33976
equal installments at the beginning of each quarter or semester 33977
while college is in session to each person who has been awarded 33978
such a scholarship when the following requirements are met: 33979

(1) Such person shall be a bona fide student in the 33980
college of education or department of teacher training in an 33981
Ohio institution of higher learning. 33982

(2) Such person shall pursue a course of study in 33983
elementary education in said college of education or department 33984
of teacher training approved by the ~~state board of education~~ 33985
department of education and workforce. 33986

Sec. 3315.34. Each person who receives a scholarship shall 33987
execute a promissory note which shall be endorsed by some 33988
responsible citizen, and shall deliver said note to the ~~state~~ 33989
~~board~~ department of education and workforce or to its 33990
representative. Each such note shall be made payable to the 33991
treasurer of state for the amount of the quarterly or semi- 33992
annual payment, and shall bear interest at the rate of five per 33993
cent per annum from the date of the note. The ~~state board of~~ 33994
~~education~~ department shall hold said note until it has been paid 33995
or cancelled as prescribed in section 3315.35 of the Revised 33996
Code. 33997

Each person awarded a scholarship under the terms of 33998
sections 3315.33 to 3315.35 of the Revised Code shall be 33999
eligible upon the completion of satisfactory work during the 34000
first year, under rules and regulations promulgated by the ~~state~~ 34001
~~board of education~~ department, to have the scholarship renewed 34002
for a period not to exceed one additional year. 34003

Sec. 3315.35. At the expiration of each school year of 34004
service as a teacher in the public schools of Ohio by a person 34005
who has benefited from a scholarship granted under sections 34006
3315.33 to 3315.35 of the Revised Code, such person shall submit 34007
to the ~~state board~~ department of education and workforce a 34008
statement of service on a form provided for that purpose and 34009
certified by the superintendent of the school district in which 34010
the person has taught. Upon receipt of such statement in proper 34011
form, the board shall cancel the oldest notes given by such 34012
person covering the scholarship for one year and the interest 34013
accrued thereon. If for any reason a recipient of a scholarship 34014
ceases or, after licensure, fails to teach in the public schools 34015
of Ohio, except for death or total disability, or fails to file 34016
with the board by July first of each year a statement concerning 34017
the recipient's previous year's employment and address for the 34018
ensuing year, any and all unpaid or uncanceled notes and 34019
interest thereon shall become due and payable and the board 34020
shall transmit all such notes promptly to the treasurer of state 34021
and the treasurer of state shall enforce collection of the 34022
principal amount of any uncanceled or unpaid notes held by the 34023
treasurer of state and the interest thereon and shall deposit 34024
said sums so collected in the general revenue fund. 34025

Sec. 3316.03. (A) The existence of a fiscal watch shall be 34026
declared by the auditor of state. The auditor of state may make 34027
a determination on the auditor of state's initiative, or upon 34028

receipt of a written request for such a determination, which may 34029
be filed by the governor, the ~~superintendent of public~~ 34030
~~instruction~~director of education and workforce, or a majority of 34031
the members of the board of education of the school district. 34032

(1) The auditor of state shall declare a school district 34033
to be in a state of fiscal watch if the auditor of state 34034
determines that both of the following conditions are satisfied 34035
with respect to the school district: 34036

(a) An operating deficit has been certified for the 34037
current fiscal year by the auditor of state, and the certified 34038
operating deficit exceeds eight per cent of the school 34039
district's general fund revenue for the preceding fiscal year; 34040

(b) A majority of the voting electors have not voted in 34041
favor of levying a tax under section 5705.194, 5705.199, or 34042
5705.21 or Chapter 5748. of the Revised Code that the auditor of 34043
state expects will raise enough additional revenue in the next 34044
succeeding fiscal year that division (A) (1) (a) of this section 34045
will not apply to the district in such next succeeding fiscal 34046
year. 34047

(2) The auditor of state shall declare a school district 34048
to be in a state of fiscal watch if the auditor of state 34049
determines that the school district has outstanding securities 34050
issued under division (A) (4) of section 3316.06 of the Revised 34051
Code, and its financial planning and supervision commission has 34052
been terminated under section 3316.16 of the Revised Code. 34053

(3) The auditor of state shall declare a school district 34054
to be in a state of fiscal watch if both of the following 34055
conditions are satisfied: 34056

(a) The ~~superintendent of public instruction~~director has 34057

reported to the auditor of state that the ~~superintendent~~ 34058
director has declared the district under section 3316.031 of the 34059
Revised Code to be under a fiscal caution, has found that the 34060
district has not acted reasonably to eliminate or correct 34061
practices or conditions that prompted the declaration, and has 34062
determined the declaration of a state of fiscal watch necessary 34063
to prevent further fiscal decline; 34064

(b) The auditor of state determines that the decision of 34065
the ~~superintendent~~ director is reasonable. 34066

If the auditor of state determines that the decision of 34067
the ~~superintendent~~ director is not reasonable, the auditor of 34068
state shall provide the ~~superintendent~~ director with a written 34069
explanation of that determination. 34070

(4) The auditor of state may declare a school district to 34071
be in a state of fiscal watch if all of the following conditions 34072
are satisfied: 34073

(a) An operating deficit has been certified for the 34074
current fiscal year by the auditor of state, and the certified 34075
operating deficit exceeds two per cent, but does not exceed 34076
eight per cent, of the school district's general fund revenue 34077
for the preceding fiscal year; 34078

(b) A majority of the voting electors have not voted in 34079
favor of levying a tax under section 5705.194, 5705.199, or 34080
5705.21 or Chapter 5748. of the Revised Code that the auditor of 34081
state expects will raise enough additional revenue in the next 34082
succeeding fiscal year that division (A) (4) (a) of this section 34083
will not apply to the district in the next succeeding fiscal 34084
year; 34085

(c) The auditor of state determines that there is no 34086

reasonable cause for the deficit or that the declaration of 34087
fiscal watch is necessary to prevent further fiscal decline in 34088
the district. 34089

(B) (1) The auditor of state shall issue an order declaring 34090
a school district to be in a state of fiscal emergency if the 34091
auditor of state determines that both of the following 34092
conditions are satisfied with respect to the school district: 34093

(a) An operating deficit has been certified for the 34094
current fiscal year by the auditor of state, and the certified 34095
operating deficit exceeds fifteen per cent of the school 34096
district's general fund revenue for the preceding fiscal year. 34097

(b) A majority of the voting electors have not voted in 34098
favor of levying a tax under section 5705.194, 5705.199, or 34099
5705.21 or Chapter 5748. of the Revised Code that the auditor of 34100
state expects will raise enough additional revenue in the next 34101
succeeding fiscal year that division (B) (1) (a) of this section 34102
will not apply to the district in such next succeeding fiscal 34103
year. 34104

(2) The auditor of state shall issue an order declaring a 34105
school district to be in a state of fiscal emergency if the 34106
school district board fails, pursuant to section 3316.04 of the 34107
Revised Code, to submit a plan acceptable to the ~~state~~ 34108
~~superintendent of public instruction~~ director of education and 34109
workforce within one hundred twenty days of the auditor of 34110
state's declaration under division (A) of this section or an 34111
updated plan when one is required by division (C) of section 34112
3316.04 of the Revised Code; 34113

(3) The auditor of state shall issue an order declaring a 34114
school district to be in a state of fiscal emergency if both of 34115

the following conditions are satisfied: 34116

(a) The ~~superintendent of public instruction~~ director has 34117
reported to the auditor of state that the district is not 34118
materially complying with the provisions of an original or 34119
updated plan as approved by the ~~state superintendent~~ director 34120
under section 3316.04 of the Revised Code, and that the ~~state~~ 34121
~~superintendent~~ director has determined the declaration of a 34122
state of fiscal emergency necessary to prevent further fiscal 34123
decline; 34124

(b) The auditor of state finds that the determination of 34125
the ~~superintendent~~ director is reasonable. 34126

If the auditor of state determines that the decision of 34127
the ~~superintendent~~ director is not reasonable, the auditor of 34128
state shall provide the ~~superintendent~~ director a written 34129
explanation of that determination. 34130

(4) The auditor of state shall issue an order declaring a 34131
school district to be in a state of fiscal emergency if a 34132
declaration of fiscal emergency is required by division (D) of 34133
section 3316.04 of the Revised Code. 34134

(5) The auditor of state may issue an order declaring a 34135
school district to be in a state of fiscal emergency if all of 34136
the following conditions are satisfied: 34137

(a) An operating deficit has been certified for the 34138
current fiscal year by the auditor of state, and the certified 34139
operating deficit exceeds ten per cent, but does not exceed 34140
fifteen per cent, of the school district's general fund revenue 34141
for the preceding fiscal year; 34142

(b) A majority of the voting electors have not voted in 34143
favor of levying a tax under section 5705.194, 5705.199, or 34144

5705.21 or Chapter 5748. of the Revised Code that the auditor of state expects will raise enough additional revenue in the next succeeding fiscal year that division (B) (5) (a) of this section will not apply to the district in the next succeeding fiscal year;

(c) The auditor of state determines that a declaration of fiscal emergency is necessary to correct the district's fiscal problems and to prevent further fiscal decline.

(C) In making the determinations under this section, the auditor of state may use financial reports required under section 117.43 of the Revised Code; tax budgets, certificates of estimated resources and amendments thereof, annual appropriating measures and spending plans, and any other documents or information prepared pursuant to Chapter 5705. of the Revised Code; and any other documents, records, or information available to the auditor of state that indicate the conditions described in divisions (A) and (B) of this section.

(D) The auditor of state shall certify the action taken under division (A) or (B) of this section to the board of education of the school district, the director of budget and management, the mayor or county auditor who could be required to act pursuant to division (B) (1) of section 3316.05 of the Revised Code, and to the ~~superintendent of public instruction~~ director of education and workforce.

(E) A determination by the auditor of state under this section that a fiscal emergency condition does not exist is final and conclusive and not appealable. A determination by the auditor of state under this section that a fiscal emergency exists is final, except that the board of education of the school district affected by such a determination may appeal the

determination of the existence of a fiscal emergency condition 34175
to the court of appeals having territorial jurisdiction over the 34176
school district. The appeal shall be heard expeditiously by the 34177
court of appeals and for good cause shown shall take precedence 34178
over all other civil matters except earlier matters of the same 34179
character. Notice of such appeal must be filed with the auditor 34180
of state and such court within thirty days after certification 34181
by the auditor of state to the board of education of the school 34182
district provided for in division (D) of this section. In such 34183
appeal, determinations of the auditor of state shall be presumed 34184
to be valid and the board of education shall have the burden of 34185
proving, by clear and convincing evidence, that each of the 34186
determinations made by the auditor of state as to the existence 34187
of a fiscal emergency condition under this section was in error. 34188
If the board of education fails, upon presentation of its case, 34189
to prove by clear and convincing evidence that each such 34190
determination by the auditor of state was in error, the court 34191
shall dismiss the appeal. The board of education and the auditor 34192
of state may introduce any evidence relevant to the existence or 34193
nonexistence of such fiscal emergency conditions. The pendency 34194
of any such appeal shall not affect or impede the operations of 34195
this chapter; no restraining order, temporary injunction, or 34196
other similar restraint upon actions consistent with this 34197
chapter shall be imposed by the court or any court pending 34198
determination of such appeal; and all things may be done under 34199
this chapter that may be done regardless of the pendency of any 34200
such appeal. Any action taken or contract executed pursuant to 34201
this chapter during the pendency of such appeal is valid and 34202
enforceable among all parties, notwithstanding the decision in 34203
such appeal. If the court of appeals reverses the determination 34204
of the existence of a fiscal emergency condition by the auditor 34205
of state, the determination no longer has any effect, and any 34206

procedures undertaken as a result of the determination shall be 34207
terminated. 34208

Sec. 3316.031. (A) The ~~state superintendent of public~~ 34209
~~instruction~~director of education and workforce, in consultation 34210
with the auditor of state, shall develop guidelines for 34211
identifying fiscal practices and budgetary conditions that, if 34212

district's total costs for school bus service in the previous 38043
fiscal year by its total number of miles driven for school bus 38044
service in the previous fiscal year. 38045

(2) After excluding districts that do not provide school 38046
bus service and the ten districts with the highest 38047

lowest transportation costs per mile, divide the aggregate cost 38049
for school bus service for the remaining districts in the 38050
previous fiscal year by the aggregate miles driven for school 38051
bus service in those districts in the previous fiscal year. 38052

(E) The department shall calculate each city, local, and 38053
exempted village school district's transportation base payment 38054
as follows: 38055

(1) For fiscal years 2022 and 2023: 38056

(a) Calculate the sum of the following: 38057

(i) The product of the statewide transportation cost per 38058
student and the number of students counted in the district's 38059
qualifying ridership for the current fiscal year who are 38060
enrolled in the district; 38061

(ii) 1.5 times the statewide transportation cost per 38062

qualifying ridership for the current fiscal year who are 38064
enrolled in community schools established under Chapter 3314. of 38065
the Revised Code or STEM schools established under Chapter 3326. 38066
of the Revised Code; 38067

student times the number of students counted in the district's 38069
qualifying ridership for the current fiscal year who are 38070
enrolled in nonpublic schools. 38071

(b) Multiply the statewide transportation cost per mile by 38072

2024 and each fiscal year thereafter, the department shall pay a 38087
district's efficiency adjustment payment in a manner determined 38088
by the general assembly, if the general assembly authorizes such 38089
a payment to districts. 38090

(1) The department annually shall establish a target 38091
number of qualifying riders per assigned bus for each city, 38092
local, and exempted village school district. The department 38093
shall use the most recently available data in establishing the 38094
target number. The target number shall be based on the statewide 38095
median number of riders per assigned bus as adjusted to reflect 38096
the district's density in comparison to the density of all other 38097
districts. The department shall post on the department's web 38098
site each district's target number of riders per assigned bus 38099
and a description of how the target number was determined. 38100

(2) The department shall determine each school district's efficiency index by dividing the district's number of riders per assigned bus by its target number of riders per assigned bus.

(3) The department shall determine each city, local, and exempted village school district's efficiency adjustment payment as follows:

(a) If the district's efficiency index is equal to or greater than 1.5, the efficiency adjustment payment shall be calculated according to the following formula:

0.15 X the district's transportation base payment calculated under division (E) of this section

(b) If the district's efficiency index is less than 1.5 but greater than or equal to 1.0, the efficiency adjustment payment shall be calculated according to the following formula:

{[(The district's efficiency index - 1) X 0.15]/0.5} X the district's transportation base payment calculated under division (E) of this section

(c) If the district's efficiency index is less than 1.0, the efficiency adjustment payment shall be zero.

(G) In addition to funds paid under divisions (E), (F), and (H) of this section, each city, local, and exempted village district shall receive in accordance with rules adopted by the ~~state board of education department~~ a payment for students transported by means other than school bus service and whose transportation is not funded under division (C) of section 3317.024 of the Revised Code. (H) (1) For purposes of division (H) of this section, a

school district's "transportation supplement percentage" means 38129
the following: 38130

(a) For fiscal years 2022 and 2023, the following 38131
quotient: 38132

(28 - the district's rider density) / 100 38133

If the result of the calculation for a district under 38134
division (H) (1) (a) of this section is less than zero, the 38135
district's transportation supplement percentage shall be zero. 38136

(b) For fiscal year 2024 and each fiscal year thereafter, 38137
a percentage calculated in a manner determined by the general 38138
assembly. 38139

(2) The department shall pay each district a 38140
transportation supplement calculated according to the following 38141
formula: 38142

The district's transportation supplement percentage X the amount 38143
calculated for the district under division (E) (1) (b) of this 38144
section X 0.55 38145

(I) (1) If a school district board and a community school 38146
governing authority elect to enter into an agreement under 38147

department shall make payments to the community school according 38149
to the terms of the agreement for each student actually 38150
transported under division (C) (1) of that section. If a 38151
community school governing authority accepts transportation 38152
responsibility under division (B) of that section, the 38153
department shall make payments to the community school for each 38154
student actually transported or for whom transportation is 38155
arranged by the community school under division (C) (1) of that 38156
section, calculated as follows: 38157

(a) For any fiscal year which the general assembly has specified that transportation payments to school districts be based on an across-the-board percentage of the district's payment for the previous school year, the per pupil payment to the community school shall be the following quotient:

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by

(ii) The number of students included in the district's transportation ADM for the current fiscal year, as calculated under section 3317.03 of the Revised Code, plus the number of students enrolled in the community school not counted in the district's transportation ADM who are transported under division (B) (1) or (2) of section 3314.091 of the Revised Code.

(b) For any fiscal year which the general assembly has specified that the transportation payments to school districts be calculated in accordance with this section and any rules of the ~~state board of education~~ department implementing this section, the payment to the community school shall be the following:

(i) For fiscal years 2022 and 2023, either of the following:

(I) If the school district in which the student is entitled to attend school would have used a method of transportation for the student for which payments are computed and paid under division (E) of this section, 1.0 times the statewide transportation cost per student, as calculated in division (C) of this section;

(II) If the school district in which the student is 38187
entitled to attend school would have used a method of 38188
transportation for the student for which payments are computed 38189
and paid in a manner described in division (G) of this section, 38190
the amount that would otherwise be computed for and paid to the 38191
district. 38192

(ii) For fiscal year 2024 and each fiscal year thereafter, 38193
an amount calculated in a manner determined by the general 38194
assembly. 38195

The community school, however, is not required to use the 38196
same method to transport the student. 38197

As used in this division, "entitled to attend school" 38198
means entitled to attend school under section 3313.64 or 3313.65 38199
of the Revised Code. 38200

in lieu of transportation is made by the community school's 38207
governing authority. To qualify for the payments, the community 38208
school shall report to the department, in the form and manner 38209
required by the department, data on the number of students 38210
transported or whose transportation is arranged, the number of 38211
miles traveled, cost to transport, and any other information 38212
requested by the department. 38213

Sec. 3317.0213. (A) The department of education and 38214

that fiscal year X the district's state share percentage X 0.50; 38235

(2) The district's or institution's category two special 38236
education students who are preschool children with disabilities 38237

that fiscal year X the district's state share percentage X 0.50. 38260

For fiscal year 2024 and each fiscal year thereafter, the 38261
additional state aid shall be calculated for each category of 38262
special education students who are preschool children with 38263
disabilities using a formula specified by the general assembly. 38264

The special education disability categories for preschool 38265
children used in this section are the same categories prescribed 38266
in section 3317.013 of the Revised Code. 38267

As used in division (A) of this section, the state share 38268
percentage of a student enrolled in an institution is the state 38269

that district may authorize the department to transfer funds 38277
computed under this section to the service center providing 38278
those services. 38279

(C) If a county DD board is providing services to students 38280
who are preschool children with disabilities under agreement 38281

attributable to the students served by the county DD board and 38286
pay that amount to that board. 38287

Sec. 3317.0214. (A) The department of education and 38288
workforce shall compute and pay in accordance with this section 38289

categories two through six special education ADM. If a 38291
district's costs for the fiscal year for a student in its 38292
categories two through six special education ADM exceed the 38293
threshold catastrophic cost for serving the student, the 38294
district may submit to the ~~superintendent of public instruction~~
department documentation, as prescribed by the 38295
~~superintendent~~department, of all its costs for that student. 38296
Upon submission of documentation for a student of the type and 38297
in the manner prescribed, the department shall pay to the 38298
district an amount equal to the sum of the following: 38299
38300

section, and the department shall pay for, only the costs of 38314
educational expenses and the related services provided to the 38315
student in accordance with the student's individualized 38316
education program. Any legal fees, court costs, or other costs 38317
associated with any cause of action relating to the student may 38318
not be included in the amount. 38319

limitations enacted by the general assembly to the computation. 38332

(b) In the case of a community school or STEM school, the 38333
aggregate amount of special education funding paid to the school 38334
under division (A) (1) (b) of section 3317.026 of the Revised Code 38335
times 0.10, subject to any funding limitations enacted by the 38336
general assembly to the computation. 38337

(c) In the case of a joint vocational school district, the 38338
aggregate amount of special education funding paid to the school 38339
under division (A) (2) of section 3317.16 of the Revised Code 38340
times 0.10, subject to any funding limitations enacted by the 38341

(2) For fiscal year 2024 and each fiscal year thereafter, 38343
the department ~~of education~~ shall withhold from the aggregate 38344
amount paid for a fiscal year to each city, local, exempted 38345
village, and joint vocational school district, community school, 38346
and science, technology, engineering, and mathematics school an 38347
amount determined by the general assembly, if any, for purposes 38348
of this section. 38349

(B) For fiscal years 2022 and 2023, the department shall 38350

section for purposes of division (C) (1) of section 3314.08 of 38352
the Revised Code, section 3317.0214 of the Revised Code, 38353
division (B) of section 3317.16 of the Revised Code, and section 38354
3326.34 of the Revised Code. 38355

For fiscal year 2024 and each fiscal year thereafter, the 38356
department shall use the amount of funds withheld under division 38357
(A) of this section, if any, for purposes determined by the 38358
general assembly. 38359

Sec. 3317.0217. This section shall apply only for fiscal 38360
years 2022 and 2023. 38361

Payment of the amount calculated for a school district 38362
under this section shall be made under division (A) of section 38363
3317.022 of the Revised Code. 38364

(A) For each fiscal year, the department of education and 38365
workforce shall compute targeted assistance funds for city, 38366
local, and exempted village school districts, in accordance with 38367
the following formula: 38368

A district's capacity amount for that fiscal year calculated 38369
under division (B) of this section + a district's wealth amount 38370
for that fiscal year calculated under division (C) of this 38371
section 38372

(B) The department shall calculate each district's 38373
capacity amount for a fiscal year as follows: 38374

(1) Calculate each district's weighted wealth for that 38375
fiscal year, which equals the following sum: 38376

(The amount determined for the district for that fiscal year 38377
under division (A) (1) (a) of section 3317.017 of the Revised Code 38378
X 0.6) + (the amount determined for the district for that fiscal 38379
year under division (A) (2) (a) of section 3317.017 of the Revised 38380
Code X 0.4) 38381

(2) Determine the median weighted wealth of all school 38382
districts in this state for that fiscal year; 38383

(3) Compute each district's capacity index for that fiscal 38384
year by dividing the median weighted wealth of all school 38385
districts in this state for that fiscal year by the district's 38386
weighted wealth for that fiscal year; 38387

(4) Compute each district's capacity amount for that 38388
fiscal year as follows: 38389

(a) The district's capacity amount shall be zero if the district satisfies either of the following criteria for that fiscal year:

(i) The district's capacity index is less than 1.

(ii) The district's enrolled ADM is less than 200.

(b) If the district does not satisfy either of the criteria specified in division (B) (4) (a) of this section for that fiscal year, the district's capacity amount for that fiscal year shall be calculated as follows:

(2) Within one year after the date of the commission's certification of its conditional approval, the district's electors approved a bond issue to pay the district's portion of the basic project cost or the district board of education complied with section 3318.052 of the Revised Code.

(3) In the fiscal year prior to the fiscal year in which the district's project was conditionally approved, the district had an open enrollment net gain that was ten per cent or more of its formula ADM.

(C) For each school district to which this section 41280
applies, the department of education and workforce shall 41281
recalculate the district's percentile ranking under section 41282
3318.011 of the Revised Code for the fiscal year prior to the 41283
fiscal year in which the district's project was conditionally 41284
approved and shall report the recalculated percentile ranking to 41285
the commission. For this purpose, the department shall 41286
recalculate every school district's percentile ranking for that 41287
fiscal year using the district's "valuation per pupil" as that 41288
term is defined in section 3318.011 of the Revised Code on and 41289
after September 29, 2007. 41290

(D) For each school district to which this section 41291
applies, the commission shall use the recalculated percentile 41292
ranking reported under division (C) of this section to determine 41293
the district's portion of the basic project cost under section 41294
3318.032 of the Revised Code. The commission shall not use the 41295
recalculated percentile ranking for any other purpose, and the 41296
recalculated ranking shall not affect any other district's 41297
portion of the basic project cost under section 3318.032 of the 41298
Revised Code or any district's eligibility for assistance under 41299
sections 3318.01 to 3318.20 of the Revised Code. The commission 41300
shall revise the agreement entered into under section 3318.08 of 41301
the Revised Code to reflect the district's new portion of the 41302
basic project cost as determined under this division. 41303

Sec. 3318.051. (A) Any city, exempted village, or local 41304
school district that commences a project under sections 3318.01 41305
to 3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on 41306
or after September 5, 2006, need not levy the tax otherwise 41307
required under division (B) of section 3318.05 of the Revised 41308
Code, if the district board of education adopts a resolution 41309
petitioning the Ohio facilities construction commission to 41310

approve the transfer of money in accordance with this section 41311
and the commission approves that transfer. If so approved, the 41312
commission and the district board shall enter into an agreement 41313
under which the board, in each of twenty-three consecutive years 41314
beginning in the year in which the board and the commission 41315
enter into the project agreement under section 3318.08 of the 41316
Revised Code, shall transfer into the maintenance fund required 41317
by division (D) of section 3318.05 of the Revised Code not less 41318
than an amount equal to one-half mill for each dollar of the 41319
district's valuation unless and until the agreement to make 41320
those transfers is rescinded by the district board pursuant to 41321
division (F) of this section. 41322

(B) On the first day of July each year, or on an 41323
alternative date prescribed by the commission, the district 41324
treasurer shall certify to the commission and the auditor of 41325
state that the amount required for the year has been 41326
transferred. The auditor of state shall include verification of 41327
the transfer as part of any audit of the district under section 41328
117.11 of the Revised Code. If the auditor of state finds that 41329
less than the required amount has been deposited into a 41330
district's maintenance fund, the auditor of state shall notify 41331
the district board of education in writing of that fact and 41332
require the board to deposit into the fund, within ninety days 41333
after the date of the notice, the amount by which the fund is 41334
deficient for the year. If the district board fails to 41335
demonstrate to the auditor of state's satisfaction that the 41336
board has made the deposit required in the notice, the auditor 41337
of state shall notify the department of education and workforce. 41338
At that time, the department shall withhold an amount equal to 41339
ten per cent of the district's funds calculated for the current 41340
fiscal year under Chapter 3317. of the Revised Code until the 41341

auditor of state notifies the department that the auditor of 41342
state is satisfied that the board has made the required 41343
transfer. 41344

(C) Money transferred to the maintenance fund shall be 41345
used for the maintenance or, upon approval of the Ohio 41346
facilities construction commission, upgrade of the facilities 41347
acquired under the district's project. 41348

(D) The transfers to the maintenance fund under this 41349
section does not affect a district's obligation to establish and 41350
maintain a capital and maintenance fund under section 3315.18 of 41351
the Revised Code. 41352

(E) Any decision by the commission to approve or not 41353
approve the transfer of money under this section is final and 41354
not subject to appeal. The commission shall not be responsible 41355
for errors or miscalculations made in deciding whether to 41356
approve a petition to make transfers under this section. 41357

(F) If the district board determines that it no longer can 41358
continue making the transfers agreed to under this section, the 41359
board may rescind the agreement only so long as the electors of 41360
the district have approved, in accordance with section 3318.063 41361
of the Revised Code, the levy of a tax for the maintenance of 41362
the classroom facilities acquired under the district's project 41363
and that levy continues to be collected as approved by the 41364
electors. That levy shall be for a number of years that is equal 41365
to the difference between twenty-three years and the number of 41366
years that the district made transfers under this section and 41367
shall be at the rate of not less than one-half mill for each 41368
dollar of the district's valuation. The district board shall 41369
continue to make the transfers agreed to under this section 41370
until that levy has been approved by the electors. 41371

Sec. 3318.08. Except in the case of a joint vocational 41372
school district that receives assistance under sections 3318.40 41373
to 3318.45 of the Revised Code, if the requisite favorable vote 41374
on the election is obtained, or if the school district board has 41375
resolved to apply the proceeds of a property tax levy or the 41376
proceeds of an income tax, or a combination of proceeds from 41377
such taxes, as authorized in section 3318.052 of the Revised 41378
Code, the Ohio facilities construction commission, upon 41379
certification to it of either the results of the election or the 41380
resolution under section 3318.052 of the Revised Code, shall 41381
enter into a written agreement with the school district board 41382
for the construction and sale of the project. In the case of a 41383
joint vocational school district that receives assistance under 41384
sections 3318.40 to 3318.45 of the Revised Code, if the school 41385
district board of education and the school district electors 41386
have satisfied the conditions prescribed in division (D)(1) of 41387
section 3318.41 of the Revised Code, the commission shall enter 41388
into an agreement with the school district board for the 41389
construction and sale of the project. In either case, the 41390
agreement shall include, but need not be limited to, the 41391
following provisions: 41392

(A) The sale and issuance of bonds or notes in 41393
anticipation thereof, as soon as practicable after the execution 41394
of the agreement, in an amount equal to the school district's 41395
portion of the basic project cost, including any securities 41396
authorized under division (J) of section 133.06 of the Revised 41397
Code and dedicated by the school district board to payment of 41398
the district's portion of the basic project cost of the project; 41399
provided, that if at that time the county treasurer of each 41400
county in which the school district is located has not commenced 41401
the collection of taxes on the general duplicate of real and 41402

public utility property for the year in which the controlling 41403
board approved the project, the school district board shall 41404
authorize the issuance of a first installment of bond 41405
anticipation notes in an amount specified by the agreement, 41406
which amount shall not exceed an amount necessary to raise the 41407
net bonded indebtedness of the school district as of the date of 41408
the controlling board's approval to within five thousand dollars 41409
of the required level of indebtedness for the preceding year. In 41410
the event that a first installment of bond anticipation notes is 41411
issued, the school district board shall, as soon as practicable 41412
after the county treasurer of each county in which the school 41413
district is located has commenced the collection of taxes on the 41414
general duplicate of real and public utility property for the 41415
year in which the controlling board approved the project, 41416
authorize the issuance of a second and final installment of bond 41417
anticipation notes or a first and final issue of bonds. 41418

The combined value of the first and second installment of 41419
bond anticipation notes or the value of the first and final 41420
issue of bonds shall be equal to the school district's portion 41421
of the basic project cost. The proceeds of any such bonds shall 41422
be used first to retire any bond anticipation notes. Otherwise, 41423
the proceeds of such bonds and of any bond anticipation notes, 41424
except the premium and accrued interest thereon, shall be 41425
deposited in the school district's project construction fund. In 41426
determining the amount of net bonded indebtedness for the 41427
purpose of fixing the amount of an issue of either bonds or bond 41428
anticipation notes, gross indebtedness shall be reduced by 41429
moneys in the bond retirement fund only to the extent of the 41430
moneys therein on the first day of the year preceding the year 41431
in which the controlling board approved the project. Should 41432
there be a decrease in the tax valuation of the school district 41433

so that the amount of indebtedness that can be incurred on the 41434
tax duplicates for the year in which the controlling board 41435
approved the project is less than the amount of the first 41436
installment of bond anticipation notes, there shall be paid from 41437
the school district's project construction fund to the school 41438
district's bond retirement fund to be applied against such notes 41439
an amount sufficient to cause the net bonded indebtedness of the 41440
school district, as of the first day of the year following the 41441
year in which the controlling board approved the project, to be 41442
within five thousand dollars of the required level of 41443
indebtedness for the year in which the controlling board 41444
approved the project. The maximum amount of indebtedness to be 41445
incurred by any school district board as its share of the cost 41446
of the project is either an amount that will cause its net 41447
bonded indebtedness, as of the first day of the year following 41448
the year in which the controlling board approved the project, to 41449
be within five thousand dollars of the required level of 41450
indebtedness, or an amount equal to the required percentage of 41451
the basic project costs, whichever is greater. All bonds and 41452
bond anticipation notes shall be issued in accordance with 41453
Chapter 133. of the Revised Code, and notes may be renewed as 41454
provided in section 133.22 of the Revised Code. 41455

(B) The transfer of such funds of the school district 41456
board available for the project, together with the proceeds of 41457
the sale of the bonds or notes, except premium, accrued 41458
interest, and interest included in the amount of the issue, to 41459
the school district's project construction fund; 41460

(C) For all school districts except joint vocational 41461
school districts that receive assistance under sections 3318.40 41462
to 3318.45 of the Revised Code, the following provisions as 41463
applicable: 41464

(1) If section 3318.052 of the Revised Code applies, the 41465
earmarking of the proceeds of a tax levied under section 5705.21 41466
of the Revised Code for general permanent improvements or under 41467
section 5705.218 of the Revised Code for the purpose of 41468
permanent improvements, or the proceeds of a school district 41469
income tax levied under Chapter 5748. of the Revised Code, or 41470
the proceeds from a combination of those two taxes, in an amount 41471
to pay all or part of the service charges on bonds issued to pay 41472
the school district portion of the project and an amount 41473
equivalent to all or part of the tax required under division (B) 41474
of section 3318.05 of the Revised Code; 41475

(2) If section 3318.052 of the Revised Code does not 41476
apply, one of the following: 41477

(a) The levy of the tax authorized at the election for the 41478
payment of maintenance costs, as specified in division (B) of 41479
section 3318.05 of the Revised Code; 41480

(b) If the school district electors have approved a 41481
continuing tax for general permanent improvements under section 41482
5705.21 of the Revised Code and that tax can be used for 41483
maintenance, the earmarking of an amount of the proceeds from 41484
such tax for maintenance of classroom facilities as specified in 41485
division (B) of section 3318.05 of the Revised Code; 41486

(c) If, in lieu of the tax otherwise required under 41487
division (B) of section 3318.05 of the Revised Code, the 41488
commission has approved the transfer of money to the maintenance 41489
fund in accordance with section 3318.051 of the Revised Code, a 41490
requirement that the district board comply with the provisions 41491
of that section. The district board may rescind the provision 41492
prescribed under division (C) (2) (c) of this section only so long 41493
as the electors of the district have approved, in accordance 41494

with section 3318.063 of the Revised Code, the levy of a tax for 41495
the maintenance of the classroom facilities acquired under the 41496
district's project and that levy continues to be collected as 41497
approved by the electors. 41498

(D) For joint vocational school districts that receive 41499
assistance under sections 3318.40 to 3318.45 of the Revised 41500
Code, provision for deposit of school district moneys dedicated 41501
to maintenance of the classroom facilities acquired under those 41502
sections as prescribed in section 3318.43 of the Revised Code; 41503

(E) Dedication of any local donated contribution as 41504
provided for under section 3318.084 of the Revised Code, 41505
including a schedule for depositing such moneys applied as an 41506
offset of the district's obligation to levy the tax described in 41507
division (B) of section 3318.05 of the Revised Code as required 41508
under division (D) (2) of section 3318.084 of the Revised Code; 41509

(F) Ownership of or interest in the project during the 41510
period of construction, which shall be divided between the 41511
commission and the school district board in proportion to their 41512
respective contributions to the school district's project 41513
construction fund; 41514

(G) Maintenance of the state's interest in the project 41515
until any obligations issued for the project under section 41516
3318.26 of the Revised Code are no longer outstanding; 41517

(H) The insurance of the project by the school district 41518
from the time there is an insurable interest therein and so long 41519
as the state retains any ownership or interest in the project 41520
pursuant to division (F) of this section, in such amounts and 41521
against such risks as the commission shall require; provided, 41522
that the cost of any required insurance until the project is 41523

completed shall be a part of the basic project cost; 41524

(I) The certification by the director of budget and 41525
management that funds are available and have been set aside to 41526
meet the state's share of the basic project cost as approved by 41527
the controlling board pursuant to either section 3318.04 or 41528
division (B) (1) of section 3318.41 of the Revised Code; 41529

(J) Authorization of the school district board to 41530
advertise for and receive construction bids for the project, for 41531
and on behalf of the commission, and to award contracts in the 41532
name of the state subject to approval by the commission; 41533

(K) Provisions for the disbursement of moneys from the 41534
school district's project account upon issuance by the 41535
commission or the commission's designated representative of 41536
vouchers for work done to be certified to the commission by the 41537
treasurer of the school district board; 41538

(L) Disposal of any balance left in the school district's 41539
project construction fund upon completion of the project; 41540

(M) Limitations upon use of the project or any part of it 41541
so long as any obligations issued to finance the project under 41542
section 3318.26 of the Revised Code are outstanding; 41543

(N) Provision for vesting the state's interest in the 41544
project to the school district board when the obligations issued 41545
to finance the project under section 3318.26 of the Revised Code 41546
are outstanding; 41547

(O) Provision for deposit of an executed copy of the 41548
agreement in the office of the commission; 41549

(P) Provision for termination of the contract and release 41550
of the funds encumbered at the time of the conditional approval, 41551

if the proceeds of the sale of the bonds of the school district 41552
board are not paid into the school district's project 41553
construction fund and if bids for the construction of the 41554
project have not been taken within such period after the 41555
execution of the agreement as may be fixed by the commission; 41556

(Q) A provision that requires the school district to 41557
adhere to a facilities maintenance plan approved by the 41558
commission; 41559

(R) Provision that all state funds reserved and encumbered 41560
to pay the state share of the cost of the project and the funds 41561
provided by the school district to pay for its share of the 41562
project cost, including the respective shares of the cost of a 41563
segment if the project is divided into segments, be spent on the 41564
construction and acquisition of the project or segment 41565
simultaneously in proportion to the state's and the school 41566
district's respective shares of that basic project cost as 41567
determined under section 3318.032 of the Revised Code or, if the 41568
district is a joint vocational school district, under section 41569
3318.42 of the Revised Code. However, if the school district 41570
certifies to the commission that expenditure by the school 41571
district is necessary to maintain the federal tax status or tax- 41572
exempt status of notes or bonds issued by the school district to 41573
pay for its share of the project cost or to comply with 41574
applicable temporary investment periods or spending exceptions 41575
to rebate as provided for under federal law in regard to those 41576
notes or bonds, the school district may commit to spend, or 41577
spend, a greater portion of the funds it provides during any 41578
specific period than would otherwise be required under this 41579
division. 41580

(S) A provision stipulating that the commission may 41581

prohibit the district from proceeding with any project if the 41582
commission determines that the site is not suitable for 41583
construction purposes. The commission may perform soil tests in 41584
its determination of whether a site is appropriate for 41585
construction purposes. 41586

(T) A provision stipulating that, unless otherwise 41587
authorized by the commission, any contingency reserve portion of 41588
the construction budget prescribed by the commission shall be 41589
used only to pay costs resulting from unforeseen job conditions, 41590
to comply with rulings regarding building and other codes, to 41591
pay costs related to design clarifications or corrections to 41592
contract documents, and to pay the costs of settlements or 41593
judgments related to the project as provided under section 41594
3318.086 of the Revised Code; 41595

(U) A provision stipulating that for continued release of 41596
project funds the school district board shall comply with 41597
sections 3313.41, 3313.411, and 3313.413 of the Revised Code 41598
throughout the project and shall notify the department of 41599
education and workforce and the Ohio community school 41600
association when the board plans to dispose of facilities by 41601
sale under that section; 41602

(V) A provision stipulating that the commission shall not 41603
approve a contract for demolition of a facility until the school 41604
district board has complied with sections 3313.41, 3313.411, and 41605
3313.413 of the Revised Code relative to that facility, unless 41606
demolition of that facility is to clear a site for construction 41607
of a replacement facility included in the district's project. 41608

Sec. 3318.084. (A) Notwithstanding anything to the 41609
contrary in Chapter 3318. of the Revised Code, a school district 41610
board may apply any local donated contribution toward any of the 41611

following: 41612

(1) The district's portion of the basic project cost of a 41613
project under either sections 3318.01 to 3318.20 or sections 41614
3318.40 to 3318.45 of the Revised Code to reduce the amount of 41615
bonds the district otherwise must issue in order to receive 41616
state assistance under those sections; 41617

(2) If the school district is not a joint vocational 41618
school district proceeding under sections 3318.40 to 3318.45 of 41619
the Revised Code, an offset of all or part of a district's 41620
obligation to levy the tax described in division (B) of section 41621
3318.05 of the Revised Code, which shall be applied only in the 41622
manner prescribed in division (B) of this section; 41623

(3) If the school district is a joint vocational school 41624
district proceeding under sections 3318.40 to 3318.45 of the 41625
Revised Code, all or part of the amount the school district is 41626
obligated to set aside for maintenance of the classroom 41627
facilities acquired under that project pursuant to section 41628
3318.43 of the Revised Code. 41629

(B) No school district board shall apply any local donated 41630
contribution under division (A) (2) of this section unless the 41631
Ohio facilities construction commission first approves that 41632
application. 41633

Upon the request of the school district board to apply 41634
local donated contribution under division (A) (2) of this 41635
section, the commission in consultation with the department of 41636
taxation shall determine the amount of total revenue that likely 41637
would be generated by one-half mill of the tax described in 41638
division (B) of section 3318.05 of the Revised Code over the 41639
entire twenty-three-year period required under that section and 41640

shall deduct from that amount any amount of local donated 41641
contribution that the board has committed to apply under 41642
division (A) (2) of this section. The commission then shall 41643
determine in consultation with the department of taxation the 41644
rate of tax over twenty-three years necessary to generate the 41645
amount of a one-half mill tax not offset by the local donated 41646
contribution. Notwithstanding anything to the contrary in 41647
section 3318.06, 3318.061, or 3318.361 of the Revised Code, the 41648
rate determined by the commission shall be the rate for which 41649
the district board shall seek elector approval under those 41650
sections to meet its obligation under division (B) of section 41651
3318.05 of the Revised Code. In the case of a complete offset of 41652
the district's obligation under division (B) of section 3318.05 41653
of the Revised Code, the district shall not be required to levy 41654
the tax otherwise required under that section. At the end of the 41655
twenty-three-year period of the tax required under division (B) 41656
of section 3318.05 of the Revised Code, whether or not the tax 41657
is actually levied, the commission in consultation of the 41658
department of taxation shall recalculate the amount that would 41659
have been generated by the tax if it had been levied at one-half 41660
mill. If the total amount actually generated over that period 41661
from both the tax that was actually levied and any local donated 41662
contribution applied under division (A) (2) of this section is 41663
less than the amount that would have been raised by a one-half 41664
mill tax, the district shall pay any difference. If the total 41665
amount actually raised in such manner is greater than the amount 41666
that would have been raised by a one-half mill tax the 41667
difference shall be zero and no payments shall be made by either 41668
the district or the commission. 41669

(C) As used in this section, "local donated contribution" 41670
means any of the following: 41671

(1) Any moneys irrevocably donated or granted to a school district board by a source other than the state which the board has the authority to apply to the school district's project under sections 3318.01 to 3318.20 of the Revised Code and which the board has pledged for that purpose by resolution adopted by a majority of its members;

(2) Any irrevocable letter of credit issued on behalf of a school district which the school district board has encumbered for payment of the school district's share of its project under sections 3318.01 to 3318.20 of the Revised Code that has been approved by the commission in consultation with the department of education and workforce;

(3) Any cash a school district has on hand that the school district board has encumbered for payment of the school district's share of its project under sections 3318.01 to 3318.20 of the Revised Code that has been approved by the commission in consultation with the ~~department of education~~, including the following:

(a) Any year-end operating fund balances that can be spent for classroom facilities;

(b) Any cash resulting from a lease-purchase agreement that the school district board has entered into under section 3313.375 of the Revised Code, provided that the agreement and the related financing documents contain provisions protecting the state's superior interest in the project.

(4) Any moneys spent by a source other than the school district or the state for construction or renovation of specific classroom facilities that have been approved by the commission as part of the basic project cost of the district's project. The

school district, the commission, and the entity providing the 41701
local donated contribution under division (C) (4) of this section 41702
shall enter into an agreement identifying the classroom 41703
facilities to be acquired by the expenditures made by that 41704
entity. The agreement shall include, but not be limited to, 41705
stipulations that require an audit by the commission of such 41706
expenditures made on behalf of the district and that specify the 41707
maximum amount of credit to be allowed for those expenditures. 41708
Upon completion of the construction or renovation, the 41709
commission shall determine the actual amount that the commission 41710
will credit, at the request of the district board, toward the 41711
district's portion of the basic project cost, any project cost 41712
overruns, or the basic project cost of future segments if the 41713
project has been divided into segments under section 3318.38 of 41714
the Revised Code. The actual amount of the credit shall not 41715
exceed the lesser of the amount specified in the agreement or 41716
the actual cost of the construction or renovation. 41717

(D) No state moneys shall be released for a project to 41718
which this section applies until: 41719

(1) Any local donated contribution authorized under 41720
division (A) (1) of this section is first deposited into the 41721
school district's project construction fund. 41722

(2) The school district board and the commission have 41723
included a stipulation in their agreement entered into under 41724
section 3318.08 of the Revised Code under which the board will 41725
deposit into a fund approved by the commission according to a 41726
schedule that does not extend beyond the anticipated completion 41727
date of the project the total amount of any local donated 41728
contribution authorized under division (A) (2) or (3) of this 41729
section and dedicated by the board for that purpose. 41730

However, if any local donated contribution as described in 41731
division (C) (4) of this section has been approved under this 41732
section, the state moneys may be released even if the entity 41733
providing that local donated contribution has not spent the 41734
moneys so dedicated as long as the agreement required under that 41735
section has been executed. 41736

Sec. 3318.18. (A) As used in this section: 41737

amounts described in divisions (A) (1) and (2) of section 41739
3317.021 of the Revised Code as most recently certified for the 41740
district before the annual computation is made under division 41741
(B) of this section. 41742

(2) "Valuation per pupil" of a school district means the 41743
district's valuation divided by the district's formula ADM as 41744
most recently calculated under section 3317.03 of the Revised 41745
Code before the annual computation is made under division (B) of 41746
this section. 41747

(3) "Statewide average valuation per pupil" means the 41748
total of the valuations of all school districts divided by the 41749
total of the formula ADMs of all school districts as most 41750
recently calculated under section 3317.03 of the Revised Code 41751
before the annual computation is made under division (C) of this 41752
section. 41753

(4) "Maintenance levy requirement" means the tax required 41754
to be levied pursuant to division (C) (2) (a) of section 3318.08 41755

application of proceeds of another levy to paying the costs of 41757
maintaining classroom facilities pursuant to division (A) (2) of 41758
section 3318.052, division (C) (1) or (C) (2) (b) of section 41759

(C) (1) At the time the Ohio facilities construction commission enters into a project agreement with a school district, the commission shall compute the difference between the district's valuation per pupil and the statewide average valuation per pupil as most recently provided to the commission under division (B) of this section. If the school district's valuation per pupil is less than the average statewide valuation per pupil, the commission shall multiply the difference between those amounts by one-half mill times the formula ADM of the district as most recently reported to the department ~~of education~~ for October under division (A) of section 3317.03 of the Revised Code. commission. 41790

(2) In the case of a school district that entered into a 41791
project agreement after July 1, 1997, but before July 1, 2006, 41792
the commission shall make the computation described in division 41793
(C) (1) of this section on the basis of the district's valuation 41794
per pupil and the statewide average valuation per pupil computed 41795
as of September 1, 2006, and the district's formula ADM reported 41796
for October 2005. 41797

(3) The amount computed for a school district under 41798
division (C) (1) or (2) of this section shall not change for the 41799
period during which payments are made to the district under 41800
division (D) of this section. 41801

(4) A computation need not be made under division (C) (1) 41802
or (2) of this section for a school district that certified a 41803
resolution to the commission under division (D) (3) of section 41804
3318.36 of the Revised Code until the district becomes eligible 41805
for state assistance as provided in that division. 41806

(D) In the fourth quarter of each fiscal year, for each 41807
school district for which a computation has been made under 41808
division (C) of this section, the ~~department of education~~ shall 41809
pay the amount computed to each such school district. Payments 41810
shall be made to a school district each year until and including 41811
the tax year in which the district's maintenance levy 41812
requirement terminates. Payments shall be paid from the half- 41813
mill equalization fund, subject to appropriation by the general 41814
assembly. However, the department shall make no payments under 41815
this section to any district that elects the procedure 41816
authorized by section 3318.051 of the Revised Code. 41817

(E) Payments made to a school district under this section 41818

shall be credited to the district's classroom facilities 41819
maintenance fund and shall be used only for the purpose of 41820
maintaining facilities constructed or renovated under the 41821
project agreement. 41822

(F) There is hereby created in the state treasury the 41823
half-mill equalization fund. The fund shall receive transfers 41824
pursuant to section 5727.85 of the Revised Code. The fund shall 41825
be used first to make annual payments under division (D) of this 41826
section. If a balance remains in the fund after such payments 41827
are made in full for a year, the Ohio facilities construction 41828
commission may request the controlling board to transfer a 41829
reasonable amount from such remaining balance to the public 41830
school building fund created under section 3318.15 of the 41831
Revised Code for the purposes of this chapter. 41832

All investment earnings arising from investment of money 41833
in the half-mill equalization fund shall be credited to the 41834
fund. 41835

Sec. 3318.363. (A) This section applies beginning in 41836
fiscal year 2003 and only to a school district participating in 41837
the school building assistance expedited local partnership 41838
program under section 3318.36 of the Revised Code. 41839

(B) If there is a decrease in the tax valuation of a 41840
school district to which this section applies by ten per cent or 41841
greater from one tax year to the next due to a decrease in the 41842
assessment rate of the taxable property of an electric company 41843
that owns property in the district, as provided for in section 41844
5727.111 of the Revised Code as amended by Am. Sub. S.B. 3 of 41845
the 123rd General Assembly, the Ohio facilities construction 41846
commission shall calculate or recalculate the state and school 41847
district portions of the basic project cost of the school 41848

district's project by determining the percentile rank in which 41849
the district would be located if such ranking were made using 41850
the adjusted valuation per pupil calculated under division (C) 41851
of this section rather than the three-year average adjusted 41852
valuation per pupil, calculated under division (B) of section 41853
3318.011 of the Revised Code. For such district, the required 41854
percentage of the basic project cost used to determine the state 41855
and school district shares of that cost under division (C) of 41856
section 3318.36 of the Revised Code shall be based on the 41857
percentile rank as calculated under this section rather than as 41858
otherwise provided in division (C) (1) of section 3318.36 of the 41859
Revised Code. If the commission has determined the state and 41860
school district portion of the basic project cost of such a 41861
district's project under section 3318.36 of the Revised Code 41862
prior to that decrease in tax valuation, the commission shall 41863
adjust the state and school district shares of the basic project 41864
cost of such project in accordance with this section. 41865

(C) (1) As used in divisions (C) and (D) of this section, 41866
"total taxable value" and "formula ADM" have the same meanings 41867
as in section 3317.02 of the Revised Code, and "income factor" 41868
has the same meaning as in section 3318.011 of the Revised Code. 41869

(2) The adjusted valuation per pupil for a school district 41870
to which this section applies shall be calculated using the 41871
following formula: 41872

(The district's total taxable value for the tax year 41873
preceding the calendar year in which the current fiscal year 41874
begins / the district's formula ADM for the previous fiscal 41875
year) - [\$30,000 x (1 - the district's income factor)]. 41876

(D) At the request of the Ohio facilities construction 41877
commission, the department of education and workforce shall 41878

report a district's total taxable value for the tax year 41879
preceding the calendar year in which the current fiscal year 41880
begins for any district to which this section applies as that 41881
information has been certified to the department by the tax 41882
commissioner pursuant to section 3317.021 of the Revised Code. 41883

Sec. 3318.42. (A) Not later than the sixty-first day after 41884
March 14, 2003, and subsequently not later than the sixty-first 41885
day after the first day of each ensuing fiscal year, the 41886
department of education and workforce shall do all of the 41887
following: 41888

(1) Calculate the valuation per pupil of each joint 41889
vocational school district according to the following formula: 41890

The school district's average taxable value divided by the 41891
school district's formula ADM calculated under section 3317.03 41892
of the Revised Code for the previous fiscal year. For purposes 41893
of this calculation: 41894

(a) "Average taxable value" means the average of the 41895
amounts certified for a school district in the second, third, 41896
and fourth preceding tax years under divisions (A) (1) and (2) of 41897
section 3317.021 of the Revised Code. 41898

(b) "Formula ADM" has the same meaning as defined in 41899
section 3317.02 of the Revised Code. 41900

(2) Calculate for each school district the three-year 41901
average of the valuations per pupil calculated for the school 41902
district for the current and two preceding fiscal years; 41903

(3) Rank all joint vocational school districts in order 41904
from the school district with the lowest three-year average 41905
valuation per pupil to the school district with the highest 41906
three-year average valuation per pupil; 41907

(4) Divide the ranking under division (A) (3) of this section into percentiles with the first percentile containing the one per cent of school districts having the lowest three-year average valuations per pupil and the one-hundredth percentile containing the one per cent of school districts having the highest three-year average valuations per pupil;

(5) Certify the information described in divisions (A) (1) to (4) of this section to the Ohio facilities construction commission.

(B) The commission annually shall select school districts for assistance under sections 3318.40 to 3318.45 of the Revised Code in the order of the school districts' three-year average valuations per pupil such that the school district with the lowest three-year average valuation per pupil shall be given the highest priority for assistance.

(C) Each joint vocational school district's portion of the basic project cost of the school district's project under sections 3318.40 to 3318.45 of the Revised Code shall be one per cent times the percentile in which the district ranks, except that no school district's portion shall be less than twenty-five per cent or greater than ninety-five per cent of the basic project cost.

Sec. 3319.02. (A) (1) As used in this section, "other administrator" means any of the following:

(a) Except as provided in division (A) (2) of this section, any employee in a position for which a board of education requires a license designated by rule of the ~~department~~ state board of education for being an administrator issued under section 3319.22 of the Revised Code, including a professional

pupil services employee or administrative specialist or an 41937
equivalent of either one who is not employed as a school 41938
counselor and spends less than fifty per cent of the time 41939
employed teaching or working with students; 41940

(b) Any nonlicensed employee whose job duties enable such 41941
employee to be considered as either a "supervisor" or a 41942
"management level employee," as defined in section 4117.01 of 41943
the Revised Code; 41944

(c) A business manager appointed under section 3319.03 of 41945
the Revised Code. 41946

(2) As used in this section, "other administrator" does 41947
not include a superintendent, assistant superintendent, 41948
principal, or assistant principal. 41949

(B) The board of education of each school district and the 41950
governing board of an educational service center may appoint one 41951
or more assistant superintendents and such other administrators 41952
as are necessary. An assistant educational service center 41953
superintendent or service center supervisor employed on a part- 41954
time basis may also be employed by a local board as a teacher. 41955
The board of each city, exempted village, and local school 41956
district shall employ principals for all high schools and for 41957
such other schools as the board designates, and those boards may 41958
appoint assistant principals for any school that they designate. 41959

(C) In educational service centers and in city, exempted 41960
village, and local school districts, assistant superintendents, 41961
principals, assistant principals, and other administrators shall 41962
only be employed or reemployed in accordance with nominations of 41963
the superintendent, except that a board of education of a school 41964
district or the governing board of a service center, by a three- 41965

fourths vote of its full membership, may reemploy any assistant 41966
superintendent, principal, assistant principal, or other 41967
administrator whom the superintendent refuses to nominate. 41968

The board of education or governing board shall execute a 41969
written contract of employment with each assistant 41970
superintendent, principal, assistant principal, and other 41971
administrator it employs or reemploys. The term of such contract 41972
shall not exceed three years except that in the case of a person 41973
who has been employed as an assistant superintendent, principal, 41974
assistant principal, or other administrator in the district or 41975
center for three years or more, the term of the contract shall 41976
be for not more than five years and, unless the superintendent 41977
of the district recommends otherwise, not less than two years. 41978
If the superintendent so recommends, the term of the contract of 41979
a person who has been employed by the district or service center 41980
as an assistant superintendent, principal, assistant principal, 41981
or other administrator for three years or more may be one year, 41982
but all subsequent contracts granted such person shall be for a 41983
term of not less than two years and not more than five years. 41984
When a teacher with continuing service status becomes an 41985
assistant superintendent, principal, assistant principal, or 41986
other administrator with the district or service center with 41987
which the teacher holds continuing service status, the teacher 41988
retains such status in the teacher's nonadministrative position 41989
as provided in sections 3311.77, 3319.08, and 3319.09 of the 41990
Revised Code. 41991

A board of education or governing board may reemploy an 41992
assistant superintendent, principal, assistant principal, or 41993
other administrator at any regular or special meeting held 41994
during the period beginning on the first day of January of the 41995
calendar year immediately preceding the year of expiration of 41996

the employment contract and ending on the first day of June of 41997
the year the employment contract expires. 41998

Except by mutual agreement of the parties thereto, no 41999
assistant superintendent, principal, assistant principal, or 42000
other administrator shall be transferred during the life of a 42001
contract to a position of lesser responsibility. No contract may 42002
be terminated by a board except pursuant to section 3319.16 of 42003
the Revised Code. No contract may be suspended except pursuant 42004
to section 3319.17 or 3319.171 of the Revised Code. The salaries 42005
and compensation prescribed by such contracts shall not be 42006
reduced by a board unless such reduction is a part of a uniform 42007
plan affecting the entire district or center. The contract shall 42008
specify the employee's administrative position and duties as 42009
included in the job description adopted under division (D) of 42010
this section, the salary and other compensation to be paid for 42011
performance of duties, the number of days to be worked, the 42012
number of days of vacation leave, if any, and any paid holidays 42013
in the contractual year. 42014

An assistant superintendent, principal, assistant 42015
principal, or other administrator is, at the expiration of the 42016
current term of employment, deemed reemployed at the same salary 42017
plus any increments that may be authorized by the board, unless 42018
such employee notifies the board in writing to the contrary on 42019
or before the fifteenth day of June, or unless such board, on or 42020
before the first day of June of the year in which the contract 42021
of employment expires, either reemploys such employee for a 42022
succeeding term or gives written notice of its intention not to 42023
reemploy the employee. The term of reemployment of a person 42024
reemployed under this paragraph shall be one year, except that 42025
if such person has been employed by the school district or 42026
service center as an assistant superintendent, principal, 42027

assistant principal, or other administrator for three years or 42028
more, the term of reemployment shall be two years. 42029

(D) (1) Each board shall adopt procedures for the 42030
evaluation of all assistant superintendents, principals, 42031
assistant principals, and other administrators and shall 42032
evaluate such employees in accordance with those procedures. The 42033
procedures for the evaluation of principals and assistant 42034
principals shall be based on principles comparable to the 42035
teacher evaluation policy adopted by the board under section 42036
3319.111 of the Revised Code, but shall be tailored to the 42037
duties and responsibilities of principals and assistant 42038
principals and the environment in which they work. An evaluation 42039
based upon procedures adopted under this division shall be 42040
considered by the board in deciding whether to renew the 42041
contract of employment of an assistant superintendent, 42042
principal, assistant principal, or other administrator. 42043

(2) The evaluation shall measure each assistant 42044
superintendent's, principal's, assistant principal's, and other 42045
administrator's effectiveness in performing the duties included 42046
in the job description and the evaluation procedures shall 42047
provide for, but not be limited to, the following: 42048

(a) Each assistant superintendent, principal, assistant 42049
principal, and other administrator shall be evaluated annually 42050
through a written evaluation process. 42051

(b) The evaluation shall be conducted by the 42052
superintendent or designee. 42053

(c) In order to provide time to show progress in 42054
correcting the deficiencies identified in the evaluation 42055
process, the evaluation process shall be completed as follows: 42056

(i) In any school year that the employee's contract of employment is not due to expire, at least one evaluation shall be completed in that year. A written copy of the evaluation shall be provided to the employee no later than the end of the employee's contract year as defined by the employee's annual salary notice.

(ii) In any school year that the employee's contract of employment is due to expire, at least a preliminary evaluation and at least a final evaluation shall be completed in that year. A written copy of the preliminary evaluation shall be provided to the employee at least sixty days prior to any action by the board on the employee's contract of employment. The final evaluation shall indicate the superintendent's intended recommendation to the board regarding a contract of employment for the employee. A written copy of the evaluation shall be provided to the employee at least five days prior to the board's acting to renew or not renew the contract.

(3) Termination of an assistant superintendent, principal, assistant principal, or other administrator's contract shall be pursuant to section 3319.16 of the Revised Code. Suspension of any such employee shall be pursuant to section 3319.17 or 3319.171 of the Revised Code.

(4) Before taking action to renew or nonrenew the contract of an assistant superintendent, principal, assistant principal, or other administrator under this section and prior to the first day of June of the year in which such employee's contract expires, the board shall notify each such employee of the date that the contract expires and that the employee may request a meeting with the board. Upon request by such an employee, the board shall grant the employee a meeting in executive session.

In that meeting, the board shall discuss its reasons for 42087
considering renewal or nonrenewal of the contract. The employee 42088
shall be permitted to have a representative, chosen by the 42089
employee, present at the meeting. 42090

(5) The establishment of an evaluation procedure shall not 42091
create an expectancy of continued employment. Nothing in 42092
division (D) of this section shall prevent a board from making 42093
the final determination regarding the renewal or nonrenewal of 42094
the contract of any assistant superintendent, principal, 42095
assistant principal, or other administrator. However, if a board 42096
fails to provide evaluations pursuant to division (D) (2) (c) (i) 42097
or (ii) of this section, or if the board fails to provide at the 42098
request of the employee a meeting as prescribed in division (D) 42099
(4) of this section, the employee automatically shall be 42100
reemployed at the same salary plus any increments that may be 42101
authorized by the board for a period of one year, except that if 42102
the employee has been employed by the district or service center 42103
as an assistant superintendent, principal, assistant principal, 42104
or other administrator for three years or more, the period of 42105
reemployment shall be for two years. 42106

(E) On nomination of the superintendent of a service 42107
center a governing board may employ supervisors who shall be 42108
employed under written contracts of employment for terms not to 42109
exceed five years each. Such contracts may be terminated by a 42110
governing board pursuant to section 3319.16 of the Revised Code. 42111
Any supervisor employed pursuant to this division may terminate 42112
the contract of employment at the end of any school year after 42113

42584
42585
42586
42587
42588
42589
42590
42591

(2) A district board shall include both of the following in its evaluation policy: 42592
42593

(F) Notwithstanding any provision to the contrary in 42619
Chapter 4117. of the Revised Code, the requirements of this 42620
section prevail over any conflicting provision of a collective 42621

2015. 42623

Sec. 3319.143. Notwithstanding section 3319.141 of the 42624
Revised Code, the board of education of a city, exempted 42625

establish rules for the entitlement, crediting, and use of 42632

signed statement or a physician's certificate is ground for 42641
suspension or termination of employment under section 3311.82 or 42642
3319.16 of the Revised Code. 42643

Assault leave granted under rules adopted by a board of 42644
education pursuant to this section shall not be charged against 42645
sick leave earned or earnable under section 3319.141 of the 42646
Revised Code or leave granted under rules adopted by a board of 42647
education pursuant to section 3311.77 or 3319.08 of the Revised 42648
Code. This section shall be uniformly administered in those 42649
districts where such policy is adopted. 42650

Sec. 3319.151. (A) As used in this section, "assessment" 42651
means an assessment administered under section 3301.0711 of the 42652
Revised Code. 42653

(B) No person shall do any of the following: 42654

(1) Reveal to any student any specific question that the 42655
person knows is part of an assessment or in any other way assist 42656
a pupil to cheat on an assessment; 42657

(2) Obtain prior knowledge of the contents of an 42658
assessment; 42659

(3) Use prior knowledge of the contents of an assessment 42660

(C) On a finding by the state board of education, after 42665
investigation, that a school employee who holds a license, as 42666

defined in section 3319.31 of the Revised Code, has violated 42667
division (B) of this section, the state board shall take any 42668
action against the employee under section 3319.31 of the Revised 42669
Code that it considers appropriate, based on the nature and 42670
extent of the violation. The state board shall give the employee 42671
notice of the allegation upon commencing an investigation and 42672
shall give the employee an opportunity to respond prior to 42673
taking any disciplinary action. 42674

(D) (1) Violation of division (B) of this section is 42675
grounds for termination of employment of a nonteaching employee 42676
under division (C) of section 3319.081 or section 124.34 of the 42677
Revised Code. 42678

(2) Violation of division (B) of this section is grounds 42679
for termination of a teacher contract under section 3311.82 or 42680
3319.16 of the Revised Code. 42681

Sec. 3319.16. The contract of any teacher employed by the 42682
board of education of any city, exempted village, local, county, 42683
or joint vocational school district may not be terminated except 42684
for good and just cause. Notwithstanding any provision to the 42685
contrary in Chapter 4117. of the Revised Code, the provisions of 42686
this section relating to the grounds for termination of the 42687
contract of a teacher prevail over any conflicting provisions of 42688
a collective bargaining agreement entered into after ~~the~~ 42689
~~effective date of this amendment~~ October 16, 2009. 42690

Before terminating any contract, the employing board shall 42691
furnish the teacher a written notice signed by its treasurer of 42692
its intention to consider the termination of the teacher's 42693
contract with full specification of the grounds for such 42694
consideration. The board shall not proceed with formal action to 42695
terminate the contract until after the tenth day after receipt 42696

of the notice by the teacher. Within ten days after receipt of 42697
the notice from the treasurer of the board, the teacher may file 42698
with the treasurer a written demand for a hearing before the 42699
board or before a referee, and the board shall set a time for 42700
the hearing which shall be within thirty days from the date of 42701
receipt of the written demand, and the treasurer shall give the 42702
teacher at least twenty days' notice in writing of the time and 42703
place of the hearing. If a referee is demanded by either the 42704
teacher or board, the treasurer also shall give twenty days' 42705
notice to the ~~superintendent of public instruction~~ department of 42706
education and workforce. No hearing shall be held during the 42707
summer vacation without the teacher's consent. The hearing shall 42708
be private unless the teacher requests a public hearing. The 42709
hearing shall be conducted by a referee appointed pursuant to 42710
section 3319.161 of the Revised Code, if demanded; otherwise, it 42711
shall be conducted by a majority of the members of the board and 42712
shall be confined to the grounds given for the termination. The 42713
board shall provide for a complete stenographic record of the 42714
proceedings, a copy of the record to be furnished to the 42715
teacher. The board may suspend a teacher pending final action to 42716
terminate the teacher's contract if, in its judgment, the 42717
character of the charges warrants such action. 42718

Both parties may be present at such hearing, be 42719
represented by counsel, require witnesses to be under oath, 42720
cross-examine witnesses, take a record of the proceedings, and 42721
require the presence of witnesses in their behalf upon subpoena 42722
to be issued by the treasurer of the board. In case of the 42723
failure of any person to comply with a subpoena, a judge of the 42724
court of common pleas of the county in which the person resides, 42725
upon application of any interested party, shall compel 42726
attendance of the person by attachment proceedings as for 42727

contempt. Any member of the board or the referee may administer 42728
oaths to witnesses. After a hearing by a referee, the referee 42729
shall file a report within ten days after the termination of the 42730
hearing. After consideration of the referee's report, the board, 42731
by a majority vote, may accept or reject the referee's 42732
recommendation on the termination of the teacher's contract. 42733
After a hearing by the board, the board, by majority vote, may 42734
enter its determination upon its minutes. Any order of 42735
termination of a contract shall state the grounds for 42736
termination. If the decision, after hearing, is against 42737
termination of the contract, the charges and the record of the 42738
hearing shall be physically expunged from the minutes, and, if 42739
the teacher has suffered any loss of salary by reason of being 42740
suspended, the teacher shall be paid the teacher's full salary 42741
for the period of such suspension. 42742

Any teacher affected by an order of termination of 42743
contract may appeal to the court of common pleas of the county 42744
in which the school is located within thirty days after receipt 42745
of notice of the entry of such order. The appeal shall be an 42746
original action in the court and shall be commenced by the 42747
filing of a complaint against the board, in which complaint the 42748
facts shall be alleged upon which the teacher relies for a 42749
reversal or modification of such order of termination of 42750
contract. Upon service or waiver of summons in that appeal, the 42751
board immediately shall transmit to the clerk of the court for 42752
filing a transcript of the original papers filed with the board, 42753
a certified copy of the minutes of the board into which the 42754
termination finding was entered, and a certified transcript of 42755
all evidence adduced at the hearing or hearings before the board 42756
or a certified transcript of all evidence adduced at the hearing 42757
or hearings before the referee, whereupon the cause shall be at 42758

issue without further pleading and shall be advanced and heard 42759
without delay. The court shall examine the transcript and record 42760
of the hearing and shall hold such additional hearings as it 42761
considers advisable, at which it may consider other evidence in 42762
addition to the transcript and record. 42763

Upon final hearing, the court shall grant or deny the 42764
relief prayed for in the complaint as may be proper in 42765
accordance with the evidence adduced in the hearing. Such an 42766
action is a special proceeding, and either the teacher or the 42767
board may appeal from the decision of the court of common pleas 42768
pursuant to the Rules of Appellate Procedure and, to the extent 42769
not in conflict with those rules, Chapter 2505. of the Revised 42770
Code. 42771

In any court action, the board may utilize the services of 42772
the prosecuting attorney, village solicitor, city director of 42773
law, or other chief legal officer of a municipal corporation as 42774
authorized by section 3313.35 of the Revised Code, or may employ 42775
other legal counsel. 42776

A violation of division (A) (7) of section 2907.03 of the 42777
Revised Code is grounds for termination of a teacher contract 42778
under this section. 42779

Sec. 3319.161. For the purpose of providing referees for 42780
the hearings required by section 3319.16 of the Revised Code, 42781
the ~~superintendent of public instruction~~ department of education 42782
and workforce shall compile a list of resident electors from 42783
names that the ~~superintendent~~ department shall solicit annually 42784
from the state bar association. 42785

Upon receipt of notice that a referee has been demanded by 42786
a teacher or by a board of education, the ~~superintendent of~~ 42787

~~public instruction department~~ shall immediately designate three 42788
persons from such list, from whom the referee to hear the matter 42789
shall be chosen, and the ~~superintendent department~~ shall 42790
immediately notify the designees, the teacher, and the board of 42791
the school district involved. If within five days of receipt of 42792
the notice, the teacher and board are unable to select a 42793
mutually agreeable designee to serve as referee, the 42794
~~superintendent of public instruction department~~ shall appoint 42795
one of the three designees to serve as referee. The appointment 42796
of the referee shall be entered in the minutes of the board. The 42797
referee appointed shall be paid the referee's usual and 42798
customary fee for attending the hearing which shall be paid from 42799
the school district general fund upon vouchers approved by the 42800
~~superintendent of public instruction department~~ and presented to 42801
the treasurer of the district. No referee shall be a member of, 42802

(2) If both of the following conditions apply to a person 43613

(a) Under this section or any former version of this 43622

The state board or the superintendent of public instruction _may accept a certified copy of records that were issued by the bureau of criminal identification and investigation and that are presented by the person in lieu of requesting that information under division (C) of this section if the records were issued by the bureau within the immediately preceding year.

(E) (1) If a person described in division (A) (3) or (4) of this section who is subject to a criminal records check fails to submit fingerprints and written permission by the date specified in the applicable division, and the state board or the

of this section to the person, or if a person who is subject to 43672
division (G) of this section fails to submit fingerprints and 43673
written permission by the date prescribed under that division, 43674
the superintendent shall prepare a written notice stating that 43675
if the person does not submit the fingerprints and written 43676
permission within fifteen days after the date the notice was 43677
mailed, the person's application will be rejected or the 43678
person's professional or permanent teaching certificate or 43679
license will be inactivated. The superintendent shall send the 43680
notification by regular mail to the person's last known 43681

indicated in the ~~department of education's~~ state board's 43683
records, or both. 43684

If the person fails to submit the fingerprints and written 43685
permission within fifteen days after the date the notice was 43686
mailed, the superintendent of public instruction, on behalf of 43687
the state board, shall issue a written order rejecting the 43688
application or inactivating the person's professional or 43689

send the order by regular mail to the person's last known 43693
residence address or last known place of employment, as 43694
indicated in the ~~department's~~ state board's records, or both. 43695
The order shall state the reason for the rejection or 43696
inactivation and shall explain that the rejection or 43697
inactivation remains in effect until the person submits the 43698
fingerprints and written permission. 43699

The rejection or inactivation of a professional or 43700
permanent teaching certificate or license under division (E) (1) 43701

of this section does not constitute a suspension or revocation 43702
of the certificate or license by the state board under section 43703
3319.31 of the Revised Code and the state board and the 43704
superintendent of public instruction need not provide the person 43705
with an opportunity for a hearing with respect to the rejection 43706
or inactivation. 43707

(2) If a person whose professional or permanent teaching 43708
certificate or license has been rejected or inactivated under 43709

board, shall issue a written order issuing or reactivating the 43713
certificate or license. The superintendent shall send the order 43714
to the person by regular mail. 43715

if a person holds more than one certificate, license, or permit 43717
described in division (A)(1) of this section, the following 43718
shall apply: 43719

(1) If the certificates, licenses, or permits are of 43720
different durations, the person shall be subject to divisions 43721
(A) to (C) of this section only when applying for renewal of the 43722
certificate, license, or permit that is of the longest duration. 43723
Prior to renewing any certificate, license, or permit with a 43724
shorter duration, the state board or the superintendent of 43725
public instruction shall determine whether the ~~department of~~ 43726
education state board has received any information about the 43727
person pursuant to section 109.5721 of the Revised Code, but the 43728
person shall not be subject to divisions (A) to (C) of this 43729
section as long as the person's certificate, license, or permit 43730
with the longest duration is valid. 43731

(2) If the certificates, licenses, or permits are of the same duration but do not expire in the same year, the person shall designate one of the certificates, licenses, or permits as the person's primary certificate, license, or permit and shall notify the ~~department~~state board of that designation. The person shall be subject to divisions (A) to (C) of this section only when applying for renewal of the person's primary certificate, license, or permit. Prior to renewing any certificate, license, or permit that is not the person's primary certificate, license, or permit, the state board or the superintendent of public instruction shall determine whether the ~~department~~state board has received any information about the person pursuant to section 109.5721 of the Revised Code, but the person shall not be subject to divisions (A) to (C) of this section as long as the person's primary certificate, license, or permit is valid.

(3) If the certificates, licenses, or permits are of the same duration and expire in the same year and the person applies for renewal of the certificates, licenses, or permits at the same time, the state board or the superintendent of public instruction shall request only one criminal records check of the person under division (C) of this section.

(G) If the ~~department~~state board is unable to enroll a person who has submitted an application for licensure, or to whom the state board has issued a license, in the retained applicant fingerprint database established under section 109.5721 of the Revised Code because the person has not satisfied the requirements for enrollment, the ~~department~~board shall require the person to satisfy the requirements for enrollment, including requiring the person to submit, by a date prescribed by the ~~department~~state board, one complete set of

fingerprints and written permission that authorizes the 43763
superintendent of public instruction to forward the fingerprints 43764
to the bureau of criminal identification and investigation for 43765
the purpose of enrolling the person in the database. If the 43766
person fails to comply by the prescribed date, the ~~department~~ 43767
state board shall reject the application or shall take action to 43768
inactivate the person's license in accordance with division (E) 43769
of this section. 43770

of a conviction, plea of guilty, bail forfeiture, or other 43777
disposition of a criminal offense committed or alleged to have 43778
been committed by the applicant has been sealed or expunged, the 43779
state board ~~and the department~~ need not assert or demonstrate 43780
that its questioning with respect to the offense bears a direct 43781
and substantial relationship to the issuance or renewal of the 43782
license or to the position in which the applicant will work 43783
under the license. 43784

Any questions regarding a record of a conviction, plea of 43785
guilty, bail forfeiture, or other disposition of a criminal 43786

~~the~~ state board of education, shall be a participating public 43792

regarding the individual, the ~~department~~ state superintendent 43807
shall provide the contents of the report to the requesting 43808
officer. Upon provision of the contents of the report to the 43809
requesting officer, the ~~department~~ state superintendent shall 43810
notify the officer that the information provided is confidential 43811
and may not be disseminated to any other person or entity. 43812

and schooling certificate in accordance with section 3331.01 of 45178
the Revised Code. 45179

(3) Whenever a pupil is suspended or expelled from school 45180
pursuant to section 3313.66 of the Revised Code and the reason 45181
for the suspension or expulsion is the use or possession of 45182
alcohol, a drug of abuse, or alcohol and a drug of abuse, the 45183
superintendent of schools of that district may notify the 45184
registrar and the juvenile judge of the county in which the 45185
district is located of such suspension or expulsion. Any such 45186
notification of suspension or expulsion shall be given to the 45187
registrar, in the manner the registrar by rule requires and 45188
shall be given to the juvenile judge in writing. The 45189
notifications shall be given within two weeks after the 45190
suspension or expulsion. 45191

(4) Whenever a pupil is suspended, expelled, removed, or 45192
permanently excluded from a school for misconduct included in a 45193
policy that the board of education of a city, exempted village, 45194

policy, the superintendent of schools of that district shall 45198
notify the registrar and the juvenile judge of the county in 45199
which the district is located of the suspension, expulsion, 45200
removal, or permanent exclusion. The notification shall be given 45201
to the registrar in the manner the registrar, by rule, requires 45202
and shall be given to the juvenile judge in writing. The 45203
notifications shall be given within two weeks after the 45204
suspension, expulsion, removal, or permanent exclusion. 45205

(C) A notification of withdrawal, habitual absence without 45206
legitimate excuse, suspension, or expulsion given to the 45207

registrar or a juvenile judge under division (B) (1), (2), (3), 45208
or (4) of this section shall contain the name, address, date of 45209
birth, school, and school district of the child. If the 45210
superintendent finds, after giving a notification of withdrawal, 45211
habitual absence without legitimate excuse, suspension, or 45212
expulsion to the registrar and the juvenile judge under division 45213
(B) (1), (2), (3), or (4) of this section, that the notification 45214
was given in error, the superintendent immediately shall notify 45215
the registrar and the juvenile judge of that fact. 45216

Sec. 3321.18. The attendance officer provided for by 45217
section 3321.14 or 3321.15 of the Revised Code shall institute 45218
proceedings against any officer, parent, guardian, or other 45219
person violating laws relating to compulsory education and the 45220
employment of minors, and otherwise discharge the duties 45221
described in sections 3321.14 to 3321.21 of the Revised Code, 45222
and perform any other service that the superintendent of schools 45223
or board of education of the district by which the attendance 45224
officer is employed considers necessary to preserve the morals 45225
and secure the good conduct of school children, and to enforce 45226
those laws. 45227

The attendance officer shall be furnished with copies of 45228
the enumeration in each school district in which the attendance 45229
officer serves and of the lists of pupils enrolled in the 45230
schools and shall report to the superintendent discrepancies 45231
between these lists and the enumeration. 45232

The attendance officer and assistants shall cooperate with 45233
the director of commerce in enforcing the laws relating to the 45234
employment of minors. The attendance officer shall furnish upon 45235
request any data that the attendance officer and the attendance 45236
officer's assistants have collected in their reports of children 45237

from six to eighteen years of age and also concerning employers 45238
to the director and upon request to the ~~state board department~~ 45239
of education and workforce. The attendance officer shall keep a 45240

inspection and information of the superintendent of schools and 45242
the board of education; and shall make reports to the 45243
superintendent of schools as often as required by the 45244
superintendent. The ~~state board of education department~~ may 45245
prescribe forms for the use of attendance officers in the 45246
performance of their duties. The blank forms and record books or 45247
indexes shall be furnished to the attendance officers by the 45248
boards of education by which they are employed. 45249

Sec. 3321.19. (A) As used in this section and section 45250
3321.191 of the Revised Code, "habitual truant" has the same 45251
meaning as in section 2151.011 of the Revised Code. 45252

(B) When a board of education of any city, exempted 45253
village, local, joint vocational, or cooperative education 45254
school district or the governing board of any educational 45255
service center determines that a student in its district has 45256
been truant and the parent, guardian, or other person having 45257
care of the child has failed to cause the student's attendance 45258
at school, the board may require the parent, guardian, or other 45259
person having care of the child pursuant to division (B) of this 45260
section to attend an educational program established pursuant to 45261
rules adopted by the ~~state board department~~ of education and 45262
workforce for the purpose of encouraging parental involvement in 45263
compelling the attendance of the child at school. 45264

No parent, guardian, or other person having care of a 45265
child shall fail without good cause to attend an educational 45266
program described in this division if the parent, guardian, or 45267

other person has been served notice pursuant to division (C) of 45268
this section. 45269

(C) On the request of the superintendent of schools, the 45270
superintendent of any educational service center, the board of 45271
education of any city, exempted village, local, joint 45272
vocational, or cooperative education school district, or the 45273
governing board of any educational service center or when it 45274
otherwise comes to the notice of the attendance officer or other 45275
appropriate officer of the school district, the attendance 45276
officer or other appropriate officer shall examine into any case 45277
of supposed truancy within the district and shall warn the 45278
child, if found truant, and the child's parent, guardian, or 45279
other person having care of the child, in writing, of the legal 45280
consequences of being truant. When any child of compulsory 45281
school age, in violation of law, is not attending school, the 45282
attendance or other appropriate officer shall notify the parent, 45283
guardian, or other person having care of that child of the fact, 45284
and require the parent, guardian, or other person to cause the 45285
child to attend school immediately. The parent, guardian, or 45286
other person having care of the child shall cause the child's 45287
attendance at school. Upon the failure of the parent, guardian, 45288
or other person having care of the child to do so, the 45289
attendance officer or other appropriate officer, if so directed 45290
by the superintendent, the district board, or the educational 45291
service center governing board, shall send notice requiring the 45292
attendance of that parent, guardian, or other person at a 45293
parental education program established pursuant to division (B) 45294
of this section and, subject to divisions (D) and (E) of this 45295
section, may file a complaint against the parent, guardian, or 45296
other person having care of the child in any court of competent 45297
jurisdiction. 45298

(D) (1) Upon the failure of the parent, guardian, or other person having care of the child to cause the child's attendance at school, if the child is considered an habitual truant, the board of education of the school district or the governing board of the educational service center, within ten days, subject to division (E) of this section, shall assign the student to an absence intervention team as described in division (C) of section 3321.191 of the Revised Code.

(2) The attendance officer shall file a complaint in the juvenile court of the county in which the child has a residence or legal settlement or in which the child is supposed to attend school jointly against the child and the parent, guardian, or other person having care of the child, in accordance with the timelines and conditions set forth in division (B) of section 3321.16 of the Revised Code. A complaint filed in the juvenile court under this division shall allege that the child is an unruly child for being an habitual truant and that the parent, guardian, or other person having care of the child has violated section 3321.38 of the Revised Code.

(E) A school district with a chronic absenteeism percentage that is less than five per cent, as displayed on the district's most recent report card issued under section 3302.03 of the Revised Code, and the school buildings within that district, shall be exempt from the requirement to assign habitually truant students to an absence intervention team for the following school year and shall instead take any appropriate action as an intervention strategy contained in the policy developed by the district board pursuant to divisions (A) and (B) of section 3321.191 of the Revised Code. In the event that those intervention strategies fail, within sixty-one days after their implementation, the attendance officer shall file a

complaint, provided that the conditions described in division 45330
(B) of section 3321.16 of the Revised Code are satisfied. 45331

Sec. 3321.191. (A) Effective beginning with the 2017-2018 45332
school year, the board of education of each city, exempted 45333
village, local, joint vocational, and cooperative education 45334
school district and the governing board of each educational 45335
service center shall adopt a new or amended policy to guide 45336
employees of the school district or service center in addressing 45337
and ameliorating student absences. In developing the policy, the 45338
appropriate board shall consult with the judge of the juvenile 45339
court of the county or counties in which the district or service 45340
center is located, with the parents, guardians, or other persons 45341
having care of the pupils attending school in the district, and 45342
with appropriate state and local agencies. 45343

(B) The policy developed under division (A) of this 45344
section shall include as an intervention strategy all of the 45345
following actions, if applicable: 45346

(1) Providing a truancy intervention plan for any student 45347
who is excessively absent from school, as described in the first 45348
paragraph of division (C) of this section; 45349

(2) Providing counseling for an habitual truant; 45350

(3) Requesting or requiring a parent, guardian, or other 45351

or 3321.38 of the Revised Code. 45361

(C) (1) In the event that a child of compulsory school age 45362
is absent with a nonmedical excuse or without legitimate excuse 45363
from the public school the child is supposed to attend for 45364
thirty-eight or more hours in one school month, or sixty-five or 45365
more hours in a school year, the attendance officer of that 45366
school shall notify the child's parent, guardian, or custodian 45367
of the child's absences, in writing, within seven days after the 45368
date after the absence that triggered the notice requirement. At 45369
the time notice is given, the school also may take any 45370
appropriate action as an intervention strategy contained in the 45371
policy developed by the board pursuant to division (A) of this 45372
section. 45373

(2) (a) If the absences of a student surpass the threshold 45374
for an habitual truant as set forth in section 2151.011 of the 45375
Revised Code, the principal or chief administrator of the school 45376
or the superintendent of the school district shall assign the 45377
student to an absence intervention team. Within fourteen school 45378
days after the assignment of a student to an absence 45379
intervention team, the team shall develop an intervention plan 45380
for that student in an effort to reduce or eliminate further 45381
absences. Each intervention plan shall vary based on the 45382
individual needs of the student, but the plan shall state that 45383
the attendance officer shall file a complaint not later than 45384
sixty-one days after the date the plan was implemented, if the 45385
child has refused to participate in, or failed to make 45386
satisfactory progress on, the intervention plan or an 45387
alternative to adjudication under division (C) (2) (b) of section 45388

3321.191 of the Revised Code. Within seven days after the 45389
development of the plan, the school district or school shall 45390
make reasonable efforts to provide the student's parent, 45391
guardian, custodian, guardian ad litem, or temporary custodian 45392
with written notice of the plan. 45393

(b) As part of the absence intervention plan described in 45394
division (C)(2) of this section, the school district or school, 45395
in its discretion, may contact the appropriate juvenile court 45396
and ask to have a student informally enrolled in any alternative 45397
to adjudication described in division (G) of section 2151.27 of 45398
the Revised Code. If the school district or school chooses to 45399
have students informally enrolled in an alternative to 45400
adjudication, the school district or school shall develop a 45401
written policy regarding the use of, and selection process for, 45402
offering alternatives to adjudication to ensure fairness. 45403

(c) The superintendent of each school district, or the 45404
superintendent's designee, shall establish an absence 45405
intervention team for the district to be used by any schools of 45406
the district that do not establish their own absence 45407
intervention team as permitted under division (C)(2)(d) of this 45408
section. Membership of each absence intervention team may vary 45409
based on the needs of each individual student but shall include 45410
a representative from the child's school district or school, 45411
another representative from the child's school district or 45412
school who knows the child, and the child's parent or parent's 45413
designee, or the child's guardian, custodian, guardian ad litem, 45414
or temporary custodian. The team also may include a school 45415
psychologist, counselor, social worker, or representative of a 45416
public or nonprofit agency designed to assist students and their 45417
families in reducing absences. 45418

(d) The principal or chief administrator of each school 45419
may establish an absence intervention team or series of teams to 45420
be used in lieu of the district team established pursuant to 45421
division (C) (2) (c) of this section. Membership of each absence 45422
intervention team may vary based on the needs of each individual 45423
student but shall include a representative from the child's 45424
school district or school, another representative from the 45425
child's school district or school who knows the child, and the 45426
child's parent or parent's designee, or the child's guardian, 45427
custodian, guardian ad litem, or temporary custodian. The team 45428
also may include a school psychologist, counselor, social 45429
worker, or representative of a public or nonprofit agency 45430
designed to assist students and their families in reducing 45431
absences. 45432

(e) A superintendent, as described in division (C) (2) (c) 45433
of this section, or principal or chief administrator, as 45434
described in division (C) (2) (d) of this section, shall select 45435
the members of an absence intervention team within seven school 45436
days of the triggering event described in division (C) (2) (a) of 45437
this section. The superintendent, principal, or chief 45438
administrator, within the same period of seven school days, 45439
shall make at least three meaningful, good faith attempts to 45440
secure the participation of the student's parent, guardian, 45441
custodian, guardian ad litem, or temporary custodian on that 45442
team. If the student's parent responds to any of those attempts, 45443
but is unable to participate for any reason, the representative 45444
of the school district shall inform the parent of the parent's 45445
right to appear by designee. If seven school days elapse and the 45446
student's parent, guardian, custodian, guardian ad litem, or 45447
temporary custodian fails to respond to the attempts to secure 45448
participation, the school district or school shall do both of 45449

the following: 45450

(i) Investigate whether the failure to respond triggers 45451
mandatory reporting to the public children services agency for 45452
the county in which the child resides in the manner described in 45453
section 2151.421 of the Revised Code; 45454

(ii) Instruct the absence intervention team to develop an 45455
intervention plan for the child notwithstanding the absence of 45456
the child's parent, guardian, custodian, guardian ad litem, or 45457
temporary custodian. 45458

(f) In the event that a student becomes habitually truant 45459
within twenty-one school days prior to the last day of 45460
instruction of a school year, the school district or school may, 45461
in its discretion, assign one school official to work with the 45462
child's parent, guardian, custodian, guardian ad litem, or 45463
temporary custodian to develop an absence intervention plan 45464
during the summer. If the school district or school selects this 45465
method, the plan shall be implemented not later than seven days 45466
prior to the first day of instruction of the next school year. 45467
In the alternative, the school district or school may toll the 45468
time periods to accommodate for the summer months and reconvene 45469
the absence intervention process upon the first day of 45470
instruction of the next school year. 45471

(3) For purposes of divisions (C) (2) (c) and (d) of this 45472
section, the ~~state board department~~ department of education and workforce 45473
shall develop a format for parental permission to ensure 45474
compliance with the "Family Educational Rights and Privacy Act 45475
of 1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended, and any 45476
regulations promulgated under that act, and section 3319.321 of 45477
the Revised Code. 45478

(D) Each school district or school may consult or partner with public and nonprofit agencies to provide assistance as appropriate to students and their families in reducing absences.

(E) Beginning with the 2017-2018 school year, each school district shall report to the department ~~of education~~, as soon as practicable, and in a format and manner determined by the department, any of the following occurrences:

(3) When a child of compulsory school age who has been adjudicated an unruly child for being an habitual truant violates the court order regarding that adjudication;

(4) When an absence intervention plan has been implemented for a child under this section.

(F) Nothing in this section shall be construed to limit the duty or authority of a district board of education or governing body of an educational service center to develop other policies related to truancy or to limit the duty or authority of any employee of the school district or service center to respond to pupil truancy. However, a board shall be subject to the prohibition against suspending, expelling, or otherwise preventing a student from attending school for excessive absences as prescribed by section 3313.668 of the Revised Code.

special education or related service that the child receives. 46743

The calculation of tuition shall be made by using a formula 46744
established by rule of the department of developmental 46745

committee. 47827

The committee shall determine the criteria for proposals, 47828
establish procedures for the submission of proposals, accept and 47829
evaluate proposals, and choose which proposals to approve to 47830
become a STEM school. In approving proposals for STEM schools, 47831
the committee shall consider designating schools in diverse 47832
geographic regions of the state so that all students have access 47833
to a STEM school. 47834

The committee shall seek technical assistance from the 47835

Ohio STEM learning network, or its successor, throughout the 47836
process of accepting and evaluating proposals and choosing which 47837
proposals to approve. In approving proposals for STEM schools, 47838
the committee shall consider the recommendations of the Ohio 47839
STEM learning network, or its successor. 47840

The committee may authorize the establishment of a group 47841
of multiple STEM schools to operate from multiple facilities 47842
located in one or more school districts under the direction of a 47843
single governing body in the manner prescribed by section 47844
3326.031 of the Revised Code. The committee shall consider the 47845
merits of each of the proposed STEM schools within a group and 47846
shall authorize each school separately. Anytime after 47847
authorizing a group of STEM schools to be under the direction of 47848
a single governing body, the committee may authorize one or more 47849
additional schools to operate as part of that group, provided a 47850
proposal for each school is submitted in accordance with this 47851
section. 47852

The STEM committee may approve one or more STEM schools to 47853
serve only students identified as gifted under Chapter 3324. of 47854
the Revised Code. 47855

public and private entities consisting of at least all of the 47857
following: 47858

(1) A city, exempted village, or local school district; 47859

(2) Higher education entities; 47860

(3) Business organizations. 47861

A community school established under Chapter 3314. of the 47862
Revised Code, a chartered nonpublic school, or both may be part 47863
of the partnership. 47864

- (C) Each proposal shall include at least the following: 47865
- (1) A statement of which of grades kindergarten through 47866
twelve will be offered by the school; 47867
- (2) Assurances that the STEM school or group of STEM 47868
schools will be under the oversight of a governing body and a 47869
description of the members of that governing body and how they 47870
will be selected; 47871
- (3) Assurances that each STEM school will operate in 47872
compliance with this chapter and the provisions of the proposal 47873
as accepted by the committee and that the school will maintain 47874
the STEM education practices set forth in the proposal; 47875
- (4) Evidence that each school will exhibit school-wide 47876
cultural strategies reflecting innovation, an entrepreneurial 47877
spirit, inquiry, and collaboration with individual 47878
accountability; 47879
- (5) Evidence that each school will offer a rigorous, 47880
diverse, integrated, and problem- or project-based curriculum to 47881
all students enrolled in the school, with the goal to prepare 47882
all students for post-high school learning experiences, the 47883
workforce, and citizenship, and that does all of the following: 47884
- (a) Emphasizes and supports the role of science, 47885
technology, engineering, and mathematics in promoting innovation 47886
and economic progress; 47887
- (b) Emphasizes the use of design thinking as a school-wide 47888
approach; 47889
- (c) Provides opportunities for students to engage in 47890
personalized learning; 47891
- (d) Includes the arts and humanities. If the proposal is 47892

for a STEAM school, it also shall include evidence that the 47893
curriculum will integrate arts and design into the study of 47894
science, technology, engineering, and mathematics to foster 47895
creative thinking, problem-solving, and new approaches to 47896
scientific invention. 47897

(6) Evidence that school leadership supports the 47898
curriculum principles of division (C) (5) of this section; 47899

(7) A description of how each school's curriculum was 47900
developed using the curriculum principles described in division 47901
(C) (5) of this section and approved by a team in accordance with 47902
section 3326.09 of the Revised Code; 47903

(8) Evidence that each school will participate in regular 47904
STEM-focused professional development and share knowledge of 47905

(10) Assurances that each school has received commitments 47911
of sustained and verifiable fiscal and in-kind support from 47912
regional education and business entities. If the proposal is for 47913
a STEAM school, it also shall include assurances that the school 47914
has received commitments of sustained and verifiable fiscal and 47915
in-kind support from arts organizations. 47916

(11) A description of how each school's assets will be 47917
distributed if the school closes for any reason. 47918

(D) A STEM school that is designated under this section 47919
may submit an amended proposal to the STEM committee at any time 47920
to offer additional grade levels. Upon approval of the amended 47921

proposal by the committee, those grades may be offered by the 47922
school. 47923

(E) (1) If a school is designated as a STEM school under 47924
this section, it shall maintain that designation for five years 47925
unless the STEM committee revokes its designation during that 47926
five-year period under division (F) of this section. At the end 47927
of that five-year period, the school shall reapply to the STEM 47928
committee in order to maintain that designation. The committee 47929
shall authorize the continuation of the school's STEM 47930
designation if the committee finds that the school is in 47931
compliance with this chapter and the provisions of its proposal 47932
and any subsequent amendments to that proposal. 47933

If a school chooses not to reapply for designation as a 47934
STEM school under division (E) (1) of this section, the committee 47935
shall revoke the school's designation at the end of its five- 47936
year designation period. 47937

(2) If a school reapplies for its designation as a STEM 47938
school under division (E) (1) of this section and the committee 47939
has reason to believe that it is not in compliance with this 47940
chapter or the provisions of its proposal and any subsequent 47941
amendments to that proposal, the committee shall require the 47942
school, in collaboration with the department of education and 47943
workforce and the Ohio STEM learning network or its successor, 47944
to develop a corrective action plan. The school shall implement 47945
the corrective action plan and demonstrate exemplary STEM 47946
pedagogy and practices within one year of the plan's 47947
development. If the school fails to implement the corrective 47948
action plan to the satisfaction of the committee at the end of 47949
that year, the committee shall revoke the school's designation. 47950

(3) The department shall maintain records of the 47951

application status and designation renewal deadlines for each 47952
school that has been designated as a STEM school under this 47953
section. 47954

(F) If the STEM committee has reason to believe that a 47955
school that is designated as a STEM school under this section is 47956
not in compliance with this chapter or the provisions of its 47957
proposal and any subsequent amendments to that proposal, it may 47958
review the school's designation prior to the end of its five- 47959
year designation period. If the committee reviews a school's 47960
designation under this division, it must require the school to 47961
develop a corrective action plan in the same manner as specified 47962
in division (E) (2) of this section and implement that plan and 47963
demonstrate exemplary STEM pedagogy and practices within one 47964
year of the plan's development. If the school fails to implement 47965
the corrective action plan to the satisfaction of the committee 47966
at the end of that year, the committee shall revoke the school's 47967
designation. 47968

(G) If a STEM school wishes to become a STEAM school, it 47969
may change its existing proposal to include the items required 47970
under divisions (C) (5) (d), (C) (9), and (C) (10) of this section 47971
and submit the revised proposal to the STEM committee for 47972
approval. 47973

(H) Notwithstanding division (B) (1) of this section, on 47974
~~and after the effective date of this amendment~~ September 30, 47975
2021, a school operated by a joint vocational school district 47976
that was designated as a STEM school prior to that date may 47977
maintain that designation provided the school continues to 47978
comply with this chapter and all provisions of its proposal and 47979
any subsequent amendments to that proposal. However, nothing 47980
shall prohibit that school from electing to apply for a 47981

designation of STEM school equivalent or distinction as a STEM 47982
program of excellence under section 3326.032 or 3326.04 of the 47983
Revised Code, respectively. 47984

Sec. 3326.032. (A) The STEM committee may grant a 47985
designation of STEM school equivalent to any of the following 47986
schools: 47987

(1) A school operated by a joint vocational school 47988
district; 47989

(2) A school offering career-technical education programs 47990
that is operated by a school district that is a comprehensive 47991
career-technical education provider; 47992

(3) A school offering career-technical education programs 47993
that is operated by a school district that is a participant in a 47994
compact career-technical education provider; 47995

(4) A community school established under Chapter 3314. of 47996
the Revised Code; 47997

(5) A chartered nonpublic school. 47998

In order to be eligible for this designation, a school 47999
shall submit a proposal that satisfies the requirements of this 48000
section. 48001

The committee shall determine the criteria for proposals, 48002
establish procedures for the submission of proposals, accept and 48003
evaluate proposals, and choose which proposals warrant a school 48004
to be designated as a STEM school equivalent. 48005

(B) A proposal for designation as a STEM school equivalent 48006
shall include at least the following: 48007

(1) A statement of which of grades kindergarten through 48008

twelve will be offered by the school; 48009

(2) Assurances that the school will operate in compliance 48010
with this section and the provisions of the proposal as accepted 48011
by the committee and that the school will maintain the STEM 48012
education practices set forth in the proposal; 48013

(3) Evidence that the school will exhibit school-wide 48014
cultural strategies reflecting innovation, an entrepreneurial 48015
spirit, inquiry, and collaboration with individual 48016
accountability; 48017

(4) Evidence that the school will offer a rigorous, 48018
diverse, integrated, and problem- or project-based curriculum to 48019
all students enrolled in the school, with the goal to prepare 48020
all students for post-secondary learning experiences, the 48021
workforce, and citizenship, and that does all of the following: 48022

(a) Emphasizes and supports the role of science, 48023
technology, engineering, and mathematics in promoting innovation 48024
and economic progress; 48025

(b) Emphasizes the use of design thinking as a school-wide 48026
approach; 48027

(c) Provides opportunities for students to engage in 48028
personalized learning; 48029

(d) Includes the arts and humanities. If the proposal is 48030
for a STEAM school equivalent, it also shall include evidence 48031
that the curriculum will integrate arts and design into the 48032
study of science, technology, engineering, and mathematics to 48033
foster creative thinking, problem-solving, and new approaches to 48034
scientific invention. 48035

(5) Evidence that the school leadership supports the 48036

curriculum principles of division (B)(4) of this section; 48037

(6) A description of how the school's curriculum was 48038
developed using the principles of division (B)(4) of this 48039
section and approved by a team in accordance with section 48040
3326.09 of the Revised Code; 48041

(7) Evidence that the school will participate in regular 48042
professional development and share knowledge of best practices; 48043

(8) Evidence that the school has established partnerships 48044

proposal is for a STEAM school equivalent, it also shall include 48046
evidence of established partnerships with one or more arts 48047
organizations. 48048

(9) Assurances that the school has received commitments of 48049
sustained and verifiable fiscal and in-kind support from 48050
regional education and business entities. If the proposal is for 48051
a STEAM school equivalent, it also shall include assurances that 48052
the school has received commitments of sustained and verifiable 48053
fiscal and in-kind support from arts organizations. 48054

(C)(1) If a school is designated as a STEM school 48055
equivalent under this section, it shall maintain that 48056
designation for five years unless the STEM committee revokes its 48057
designation during that five-year period under division (D) of 48058
this section. At the end of that five-year period, the school 48059
shall reapply to the STEM committee in order to maintain that 48060
designation. The committee shall authorize the continuation of 48061
the school's designation as a STEM school equivalent if the 48062
committee finds that the school is in compliance with this 48063
chapter and the provisions of its proposal and any subsequent 48064
amendments to that proposal. 48065

If a school chooses not to reapply for designation as a STEM school equivalent under division (C)(1) of this section, the committee shall revoke the school's designation at the end of its five-year designation period.

(2) If a school reapplies for its designation as a STEM school equivalent under division (C)(1) of this section and the committee has reason to believe that it is not in compliance with this chapter or the provisions of its proposal and any subsequent amendments to that proposal, the committee shall require the school, in collaboration with the department of education and workforce and the Ohio STEM learning network or its successor, to develop a corrective action plan. The school shall implement the corrective action plan and demonstrate exemplary STEM pedagogy and practices within one year of the plan's development. If the school fails to implement the corrective action plan to the satisfaction of the committee at the end of that year, the committee shall revoke the school's designation.

(3) The department shall maintain records of the application status and designation renewal deadlines for each school that has been designated as a STEM school equivalent under this section.

(D) If the STEM committee has reason to believe that a school that is designated as a STEM school equivalent under this section is not in compliance with this chapter or the provisions of its proposal and any subsequent amendments to that proposal, it may review the school's designation prior to the end of its five-year designation period. If the committee reviews a school's designation under this division, it must require the school to develop a corrective action plan in the same manner as

specified in division (C) (2) of this section and implement that 48096
plan and demonstrate exemplary STEM pedagogy and practices 48097
within one year of the plan's development. If the school fails 48098
to implement the corrective action plan to the satisfaction of 48099
the committee at the end of that year, the committee shall 48100
revoke the school's designation. 48101

(E) A school that is designated as a STEM school 48102
equivalent under this section shall not be subject to the 48103
requirements of Chapter 3326. of the Revised Code, except that 48104
the school shall be subject to the requirements of this section 48105
and to the curriculum requirements of section 3326.09 of the 48106
Revised Code. 48107

Nothing in this section, however, shall relieve a 48108
community school of the applicable requirements of Chapter 3314. 48109
of the Revised Code. Nor shall anything in this section relieve 48110
a school operated by a joint vocational school district, a 48111
school operated by a comprehensive career-technical education 48112
provider, a school operated by a compact career-technical 48113
education provider, or a chartered nonpublic school of any 48114
provisions of law outside of this chapter that are applicable to 48115
such schools. 48116

(2) A school that is designated as a STEM school 48117
equivalent under this section shall not be eligible for 48118
operating funding under sections 3326.31 to 3326.37, 3326.39 to 48119
3326.40, and 3326.51 of the Revised Code. 48120

(3) A school that is designated as a STEM school 48121
equivalent under this section may apply for any of the grants 48122
and additional funds described in section 3326.38 of the Revised 48123
Code for which the school is eligible. 48124

(F) If a school that is designated as a STEM school 48125
equivalent under this section intends to close or intends to no 48126
longer be designated as a STEM school equivalent, it shall 48127
notify the STEM committee of that fact. 48128

(G) If a school that is designated as a STEM school 48129
equivalent wishes to be designated as a STEAM school equivalent, 48130
it may change its existing proposal to include the items 48131
required under divisions (B) (4) (d), (B) (8), and (B) (9) of this 48132
section and submit the revised proposal to the STEM committee 48133
for approval. 48134

Sec. 3326.04. (A) The STEM committee shall grant 48135
distinctions as STEM programs of excellence to STEM programs 48136
operated by joint vocational school districts, comprehensive 48137
career-technical education providers, compact career-technical 48138
education providers, and educational service centers in 48139
accordance with this section. 48140

(B) A joint vocational school district, comprehensive 48141
career-technical education provider, compact career-technical 48142
education provider, or educational service center may submit a 48143
proposal to the STEM committee seeking distinction as a STEM 48144
program of excellence. The proposal shall demonstrate to the 48145
satisfaction of the STEM committee that the program meets at 48146
least the following standards: 48147

(1) Unless the program is designed to serve only students 48148
identified as gifted under Chapter 3324. of the Revised Code, 48149

(3) The program will offer a rigorous, diverse, 48155
integrated, and problem- or project-based curriculum to 48156
students, with the goal to prepare students for post-secondary 48157

does all of the following: 48159

(a) Emphasizes and supports the role of science, 48160
technology, engineering, and mathematics in promoting innovation 48161
and economic progress; 48162

(b) Emphasizes the use of design thinking as a school-wide 48163
approach; 48164

(c) Provides opportunities for students to engage in 48165
personalized learning; 48166

for distinction as a STEAM program of excellence, it also shall 48168
include evidence that the curriculum will integrate arts and 48169
design into the study of science, technology, engineering, and 48170
mathematics to foster creative thinking, problem-solving, and 48171
new approaches to scientific invention. 48172

(4) The district, provider, or service center leadership 48173
supports the curriculum principles of division (B) (3) of this 48174
section. 48175

(5) The program's leaders participate in regular STEM- 48176
focused professional development and share knowledge of best 48177
practices. 48178

(6) The program has established partnerships with 48179
institutions of higher education and businesses. If the proposal 48180

48183

(7) The program has received commitments of sustained and verifiable fiscal and in-kind support from regional education and business entities. 48185
48186
48187
48188
48189

(8) The program's curriculum was developed using the principles described in division (B)(3) of this section and approved by a team in accordance with section 3326.09 of the Revised Code. 48190

48193

(C)(1) If a joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center receives a distinction as a STEM program of excellence under this section, it shall maintain that distinction for five years unless the STEM committee revokes the distinction during that five-year period under division (E) of this section. At the end of that five-year period, the district, provider, or service center shall reapply to the STEM committee in order to maintain that distinction. The committee shall authorize the continuation of the district's, provider's, or service center's distinction as a STEM program of excellence if the committee finds that the district, provider, or service center is in compliance with this chapter and the provisions of its proposal and any subsequent amendments to that proposal. 48194
48195
48196
48197
48198
48199
48200
48201
48202
48203
48204
48205
48206
48207
48208

If a joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center chooses not to 48209
48210
48211

reapply for a distinction for a STEM program of excellence under 48212
division (C) (1) of this section, the committee shall revoke the 48213
district's, provider's, or service center's distinction at the 48214
end of its five-year period of distinction. 48215

(2) If a joint vocational school district, comprehensive 48216
career-technical education provider, compact career-technical 48217
education provider, or educational service center reapplies for 48218
distinction as a STEM program of excellence under division (C) 48219
(1) of this section and the committee has reason to believe that 48220
it is not in compliance with this chapter or the provisions of 48221
its proposal and any subsequent amendments to that proposal, the 48222
committee shall require the district, provider, or service 48223
center, in collaboration with the department of education and 48224
workforce and the Ohio STEM learning network or its successor, 48225
to develop a corrective action plan. The district, provider, or 48226
service center shall implement the corrective action plan and 48227
demonstrate exemplary STEM pedagogy and practices within one 48228
year of the plan's development. If the district, provider, or 48229

(3) The department shall maintain records of the 48234
application status and designation renewal deadlines for each 48235
joint vocational school district, comprehensive career-technical 48236
education provider, compact career-technical education provider, 48237
or educational service center that has received a distinction as 48238
a STEM program of excellence under this section. 48239

(D) If the STEM committee has reason to believe that a 48240
joint vocational school district, comprehensive career-technical 48241

education provider, compact career-technical education provider, 48242
or educational service center that has received a distinction as 48243
a STEM program of excellence under this section is not in 48244
compliance with this chapter or the provisions of its proposal 48245
and any subsequent amendments to that proposal, it may review 48246
the district's, provider's, or service center's distinction 48247
prior to the end of the five-year period during which that 48248
distinction is effective. If the committee reviews a district's, 48249
provider's, or service center's distinction under this division, 48250
it must require the district, provider, or service center to 48251
develop a corrective action plan in the same manner as specified 48252
in division (C) (2) of this section and implement that plan and 48253
demonstrate exemplary STEM pedagogy and practices within one 48254
year of the plan's development. If the district, provider, or 48255
service center fails to implement the corrective action plan to 48256
the satisfaction of the committee at the end of that year, the 48257

center's distinction. 48259

(E) If a joint vocational school district, comprehensive 48260
career-technical education provider, compact career-technical 48261
education provider, or educational service center that has 48262
received distinction for a STEM program of excellence instead 48263
wishes to receive a distinction for a STEAM program of 48264
excellence, it may change its existing proposal to include the 48265
items required under divisions (B) (3) (d), (B) (6), and (B) (7) of 48266
this section and submit the revised proposal to the STEM 48267
committee for approval. 48268

Sec. 3326.08. (A) The governing body of each science, 48269
technology, engineering, and mathematics school shall engage the 48270
services of administrative officers, teachers, and nonteaching 48271
employees of the STEM school necessary for the school to carry 48272

out its mission and shall oversee the operations of the school. 48273
The governing body of each STEM school shall engage the services 48274
of a chief administrative officer to serve as the school's 48275
instructional and administrative leader. The chief 48276
administrative officer shall be granted the authority to oversee 48277

means a city, exempted village, or local school district that 48685
has entered into an agreement under section 3313.843 or 3313.845 48686
of the Revised Code to receive any services from an educational 48687
service center. 48688

Sec. 3326.51. (A) As used in this section: 48689

(1) "Resident district" has the same meaning as in section 48690
3326.31 of the Revised Code. 48691

(2) "STEM school sponsoring district" means a municipal, 48692
city, local, or exempted village school district that governs 48693
and controls a STEM school pursuant to this section. 48694

(B) Notwithstanding any other provision of this chapter to 48695
the contrary: 48696

(1) If a proposal for a STEM school submitted under 48697
section 3326.03 of the Revised Code proposes that the governing 48698
body of the school be the board of education of a municipal, 48699
city, local, or exempted village school district that is one of 48700
the partners submitting the proposal, and the STEM committee 48701
approves that proposal, that school district board shall govern 48702
and control the STEM school as one of the schools of its 48703
district. 48704

(2) The STEM school sponsoring district shall maintain a 48705
separate accounting for the STEM school as a separate and 48706
distinct operational unit within the district's finances. The 48707
auditor of state, in the course of an annual or biennial audit 48708
of the school district serving as the STEM school sponsoring 48709

district, shall audit that school district for compliance with 48710
the financing requirements of this section. 48711

(3) With respect to students enrolled in a STEM school 48712
whose resident district is the STEM school sponsoring district: 48713

(a) The department of education and workforce shall make 48714
payments to the school in accordance with section 3317.022 of 48715
the Revised Code from the STEM school sponsoring district's 48716
state payments. 48717

(b) The STEM school sponsoring district is responsible for 48718
providing children with disabilities with a free appropriate 48719
public education under Chapter 3323. of the Revised Code. 48720

(c) The STEM school sponsoring district shall provide 48721
student transportation in accordance with laws and policies 48722
generally applicable to the district. 48723

(4) With respect to students enrolled in the STEM school 48724
whose resident district is another school district, the 48725
department shall consider the students as open enrollment 48726
students and shall make payments to the school in accordance 48727
with section 3317.022 of the Revised Code. 48728

(5) A STEM school sponsoring district and its board may 48729
assign its district employees to the STEM school, in which case 48730
section 3326.18 of the Revised Code shall not apply. The 48731
district and board may apply any other resources of the district 48732
to the STEM school in the same manner that it applies district 48733
resources to other district schools. 48734

(6) Provisions of this chapter requiring a STEM school and 48735
its governing body to comply with specified laws as if it were a 48736
school district and in the same manner as a board of education 48737
shall instead require such compliance by the STEM school 48738

sponsoring district and its board of education, respectively, 48739
with respect to the STEM school. Where a STEM school or its 48740
governing body is required to perform a specific duty or 48741
permitted to take a specific action under this chapter, that 48742
duty is required to be performed or that action is permitted to 48743
be taken by the STEM school sponsoring district or its board of 48744
education, respectively, with respect to the STEM school. 48745

(7) No provision of this chapter limits the authority, as 48746
provided otherwise by law, of a school district and its board of 48747
education to levy taxes and issue bonds secured by tax revenues. 48748

(8) The treasurer of the STEM school sponsoring district 48749
or, if the STEM school sponsoring district is a municipal school 48750
district, the chief financial officer of the district, shall 48751
have all of the respective rights, authority, exemptions, and 48752
duties otherwise conferred upon the treasurer or chief financial 48753
officer by the Revised Code. 48754

Sec. 3326.60. (A) With the approval of its governing body, 48755
a STEM school established under this chapter may procure 48756
injectable or nasally administered glucagon in the manner 48757
prescribed by section 3313.7115 of the Revised Code. A STEM 48758
school that elects to do so shall comply with all provisions of 48759
that section as if it were a school district. 48760

(B) (1) The following are not liable in damages in a civil 48761
action for injury, death, or loss to person or property that 48762
allegedly arises from an act or omission associated with 48763
procuring, maintaining, accessing, or using injectable or 48764
nasally administered glucagon under this section, unless the act 48765
or omission constitutes willful or wanton misconduct: 48766

(a) A STEM school; 48767

(b) A member of a STEM school governing body; 48768

(c) A STEM school employee or contractor; 48769

(d) A licensed health professional authorized to prescribe 48770
drugs who personally furnishes or prescribes injectable or 48771
nasally administered glucagon, provides a consultation, or 48772

(2) This division does not eliminate, limit, or reduce any 48774
other immunity or defense that a STEM school or governing body, 48775
member of a STEM school governing body, STEM school employee or 48776
contractor, or licensed health professional may be entitled to 48777
under Chapter 2744. or any other provision of the Revised Code 48778
or under the common law of this state. 48779

(C) A STEM school may accept donations of injectable or 48780
nasally administered glucagon from a wholesale distributor of 48781
dangerous drugs or a manufacturer of dangerous drugs, as defined 48782
in section 4729.01 of the Revised Code, and may accept donations 48783
of money from any person to purchase the drug. 48784

(D) A STEM school that elects to procure injectable or 48785
nasally administered glucagon under this section shall report to 48786
the department of education and workforce each procurement and 48787
each occurrence in which a dose of the drug is used from the 48788
school's supply. 48789

Sec. 3327.01. Notwithstanding division (D) of section 48790
3311.19 and division (D) of section 3311.52 of the Revised Code, 48791
this section and sections 3327.011, 3327.012, and 3327.02 of the 48792
Revised Code do not apply to any joint vocational or cooperative 48793
education school district. 48794

In all city, local, and exempted village school districts 48795
where resident school pupils in grades kindergarten through 48796

~~state board director~~ of education and workforce prescribes 48798
minimum standards pursuant to division (D) of section 3301.07 of 48799
the Revised Code and to which they are assigned by the board of 48800
education of the district of residence or to and from the 48801
nonpublic or community school which they attend, the board of 48802
education shall provide transportation for such pupils to and 48803
from that school except as provided in section 3327.02 of the 48804
Revised Code. 48805

In all city, local, and exempted village school districts 48806
where pupil transportation is required under a career-technical 48807
plan approved by the ~~state board~~ department of education and 48808
workforce under section 3313.90 of the Revised Code, for any 48809
student attending a career-technical program operated by another 48810
school district, including a joint vocational school district, 48811
as prescribed under that section, the board of education of the 48812
student's district of residence shall provide transportation 48813
from the public high school operated by that district to which 48814
the student is assigned to the career-technical program. 48815

In all city, local, and exempted village school districts, 48816
the board may provide transportation for resident school pupils 48817
in grades nine through twelve to and from the high school to 48818
which they are assigned by the board of education of the 48819
district of residence or to and from the nonpublic or community 48820
high school which they attend for which the ~~state board director~~ 48821
of education and workforce prescribes minimum standards pursuant 48822
to division (D) of section 3301.07 of the Revised Code. 48823

A board of education shall not be required to transport 48824
elementary or high school pupils to and from a nonpublic or 48825
community school where such transportation would require more 48826

than thirty minutes of direct travel time as measured by school 48827
bus from the public school building to which the pupils would be 48828
assigned if attending the public school designated by the 48829
district of residence. 48830

Where it is impractical to transport a pupil by school 48831
conveyance, a board of education may offer payment, in lieu of 48832
providing such transportation in accordance with section 3327.02 48833
of the Revised Code. 48834

A board of education shall provide transportation to 48835
students enrolled in a community school or nonpublic school in 48836
accordance with this section on each day in which that school is 48837
open for operation with students in attendance, regardless of 48838
whether the district's own schools are open for operation with 48839
students in attendance on that day. However, a board of 48840
education shall not be required to transport elementary or high 48841
school pupils to and from a nonpublic or community school on 48842
Saturday or Sunday, unless a board of education and a nonpublic 48843
or community school have an agreement in place to do so before 48844
the first day of July of the school year in which the agreement 48845
takes effect. 48846

In all city, local, and exempted village school districts, 48847
the board shall provide transportation for all children who are 48848
so disabled that they are unable to walk to and from the school 48849
for which the ~~state board~~ director of education and workforce 48850
prescribes minimum standards pursuant to division (D) of section 48851
3301.07 of the Revised Code and which they attend. In case of 48852
dispute whether the child is able to walk to and from the 48853
school, the health commissioner shall be the judge of such 48854
ability. In all city, exempted village, and local school 48855
districts, the board shall provide transportation to and from 48856

school or special education classes for mentally disabled 48857
children in accordance with standards adopted by the ~~state board~~ 48858
department of education and workforce. 48859

When transportation of pupils is provided the conveyance 48860
shall be run on a time schedule that shall be adopted and put in 48861
force by the board not later than ten days after the beginning 48862
of the school term. The operator of every school bus or motor 48863

deliver students enrolled in preschool through twelfth grades to 48867
their respective public and nonpublic schools not sooner than 48868
thirty minutes prior to the beginning of school and to be 48869
available to pick them up not later than thirty minutes after 48870
the close of their respective schools each day. 48871

The cost of any transportation service authorized by this 48872
section shall be paid first out of federal funds, if any, 48873
available for the purpose of pupil transportation, and secondly 48874
out of state appropriations, in accordance with regulations 48875
adopted by the ~~state board of education~~department. 48876

No transportation of any pupils shall be provided by any 48877
board of education to or from any school which in the selection 48878
of pupils, faculty members, or employees, practices 48879
discrimination against any person on the grounds of race, color, 48880
religion, or national origin. 48881

Sec. 3327.011. In determining how best to provide 48882
transportation, where persons or firms on or after April 1, 48883
1965, were providing transportation to and from schools pursuant 48884
to contracts with persons or agencies responsible for the 48885
operation of such schools, the board of education responsible 48886

for transportation in accordance with section 3327.01 of the Revised Code shall give preference if economically feasible during the term of any such contract to the firm or person providing such transportation. The boards of education within the county or group of counties shall establish transportation routes, schedules, and utilization of transportation equipment. The appeals from the determination of the board of education responsible for transportation shall be taken to the ~~state board~~ department of education and workforce.

Sec. 3327.012. Payments to school districts for transportation of school pupils shall be made on a current basis according to an estimate which shall be filed with the ~~state board~~ department of education and workforce by respective school districts in accordance with rules which the ~~state board of education~~ department shall promulgate. The sum due the respective school district as calculated from approved cost in accordance with the rules of the board of education shall be adjusted annually in the quarter next following the end of the school year. The ~~superintendent of public instruction, subject to the approval of the state board of education,~~ department may contract with any firm, person, or board of education to provide pupil transportation services authorized by this section. In no event shall the payment for such contract service exceed the average transportation cost per pupil, such average cost to be based on the cost of transportation of children by all boards of education in Ohio during the next preceding year.

Sec. 3327.018. The board of education of each city, local, or exempted village school district that owns and operates buses for transporting students may contract, in writing, with a public or private not-for-profit agency, group, or organization, with a municipal corporation or other political subdivision or

agency of the state, or with an agency of the federal government 48918
to operate its buses to assist the agency, group, organization, 48919
or political subdivision in the fulfillment of its legitimate 48920
activities and in times of emergency. These contracts shall be 48921
entered into under the authority of the school district as a 48922
political subdivision and shall not be considered commerce. When 48923
buses are made available to other agencies, groups, 48924
organizations, or political subdivisions under this section, the 48925
buses must be operated by individuals holding certificates 48926
issued by either the educational service center governing board 48927
that has entered into an agreement with the school district 48928
under section 3313.843 or 3313.845 of the Revised Code or the 48929
superintendent of the school district certifying that the 48930
individuals satisfy the requirements of section 3327.10 of the 48931
Revised Code. All ~~state board~~ department of education and 48932
workforce regulations governing the operation of school buses 48933
when transporting students shall apply when buses are used in 48934
accordance with this section. 48935

Any board of education of a city, local, or exempted 48936
village school district that makes one or more of its vehicles 48937
available under this section shall procure liability and 48938
property damage insurance, as provided in section 3327.09 of the 48939
Revised Code, covering all vehicles used and passengers 48940
transported under this section. The board of education may 48941
recover expenses from contracting entities, not to exceed the 48942
costs of operation and insurance coverage. 48943

Sec. 3327.02. (A) After considering each of the following 48944
factors, the board of education of a city, exempted village, or 48945
local school district, or a community school governing authority 48946
providing transportation pursuant to section 3314.091 of the 48947
Revised Code, may determine that it is impractical to transport 48948

a pupil who is eligible for transportation to and from a school 48949
under section 3327.01 of the Revised Code: 48950

(1) The time and distance required to provide the 48951
transportation; 48952

(2) The number of pupils to be transported; 48953

(3) The cost of providing transportation in terms of 48954
equipment, maintenance, personnel, and administration; 48955

(4) Whether similar or equivalent service is provided to 48956
other pupils eligible for transportation; 48957

(5) Whether and to what extent the additional service 48958
unavoidably disrupts current transportation schedules; 48959

(6) Whether other reimbursable types of transportation are 48960
available. 48961

(B) Based on its consideration of the factors established 48962
in division (A) of this section, the board or governing 48963
authority may pass a resolution declaring the impracticality of 48964
transportation. The resolution shall include each pupil's name 48965
and the reason for impracticality. Such determination shall be 48966
made not later than thirty calendar days prior to the district's 48967
or school's first day of instruction, or in the case of a 48968
student who enrolls within thirty calendar days prior to the 48969
first day of instruction or on or after the first day of 48970
instruction, not later than fourteen calendar days after the 48971
student's enrollment. The determination may be made by the 48972
superintendent and formalized at the next following meeting of 48973
the board or governing authority. 48974

The board or governing authority shall report its 48975
determination to the ~~state board~~ department of education and 48976

workforce in a manner determined by the ~~state board~~ department. 48977

In addition, the board or governing authority shall issue 48978
a letter to the pupil's parent, guardian, or other person in 48979
charge of the pupil, the nonpublic or community school in which 48980
the pupil is enrolled, and to the ~~state board~~ department with a 48981
detailed description of the reasons for which such determination 48982
was made. 48983

(C) After passing the resolution declaring the 48984
impracticality of transportation, the district board or 48985
governing authority shall offer to provide payment in lieu of 48986
transportation by doing the following: 48987

(1) In accordance with guidelines established by the 48988
~~department of education~~, informing the pupil's parent, guardian, 48989
or other person in charge of the pupil of both of the following: 48990

(a) The resolution; 48991

(b) The right of the pupil's parent, guardian, or other 48992
person in charge of the pupil to accept the offer of payment in 48993
lieu of transportation or to reject the offer and instead 48994
request the department to initiate mediation procedures. 48995

(2) Issuing the pupil's parent, guardian, or other person 48996
in charge of the pupil a contract or other form on which the 48997
parent, guardian, or other person in charge of the pupil is 48998
given the option to accept or reject the board's offer of 48999
payment in lieu of transportation. 49000

(D) If the parent, guardian, or other person in charge of 49001
the pupil accepts the offer of payment in lieu of providing 49002
transportation, the board or governing authority shall pay the 49003
parent, guardian, or other person in charge of the pupil an 49004
amount that shall be not less than fifty per cent, and not more 49005

than the amount determined by the department ~~of education~~ as the 49006
average cost of pupil transportation for the previous school 49007
year. Payment may be prorated if the time period involved is 49008
only a part of the school year. 49009

(E) (1) (a) Upon the request of a parent, guardian, or other 49010
person in charge of the pupil who rejected the payment in lieu 49011
of transportation, the department shall conduct mediation 49012
procedures. A parent, guardian, or other person in charge of the 49013
pupil may authorize the nonpublic or community school in which 49014
the pupil is enrolled to act on the parent's, guardian's, or 49015
other person's behalf during the mediation proceedings. 49016

(b) If the mediation does not resolve the dispute, the 49017
~~state board department~~ shall conduct a hearing in accordance 49018
with Chapter 119. of the Revised Code. The ~~state board~~ 49019
~~department~~ may approve the payment in lieu of transportation or 49020
may order the district board of education or governing authority 49021
to provide transportation. The decision of the ~~state board~~ 49022
~~department~~ is binding in subsequent years and on future parties 49023
in interest provided the facts of the determination remain 49024
comparable. 49025

(2) The school district or governing authority shall 49026
provide transportation for the pupil from the time the parent, 49027
guardian, or other person in charge of the pupil requests 49028
mediation until the matter is resolved under division (E) (1) (a) 49029
or (b) of this section. 49030

(F) (1) If the department determines that a school district 49031
board or governing authority has failed or is failing to provide 49032
transportation as required by division (E) (2) of this section or 49033
as ordered by the ~~state board department~~ under division (E) (1) 49034
(b) of this section, the department shall order the school 49035

district board or governing authority to pay to the pupil's 49036
parent, guardian, or other person in charge of the pupil, an 49037
amount equal to fifty per cent of the cost of providing 49038
transportation as determined by the board or governing authority 49039
under division (A) (3) of this section, and not more than two 49040
thousand five hundred dollars. The school district board or 49041
governing authority shall make payments on a schedule ordered by 49042
the department. 49043

(2) If the department subsequently finds that a school 49044
district board is not in compliance with an order issued under 49045
division (F) (1) of this section and the affected pupils are 49046
enrolled in a nonpublic or community school, the department 49047
shall deduct the amount that the board is required to pay under 49048
that order from any pupil transportation payments the department 49049
makes to the school district board under section 3317.0212 of 49050
the Revised Code or other provisions of law. The department 49051
shall use the moneys so deducted to make payments to the 49052
nonpublic or community school attended by the pupil. The 49053
department shall continue to make the deductions and payments 49054
required under this division until the school district board 49055
either complies with the department's order issued under 49056
division (F) (1) of this section or begins providing 49057
transportation. 49058

(G) A nonpublic or community school that receives payments 49059
from the department under division (F) (2) of this section shall 49060
do either of the following: 49061

(1) Disburse the entire amount of the payments to the 49062
parent, guardian, or other person in charge of the pupil 49063
affected by the failure of the school district of residence to 49064
provide transportation; 49065

(2) Use the entire amount of the payments to provide 49066
acceptable transportation for the affected pupil. 49067

(H) At any time after a parent, guardian, or other person 49068
in charge of a pupil requests transportation for a pupil, that 49069
parent, guardian, or other person may authorize the nonpublic or 49070
community school in which the pupil is enrolled to act on the 49071
parent's, guardian's, or other person's behalf for purposes of 49072
this section. 49073

Sec. 3327.021. The department of education and workforce 49074
shall monitor each city, local, or exempted village school 49075
district's compliance with sections 3327.01 and 3327.016 and 49076
division (B) of section 3327.017 of the Revised Code. If the 49077
department determines a consistent or prolonged period of 49078
noncompliance on the part of the school district to provide 49079
transportation as required under those sections, the department 49080
shall deduct from the district's payment for student 49081
transportation under Chapter 3317. of the Revised Code the total 49082
daily amount of that payment, as computed by the department, for 49083
each day that the district is not in compliance. 49084

This section does not affect the authority of a school 49085
district to provide payment in lieu of transportation in 49086
accordance with section 3327.02 of the Revised Code. 49087

Sec. 3327.05. (A) Except as provided in division (B) of 49088
this section, no board of education of any school district shall 49089
provide transportation for any pupil who is a school resident of 49090
another school district unless the pupil is enrolled pursuant to 49091
section 3313.98 of the Revised Code or the board of the other 49092
district has given its written consent thereto. If the board of 49093
any school district files with the ~~state board~~ department of 49094
education and workforce a written complaint that transportation 49095

for resident pupils is being provided by the board of another 49096
school district contrary to this division, the ~~state board of~~ 49097
~~education department~~ shall make an investigation of such 49098
complaint. If the ~~state board of education department~~ finds that 49099
transportation is being provided contrary to this section, it 49100
may withdraw from state funds due the offending district any 49101
part of the amount that has been approved for transportation 49102
pursuant to section 3317.0212 of the Revised Code or other 49103
provisions of law. 49104

(B) Notwithstanding division (D) of section 3311.19 and 49105
division (D) of section 3311.52 of the Revised Code, this 49106
division does not apply to any joint vocational or cooperative 49107
education school district. 49108

A board of education may provide transportation to and 49109
from the nonpublic school of attendance if both of the following 49110
apply: 49111

(1) The parent, guardian, or other person in charge of the 49112
pupil agrees to pay the board for all costs incurred in 49113
providing the transportation that are not reimbursed pursuant to 49114
Chapter 3317. of the Revised Code; 49115

(2) The pupil's school district of residence does not 49116

the expulsion to any college in which the expelled student is 52239
enrolled under section 3365.03 of the Revised Code at the time 52240

credit for courses taken under the college credit plus program 52244
during an expulsion. If the expulsion is extended, the 52245
superintendent, or equivalent, shall notify the college of the 52246
extension. 52247

(C) A college may withdraw its acceptance under section 52248
3365.03 of the Revised Code of a student who is expelled from 52249
school. As provided in section 3365.03 of the Revised Code, 52250
regardless of whether the college withdraws its acceptance of 52251
the student for the college term in which the student is 52252
expelled, the student is ineligible to enroll in a college under 52253

student who elected the option of division (B) of section 52264

and any reimbursement under section 3365.07 of the Revised Code 52268
for the student's attendance prior to the withdrawal shall be 52269
the same as would be paid for a student who voluntarily withdrew 52270
from the college at the same time in the term. If the withdrawal 52271

results in the college's receiving no reimbursement, the college 52272
or secondary school may require the student to return or pay for 52273
any textbooks and materials it provided the student free of 52274
charge. 52275

school that has adopted a policy to deny high school credit for 52278
courses taken under the college credit plus program during an 52279
expulsion, that election is automatically revoked for all 52280
college courses in which the student is enrolled during the 52281
college term in which the expulsion is imposed. Any 52282
reimbursement under section 3365.07 of the Revised Code for the 52283
student's attendance prior to the expulsion shall be the same as 52284
would be paid for a student who voluntarily withdrew from the 52285
college at the same time in the term. If the revocation results 52286
in the college's receiving no reimbursement, the college or 52287
secondary school may require the student to return or pay for 52288
any textbooks and materials it provided the student free of 52289
charge. 52290

Not later than five days after receiving an expulsion 52291
notice from the superintendent, or equivalent, of a public 52292
school that has adopted a policy to deny high school credit for 52293
courses taken under the college credit plus program during an 52294
expulsion, the college shall send a written notice to the 52295
expelled student that the student's election of division (B) of 52296
section 3365.06 of the Revised Code is revoked. If the college 52297
elects not to withdraw its acceptance of the student, the 52298
student shall pay all applicable tuition and fees for the 52299
college courses and shall pay for any textbooks and materials 52300
that the college or secondary school provided to the student. 52301

convenes. The legislative body must approve or reject the 54613

submission as a whole, and the submission is deemed approved if 54614
the legislative body fails to act within thirty days after the 54615
public employer submits the agreement. The parties may specify 54616
that those provisions of the agreement not requiring action by a 54617
legislative body are effective and operative in accordance with 54618
the terms of the agreement, provided there has been compliance 54619
with division (C) of this section. If the legislative body 54620

the employee organization and the legislative body, the 54643
agreement is binding upon the legislative body, the employer, 54644

and the employee organization and employees covered by the 54645
agreement. 54646

(D) There is hereby established an office of collective 54647

state unemployment compensation fund required of employers by 55384

(M) An individual is "totally unemployed" in any week 55393
during which the individual performs no services and with 55394
respect to such week no remuneration is payable to the 55395
individual. 55396

(N) An individual is "partially unemployed" in any week 55397
if, due to involuntary loss of work, the total remuneration 55398
payable to the individual for such week is less than the 55399
individual's weekly benefit amount. 55400

(O) "Week" means the calendar week ending at midnight 55401
Saturday unless an equivalent week of seven consecutive calendar 55402

days is prescribed by the director. 55403

(1) "Qualifying week" means any calendar week in an 55404
individual's base period with respect to which the individual 55405
earns or is paid remuneration in employment subject to this 55406
chapter. A calendar week with respect to which an individual 55407
earns remuneration but for which payment was not made within the 55408
base period, when necessary to qualify for benefit rights, may 55409
be considered to be a qualifying week. The number of qualifying 55410
weeks which may be established in a calendar quarter shall not 55411
exceed the number of calendar weeks in the quarter. 55412

(2) "Average weekly wage" means the amount obtained by 55413

weeks during the base period by the number of such qualifying 55415

completed calendar quarters immediately preceding the first day 55423
of an individual's benefit year, except as provided in division 55424

(2) If an individual does not have sufficient qualifying 55426
weeks and wages in the base period to qualify for benefit 55427
rights, the individual's base period shall be the four most 55428
recently completed calendar quarters preceding the first day of 55429
the individual's benefit year. Such base period shall be known 55430
as the "alternate base period." If information as to weeks and 55431

wages for the most recent quarter of the alternate base period 55432
is not available to the director from the regular quarterly 55433
reports of wage information, which are systematically 55434
accessible, the director may, consistent with the provisions of 55435
section 4141.28 of the Revised Code, base the determination of 55436
eligibility for benefits on the affidavit of the claimant with 55437
respect to weeks and wages for that calendar quarter. The 55438
claimant shall furnish payroll documentation, where available, 55439
in support of the affidavit. The determination based upon the 55440
alternate base period as it relates to the claimant's benefit 55441
rights, shall be amended when the quarterly report of wage 55442
information from the employer is timely received and that 55443
information causes a change in the determination. As provided in 55444
division (B) of section 4141.28 of the Revised Code, any 55445
benefits paid and charged to an employer's account, based upon a 55446
claimant's affidavit, shall be adjusted effective as of the 55447
beginning of the claimant's benefit year. No calendar quarter in 55448
a base period or alternate base period shall be used to 55449
establish a subsequent benefit year. 55450

(3) The "base period" of a combined wage claim, as 55451
described in division (H) of section 4141.43 of the Revised 55452
Code, shall be the base period prescribed by the law of the 55453
state in which the claim is allowed. 55454

(4) For purposes of determining the weeks that comprise a 55455
completed calendar quarter under this division, only those weeks 55456
ending at midnight Saturday within the calendar quarter shall be 55457
utilized. 55458

(R) (1) "Benefit year" with respect to an individual means 55459
the fifty-two week period beginning with the first day of that 55460
week with respect to which the individual first files a valid 55461

application for determination of benefit rights, and thereafter 55462
the fifty-two week period beginning with the first day of that 55463
week with respect to which the individual next files a valid 55464
application for determination of benefit rights after the 55465
termination of the individual's last preceding benefit year, 55466
except that the application shall not be considered valid unless 55467
the individual has had employment in six weeks that is subject 55468
to this chapter or the unemployment compensation act of another 55469
state, or the United States, and has, since the beginning of the 55470
individual's previous benefit year, in the employment earned 55471

described in division (H) of section 4141.43 of the Revised 55474
Code, shall be the benefit year prescribed by the law of the 55475
state in which the claim is allowed. Any application for 55476
determination of benefit rights made in accordance with section 55477
4141.28 of the Revised Code is valid if the individual filing 55478
such application is unemployed, has been employed by an employer 55479
or employers subject to this chapter in at least twenty 55480
qualifying weeks within the individual's base period, and has 55481
earned or been paid remuneration at an average weekly wage of 55482
not less than twenty-seven and one-half per cent of the 55483
statewide average weekly wage for such weeks. For purposes of 55484
determining whether an individual has had sufficient employment 55485
since the beginning of the individual's previous benefit year to 55486
file a valid application, "employment" means the performance of 55487

determination of benefit rights made in accordance with section 55491
4141.28 of the Revised Code is valid if the individual satisfies 55492

the criteria described in division (R) (1) of this section, and 55493
if the reason for the individual's separation from employment is 55494
not disqualifying pursuant to division (D) (2) of section 4141.29 55495
or section 4141.291 of the Revised Code. A disqualification 55496
imposed pursuant to division (D) (2) of section 4141.29 or 55497
section 4141.291 of the Revised Code must be removed as provided 55498
in those sections as a requirement of establishing a valid 55499
application for benefit years beginning on and after December 55500
26, 2004, but before July 1, 2022. Effective for benefit years 55501
beginning on and after July 1, 2022, any application for 55502
determination of benefit rights made in accordance with section 55503
4141.28 of the Revised Code is valid if the individual satisfies 55504
the criteria described in division (R) (1) of this section. A 55505
disqualification imposed pursuant to division (D) (2) of section 55506
4141.29 or section 4141.291 of the Revised Code does not affect 55507
the validity of an application. 55508

(3) The statewide average weekly wage shall be calculated 55509
by the director once a year based on the twelve-month period 55510
ending the thirtieth day of June, as set forth in division (B) 55511
(3) of section 4141.30 of the Revised Code, rounded down to the 55512
nearest dollar. Increases or decreases in the amount of 55513
remuneration required to have been earned or paid in order for 55514
individuals to have filed valid applications shall become 55515
effective on Sunday of the calendar week in which the first day 55516
of January occurs that follows the twelve-month period ending 55517
the thirtieth day of June upon which the calculation of the 55518
statewide average weekly wage was based. 55519

applicant cancels a scheduled appointment forty-eight hours or 55936
more prior to the time of the appointment time, the applicant 55937
shall not forfeit the appointment fee. 55938

An applicant for a commercial driver's license who 55939

division (E)(1) of this section, when scheduling such an 55943
appointment. If the applicant appears at the time and location 55944
specified for the appointment and takes all the portions of the 55945
skills test during that appointment that the applicant was 55946
scheduled to take, the appointment fee serves as the skills test 55947
fee. If the applicant schedules an appointment to take one or 55948
more, but not all, portions of the skills test and fails to 55949
appear at the time and location specified for the appointment, 55950
the director shall not refund any portion of the appointment 55951
fee. If the applicant schedules an appointment to take one or 55952
more, but not all, portions of the skills test and appears at 55953
the time and location specified for the appointment, but 55954
declines or is unable to take all portions of the skills test 55955
that the applicant was scheduled to take, the director shall not 55956
refund any portion of the appointment fee. If the applicant 55957
cancels a scheduled appointment forty-eight hours or more prior 55958
to the time of the appointment time, the applicant shall not 55959
forfeit the appointment fee. 55960

(3) The department of public safety shall deposit all fees 55961
it collects under division (E) of this section in the public 55962
safety - highway purposes fund established in section 4501.06 of 55963

the Revised Code. 55964

(F) (1) Unless an applicant for a commercial driver's 55965
license has successfully completed the training required under 55966
49 C.F.R. 380, subpart F, the applicant is not eligible to do 55967

of a hazardous materials (H) endorsement on the applicant's 55975
commercial driver's license. 55976

knowledge test, the registrar shall electronically verify, 55978

(G) A person who has successfully completed commercial 55990
driver's license training in this state but seeks a commercial 55991

driver's license in another state where the person is domiciled 55992
may schedule an appointment to take the skills test in this 55993
state and shall pay the appropriate appointment fee. Upon the 55994
person's completion of the skills test, this state shall 55995
electronically transmit the applicant's results to the state 55996
where the person is domiciled. If a person who is domiciled in 55997
this state takes a skills test in another state, this state 55998
shall accept the results of the skills test from the other 55999
state. If the person passed the other state's skills test and 56000

chapter and rules adopted under this chapter, the registrar of 56002
motor vehicles or a deputy registrar shall issue a commercial 56003
driver's license to that person. 56004

(H) Unless otherwise specified, the director or the 56005
director's representative shall conduct the examinations, 56006
inspections, audits, and test monitoring set forth in divisions 56007
(B) (2), (3), and (4) of this section at least annually. If the 56008
other party or any of its skills test examiners fail to comply 56009
with state or federal standards for the skills testing program, 56010
the director or the director's representative shall take prompt 56011
and appropriate remedial action against the party and its skills 56012

agreement or revocation of a skills test examiner's 56014
certification. 56015

and is excepted from all or parts of the state driver 56055
qualification requirements, the applicant shall self-certify 56056

documentation of a physical examination on a form that 56082
substantially complies with the requirements of 49 C.F.R. 56083
391.43(h) . 56084

licensed to drive that motor vehicle by any state or country. 56220

(B) "Disabled person" means a person who, in the opinion 56221
of the registrar of motor vehicles, is afflicted with or 56222
suffering from a physical or mental disability or disease that 56223
prevents the person, in the absence of special training or 56224
equipment, from exercising reasonable and ordinary control over 56225
a motor vehicle while operating the vehicle upon the highways. 56226
"Disabled person" does not mean any person who is or has been 56227

subject to any condition resulting in episodic impairment of 56228
consciousness or loss of muscular control and whose condition, 56229
in the opinion of the registrar, is dormant or is sufficiently 56230
under medical control that the person is capable of exercising 56231
reasonable and ordinary control over a motor vehicle. 56232

(C) "Driver training school" or "school" means any of the 56233
following: 56234

(1) A private business enterprise conducted by an 56235
individual, association, partnership, or corporation for the 56236
education and training of persons to operate or drive motor 56237

(a) Uses public streets or highways to provide training 56239
and charges a consideration or tuition for such services; 56240

(b) Provides an online driver education course approved by 56241
the director of public safety pursuant to division (A)(2) of 56242
section 4508.02 of the Revised Code and charges a consideration 56243
or tuition for the course; 56244

(c) Provides an abbreviated driver training course for 56245
adults that is approved by the director pursuant to division (F) 56246
of section 4508.02 of the Revised Code and charges a 56247
consideration or tuition for the course. 56248

(2) A lead school district as provided in section 4508.09 56249
of the Revised Code; 56250

(3) A board of education of a city, exempted village, 56251
local, or joint vocational school district or the governing 56252
board of an educational service center that offers a driver 56253
education course for high school students enrolled in the 56254
district or in a district served by the educational service 56255
center. 56256

(D) "Instructor" means any person, whether acting for self 56257
as operator of a driver training school or for such a school for 56258
compensation, who teaches, conducts classes of, gives 56259
demonstrations to, or supervises practice of, persons learning 56260
to operate or drive motor vehicles. 56261

(E) "Lead school district" means a school district, 56262
including a joint vocational school district, designated by the 56263
department of education and workforce as either a vocational 56264
education planning district itself or as responsible for 56265
providing primary vocational education leadership within a 56266
vocational education planning district that is composed of a 56267
group of districts. A "vocational education planning district" 56268
is a school district or group of school districts designated by 56269
the department as responsible for planning and providing 56270
vocational education services to students within the district or 56271
group of districts. 56272

Sec. 4511.21. (A) No person shall operate a motor vehicle, 56273
trackless trolley, or streetcar at a speed greater or less than 56274
is reasonable or proper, having due regard to the traffic, 56275
surface, and width of the street or highway and any other 56276
conditions, and no person shall drive any motor vehicle, 56277
trackless trolley, or streetcar in and upon any street or 56278
highway at a greater speed than will permit the person to bring 56279
it to a stop within the assured clear distance ahead. 56280

(B) It is prima-facie lawful, in the absence of a lower 56281
limit declared or established pursuant to this section by the 56282
director of transportation or local authorities, for the 56283
operator of a motor vehicle, trackless trolley, or streetcar to 56284
operate the same at a speed not exceeding the following: 56285

(1) (a) Twenty miles per hour in school zones during school 56286

recess and while children are going to or leaving school during 56287
the opening or closing hours, and when twenty miles per hour 56288
school speed limit signs are erected; except that, on 56289
controlled-access highways and expressways, if the right-of-way 56290
line fence has been erected without pedestrian opening, the 56291
speed shall be governed by division (B)(4) of this section and 56292
on freeways, if the right-of-way line fence has been erected 56293
without pedestrian opening, the speed shall be governed by 56294
divisions (B)(10) and (11) of this section. The end of every 56295
school zone may be marked by a sign indicating the end of the 56296
zone. Nothing in this section or in the manual and 56297
specifications for a uniform system of traffic control devices 56298
shall be construed to require school zones to be indicated by 56299
signs equipped with flashing or other lights, or giving other 56300
special notice of the hours in which the school zone speed limit 56301
is in effect. 56302

(b) As used in this section and in section 4511.212 of the 56303
Revised Code, "school" means all of the following: 56304

(i) Any school chartered under section 3301.16 of the 56305
Revised Code; 56306

(ii) Any nonchartered school that during the preceding 56307
year filed with the department of education and workforce in 56308
compliance with rule 3301-35-08 of the Ohio Administrative Code, 56309
a copy of the school's report for the parents of the school's 56310
pupils certifying that the school meets Ohio minimum standards 56311
for nonchartered, nontax-supported schools and presents evidence 56312
of this filing to the jurisdiction from which it is requesting 56313
the establishment of a school zone; 56314

(iii) Any special elementary school that in writing 56315
requests the county engineer of the county in which the special 56316

elementary school is located to create a school zone at the 56317
location of that school. Upon receipt of such a written request, 56318
the county engineer shall create a school zone at that location 56319
by erecting the appropriate signs. 56320

(iv) Any preschool education program operated by an 56321
educational service center that is located on a street or 56322
highway with a speed limit of forty-five miles per hour or more, 56323
when the educational service center in writing requests that the 56324
county engineer of the county in which the program is located 56325
create a school zone at the location of that program. Upon 56326
receipt of such a written request, the county engineer shall 56327
create a school zone at that location by erecting the 56328
appropriate signs. 56329

(c) As used in this section, "school zone" means that 56330
portion of a street or highway passing a school fronting upon 56331
the street or highway that is encompassed by projecting the 56332
school property lines to the fronting street or highway, and 56333
also includes that portion of a state highway. Upon request from 56334
local authorities for streets and highways under their 56335
jurisdiction and that portion of a state highway under the 56336
jurisdiction of the director of transportation or a request from 56337
a county engineer in the case of a school zone for a special 56338
elementary school, the director may extend the traditional 56339
school zone boundaries. The distances in divisions (B) (1) (c) (i), 56340
(ii), and (iii) of this section shall not exceed three hundred 56341
feet per approach per direction and are bounded by whichever of 56342
the following distances or combinations thereof the director 56343
approves as most appropriate: 56344

(i) The distance encompassed by projecting the school 56345
building lines normal to the fronting highway and extending a 56346

distance of three hundred feet on each approach direction; 56347

(ii) The distance encompassed by projecting the school 56348
property lines intersecting the fronting highway and extending a 56349
distance of three hundred feet on each approach direction; 56350

(iii) The distance encompassed by the special marking of 56351
the pavement for a principal school pupil crosswalk plus a 56352
distance of three hundred feet on each approach direction of the 56353
highway. 56354

Nothing in this section shall be construed to invalidate 56355
the director's initial action on August 9, 1976, establishing 56356
all school zones at the traditional school zone boundaries 56357
defined by projecting school property lines, except when those 56358
boundaries are extended as provided in divisions (B) (1) (a) and 56359
(c) of this section. 56360

(d) As used in this division, "crosswalk" has the meaning 56361
given that term in division (LL) (2) of section 4511.01 of the 56362
Revised Code. 56363

The director may, upon request by resolution of the 56364
legislative authority of a municipal corporation, the board of 56365
trustees of a township, or a county board of developmental 56366
disabilities created pursuant to Chapter 5126. of the Revised 56367
Code, and upon submission by the municipal corporation, 56368
township, or county board of such engineering, traffic, and 56369
other information as the director considers necessary, designate 56370
a school zone on any portion of a state route lying within the 56371
municipal corporation, lying within the unincorporated territory 56372
of the township, or lying adjacent to the property of a school 56373
that is operated by such county board, that includes a crosswalk 56374
customarily used by children going to or leaving a school during 56375

recess and opening and closing hours, whenever the distance, as 56376
measured in a straight line, from the school property line 56377
nearest the crosswalk to the nearest point of the crosswalk is 56378
no more than one thousand three hundred twenty feet. Such a 56379
school zone shall include the distance encompassed by the 56380
crosswalk and extending three hundred feet on each approach 56381
direction of the state route. 56382

(e) As used in this section, "special elementary school" 56383
means a school that meets all of the following criteria: 56384

(i) It is not chartered and does not receive tax revenue 56385
from any source. 56386

(ii) It does not educate children beyond the eighth grade. 56387

(iii) It is located outside the limits of a municipal 56388
corporation. 56389

(iv) A majority of the total number of students enrolled 56390
at the school are not related by blood. 56391

(v) The principal or other person in charge of the special 56392
elementary school annually sends a report to the superintendent 56393
of the school district in which the special elementary school is 56394
located indicating the total number of students enrolled at the 56395
school, but otherwise the principal or other person in charge 56396
does not report any other information or data to the 56397
superintendent. 56398

(2) Twenty-five miles per hour in all other portions of a 56399
municipal corporation, except on state routes outside business 56400
districts, through highways outside business districts, and 56401
alleys; 56402

(3) Thirty-five miles per hour on all state routes or 56403

through highways within municipal corporations outside business districts, except as provided in divisions (B) (4) and (6) of this section;

(4) Fifty miles per hour on controlled-access highways and expressways within municipal corporations, except as provided in divisions (B) (12), (13), (14), (15), and (16) of this section;

(5) Fifty-five miles per hour on highways outside municipal corporations, other than highways within island jurisdictions as provided in division (B) (8) of this section, highways as provided in divisions (B) (9) and (10) of this section, and highways, expressways, and freeways as provided in divisions (B) (12), (13), (14), and (16) of this section;

(6) Fifty miles per hour on state routes within municipal corporations outside urban districts unless a lower prima-facie speed is established as further provided in this section;

(7) Fifteen miles per hour on all alleys within the municipal corporation;

(8) Thirty-five miles per hour on highways outside municipal corporations that are within an island jurisdiction;

(9) Thirty-five miles per hour on through highways, except state routes, that are outside municipal corporations and that are within a national park with boundaries extending through two or more counties;

(10) Sixty miles per hour on two-lane state routes outside municipal corporations as established by the director under division (H) (2) of this section;

(11) Fifty-five miles per hour on freeways with paved shoulders inside municipal corporations, other than freeways as

provided in divisions (B) (14) and (16) of this section; 56432

(12) Sixty miles per hour on rural expressways with 56433
traffic control signals and on all portions of rural divided 56434
highways, except as provided in divisions (B) (13) and (14) of 56435
this section; 56436

(13) Sixty-five miles per hour on all rural expressways 56437
without traffic control signals; 56438

(14) Seventy miles per hour on all rural freeways; 56439

(15) Fifty-five miles per hour on all portions of freeways 56440
or expressways in congested areas as determined by the director 56441
and that are located within a municipal corporation or within an 56442
interstate freeway outerbelt, except as provided in division (B) 56443
(16) of this section; 56444

(16) Sixty-five miles per hour on all portions of freeways 56445
or expressways without traffic control signals in urbanized 56446
areas. 56447

(C) It is prima-facie unlawful for any person to exceed 56448
any of the speed limitations in divisions (B) (1) (a), (2), (3), 56449
(4), (6), (7), (8), and (9) of this section, or any declared or 56450
established pursuant to this section by the director or local 56451
authorities and it is unlawful for any person to exceed any of 56452
the speed limitations in division (D) of this section. No person 56453
shall be convicted of more than one violation of this section 56454
for the same conduct, although violations of more than one 56455
provision of this section may be charged in the alternative in a 56456
single affidavit. 56457

(D) No person shall operate a motor vehicle, trackless 56458
trolley, or streetcar upon a street or highway as follows: 56459

(1) At a speed exceeding fifty-five miles per hour, except 56460
upon a two-lane state route as provided in division (B) (10) of 56461
this section and upon a highway, expressway, or freeway as 56462
provided in divisions (B) (12), (13), (14), and (16) of this 56463
section; 56464

(2) At a speed exceeding sixty miles per hour upon a two- 56465
lane state route as provided in division (B) (10) of this section 56466
and upon a highway as provided in division (B) (12) of this 56467
section; 56468

(3) At a speed exceeding sixty-five miles per hour upon an 56469
expressway as provided in division (B) (13) or upon a freeway as 56470
provided in division (B) (16) of this section, except upon a 56471
freeway as provided in division (B) (14) of this section; 56472

(4) At a speed exceeding seventy miles per hour upon a 56473
freeway as provided in division (B) (14) of this section; 56474

(5) At a speed exceeding the posted speed limit upon a 56475
highway, expressway, or freeway for which the director has 56476
determined and declared a speed limit pursuant to division (I) 56477
(2) or (L) (2) of this section. 56478

(E) In every charge of violation of this section the 56479
affidavit and warrant shall specify the time, place, and speed 56480
at which the defendant is alleged to have driven, and in charges 56481
made in reliance upon division (C) of this section also the 56482
speed which division (B) (1) (a), (2), (3), (4), (6), (7), (8), or 56483
(9) of, or a limit declared or established pursuant to, this 56484
section declares is prima-facie lawful at the time and place of 56485
such alleged violation, except that in affidavits where a person 56486
is alleged to have driven at a greater speed than will permit 56487
the person to bring the vehicle to a stop within the assured 56488

clear distance ahead the affidavit and warrant need not specify 56489
the speed at which the defendant is alleged to have driven. 56490

(F) When a speed in excess of both a prima-facie 56491
limitation and a limitation in division (D) of this section is 56492
alleged, the defendant shall be charged in a single affidavit, 56493
alleging a single act, with a violation indicated of both 56494
division (B) (1) (a), (2), (3), (4), (6), (7), (8), or (9) of this 56495
section, or of a limit declared or established pursuant to this 56496
section by the director or local authorities, and of the 56497
limitation in division (D) of this section. If the court finds a 56498
violation of division (B) (1) (a), (2), (3), (4), (6), (7), (8), 56499
or (9) of, or a limit declared or established pursuant to, this 56500
section has occurred, it shall enter a judgment of conviction 56501
under such division and dismiss the charge under division (D) of 56502
this section. If it finds no violation of division (B) (1) (a), 56503
(2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or 56504
established pursuant to, this section, it shall then consider 56505
whether the evidence supports a conviction under division (D) of 56506
this section. 56507

(G) Points shall be assessed for violation of a limitation 56508
under division (D) of this section in accordance with section 56509
4510.036 of the Revised Code. 56510

(H) (1) Whenever the director determines upon the basis of 56511
criteria established by an engineering study, as defined by the 56512
director, that any speed limit set forth in divisions (B) (1) (a) 56513
to (D) of this section is greater or less than is reasonable or 56514
safe under the conditions found to exist at any portion of a 56515
street or highway under the jurisdiction of the director, the 56516
director shall determine and declare a reasonable and safe 56517
prima-facie speed limit, which shall be effective when 56518

appropriate signs giving notice of it are erected at the 56519
location. 56520

(2) Whenever the director determines upon the basis of 56521
criteria established by an engineering study, as defined by the 56522
director, that the speed limit of fifty-five miles per hour on a 56523
two-lane state route outside a municipal corporation is less 56524
than is reasonable or safe under the conditions found to exist 56525
at that portion of the state route, the director may determine 56526
and declare a speed limit of sixty miles per hour for that 56527
portion of the state route, which shall be effective when 56528
appropriate signs giving notice of it are erected at the 56529
location. 56530

(3) (a) For purposes of the safe and orderly movement of 56531
traffic upon any portion of a street or highway under the 56532
jurisdiction of the director, the director may establish a 56533
variable speed limit that is different than the speed limit 56534
established by or under this section on all or portions of 56535
interstate six hundred seventy, interstate two hundred seventy- 56536
five, and interstate ninety commencing at the intersection of 56537
that interstate with interstate seventy-one and continuing to 56538
the border of the state of Ohio with the state of Pennsylvania. 56539
The director shall establish criteria for determining the 56540
appropriate use of variable speed limits and shall establish 56541
variable speed limits in accordance with the criteria. The 56542
director may establish variable speed limits based upon the time 56543
of day, weather conditions, traffic incidents, or other factors 56544
that affect the safe speed on a street or highway. The director 56545
shall not establish a variable speed limit that is based on a 56546
particular type or class of vehicle. A variable speed limit 56547
established by the director under this section is effective when 56548
appropriate signs giving notice of the speed limit are displayed 56549

at the location. 56550

(b) Except for variable speed limits established under 56551
division (H) (3) (a) of this section, the director shall establish 56552
a variable speed limit under the authority granted to the 56553
director by this section on not more than two additional 56554
highways and only pursuant to criteria established in rules 56555
adopted in accordance with Chapter 119. of the Revised Code. The 56556
rules shall be based on the criteria described in division (H) 56557
(3) (a) of this section. The rules also shall establish the 56558
parameters of any engineering study necessary for determining 56559
when variable speed limits are appropriate. 56560

(4) Nothing in this section shall be construed to limit 56561
the authority of the director to establish speed limits within a 56562
construction zone as authorized under section 4511.98 of the 56563
Revised Code. 56564

(I) (1) Except as provided in divisions (I) (2), (J), (K), 56565
and (N) of this section, whenever local authorities determine 56566
upon the basis of criteria established by an engineering study, 56567
as defined by the director, that the speed permitted by 56568
divisions (B) (1) (a) to (D) of this section, on any part of a 56569
highway under their jurisdiction, is greater than is reasonable 56570
and safe under the conditions found to exist at such location, 56571
the local authorities may by resolution request the director to 56572
determine and declare a reasonable and safe prima-facie speed 56573
limit. Upon receipt of such request the director may determine 56574
and declare a reasonable and safe prima-facie speed limit at 56575
such location, and if the director does so, then such declared 56576
speed limit shall become effective only when appropriate signs 56577
giving notice thereof are erected at such location by the local 56578
authorities. The director may withdraw the declaration of a 56579

prima-facie speed limit whenever in the director's opinion the 56580
altered prima-facie speed limit becomes unreasonable. Upon such 56581
withdrawal, the declared prima-facie speed limit shall become 56582
ineffective and the signs relating thereto shall be immediately 56583
removed by the local authorities. 56584

(2) A local authority may determine on the basis of 56585
criteria established by an engineering study, as defined by the 56586
director, that the speed limit of sixty-five or seventy miles 56587
per hour on a portion of a freeway under its jurisdiction is 56588
greater than is reasonable or safe under the conditions found to 56589
exist at that portion of the freeway. If the local authority 56590
makes such a determination, the local authority by resolution 56591
may request the director to determine and declare a reasonable 56592
and safe speed limit of not less than fifty-five miles per hour 56593
for that portion of the freeway. If the director takes such 56594
action, the declared speed limit becomes effective only when 56595
appropriate signs giving notice of it are erected at such 56596
location by the local authority. 56597

(J) Local authorities in their respective jurisdictions 56598
may authorize by ordinance higher prima-facie speeds than those 56599
stated in this section upon through highways, or upon highways 56600
or portions thereof where there are no intersections, or between 56601
widely spaced intersections, provided signs are erected giving 56602
notice of the authorized speed, but local authorities shall not 56603
modify or alter the basic rule set forth in division (A) of this 56604
section or in any event authorize by ordinance a speed in excess 56605
of the maximum speed permitted by division (D) of this section 56606
for the specified type of highway. 56607

Alteration of prima-facie limits on state routes by local 56608
authorities shall not be effective until the alteration has been 56609

approved by the director. The director may withdraw approval of 56610
any altered prima-facie speed limits whenever in the director's 56611
opinion any altered prima-facie speed becomes unreasonable, and 56612
upon such withdrawal, the altered prima-facie speed shall become 56613
ineffective and the signs relating thereto shall be immediately 56614
removed by the local authorities. 56615

(K) (1) As used in divisions (K) (1), (2), (3), and (4) of 56616
this section, "unimproved highway" means a highway consisting of 56617
any of the following: 56618

(a) Unimproved earth; 56619

(b) Unimproved graded and drained earth; 56620

(c) Gravel. 56621

(2) Except as otherwise provided in divisions (K) (4) and 56622
(5) of this section, whenever a board of township trustees 56623
determines upon the basis of criteria established by an 56624
engineering study, as defined by the director, that the speed 56625
permitted by division (B) (5) of this section on any part of an 56626
unimproved highway under its jurisdiction and in the 56627
unincorporated territory of the township is greater than is 56628
reasonable or safe under the conditions found to exist at the 56629
location, the board may by resolution declare a reasonable and 56630
safe prima-facie speed limit of fifty-five but not less than 56631
twenty-five miles per hour. An altered speed limit adopted by a 56632
board of township trustees under this division becomes effective 56633
when appropriate traffic control devices, as prescribed in 56634
section 4511.11 of the Revised Code, giving notice thereof are 56635
erected at the location, which shall be no sooner than sixty 56636
days after adoption of the resolution. 56637

(3) (a) Whenever, in the opinion of a board of township 56638

trustees, any altered prima-facie speed limit established by the 56639
board under this division becomes unreasonable, the board may 56640
adopt a resolution withdrawing the altered prima-facie speed 56641
limit. Upon the adoption of such a resolution, the altered 56642
prima-facie speed limit becomes ineffective and the traffic 56643
control devices relating thereto shall be immediately removed. 56644

(b) Whenever a highway ceases to be an unimproved highway 56645
and the board has adopted an altered prima-facie speed limit 56646
pursuant to division (K) (2) of this section, the board shall, by 56647
resolution, withdraw the altered prima-facie speed limit as soon 56648
as the highway ceases to be unimproved. Upon the adoption of 56649
such a resolution, the altered prima-facie speed limit becomes 56650
ineffective and the traffic control devices relating thereto 56651
shall be immediately removed. 56652

(4) (a) If the boundary of two townships rests on the 56653
centerline of an unimproved highway in unincorporated territory 56654
and both townships have jurisdiction over the highway, neither 56655
of the boards of township trustees of such townships may declare 56656
an altered prima-facie speed limit pursuant to division (K) (2) 56657
of this section on the part of the highway under their joint 56658
jurisdiction unless the boards of township trustees of both of 56659
the townships determine, upon the basis of criteria established 56660
by an engineering study, as defined by the director, that the 56661
speed permitted by division (B) (5) of this section is greater 56662
than is reasonable or safe under the conditions found to exist 56663
at the location and both boards agree upon a reasonable and safe 56664
prima-facie speed limit of less than fifty-five but not less 56665
than twenty-five miles per hour for that location. If both 56666
boards so agree, each shall follow the procedure specified in 56667
division (K) (2) of this section for altering the prima-facie 56668
speed limit on the highway. Except as otherwise provided in 56669

division (K) (4) (b) of this section, no speed limit altered 56670
pursuant to division (K) (4) (a) of this section may be withdrawn 56671
unless the boards of township trustees of both townships 56672
determine that the altered prima-facie speed limit previously 56673
adopted becomes unreasonable and each board adopts a resolution 56674
withdrawing the altered prima-facie speed limit pursuant to the 56675
procedure specified in division (K) (3) (a) of this section. 56676

(b) Whenever a highway described in division (K) (4) (a) of 56677
this section ceases to be an unimproved highway and two boards 56678
of township trustees have adopted an altered prima-facie speed 56679
limit pursuant to division (K) (4) (a) of this section, both 56680
boards shall, by resolution, withdraw the altered prima-facie 56681
speed limit as soon as the highway ceases to be unimproved. Upon 56682
the adoption of the resolution, the altered prima-facie speed 56683
limit becomes ineffective and the traffic control devices 56684
relating thereto shall be immediately removed. 56685

(5) As used in division (K) (5) of this section: 56686

(a) "Commercial subdivision" means any platted territory 56687
outside the limits of a municipal corporation and fronting a 56688
highway where, for a distance of three hundred feet or more, the 56689
frontage is improved with buildings in use for commercial 56690
purposes, or where the entire length of the highway is less than 56691
three hundred feet long and the frontage is improved with 56692
buildings in use for commercial purposes. 56693

(b) "Residential subdivision" means any platted territory 56694
outside the limits of a municipal corporation and fronting a 56695
highway, where, for a distance of three hundred feet or more, 56696
the frontage is improved with residences or residences and 56697
buildings in use for business, or where the entire length of the 56698
highway is less than three hundred feet long and the frontage is 56699

improved with residences or residences and buildings in use for 56700
business. 56701

Whenever a board of township trustees finds upon the basis 56702
of criteria established by an engineering study, as defined by 56703
the director, that the prima-facie speed permitted by division 56704
(B) (5) of this section on any part of a highway under its 56705
jurisdiction that is located in a commercial or residential 56706
subdivision, except on highways or portions thereof at the 56707
entrances to which vehicular traffic from the majority of 56708
intersecting highways is required to yield the right-of-way to 56709
vehicles on such highways in obedience to stop or yield signs or 56710
traffic control signals, is greater than is reasonable and safe 56711
under the conditions found to exist at the location, the board 56712
may by resolution declare a reasonable and safe prima-facie 56713
speed limit of less than fifty-five but not less than twenty- 56714
five miles per hour at the location. An altered speed limit 56715
adopted by a board of township trustees under this division 56716
shall become effective when appropriate signs giving notice 56717
thereof are erected at the location by the township. Whenever, 56718
in the opinion of a board of township trustees, any altered 56719
prima-facie speed limit established by it under this division 56720
becomes unreasonable, it may adopt a resolution withdrawing the 56721
altered prima-facie speed, and upon such withdrawal, the altered 56722
prima-facie speed shall become ineffective, and the signs 56723
relating thereto shall be immediately removed by the township. 56724

(L) (1) The director of transportation, based upon an 56725
engineering study, as defined by the director, of a highway, 56726
expressway, or freeway described in division (B) (12), (13), 56727
(14), (15), or (16) of this section, in consultation with the 56728
director of public safety and, if applicable, the local 56729
authority having jurisdiction over the studied highway, 56730

expressway, or freeway, may determine and declare that the speed 56731
limit established on such highway, expressway, or freeway under 56732
division (B) (12), (13), (14), (15), or (16) of this section 56733
either is reasonable and safe or is more or less than that which 56734
is reasonable and safe. 56735

(2) If the established speed limit for a highway, 56736
expressway, or freeway studied pursuant to division (L) (1) of 56737
this section is determined to be more or less than that which is 56738
reasonable and safe, the director of transportation, in 56739
consultation with the director of public safety and, if 56740
applicable, the local authority having jurisdiction over the 56741
studied highway, expressway, or freeway, shall determine and 56742
declare a reasonable and safe speed limit for that highway, 56743
expressway, or freeway. 56744

(M) (1) (a) If the boundary of two local authorities rests 56745
on the centerline of a highway and both authorities have 56746
jurisdiction over the highway, the speed limit for the part of 56747
the highway within their joint jurisdiction shall be either one 56748
of the following as agreed to by both authorities: 56749

(i) Either prima-facie speed limit permitted by division 56750
(B) of this section; 56751

(ii) An altered speed limit determined and posted in 56752
accordance with this section. 56753

(b) If the local authorities are unable to reach an 56754
agreement, the speed limit shall remain as established and 56755
posted under this section. 56756

(2) Neither local authority may declare an altered prima- 56757
facie speed limit pursuant to this section on the part of the 56758
highway under their joint jurisdiction unless both of the local 56759

authorities determine, upon the basis of criteria established by 56760
an engineering study, as defined by the director, that the speed 56761
permitted by this section is greater than is reasonable or safe 56762
under the conditions found to exist at the location and both 56763
authorities agree upon a uniform reasonable and safe prima-facie 56764
speed limit of less than fifty-five but not less than twenty- 56765
five miles per hour for that location. If both authorities so 56766
agree, each shall follow the procedure specified in this section 56767
for altering the prima-facie speed limit on the highway, and the 56768
speed limit for the part of the highway within their joint 56769
jurisdiction shall be uniformly altered. No altered speed limit 56770
may be withdrawn unless both local authorities determine that 56771
the altered prima-facie speed limit previously adopted becomes 56772
unreasonable and each adopts a resolution withdrawing the 56773
altered prima-facie speed limit pursuant to the procedure 56774
specified in this section. 56775

(N) The legislative authority of a municipal corporation 56776
or township in which a boarding school is located, by resolution 56777
or ordinance, may establish a boarding school zone. The 56778
legislative authority may alter the speed limit on any street or 56779
highway within the boarding school zone and shall specify the 56780
hours during which the altered speed limit is in effect. For 56781
purposes of determining the boundaries of the boarding school 56782
zone, the altered speed limit within the boarding school zone, 56783
and the hours the altered speed limit is in effect, the 56784
legislative authority shall consult with the administration of 56785
the boarding school and with the county engineer or other 56786
appropriate engineer, as applicable. A boarding school zone 56787
speed limit becomes effective only when appropriate signs giving 56788
notice thereof are erected at the appropriate locations. 56789

- (P) (1) A violation of any provision of this section is one of the following: 56814
56815
- (a) Except as otherwise provided in divisions (P) (1) (b), (1) (c), (2), and (3) of this section, a minor misdemeanor; 56816
56817
- (b) If, within one year of the offense, the offender 56818

previously has been convicted of or pleaded guilty to two 56819
violations of any provision of this section or of any provision 56820
of a municipal ordinance that is substantially similar to any 56821
provision of this section, a misdemeanor of the fourth degree; 56822

(c) If, within one year of the offense, the offender 56823
previously has been convicted of or pleaded guilty to three or 56824

substantially similar to this section and operated a motor 56832
vehicle faster than thirty-five miles an hour in a business 56833
district of a municipal corporation, faster than fifty miles an 56834
hour in other portions of a municipal corporation, or faster 56835

for the violation upon an offender if the offender alleges, in 56847
an affidavit filed with the court prior to the offender's 56848

sentencing, that the offender is indigent and is unable to pay 56849

determines that the offender is an indigent person and unable to 56851
pay the fine. 56852

(4) If the offender commits the offense while distracted 56853
and the distracting activity is a contributing factor to the 56854
commission of the offense, the offender is subject to the 56855
additional fine established under section 4511.991 of the 56856
Revised Code. 56857

Sec. 4511.75. (A) The driver of a vehicle, streetcar, or 56858
trackless trolley upon meeting or overtaking from either 56859
direction any school bus stopped for the purpose of receiving or 56860
discharging any school child, person attending programs offered 56861
by community boards of mental health and county boards of 56862
developmental disabilities, or child attending a program offered 56863
by a head start agency, shall stop at least ten feet from the 56864
front or rear of the school bus and shall not proceed until such 56865
school bus resumes motion, or until signaled by the school bus 56866
driver to proceed. 56867

It is no defense to a charge under this division that the 56868
school bus involved failed to display or be equipped with an 56869
automatically extended stop warning sign as required by division 56870
(B) of this section. 56871

(B) Every school bus shall be equipped with amber and red 56872
visual signals meeting the requirements of section 4511.771 of 56873
the Revised Code, and an automatically extended stop warning 56874
sign of a type approved by the ~~state board~~ department of 56875
education and workforce, which shall be actuated by the driver 56876
of the bus whenever but only whenever the bus is stopped or 56877
stopping on the roadway for the purpose of receiving or 56878

discharging school children, persons attending programs offered 56879
by community boards of mental health and county boards of 56880
developmental disabilities, or children attending programs 56881
offered by head start agencies. A school bus driver shall not 56882
actuate the visual signals or the stop warning sign in 56883
designated school bus loading areas where the bus is entirely 56884
off the roadway or at school buildings when children or persons 56885
attending programs offered by community boards of mental health 56886
and county boards of developmental disabilities are loading or 56887
unloading at curbside or at buildings when children attending 56888
programs offered by head start agencies are loading or unloading 56889
at curbside. The visual signals and stop warning sign shall be 56890
synchronized or otherwise operated as required by rule of the 56891
board. 56892

(C) Where a highway has been divided into four or more 56893
traffic lanes, a driver of a vehicle, streetcar, or trackless 56894
trolley need not stop for a school bus approaching from the 56895
opposite direction which has stopped for the purpose of 56896
receiving or discharging any school child, persons attending 56897
programs offered by community boards of mental health and county 56898
boards of developmental disabilities, or children attending 56899

until after any child, person attending programs offered by 56911
community boards of mental health and county boards of 56912
developmental disabilities, or child attending a program offered 56913
by a head start agency who may have alighted therefrom has 56914
reached a place of safety on the child's or person's residence 56915
side of the road. 56916

(F) (1) Whoever violates division (A) of this section may 56917
be fined an amount not to exceed five hundred dollars. A person 56918
who is issued a citation for a violation of division (A) of this 56919
section is not permitted to enter a written plea of guilty and 56920
waive the person's right to contest the citation in a trial but 56921
instead must appear in person in the proper court to answer the 56922
charge. 56923

(2) In addition to and independent of any other penalty 56924
provided by law, the court or mayor may impose upon an offender 56925
who violates this section a class seven suspension of the 56926
offender's driver's license, commercial driver's license, 56927
temporary instruction permit, probationary license, or 56928
nonresident operating privilege from the range specified in 56929
division (A) (7) of section 4510.02 of the Revised Code. When a 56930
license is suspended under this section, the court or mayor 56931
shall cause the offender to deliver the license to the court, 56932
and the court or clerk of the court immediately shall forward 56933
the license to the registrar of motor vehicles, together with 56934
notice of the court's action. 56935

"School bus" does not include a van owned and operated by a head start agency, irrespective of its color, lights, or markings.

Sec. 4511.76. (A) The department of public safety, by and with the advice of the ~~superintendent of public instruction~~ department of education and workforce, shall adopt and enforce rules relating to the construction, design, and equipment, including lighting equipment required by section 4511.771 of the Revised Code, of all school buses both publicly and privately owned and operated in this state.

(B) The department of education and workforce, by and with the advice of the director of public safety, shall adopt and enforce rules relating to the operation of all vehicles used for pupil transportation.

(C) No person shall operate a vehicle used for pupil transportation within this state in violation of the rules of the department of education and workforce or the department of public safety. workforce or the department of public safety. 56969

(D) The department of public safety shall adopt and 56970
enforce rules relating to the issuance of a license under 56971
section 4511.763 of the Revised Code. The rules may relate to 56972
the condition of the equipment to be operated; the liability and 56973
property damage insurance carried by the applicant; the posting 56974
of satisfactory and sufficient bond; and such other rules as the 56975
director of public safety determines reasonably necessary for 56976
the safety of the pupils to be transported. 56977

(E) A chartered nonpublic school may own and operate, or 56978
contract with a vendor that supplies, a vehicle originally 56979
designed for not more than nine passengers, not including the 56980
driver, to transport students to and from regularly scheduled 56981
school sessions when one of the following applies: 56982

(1) A student's school district of residence has declared 56983
the transportation of the student impractical pursuant to 56984
section 3327.02 of the Revised Code; or 56985

(2) A student does not live within thirty minutes of the 56986
chartered nonpublic school and the student's school district is 56987
not required to transport the student under section 3327.01 of 56988
the Revised Code. 56989

(F) As used in this section, "vehicle used for pupil 56990
transportation" means any vehicle that is identified as such by 56991
the department of education and workforce by rule and that is 56992
subject to Chapter 3301-83 of the Administrative Code. 56993

(G) Except as otherwise provided in this division, whoever 56994
violates this section is guilty of a minor misdemeanor. If the 56995
offender previously has been convicted of or pleaded guilty to 56996
one or more violations of this section or section 4511.63, 56997

4511.761, 4511.762, 4511.764, 4511.77, or 4511.79 of the Revised Code or a municipal ordinance that is substantially similar to any of those sections, whoever violates this section is guilty of a misdemeanor of the fourth degree.

Sec. 4709.07. (A) Each person who desires to obtain an initial license to practice barbering shall apply to the state cosmetology and barber board, on forms provided by the board. The application form shall include the name of the person applying for the license and evidence that the applicant meets all of the requirements of division (B) of this section. The application shall be accompanied by two signed current photographs of the applicant, in the size determined by the board, that show only the head and shoulders of the applicant, and the examination application fee.

(B) In order to take the required barber examination and to qualify for licensure as a barber, an applicant must demonstrate that the applicant meets all of the following:

(1) Is at least eighteen years of age;

(2) Has an eighth grade education or an equivalent education as determined by the ~~state board~~ department of education and workforce, or equivalent organization in the state where the applicant resides;

(3) Has graduated with at least one thousand eight hundred hours of training from a board-approved barber school or has graduated with at least one thousand hours of training from a board-approved barber school in this state and has a current cosmetology or hair designer license issued pursuant to Chapter 4713. of the Revised Code. No hours of instruction earned by an applicant five or more years prior to the examination apply to

the hours of study required by this division. 57027

(C) Any applicant who meets all of the requirements of 57028
divisions (A) and (B) of this section may take the barber 57029
examination at the time and place specified by the board. If the 57030
applicant fails to attain at least a seventy-five per cent pass 57031
rate on each part of the examination, the applicant is 57032
ineligible for licensure; however, the applicant may reapply for 57033
examination within ninety days after the date of the release of 57034
the examination scores by paying the required reexamination fee. 57035
An applicant is only required to take that part or parts of the 57036
examination on which the applicant did not receive a score of 57037
seventy-five per cent or higher. If the applicant fails to 57038
reapply for examination within ninety days or fails the second 57039
examination, in order to reapply for examination for licensure 57040
the applicant shall complete an additional course of study of 57041
not less than two hundred hours, in a board-approved barber 57042

licensure in a conspicuous place adjacent to or near the 57051
licensed barber's work chair, along with a signed current 57052

and shoulders only. 57054

Sec. 4709.10. (A) Each person who desires to obtain a 57055
license to operate a barber school shall apply to the state 57056

cosmetology and barber board, on forms provided by the board. 57057
The board shall issue a barber school license to a person if the 57058
board determines that the person meets and will comply with all 57059
of the requirements of division (B) of this section and pays the 57060
required licensure and inspection fees. 57061

(B) In order for a person to qualify for a license to 57062
operate a barber school, the barber school to be operated by the 57063
person must meet all of the following requirements: 57064

(1) Have a training facility sufficient to meet the 57065
required educational curriculum established by the board, 57066
including enough space to accommodate all the facilities and 57067
equipment required by rule by the board; 57068

(2) Provide sufficient licensed teaching personnel to meet 57069
the minimum pupil-teacher ratio established by rule of the 57070
board; 57071

(3) Have established and provide to the board proof that 57072
it has met all of the board requirements to operate a barber 57073
school, as adopted by rule of the board; 57074

(4) File with the board a program of its curriculum, 57075
accounting for not less than one thousand eight hundred hours of 57076
instruction in the courses of theory and practical demonstration 57077
required by rule of the board; 57078

(5) File with the board a surety bond in the amount of ten 57079
thousand dollars issued by a bonding company licensed to do 57080
business in this state. The bond shall be in the form prescribed 57081
by the board and conditioned upon the barber school's continued 57082

section, an opportunity for any prisoner to participate in 60309
courses that lead toward an Ohio certificate of high school 60310
equivalence or an Ohio high school diploma, or that provide 60311
vocational training, does not give rise to a claim for damages 60312
against the department. 60313

(C) The department of rehabilitation and correction, for a 60314
clearly established medical, mental health, or security reason, 60315

exclusion under this division shall be only for a clearly 60318
established medical, mental health, or security reason. Within 60319
six months after ~~the effective date of this amendment~~ March 31, 60320

portion of the administrative expenses the department of 60334
medicaid incurs in administering the aspects of the component 60335

To the extent authorized by rules authorized by section 60337
5162.021 of the Revised Code, the department of education and 60338

medicaid program and that is discovered by a federal or state 60348
audit. This is the case regardless of whether the audit's 60349

department of education and workforce as being responsible for 60351
the overpayment. 60352

that a claim submitted by the provider under section 5162.361 of 60363
the Revised Code did not comply with a federal or state 60364
requirement applicable to the claim, including a requirement of 60365
a medicaid waiver component. 60366

upon mutually agreed upon terms. The director may transfer the 60659
structure or structural materials to a nonprofit corporation 60660
upon being furnished a copy of a contract between the nonprofit 60661
corporation and a county, municipal corporation, or other 60662
political subdivision to which the structure is to be moved 60663
pursuant to which the nonprofit corporation must make the 60664
structure or structural materials available for rent or sale 60665
within a period of three months after becoming available for 60666
occupancy to an individual or family which has been displaced by 60667
governmental action or which occupies substandard housing as 60668
certified by such political subdivision, without advertising for 60669
bids. Any such transfers shall be for such consideration as 60670
shall be determined by the director to be fair and reasonable, 60671

performance and indemnity as shall be determined necessary by 60673
the director. 60674
